THE DEBTORS HEREBY ADOPT AND INCORPORATE EACH EXHIBIT ATTACHED TO THIS DISCLOSURE STATEMENT BY REFERENCE AS THOUGH FULLY SET FORTH HEREIN.

I.
EXECUTIVE SUMMARY

The Debtors in the Chapter 11 Cases to be commenced in the Bankruptcy Court (each as defined below) submit this Disclosure Statement, pursuant to section 1125 of the Bankruptcy Code, in connection with the solicitation of votes on the Plan. A copy of the Plan is attached hereto as **Exhibit A**.

Before soliciting votes on a proposed plan of reorganization, section 1125 of the Bankruptcy Code requires debtors to prepare a disclosure statement containing information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance or rejection of such plan of reorganization. As such, this Disclosure Statement is being submitted in accordance with the requirements of section 1125 of the Bankruptcy Code.

The Debtors are commencing this solicitation to implement a prepackaged, comprehensive consensual restructuring (the “***Restructuring***”) that will reduce their funded debt liabilities from approximately \$243.1 million (inclusive of accrued and unpaid interest, but excluding issued but undrawn letters of credit under the Prepetition ABL Facility) to approximately \$190 upon emergence, while otherwise providing for claims and contracts to pass through the Chapter 11 Cases unaffected. The Restructuring is supported by the overwhelming majority of the Debtors’ capital structure. Specifically, the transaction support agreement dated as of December 21, 2024 (the “***Transaction Support Agreement***”) and the DIP Term Loan Facility (which comprises approximately \$40 million in “new money” loans, which will ultimately convert to committed exit financing on the Effective Date) have the support of holders of over 90% of the outstanding principal amount of Prepetition Term Loan Claims (the “***Consenting Term Lenders***”). Such Consenting Term Lenders have already agreed to vote in favor of and otherwise support confirmation of the Plan through execution of the Transaction Support Agreement. Further, Eclipse Business Capital LLC and the Debtors have entered into the DIP & Exit ABL Commitment Letter, which is attached to the Transaction Support Agreement which is appended as **Exhibit B** hereto, pursuant to which the Debtors have secured a replacement ABL facility in the form of debtor-in-possession revolving credit facility that will be used to repay, in full, the Prepetition ABL Facility and roll into an exit ABL facility at the conclusion of these Chapter 11 Cases.

The Restructuring will enhance the Debtors’ long-term growth prospects and competitive position and will provide the Debtors with the flexibility to invest in and grow their businesses while saving nearly 3,800 jobs.

The Debtors anticipate filing voluntary petitions for relief and commencing cases under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “***Bankruptcy Court***”) on or about December 22, 2024 (the “***Petition Date***”). During the Chapter 11 Cases, the Debtors intend to operate their businesses in the ordinary course and will seek authorization from the Bankruptcy Court to make payment in full on a timely basis to trade creditors, customers, and employees of undisputed amounts due before and during the Chapter 11 Cases.

This Executive Summary is being provided as an overview of the material items addressed in this Disclosure Statement and the Plan, which is qualified by reference to the entire Disclosure Statement and by the actual terms of the Plan (and including all exhibits attached hereto and to the Plan) and should not be relied upon for a comprehensive discussion of this Disclosure Statement or the Plan.

This Disclosure Statement includes, without limitation, information about:

- the Debtors’ prepetition operating and financial history;

- the events leading up to the commencement of the Chapter 11 Cases;
- the events anticipated to occur during the Chapter 11 Cases;
- the solicitation procedures for voting on the Plan;
- the Confirmation process and the voting procedures that Holders of Claims who are entitled to vote on the Plan must follow for their votes to be counted;
- the terms and provisions of the Plan, certain effects of confirmation of the Plan, and the manner in which distributions will be made under the Plan;
- certain risk factors relating to the Debtors, the Reorganized Debtors, and confirmation of the Plan; and
- the proposed organization, operations, and financing of the Reorganized Debtors if the Plan is confirmed and becomes effective.

A. Purpose and Effect of the Plan

1. Plan of Reorganization under Chapter 11 of the Bankruptcy Code

The Debtors are reorganizing pursuant to chapter 11 of the Bankruptcy Code, which is the principal business reorganization chapter of the Bankruptcy Code. As a result, the confirmation of the Plan means that the Reorganized Debtors will continue to operate their businesses going forward and does not mean that the Debtors will be liquidated or forced to go out of business.

A bankruptcy court's confirmation of a plan binds the debtors, any entity acquiring property under the plan, any holder of a claim or equity interest in the debtors, and all other entities as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code to the terms and conditions of the confirmed plan, whether or not such entity voted on the particular plan or affirmatively voted to reject the plan.

2. Restructurings under the Plan

The Plan contemplates the following Restructuring and treatment of Claims (as more fully described in the below table, the “*Summary of Expected Recoveries*”):²

- reduction of the Debtors' total funded debt from approximately \$243.1 million to approximately \$190 million upon emergence pursuant to the terms of the Transaction Support Agreement and the DIP & Exit ABL Commitment Letter, comprising (i) a new first-out exit term loan facility in an aggregate principal amount of \$40 million (*plus* payable in kind fees on account of the DIP Put Option Premium and Commitment Premium) (the “*First-Out Exit Term Loans*”) and a new second-out exit term loan facility in the aggregate principal amount of \$75 million (the “*Second-Out Exit Term Loans*”, and together with the First-Out Exit Term Loans, the “*Exit Term Loans*”) and (ii) the exchange and rollup of the ABL DIP Claims into exit revolving loans pursuant to the terms of the

² The following summary is subject in all respects to the Plan itself.

DIP & Exit ABL Commitment Letter (the “**Exit ABL Loans**” and, together with the Exit Term Loans, the “**Exit Facilities**”). The Exit ABL Loans will be implemented under a new credit agreement, on the terms and conditions set forth in the DIP & Exit ABL Commitment Letter (the “**Exit ABL Credit Agreement**”).

- the Chapter 11 Cases will be financed (i) by a backstopped senior secured debtor-in-possession credit facility (the “**DIP Term Loan Facility**”) in an aggregate amount of up to \$115 consisting of (a) an aggregate amount of up to \$40 million in “new money” loans (the “**First-Out DIP Term Loans**”) and (b) the roll up of \$75 million of loans under the Prepetition Term Loan Facility (the “**Second-Out DIP Term Loans**,” and together with the First-Out DIP Term Loans, the “**DIP Term Loans**”), (ii) a \$140 million debtor in possession asset based revolving credit facility (the “**DIP ABL Loan Facility**,” and together with the DIP Term Loan Facility, the “**DIP Facilities**”), and (iii) through the consensual use of Cash Collateral. Upon emergence, the DIP Facilities will convert into the Exit Facilities.
- the DIP Facility will be backstopped by certain of the Consenting Term Lenders (the “**DIP Backstop Parties**”) who, subject to entry of the Interim DIP/Cash Collateral Order, will be entitled to receive their pro rata share of a put option premium comprising 5% of the aggregate amount of the commitments to fund the First-Out DIP Term Loans under the DIP Term Loan Facility, payable in kind upon the initial funding of the First-Out DIP Term Loans in the form of additional First-Out DIP Term Loans (the “**DIP Put Option Premium**”). In addition, in consideration for providing commitments to fund the First-Out DIP Term Loans under the DIP Term Loan Facility, the DIP Term Lenders, subject to entry of the Interim DIP/Cash Collateral Order, shall be entitled to a non-refundable payment equal to 2% of the aggregate principal amount of the First-Out DIP Term Loans (the “**Commitment Premium**”), which shall be fully earned upon entry of the Interim Order and due and payable in kind at the initial funding of First-Out DIP Term Loans in the form of additional First-Out DIP Term Loans.
- prior to the Petition Date, the vast majority of Holders of Prepetition Term Loan Claims (including the over 90% thereof comprising the Consenting Term Lenders) were offered the opportunity to participate in the DIP Term Loan Facility and earn the DIP Put Option Premium and Commitment Premium. Before entry of the Final DIP/Cash Collateral Order, the DIP Term Loans will be fully syndicated such that all Holders of Prepetition Term Loan Claims will have had the opportunity to fund the DIP Term Loans and, subject to entry of the Final DIP/Cash Collateral Order and the occurrence of the Plan Effective Date, receive a participation fee equal to a pro rata amount of 64% of the New Equity Interests, subject to dilution only by the Management Incentive Plan (the “**Equity Premium**”).
- under the Plan, the Debtors’ stakeholders will receive treatment as follows:
 - upon the ABL Refinancing (as defined in the Interim DIP/Cash Collateral Order), each Holder of an Allowed Prepetition ABL Claim will receive, in full and final satisfaction, settlement, release and discharge of, and in exchange for such Allowed Prepetition ABL Claim, payment in full in Cash (including the replacement or Cash collateralization of all issued and undrawn letters of credit in accordance with and in the amounts specified under the Prepetition ABL Credit Agreement). To the extent any “Obligations” (as defined in the Prepetition ABL Credit Agreement) are outstanding on the Effective Date, the Claims on account of such Obligations will receive treatment as necessary to render such Claims

Unimpaired, including, repayment in Cash of such Claims required to be satisfied in Cash pursuant to the terms of the Petition ABL Credit Agreement;

- on the Effective Date, each Holder of an Allowed Prepetition Term Loan Claim will receive, in full and final satisfaction, settlement, release, and discharge and in exchange for each Allowed Term Loan Claim, its Pro Rata Share of 100% of the New Equity Interests, subject to dilution by the Management Incentive Plan and the DIP Equity Premium;
 - on the Effective Date, Existing Equity Interests will be canceled, released, discharged, and extinguished, and will be of no further force or effect;
 - Other Secured Claims and General Unsecured Claims are Unimpaired by the Plan as further described herein. Intercompany Claims and Intercompany Interests may be Reinstated or cancelled for no consideration, at the option of the Debtors, with the consent of the Required Consenting Lenders; and
 - Holders of Subordinated Claims will receive no recovery or distribution on account of such Subordinated Claims.

C. Filing of the Plan Supplement

The Debtors propose to file the Plan Supplement at least five (5) Business Days before the deadline to object to confirmation of the Plan. The Debtors will transmit a copy of the Plan Supplement to: (a) the Office of the United States Trustee for the Southern District of Texas; (b) counsel to the DIP Agent; (c) counsel to the Ad Hoc Group; (d) counsel to the Prepetition Term Loan Agent; (e) counsel to the ABL Agent; (f) the creditors listed on the Debtors' consolidated list of thirty (30) creditors holding the largest unsecured claims; (g) the United States Attorney for the Southern District of Texas; (h) the Internal Revenue Service; (i) the Securities and Exchange Commission; (j) the state attorneys general for states in which the Debtors conduct business; and (k) any party that has requested notice pursuant to Bankruptcy Rule 2002.

The Plan Supplement will include all exhibits and Plan schedules that were not already filed or sent to parties entitled to vote on the Plan in connection with solicitation, as exhibits to the Plan or this Disclosure Statement, all of which are incorporated by reference into, and are an integral part of, the Plan, as all of the same may be amended, supplemented, or modified from time to time.

D. Solicitation Procedures**1. The Solicitation and Voting Procedures**

The discussion of the procedures below is a summary of the solicitation and voting process. Detailed voting instructions will be provided with each Ballot.

PLEASE REFER TO THE INSTRUCTIONS ACCOMPANYING THE BALLOTS FOR MORE INFORMATION REGARDING VOTING REQUIREMENTS TO ENSURE THAT YOUR BALLOT IS PROPERLY AND TIMELY SUBMITTED SO THAT YOUR VOTE MAY BE COUNTED.

2. The Solicitation Agent

The Debtors have engaged Verita to, among other things, act as the Solicitation Agent (as described below).

Specifically, the Solicitation Agent will (and, as to certain functions, has already begun to) assist the Debtors with: (a) mailing notices related to solicitation and confirmation of the Plan; (b) mailing Solicitation Packages (as described below); (c) soliciting votes on the Plan; (d) receiving, tabulating, and reporting on Ballots cast for or against the Plan by Holders of Claims against the Debtors; (e) responding to inquiries from creditors and stakeholders relating to the Plan, this Disclosure Statement, the Ballots, and matters related thereto, including, without limitation, the procedures and requirements for voting to accept or reject the Plan and objecting to the Plan; and (f) if necessary, contacting creditors and interest holders regarding the Plan and, as to the Holders of Prepetition Term Loan Claims, their Ballots.

3. Holders of Claims Entitled to Vote on the Plan

Under the provisions of the Bankruptcy Code, not all holders of claims against and equity interests in a debtor are entitled to vote on a chapter 11 plan. The following table provides a summary of the status and voting rights of each Class (and, therefore, of each Holder of a Claim or Interest within such Class) under the Plan:

SUMMARY OF STATUS AND VOTING RIGHTS

Class	Claim/Equity Interest	Status	Voting Rights
1	Other Secured Claims	Unimpaired	Presumed to Accept
2	Prepetition ABL Claims	Unimpaired	Presumed to Accept
3	<i>Prepetition Term Loan Claims</i>	<i>Impaired</i>	<i>Entitled to Vote</i>
4	General Unsecured Claims	Unimpaired	Presumed to Accept
5	Subordinated Claims	Impaired	Deemed to Reject
6	Intercompany Claims	Impaired / Unimpaired	Deemed to Reject / Presumed to Accept
7	Intercompany Interests	Impaired / Unimpaired	Deemed to Reject / Presumed to Accept
8	Existing Equity Interests	Impaired	Deemed to Reject

Based on the foregoing, the Debtors are soliciting votes to accept the Plan only from Holders of Claims in Class 3 (the “***Voting Class***”), because Holders of Claims in the Voting Class are Impaired under the Plan and have the right to vote to accept or reject the Plan. For purposes of determining acceptance and rejection of the Plan, votes from such Class will be tabulated on a Debtor-by-Debtor basis.

The Debtors are not soliciting votes on the Plan from (a) Holders of Claims in Classes 1, 2, and 4, because such parties are conclusively presumed to have accepted the Plan; (b) Holders of Claims in Class 5 and Interests in Class 8, because such parties are conclusively presumed to have rejected the Plan; and (c) Holders of Claims and Interests in Classes 6 and 7 because such parties are conclusively presumed to have accepted the Plan or conclusively presumed to have rejected the Plan (Classes 1, 2, 4, 5, 6, 7 and 8 collectively, the “***Non-Voting Classes***”). In lieu of a Solicitation Package, certain of the Non-Voting Classes (Classes 1, 4, 5, and 8) will receive the Notice of Non-Voting Status (as defined in the Solicitation Procedures Motion). Notwithstanding their non-voting status, Holders of Claims or Interests, as applicable, in such Non-Voting Classes will also receive a Release Opt-Out Form solely for the purposes of affirmatively opting out of the Third-Party Release. Because the Intercompany Claims in Class 6 and Intercompany Interests in Class 7 are all held by the Debtors or affiliates of the Debtors, the Debtors, through the Solicitation Procedures Motion, have sought a waiver of any requirement to serve the Holders of Claims and Interests in Classes 6 and 7 with Solicitation Packages or any other type of notice, including a Non-Voting Status Notice, in connection with solicitation.

4. The Voting Record Date

The voting record date (the “***Voting Record Date***”) with respect to all Claims in the Voting Class is December 18, 2024. The Voting Record Date is the date as of which it was determined which Holders of Claims in the Voting Class are entitled to vote to accept or reject the Plan.

5. Contents of the Solicitation Package

The following documents and materials will collectively constitute the “**Solicitation Package**” with respect to Holders of Claims in the Voting Class (in flash drive or paper format):

The Holders of Claims and Interests in the Non-Voting Classes (other than Holders of Intercompany Claims and Intercompany Interests) will also receive the Notice of Non-Voting Status. Finally, Holders of Claims and Interests in the Non-Voting Classes (other than Holders of Intercompany Claims and Intercompany Interests) will also receive a Release Opt-Out Form solely for the purposes of affirmatively opting out of the Third-Party Release.

6. Distribution of the Solicitation Package to Holders of Claims Entitled to Vote on the Plan

With the assistance of the Solicitation Agent, the Debtors are distributing Solicitation Packages to the applicable voting parties. The Debtors submit that the timing of such distribution will provide such Holders of Claims with adequate time within which to review the materials required to allow such parties to make informed decisions with respect to voting on the Plan in accordance with Bankruptcy Rules 3017(d) and 2002(b).

7. Additional Distribution of Solicitation Documents

Parties may request (and obtain at the Debtors’ expense) a copy of this Disclosure Statement (and any exhibits thereto, including the Plan) by: (a) calling the Solicitation Agent at (888) 251-3046 (U.S. / Canada, toll-free) or (310) 751-2615 (International, toll); (b) messaging the Solicitation Agent at

All Holders of Claims are advised to read the instructions on their Ballots, as applicable, and any notices they receive from the Debtors.

E. Voting Procedures

Holders of Claims entitled to vote on the Plan are advised to read the instructions on their Ballots, which set forth in greater detail the voting instructions summarized herein.

1. The Voting Deadline

4:00 p.m. prevailing Central Time on January 21, 2025 is the Voting Deadline, subject to further extension by the Debtors. The Voting Deadline is the date by which all Ballots and Release Opt-Out Forms, as applicable, must be properly executed, completed, and delivered to the Solicitation Agent in order to be counted as votes to accept or reject the Plan (or as a valid opt-out).

2. Ballots

The Debtors will provide the following Ballot to Holders of Claims in the Voting Class:

Class	Claim	Ballot
3	Prepetition Term Loan Claims	Class 3 Prepetition Term Loan Claims Ballot to be attached to the proposed Solicitation Procedures Order as Exhibit 3

To be counted as a vote to accept or reject the Plan, votes must be submitted on the Ballot.

Under the Plan, Holders of Claims in the Voting Class are entitled to vote to accept or reject the Plan by completing a Ballot and returning it to the Solicitation Agent. Each Ballot will include an option to affirmatively opt out of the Third-Party Release contained in Article IX.C of the Plan.

To be counted as a vote to accept or reject the Plan, each Ballot must be properly executed, completed, dated, and delivered by following the instructions set forth on the Ballot, so that it is actually received by the Solicitation Agent on or before the Voting Deadline. If you have any questions on the procedures for voting on the Plan, please contact the Solicitation Agent by (a) calling the Solicitation Agent at (888) 251-3046 (U.S. / Canada, toll-free) or (310) 751-2615 (International, toll); (b) messaging the Solicitation Agent at www.veritaglobal.net/thecontainerstore/inquiry; and/or (c) visiting the Debtors' restructuring website at <https://www.veritaglobal.com/thecontainerstore>.

4. Voting Procedures

PLEASE REFER TO THE INSTRUCTIONS ATTACHED TO THE BALLOTS FOR MORE DETAILED INFORMATION REGARDING THE VOTING REQUIREMENTS, RULES AND PROCEDURES APPLICABLE TO VOTING YOUR CLAIM.

If you are a Holder of a Claim in Class 3 – Prepetition Term Loan Claims, you may vote to accept or reject the Plan by completing your Ballot and returning it to the Solicitation Agent in accordance with the instructions on your Ballot (*i.e.*, using the pre-addressed, postage pre-paid return envelope provided therewith or submitting it through the Solicitation Agent’s online voting portal).

If you are entitled to vote to accept or reject the Plan, a Ballot has been enclosed in your Solicitation Package for the purpose of voting on the Plan. Please vote and return your Ballot in accordance with the accompanying instructions.

Before voting on the Plan, you should carefully review the Plan and this Disclosure Statement, as well as their respective exhibits and the detailed instructions accompanying your Ballot. These documents contain important information concerning how Claims and Interests are classified for voting purposes and how votes will be tabulated. Holders of Claims entitled to vote are also encouraged to review the relevant provisions of the Bankruptcy Code and Bankruptcy Rules and consult their own attorney.

The Ballot you receive has been coded. In voting to accept or reject the Plan, you must use only the coded Ballot sent to you with this Disclosure Statement. If you hold multiple Claims within one Class, you may receive more than one Ballot.

If the Solicitation Agent receives more than one timely received, properly completed, valid Ballot with respect to a single Claim before the Voting Deadline, the vote that will be counted for purposes of determining whether sufficient acceptances required to confirm the Plan have been received will be the vote recorded on the last timely, properly completed Ballot, as determined by the Solicitation Agent, with respect to such Claim.

If you are a Holder of a Claim that is entitled to vote on the Plan and did not receive a Ballot, received a damaged Ballot, or lost your Ballot, or if you have any questions concerning this Disclosure Statement, the Plan, the Ballot, or the procedures for voting on the Plan, please contact the Solicitation Agent at the phone numbers or email address listed in Section I.E.3 above or your attorney, as applicable.

HOLDERS OF CLAIMS IN THE VOTING CLASS ARE STRONGLY ENCOURAGED TO SUBMIT THEIR BALLOTS VIA THE SOLICITATION AGENT’S ONLINE VOTING PORTAL.

F. Confirmation of the Plan

1. The Combined Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. On, or as promptly as practicable after, the Petition Date, the Debtors will request that the Bankruptcy Court schedule the Combined Hearing for a date no sooner than January 24, 2025 (or as soon thereafter as the Bankruptcy Court has availability). Notice of the Combined

Hearing will be provided to all known creditors and equity holders or their Representatives. The Combined Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the continuation date made at the Combined Hearing, at any subsequent continued Combined Hearing, or pursuant to a notice filed on the docket for the Chapter 11 Cases.

2. The Deadline for Objecting to Confirmation of the Plan

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. The Debtors intend to propose the Plan Objection Deadline to be January 21, 2025 at 4:00 p.m. (prevailing Central Time). Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and the Bankruptcy Local Rules for the Southern District of Texas (the “**Bankruptcy Local Rules**”), must set forth the name of the objector, the nature and amount of the Claims and/or Interests held or asserted by the objector against the Debtors’ Estates or properties, the basis for the objection and the specific grounds therefor, and must be filed with the Bankruptcy Court, together with proof of service thereof, and served upon the following parties, including such other parties as the Bankruptcy Court may order (the “**Notice Parties**”):

CONFIRMATION OBJECTIONS NOT TIMELY FILED AND SERVED MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT.

3. Effect of Confirmation of the Plan

Article IX of the Plan contains certain provisions relating to (a) the compromise and settlement of Claims, (b) the release of the Released Parties by the Debtors and certain other Releasing Parties, and (c) exculpation of certain estate fiduciaries. It is important to read such provisions carefully so that you understand the implications of these provisions with respect to your Claim such that you may cast your vote accordingly.

THE PLAN WILL BIND ALL HOLDERS OF CLAIMS AGAINST AND INTERESTS IN THE DEBTORS TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, NOTWITHSTANDING WHETHER OR NOT SUCH HOLDER (A) WILL RECEIVE OR RETAIN ANY PROPERTY OR INTEREST IN PROPERTY UNDER THE PLAN, (B) HAS FILED A PROOF OF CLAIM OR INTEREST IN THE CHAPTER 11 CASES, OR (C) FAILED TO VOTE TO ACCEPT OR REJECT THE PLAN OR VOTED TO REJECT THE PLAN.

G. The Plan Releases

The Plan contains the Third-Party Release, which will bind certain holders of Claims and Interests. The Debtors believe these provisions comply fully with applicable law. The following summary of those provisions is subject in all respects to the Plan itself.

Article IX.C of the Plan provides that the Releasing Parties will be deemed to have released the Released Parties from Claims and Causes of Action relating to the Debtors and the Restructuring and Chapter 11 Cases, among other things. The Released Parties include, among others, the Debtors, the Reorganized Debtors, the Non-Debtor Affiliates, each of their current and former directors, officers, and proxyholders, the parties to the Transaction Support Agreement, each Agent, and the respective advisors and Representatives of each of the foregoing parties.

The Debtors' position is that this Third-Party Release is consensual under prevailing practice in the Bankruptcy Court because applicable Holders of Claims and Interests have the ability to "opt out" of the release by timely submitting a Release Opt-Out Form. This structural element of the Plan, combined with the Debtors' anticipated solicitation and noticing process, justifies deeming any applicable Holder of a Claim or Interest to have consented to the release.

The Released Parties also would be released from any Claims and Causes of Action held by the Estates under the Plan. Additionally, from and after the Effective Date, Holders of certain Claims who have not validly opted out of the Third-Party Release, will be barred from proceeding with Claims against any Released Party, regardless of the extent of available insurance coverage.

All Holders of Claims and Interests are advised to read Article IX of the Plan, which sets forth in greater detail the information disclosed in this Section I.G of this Disclosure Statement.

H. Deregistration and Issuance of New Equity Interests

The New Equity Interests will not be listed on a national securities exchange following the Effective Date and the Debtors and Consenting Term Lenders have no intention to seek such a listing. Distributions of the New Equity Interests are expected to be made by delivery or book-entry transfer thereof by the Distribution Agent in accordance with the Plan and the New Organizational Documents.

If the Reorganized Parent were to list the New Equity Interests on an exchange other than a national securities exchange, Reorganized Parent would be required to comply with the rules and requirements of such exchange.

Stockholders are advised to seek legal and tax advice in relation to any transfers of New Equity Interests.

I. Consummation of the Plan

It will be a condition to confirmation of the Plan that all provisions, terms, and conditions of the Plan are approved in the Combined Order unless otherwise satisfied or waived pursuant to the provisions of Article VIII of the Plan. Following confirmation, the Plan will be consummated on the Effective Date.

J. Risk Factors

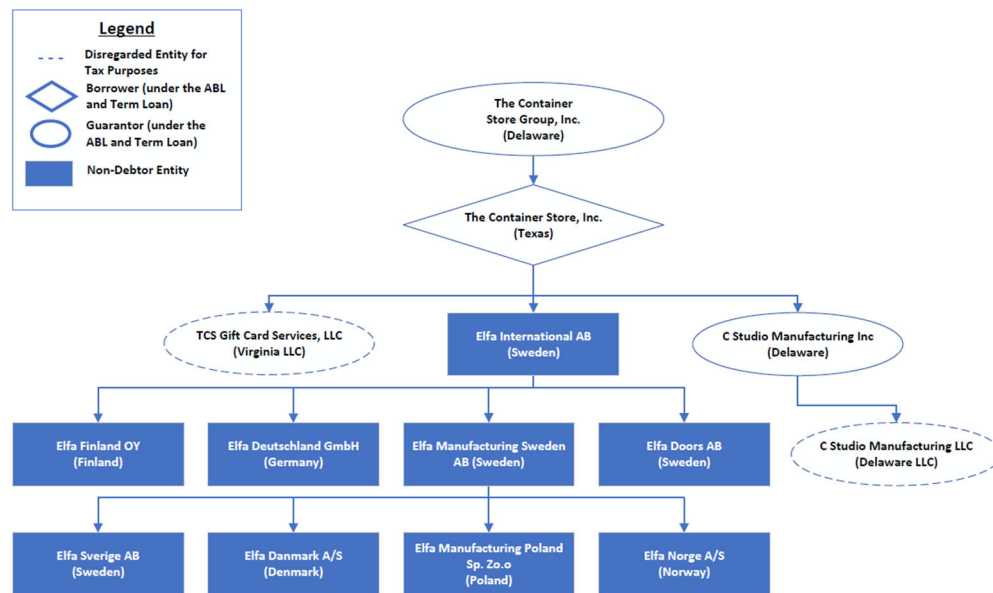

Before deciding whether and how to vote on the Plan, each Holder of a Claim in a Voting Class should consider carefully all of the information in this Disclosure Statement, including the Risk Factors described in Section IX hereof (“*Risk Factors to Consider Before Voting*”).

To support Custom Spaces, the Company operates the C Studio manufacturing facility in Elmhurst, Illinois, which designs and manufactures the Company's premium wood-based custom space product offerings. The facility is equipped with advanced manufacturing technology and staffed by skilled artisans and designers who work collaboratively to create innovative and customizable storage solutions.

The Container Store General Merchandise sub-segment ("**General Merchandise**") provides complementary organization solutions to complete the Company's Custom Spaces' offerings. Within General Merchandise, the Company offers over 10,000 storage and organization products including drawers, boxes and bins, shelving, food storage, laundry hampers, hooks, and gift packaging, with the goal of simplifying customers' lives and maximizing the spaces within their homes.

b. Elfa.

The Container Store, Inc.'s wholly owned Swedish subsidiary, Elfa International AB ("**Elfa**"), designs and manufactures products featured and sold in the Company's TCS segment, such as component-based shelving and drawer systems. Founded in 1948 and headquartered in Malmö, Sweden, Elfa has been a supplier to The Container Store since its opening in 1978. The Company acquired Elfa in 1999 and remains the exclusive distributor of Elfa products in the United States today. Elfa operates three manufacturing facilities with two located in Sweden and one in Poland. In addition to supplying The Container Store, Elfa also sells its products on a wholesale basis to various retailers in approximately 30 countries around the world, concentrated in the Nordic region of Europe. For the avoidance of doubt, Elfa and its subsidiaries are not debtors in the Chapter 11 Cases.

2. Sourcing and Distribution

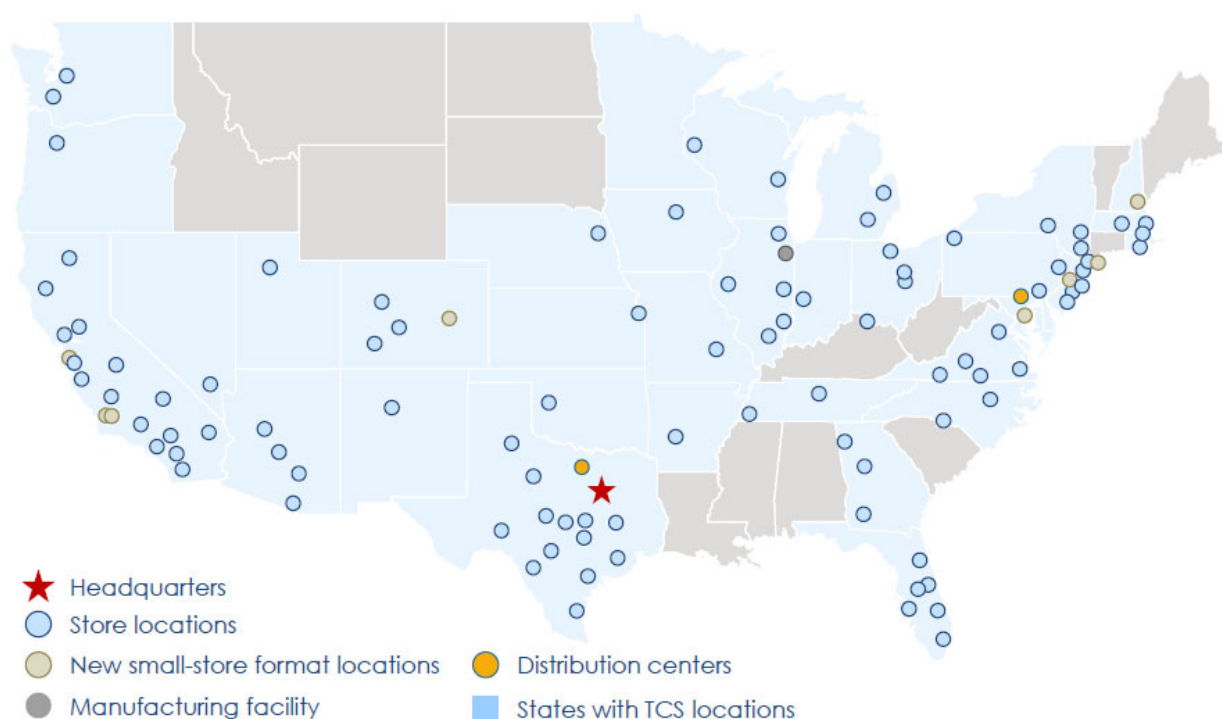

The Company has multiple domestic and international sources of supply for each category of products that it sells. In fiscal year 2023, the Company sourced 47% of its purchases from domestic suppliers and the remaining 53% from foreign suppliers (approximately 33% of such foreign suppliers are located in China). Elfa represents approximately 27% of the Company's purchases. Although the Company does not enter into long-term contracts with its vendor partners, 15 of its top 20 vendors have worked with the Company for the last 10 years and several of those vendors have worked with the Company since its inception in 1978.

In the TCS Segment, a majority of the Company's merchandise flows through one of the Company's two distribution centers, prior to being transported to the Company's retail stores and/or online customers. The first distribution center is co-located with the Company's support center in Coppell, Texas. The approximately 1.1 million square foot facility was designed and constructed specifically for The Container Store and is comprised of approximately 100,000 square feet of support center space and approximately 1 million square feet of distribution center space. The Company's second distribution center located in Aberdeen, Maryland is approximately 700,000 square feet and is comprised primarily of distribution center space. The Company also operates the aforementioned C Studio manufacturing facility, a 58,000 square feet domestic location in Elmhurst, Illinois to directly manufacture and supply the Company's premium, wood-based Custom Spaces offerings.

The Company's distribution centers serve dual purposes: replenishing retail store inventory and fulfilling direct-to-customer orders. To transport products to stores, the Company relies on third-party truckload carriers, whereas major parcel carriers handle direct-to-customer deliveries. With best-in-class logistics technology, the Company optimizes its operations and processes for receiving, picking, packing, and shipping, laying a strong foundation for future growth. Continuous enhancements in process efficiency, material handling, and automation further strengthen the distribution centers, enable greater service level efficiencies, and improve inventory management. These strategically located distribution centers enhance service levels for customers and expand the Company's network capacity.

3. Retail Channels

Customers can purchase the Company's products online or at one of the Company's stores, all of which are operated pursuant to real property leases. As of the date hereof, the Company had 104 stores in 34 states and the District of Columbia, with approximately 24,000 square feet of floor space on average. The Company's stores are strategically located near urban centers with high home project and custom space demands, facilitating unique home shopping experiences under one roof. The below map illustrates the location of store locations and distribution centers by state:

As a multi-channel retailer, The Container Store offers a full suite of e-commerce solutions, including a website, mobile application, and call center to complement the physical stores. The website, containerstore.com, is intended to replicate the store experience offering virtually the same product assortment and providing real time inventory information for stores, as well as certain products found exclusively online. The Company offers free shipping on orders over \$99 or in the alternative, customers can order online and then pick up at a store, utilize curbside pick-up services, or request same-day home delivery in select markets. For fiscal year 2023, approximately 28% of sales revenue was generated online.

4. Human Capital

As of the date of this Disclosure Statement, the Company employs approximately 3,800 people, of whom approximately 2,900 work in the Debtors' store locations.⁴ Specifically, and as described further in the Wages Motion,⁵ the Debtors' workforce consists of approximately 750 salaried employees, 2,200 part-time hourly employees, and 850 full-time hourly employees.

C. The Debtors' Prepetition Capital Structure

As of the date hereof, the Company had approximately \$243.1 million of funded debt (inclusive of accrued and unpaid interest, but excluding issued but undrawn letters of credit under the Prepetition ABL Facility (as defined below)), consisting of (i) an asset-based revolving lending facility and (ii) a secured term loan facility. The Company's prepetition funded debt obligations are summarized in the below table:

In addition, the Prepetition ABL Facility includes an uncommitted incremental revolving facility for an amount of up to \$50 million, which is subject to satisfaction of specified conditions. The Prepetition ABL Facility matures on the earlier of (a) November 25, 2025 and (b) October 31, 2025, if any portion of

the Prepetition Term Loan Obligations (as defined below) remains outstanding on such date and the maturity date of the Prepetition Term Loan Facility (as defined below) is not extended. As of the Petition Date, there was approximately \$80 million in principal outstanding and \$7.5 million in letters of credit issued under the Prepetition ABL Facility.

The obligations arising under the Prepetition ABL Facility (collectively, the “**Prepetition ABL Obligations**”) are guaranteed by Debtors TCSG, TCS Gift, C Studio Manufacturing Inc., and C Studio Manufacturing LLC and, as set forth in that certain ABL Facility Security Agreement dated as of April 6, 2012 (as amended by that certain Amendment No. 1 to Security Agreement and Pledge Agreement, dated as of October 28, 2024, the “**Prepetition ABL Security Agreement**”), secured by security interests in, and liens upon, substantially all assets of Debtor TCS and the above-mentioned Debtor guarantors, including first priority security interests in, and liens upon, the following assets of the Debtors: (a) all accounts; (b) all chattel paper; (c) all deposit accounts, securities accounts (for each of clauses (a) through (c), excluding accounts, chattel paper, deposit accounts and securities accounts which constitute identifiable proceeds of Prepetition Term Loan Priority Collateral (as defined below)); (d) all inventory; and (e) documents, general intangibles, instruments, and commercial tort claims, supporting obligations, letter-of-credit rights, books and records, and collateral security and guarantees evidencing, governing, or relating to any of the items referred to in the preceding clauses (a) through (d) (collectively, the “**Prepetition ABL Priority Collateral**”). Pursuant to the Intercreditor Agreement (as defined below), the Prepetition ABL Lenders hold second priority security interests in and liens upon the Prepetition Term Loan Priority Collateral (as defined below).⁸

2. The Prepetition Term Loan Facility

On April 6, 2012, Debtor TCS, as borrower, and Debtors TCSG, TCS Gift, and TCS Installation Services, LLC,⁹ in their respective capacities as guarantors thereunder, JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (in such capacity, the “**Prepetition Term Loan Agent**”), and the other lenders party thereto (the “**Prepetition Term Lenders**,” and together with the Prepetition ABL Lenders, the “**Prepetition Secured Creditors**”) entered into that certain Credit Agreement, dated as of April 6, 2012 (as amended by that certain Amendment No. 1 dated as of April 8, 2013, that certain Amendment No. 2 dated as of November 27, 2013, that certain Amendment No. 3 dated as of May 20, 2016, that certain Amendment No. 4 dated as of August 18, 2017, that certain Amendment No. 5 dated as of September 14, 2018, that certain Amendment No. 6 dated as of October 8, 2018, that certain Amendment No. 7 dated as of November 25, 2020, that certain Amendment No. 8 dated as of June 14, 2023, and that certain Amendment No. 9 dated as of October 8, 2024, the “**Prepetition Term Loan Credit Agreement**”), pursuant to which the Prepetition Term Lenders provided a senior secured term loan facility in an initial principal amount of \$275 million (the “**Prepetition Term Loan Facility**,” and together with the Prepetition ABL Facility, the “**Prepetition Credit Facilities**”). The Prepetition Term Loan Facility matures on January 31, 2026. As of the Petition Date, there was approximately \$163.1 million in principal outstanding under the Prepetition Term Loan Facility.

The obligations arising under the Prepetition Term Loan Facility (the “**Prepetition Term Loan Obligations**”) are secured by security interests in, and liens upon, substantially all assets of the Debtors, including first priority security interests in, and liens upon, the following assets of the Debtors: (a) all

⁸ The collateral package for the Prepetition ABL Facility also includes the equity pledge of Elfa, which was increased from 65.0% to 100.0% pursuant to that certain Amendment No. 1 to Security Agreement and Pledge Agreement, dated as of October 28, 2024.

equipment, fixtures, real property, intellectual property and investment property (other than any investment property described as Prepetition ABL Priority Collateral); (b) all instruments, documents, and general intangibles (other than any instruments, documents, and general intangibles described as Prepetition ABL Priority Collateral); (c) all “Term Loan Priority Accounts” (as defined in the Intercreditor Agreement); (d) all other collateral other than Prepetition ABL Priority Collateral; and (e) all collateral security and guarantees with respect to the foregoing and all cash, money, insurance proceeds, instruments, securities, financial assets, and deposit accounts received as proceeds of the foregoing, other than the Prepetition ABL Priority Collateral (collectively, the “***Prepetition Term Loan Priority Collateral***”).¹⁰ Additionally, the Prepetition Term Loan Obligations are secured by second priority security interests in, and liens upon, the Prepetition ABL Priority Collateral.

3. The Intercreditor Agreement

The respective rights of the Prepetition ABL Lenders and the Prepetition Term Lenders with respect to their shared collateral are governed by that certain Intercreditor Agreement, dated as of April 6, 2012, by and between the Prepetition ABL Agent and the Prepetition Term Loan Agent (as amended by that certain Amendment No. 1 dated as of April 8, 2013, the “***Intercreditor Agreement***”). The Intercreditor Agreement governs, among other things, the division of collateral into Prepetition ABL Priority Collateral and Prepetition Term Loan Priority Collateral and the priority of claims with respect thereto, as well as the respective rights of the Prepetition ABL Lenders and the Prepetition Term Lenders in connection with certain bankruptcy matters, such as the provision of postpetition financing.

4. Unsecured Debt

In addition to their funded debt, the Debtors have customary unsecured debt, including amounts owed to trade vendors and landlords. The Company routinely incurs fixed, liquidated, and undisputed payment obligations in the ordinary course of business to various third-party providers of goods and services. These include obligations owed to The Container Store’s extensive network of vendors, upon which the Company relies to supply merchandise. A majority of these vendors conduct business with the Company on a purchase order-by-purchase order basis and are paid on prearranged terms. As of the Petition Date, the Debtors estimate that approximately \$25.945 million of merchandise trade debt is outstanding. As discussed in greater detail in the All Trade Motion,¹¹ certain of these claims are entitled to statutory priority, including under section 503(b)(9) of the Bankruptcy Code, or may give rise to liens in favor of shippers, warehousemen, or mechanics in the event they go unpaid. However, regardless of whether such claims are afforded priority under the Bankruptcy Code, **the Debtors anticipate that all such vendor and service provider claims will be paid or otherwise satisfied in full in the ordinary course.**

The Company also has certain lease obligations, as its stores, distribution centers, and corporate offices are operated exclusively from leased premises. The Debtors estimate that an average of approximately \$11.7 million accrues on account of lease and occupancy-related expenses each month. A substantial liability accounting for the remaining expenses associated with the Debtors’ leases is reflected on the Debtors’ books

¹⁰ The Prepetition Term Loan Priority Collateral also includes the equity pledge of Elfa, which was increased from 65.0% to 100.0% pursuant to that certain Amendment No. 1 to Security Agreement and Pledge Agreement, dated as of October 28, 2024.

III. **EVENTS PRECEDING COMMENCEMENT OF THE ANTICIPATED CHAPTER 11 CASES**

A. Challenging Post-Covid Retail Environment, Strategic Alternatives Review, and Appointment of Transaction Committee

The persistently challenging retail environment—including pulled-forward demand and subsequently reduced consumer spending in the storage and organization category, increased price sensitivity, post-COVID winddown, fewer home sales, and intensified competition—significantly impacted the Company’s performance from its peak in 2021. These challenges resulted in a 10.5% year-over-year decline in revenue and 77.1% year-over-year decline in adjusted EBITDA for the fiscal quarter ended September 28, 2024. Furthermore, the Company has faced increased interest expenses and looming debt maturities.

Against the backdrop of these challenges, the Board initiated a formal review process to evaluate strategic alternatives including a potential sale of the Company, new equity investment, or refinancing of the Company’s Prepetition Credit Facilities (such process, the “*Strategic Alternatives Review*”). In furtherance of the Strategic Alternatives Review and in consultation with the Company’s advisors, the Board also determined that it was in the best interests of the Company and its stakeholders to establish a committee of the Board (the “*Transaction Committee*”)¹² to assist the Board in fulfilling its responsibilities relating to the Strategic Alternatives Review and to oversee the Strategic Alternatives Review (including reviewing, negotiating, and evaluating any potential transactions and making recommendations to the Board regarding the advisability of one or more transactions).

B. The Initial Marketing Process and the Potential Equity Investment from Beyond, Inc.

As part of the Strategic Alternatives Review, the Transaction Committee retained JPMorgan Chase & Co. (“*JPMorgan*”) as financial advisor. JPMorgan thereafter conducted an extensive marketing and outreach effort to gauge interest in a purchase of, or investment in, the Company. That effort included initial outreach to approximately forty (40) strategic investors and twenty-six (26) financial sponsors. Twenty parties submitted NDAs and engaged in diligence. Five parties submitted preliminary, non-binding purchase or investment proposals. Four of those parties declined to progress beyond their initial non-binding proposals.

Ultimately, the marketing process did not result in any offers to purchase the entire Company. Instead, the Company received only one offer from Beyond, Inc. (“*Beyond*”) to make a strategic investment in the Company through a preferred equity transaction. On October 15, 2024, the Company announced a strategic partnership with Beyond with the goal of positioning the Company to achieve incremental sales growth over time by utilizing and benefiting from Beyond’s intellectual property, customer data, network of brands, and affiliate relationships. As part of the strategic partnership, Beyond agreed to invest \$40.0 million in the Company through a convertible preferred equity transaction subject to certain terms and conditions, including an amendment or refinancing of the Prepetition Credit Facilities in a manner commercially acceptable to Beyond (the “*Beyond Equity Investment*”).

¹² The Transaction Committee is comprised of certain members of the Board who are independent and disinterested with respect to any contemplated transaction (other than as a director of the Company or equity ownership in the Company). Kristofer Galashan, Lisa Klinger, Anthony Laday, and Nicole Otto served on the Transaction Committee.

C. The Formation of the Ad Hoc Group and the Company's Retention of Houlihan

Meanwhile, an ad hoc group of Prepetition Term Lenders (the “*Ad Hoc Group*”) organized in response to the Company's financial performance and upcoming maturities. When it became unlikely that the sale process would yield a sale of the entire Company and repay the Company's funded debt in full, the Company also retained Houlihan Lokey, Inc. (“*Houlihan*”) in September 2024 to engage with the Ad Hoc Group and explore standalone financing options.

D. Deteriorating Business Performance and Continued Liquidity Pressures

During the Summer and Fall of 2024, the Company continued to experience worsening business performance and significant pressures on its liquidity. For the second quarter ended September 28, 2024, the Company's consolidated net sales declined by 10.5% year-over-year to \$196.6 million. For the same period, the Company incurred a consolidated net loss of \$16.1 million, compared to a net loss of \$23.7 million, respectively, in the second quarter of fiscal year 2023. The Company's adjusted EBITDA for the same period was \$3.9 million, representing a \$43.8 million (or 91.8%) decrease from the peak level of \$47.7 million in the second quarter of fiscal year 2021.

In addition to the challenging retail environment that persisted during this time, the Company's liquidity was further negatively impacted by its need to increase its borrowings under the Prepetition ABL Facility in advance of the holiday period.¹³ These higher borrowings under the Prepetition ABL Facility and a higher interest rate on the Prepetition Term Loan Facility during the second quarter of fiscal year 2024 led to a 15.4% year-over-year increase in consolidated net interest expense to \$6.0 million in the second quarter of fiscal year 2024.

The Company's liquidity was further constrained by mounting vendor pressure in the form of strained vendor credit relationships resulting from the fear that the Company would not have enough cash on hand to pay vendors in full in the wake of its publicly reported operating performance and downgrades of the Company's credit ratings (by S&P Global Ratings in March 2024 and by Moody's Investor Service in November 2024). Such pressure continues to impact liquidity and inventory levels as the Company works to address these vendor concerns.

E. Amendment No. 9 to Prepetition Term Loan Facility

The foregoing factors rendered the Company unable to comply with the consolidated leverage ratio covenant in the Prepetition Term Loan Credit Agreement for the second quarter of fiscal year 2024. On October 8, 2024, as part of its continued support of the Company's business and strategic initiatives, the Ad Hoc Group agreed to enter into Amendment No. 9 to the Prepetition Term Loan Facility (the “Prepetition Term Loan Amendment No. 9”) which, among other things, (i) waived the testing of the consolidated leverage ratio covenant (defined in the Prepetition Term Loan Credit Agreement as the ratio of total debt to consolidated EBITDA) for the second quarter of fiscal year 2024; (ii) added a covenant for the Company to enter into a qualified financing transaction, subject to the approval of the Required Lenders (as defined in the Prepetition Term Loan Credit Agreement) by November 15, 2024 (which date has been extended from time to time to December 31, 2024 by the Required Lenders); and (iii) amended certain of the covenants in the Prepetition Term Loan Credit Agreement which, among other things, narrowed the Company's ability to incur additional indebtedness or engage in certain non-ordinary course transactions.

¹³ Historically, the Company's liquidity fluctuates as a result of building inventory for key selling periods and the Company's borrowings generally increase in its second and third fiscal quarters as it prepares for promotional campaigns and the holiday season.

F. Beyond's Unwillingness to Consummate an Investment and the Pursuit of Alternative Transactions

In connection with the potential Beyond Equity Investment, the Company and Ad Hoc Group engaged in sustained, good-faith efforts to offer an amendment and/or refinancing proposal acceptable to Beyond in order to move forward with consummating the contemplated investment. Unfortunately, despite the best efforts of the Ad Hoc Group and the Company, Beyond ultimately indicated that it was unwilling to accept any of the financing proposals supported by the Ad Hoc Group.¹⁴ Simultaneously, the Company's liquidity position continued to become increasingly constrained, necessitating additional capital to support the business.¹⁵

Additionally, given the upcoming maturity wall (i.e., springing maturity of the Prepetition ABL Facility on October 31, 2025 and maturity of the Prepetition Term Loan Facility on January 31, 2026), the Company faced the potential for events of default across its capital structure as early as June 2025, if it were unable to obtain an audit opinion for fiscal year 2024 financial statements without a going concern qualification. In fact, without the Prepetition Term Loan Amendment No. 9 described above, the Company would have been in non-payment default under the Prepetition Term Loan Facility in October 2024.

Accordingly, Houlihan pivoted to explore financing options that were not dependent upon the Beyond Equity Investment and solicited proposals to refinance the Debtors' Prepetition ABL Facility or provide incremental third-party financing (including debtor-in-possession financing). Houlihan also engaged with the Ad Hoc Group to explore options to provide financing to support a standalone restructuring of the Company. The Company and the Ad Hoc Group exchanged numerous proposals for the restructuring of the Company's capital structure on both an in-court and out-of-court basis. As negotiations with the Ad Hoc Group and the Prepetition ABL Lenders progressed, the Board concluded that proceeding with a replacement ABL facility for a comprehensive balance-sheet restructuring would represent the most value-maximizing path and position the Company for long term success.

G. Appointment of Restructuring Committee and Investigation Subcommittee

In connection with the Company's ongoing exploration of strategic alternatives, on December 4, 2024, the Board constituted an independent special restructuring committee (the "***Restructuring Committee***")¹⁶ that is responsible for exploring and overseeing negotiations related to potential restructuring transactions, including financing, sale, reorganization, recapitalization, strategic transactions, and other opportunities and transactions, for the Company and its subsidiaries, subject to Board approval.

¹⁴ Beyond stated publicly as early as November 20, 2024: "[T]he proposed financing terms we have reviewed to date fall short of what we believe is necessary to complete the transaction." As of the date hereof, Beyond has not indicated it intends to accept any proposal made.

¹⁵ The Company's second quarter sales results represented sequential improvement compared to the prior quarter results. For example, Custom Spaces continued to grow due to increased brand awareness from higher marketing spend and investments in in-home design services. From a customer demand perspective, orders placed for Custom Spaces but not yet delivered experienced year-over-year growth during the second quarter of fiscal year 2024. Additionally, General Merchandise continued to sequentially improve as the Company focused on ensuring core product categories are in stock, while enhancing key areas of the assortment with newness and innovation. Nevertheless, such improvements were insufficient to counterbalance the overall challenging retail environment that is not expected to reverse course in the near future.

¹⁶ The Restructuring Committee members are Lisa Klinger, Nicole Otto, Karen Stuckey, and Charles Tyson.

Based upon guidance from the Restructuring Committee, the Company, in consultation with its advisors, ultimately determined that it did not have sufficient liquidity to operate in the ordinary course during or beyond January 2025 absent new liquidity and a substantial modification of its current capital structure. Accordingly, and in light of the fact that the Company faced both potential future defaults as well as upcoming maturities on both its Prepetition ABL Facility and the Prepetition Term Loan Facility, the Debtors and the Ad Hoc Group engaged in iterative negotiations regarding the terms of a value-maximizing path forward for the Company that would have the requisite stakeholder support and provide sufficient deleveraging and access to new capital. These discussions ultimately led to entry into the Transaction Support Agreement on December 21, 2024.

The Transaction Support Agreement and the Plan also contemplate the provision of typical releases to the Debtors' directors and officers, among others. In light of these proposed releases, on December 4, 2024, the Board constituted a two-member independent special sub-committee of the Restructuring Committee (the "***Investigation Subcommittee***").¹⁷ The Investigation Subcommittee tasked Hunton Andrews Kurth LLP ("***Hunton AK***")¹⁸ with leading, at the direction of the Investigation Subcommittee, an investigation into prepetition transactions and conduct to ensure that any releases to be provided under the Plan are appropriate in scope and nature. This investigation has been overseen by the Investigation Subcommittee with the assistance of Hunton AK. To date, no viable claims have been identified that would affect the Board's decision to authorize entry into the Transaction Support Agreement and solicitation of the Plan.

IV.

ANTICIPATED EVENTS DURING CHAPTER 11 CASES

A. Commencement of Chapter 11 Cases

In accordance with the Transaction Support Agreement, the Debtors anticipate filing voluntary petitions for relief under the Bankruptcy Code on or about December 22, 2024. The filing of the petitions will commence the Chapter 11 Cases, at which time the Debtors will be afforded the benefits and become subject to the limitations of the Bankruptcy Code.

The Debtors intend to continue operating their businesses in the ordinary course during the pendency of the Chapter 11 Cases. To facilitate the efficient and expeditious implementation of the Plan through the Chapter 11 Cases, and to minimize disruptions to the Debtors' operations on the Petition Date, the Debtors intend to seek to have the Chapter 11 Cases administered jointly and to file various motions seeking important and urgent relief from the Bankruptcy Court. Such relief, if granted, will assist in the administration of the Chapter 11 Cases; however, there can be no assurance that the requested relief will be granted by the Bankruptcy Court.

B. First Day Motions

On the Petition Date, the Debtors intend to file multiple motions and applications seeking various relief from the Bankruptcy Court and authorizing the Debtors to maintain their operations in the ordinary course (the "***First Day Motions***"). Such relief is designed to ensure a seamless transition between the Debtors' prepetition and postpetition business operations, facilitating a smooth reorganization through the chapter 11 process, and minimizing disruptions to the Debtors' businesses. The following is a brief overview of the

¹⁷ The Investigation Subcommittee members are Karen Stuckey and Charles Tyson.

¹⁸ In connection with the Company's contingency planning efforts, the Company engaged Hunton AK as co-counsel on November 26, 2024.

substantive relief the Debtors intend to seek on the Petition Date to maintain their operations in the ordinary course.

1. Debtor in Possession Financing and Cash Collateral Motion

To address their working capital needs and fund their reorganization efforts, on or immediately after the Petition Date, the Debtors intend to seek Bankruptcy Court approval of (a) an agreement with certain prepetition lenders to provide the DIP-to-Exit Term Loan Facility in an aggregate principal amount of \$115 million and (b) the entry into the DIP & Exit ABL Commitment Letter and the \$140 million DIP-to-Exit ABL Facility. The proposed order seeking approval of the DIP-to-Exit Facilities also reflects an agreement between and among the Debtors and certain of their secured creditors regarding the use of Cash Collateral (as defined in the Bankruptcy Code) and the terms of adequate protection to be provided to such parties.

2. Cash Management Motion

The Debtors maintain a cash management system that enables the Debtors to control and monitor corporate funds, ensure cash availability and liquidity across the Debtors' operations, comply with the requirements of their financing agreements, and reduce administrative expenses by facilitating the movement of funds as needed. On the Petition Date, the Debtors intend to seek authority from the Bankruptcy Court to continue their existing cash management system, honor certain prepetition obligations related thereto, continue ordinary course intercompany transactions between and among the Debtors and their Non-Debtor Affiliates and subsidiaries, and continue their ordinary cash management practices.

3. All Trade Motion

In the ordinary course of business, the Debtors incur various fixed, liquidated, and undisputed payment obligations (the "**Trade Claims**") to various third-party providers of goods and services related to the Debtors' business operations (the "**Trade Creditors**"). The Trade Claims are comprised of (a) prepetition claims held by vendors who provide inventory, (b) prepetition claims held by suppliers, service providers, and distributors based outside the United States, (c) prepetition claims held by common carriers, warehousemen, and toll processors in each case that may have or may be capable of asserting liens against the Debtors' property, and (d) prepetition claims held by all other general unsecured creditors, including those that provide supplies and/or services utilized by the Debtors, such as professionals utilized in the ordinary course and not otherwise retained pursuant to a separate order of the Bankruptcy Court.

By the All Trade Motion, the Debtors will request authority from the Bankruptcy Court to pay Trade Claims in full in their discretion and in the ordinary course of business, consistent with the Unimpaired treatment of General Unsecured Claims under the Plan. Furthermore, the Debtors will seek authority to request that, as a condition to receiving payment on account of Trade Claims, Trade Creditors agree to continue to provide goods and/or services to the Debtors on terms that are as good or better than the terms and conditions that existed 120 days prior to the Petition Date during the pendency of the Chapter 11 Cases (the "**Customary Trade Terms**"). If a Trade Creditor ceases to provide Customary Trade Terms, then the Debtors may seek an order from the Court for relief concerning any payment on a prepetition claim received by such Trade Creditor, including requiring the return of such payment as a voidable postpetition transfer under section 549 of the Bankruptcy Code.

4. Taxes Motion

Pursuant to the Plan, the Debtors intend to pay all taxes, assessments, fees, duties, and similar charges and assessments (collectively, the "**Taxes and Fees**") in full to the various U.S. national, state, and local taxing,

licensing, regulatory and other governmental authorities to which such taxes and fees are owed. To minimize any disruption to the Debtors' operations and ensure the efficient administration of the Chapter 11 Cases, on the Petition Date, the Debtors intend to seek authority from the Bankruptcy Court to pay all Taxes and Fees, whether arising pre- or post-petition, to the appropriate taxing, regulatory, and other governmental authorities in the ordinary course of the Debtors' businesses.

5. Insurance Motion

In connection with the operation of the Debtors' businesses, the Debtors maintain various liability, property and other insurance policies, which provide the Debtors with insurance related to, among other things, general commercial liability, crime, cargo, cyber, worker's compensation and employer's liability, directors' and officers' liability, auto, pollution, patent infringement, and various other liability and property losses, liabilities, and claims (collectively, the "**Insurance Policies**"). On the Petition Date, the Debtors will seek authority from the Bankruptcy Court to continue to maintain and renew their Insurance Policies, continue honoring their insurance obligations on a postpetition basis in the ordinary course of business, and pay accrued and outstanding prepetition amounts due in connection with the Insurance Policies.

6. Employee Wages and Benefits Motion

As of the date hereof, the Debtors employ approximately 3,800 individuals (the "**Employees**") as well as various contract workers (the "**Contracted Labor**" and, together with the Employees, the "**Workforce**"). In the ordinary course, the Debtors incur a number of obligations to, or for the benefit of, their Workforce (the "**Prepetition Workforce Obligations**"). The Debtors' Prepetition Workforce Obligations include: (a) wage and salary obligations, such as payroll and payments for Employees and Contracted Labor; (b) obligations to payroll processing services; (c) payouts under various performance-based incentive programs and severance plans; (d) expense reimbursements for company credit card and business travel expenses; (e) maintaining health and welfare benefits such as health, dental, and accidental death and dismemberment insurance; (f) funding retirement programs such as the Company's 401(k) program; (g) maintaining workers' compensation insurance; and (h) payments to the administrators of the Debtors' various Workforce-related programs. On the Petition Date, the Debtors will seek authority from the Bankruptcy Court to continue the Workforce-related programs in the ordinary course and to pay and honor the Prepetition Workforce Obligations.

7. Customer Programs Motion

In the ordinary course of business, the Debtors provide their customers with certain services, pricing, incentives, discounts, and other accommodations in order to preserve critical relationships and maximize customer loyalty (the "**Customer Programs**"). On the Petition Date, the Debtors will seek authority from the Bankruptcy Court to continue to maintain the Customer Programs, continue honoring their obligations under the Customer Programs on a postpetition basis in the ordinary course of business, and pay accrued and outstanding prepetition amounts due in connection with the Customer Programs.

8. Utilities Motion

In the ordinary course of business, the Debtors incur certain expenses related to essential utility services such as power, gas, water, sewer, recycling, trash disposal, and waste management, telecommunications, and other similar services. To facilitate timely and efficient processing and payment of invoices with respect to these utility services, the Debtors contract, in the ordinary course of business, with a payment processor to process and remit payments to certain utility companies on the Debtors' behalf. On the Petition Date, the Debtors intend to seek approval from the Bankruptcy Court of procedures to provide such utility providers with adequate assurance that the Debtors will continue to honor their obligations in the ordinary

course and to pay any fees owed to the payment processor, whether arising pre- or post-petition, in the ordinary course of the Debtors' business.

9. Equity Trading/NOL

The Debtors have certain net operating losses and other tax attributes that provide the potential for material future tax savings or other tax structuring possibilities in the Chapter 11 Cases. As a result, on the Petition Date, the Debtors intend to seek entry of an order from the Bankruptcy Court (i) approving certain notification procedures related to certain transfers of, or claims of worthlessness with respect to, the beneficial ownership of Debtor TCSG's outstanding common stock, and (ii) directing that any purchase, sale, other transfer of, or claim of worthlessness with respect to, the beneficial ownership of Debtor TCSG's outstanding common stock in violation of the procedures will be null and void *ab initio*.

C. Other Procedural Motions and Retention of Professionals

The Debtors intend to file various other motions that are common to chapter 11 cases of similar size and complexity to these Chapter 11 Cases, including applications to retain various professionals to assist the Debtors in the Chapter 11 Cases.

D. Timetable for the Chapter 11 Cases

In accordance with the Transaction Support Agreement, the Debtors have agreed to proceed with the implementation of the Plan through the Chapter 11 Cases. Among the Milestones contained in the Transaction Support Agreement is the requirement that the Bankruptcy Court enter the order confirming the Plan no later than 34 calendar days following the Petition Date. The Transaction Support Agreement also requires that the Effective Date occur no later than 14 calendar days following the entry of the Combined Order. Although the Debtors will request that the Bankruptcy Court approve a timetable consistent with the Transaction Support Agreement, there can be no assurance that the Effective Date will occur on such timetable.

V.

SUMMARY OF THE PLAN

THE TERMS OF THE PLAN, A COPY OF WHICH IS ATTACHED AS EXHIBIT A TO THIS DISCLOSURE STATEMENT, ARE INCORPORATED BY REFERENCE HEREIN. THE STATEMENTS CONTAINED IN THE DISCLOSURE STATEMENT INCLUDE SUMMARIES OF THE PROVISIONS CONTAINED IN THE PLAN AND IN THE DOCUMENTS REFERENCED THEREIN, WHICH ARE QUALIFIED IN THEIR ENTIRETY BY REFERENCE TO THE PLAN (AS WELL AS THE EXHIBITS THERETO AND DEFINITIONS THEREIN).

THE STATEMENTS CONTAINED IN THE DISCLOSURE STATEMENT DO NOT PURPORT TO BE PRECISE OR COMPLETE STATEMENTS OF ALL THE TERMS AND PROVISIONS OF THE PLAN OR DOCUMENTS REFERRED TO THEREIN, AND REFERENCE IS MADE TO THE PLAN AND TO SUCH DOCUMENTS FOR THE FULL AND COMPLETE STATEMENT OF SUCH TERMS AND PROVISIONS OF THE PLAN OR DOCUMENTS REFERRED TO THEREIN. HOLDERS OF CLAIMS AGAINST, AND INTERESTS IN, THE DEBTORS AND OTHER INTERESTED PARTIES ARE URGED TO READ THE PLAN AND THE EXHIBITS THERETO IN THEIR ENTIRETY SO THAT THEY MAY MAKE AN INFORMED JUDGMENT CONCERNING THE PLAN.

A. Classification and Treatment of Claims and Interests under the Plan

The Plan constitutes a separate chapter 11 Plan of reorganization for each Debtor. The provisions of Article III of the Plan govern Claims against and Interests in the Debtors. Except for the Claims addressed in Article II of the Plan (or as otherwise set forth herein), all Claims and Interests are placed in Classes for each of the applicable Debtors. For all purposes under the Plan, each Class will exist for each of the Debtors; *provided*, that any Class that is vacant as to a particular Debtor will be treated in accordance with Article III.G of the Plan. In accordance with section 1123(a)(1) of the Bankruptcy Code, the Debtors have not classified Administrative Claims, DIP Claims, Priority Tax Claims, and Other Priority Claims as described in Article II of the Plan.

The categories of Claims and Interests listed below classify Claims and Interests for all purposes, including voting, Confirmation and distribution pursuant to the Plan and pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code. The Plan deems a Claim or Interest to be classified in a particular Class only to the extent that such Claim or Interest qualifies within the description of that Class and will be deemed classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such different Class. A Claim or an Interest is in a particular Class only to the extent that any such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled prior to the Effective Date.

Summary of Classification and Treatment of Claims and Interests

Class	Claim	Status	Voting Rights
1	Other Secured Claims	Unimpaired	Presumed to Accept
2	Prepetition ABL Claims	Unimpaired	Presumed to Accept
3	<i>Prepetition Term Loan Claims</i>	<i>Impaired</i>	<i>Entitled to Vote</i>
4	General Unsecured Claims	Unimpaired	Presumed to Accept
5	Subordinated Claims	Impaired	Deemed to Reject
6	Intercompany Claims	Impaired / Unimpaired	Deemed to Reject / Presumed to Accept
7	Intercompany Interests	Impaired / Unimpaired	Deemed to Reject / Presumed to Accept
8	Existing Equity Interests	Impaired	Deemed to Reject

B. Acceptance or Rejection of the Plan; Effect of Rejection of the Plan**1. Presumed Acceptance of Plan**

Claims in Classes 1, 2, and 4 are Unimpaired under the Plan, and the Holders of such Claims are conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, Holders of Claims in Classes 1, 2, and 4 are not entitled to vote on the Plan and the votes of such Holders will not be solicited. Notwithstanding their non-voting status, Holders of such Class 1 and 4 Claims will receive a Release Opt-Out Form solely for purposes of affirmatively opting out of the Third-Party Release.

2. Voting Class

Claims in Class 3 are Impaired under the Plan, and the Holders of Allowed Claims in such Class are entitled to vote to accept or reject the Plan, including by acting through a voting representative. For purposes of determining acceptance and rejection of the Plan, votes will be tabulated on a Debtor-by-Debtor basis.

Pursuant to section 1226(c) of the Bankruptcy Code, an impaired class of claims accepts a plan if (a) the holders of at least two-thirds (2/3) in amount of claims actually voting in such class have voted to accept the plan and (b) the holders of more than one-half (1/2) in number of claims actually voting in such class have voted to accept the plan. Holders of Claims in Class 3 (or, if applicable, the voting representatives of such Holders) will receive Ballots containing detailed voting instructions. For the avoidance of doubt, each Claim in the sole Class entitled to vote to accept or reject the Plan that is not Allowed pursuant the Plan, and in each case, is wholly contingent, unliquidated, or Disputed, in each case, will be accorded one (1) vote and valued at one dollar (\$1.00) for voting purposes only, and not for purposes of allowance or distribution.

3. Deemed Rejection of the Plan

Claims and Interests in Classes 5 and 8 are Impaired under the Plan, and the Holders of such Claims and Interests will receive no distributions under the Plan on account of their Claims and Interests and are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code. Therefore, Holders of Claims and Interests in Classes 5 and 8 are not entitled to vote on the Plan, and the votes of such Holders will not be solicited. Notwithstanding their non-voting status, Holders of Claims and Interests in Class 5 and Class 8 will receive a Release Opt-Out Form solely for purposes of affirmatively opting out of the Third-Party Release.

4. Presumed Acceptance of the Plan or Deemed Rejection of the Plan

Claims and Interests in Classes 6 and 7 are either (a) Unimpaired and, therefore, conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code, or (b) Impaired and will receive no distributions under the Plan and, therefore, are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code. Therefore, Holders of Claims and Interests in Classes 6 and 7 are not entitled to vote on the Plan, and the votes of such Holders will not be solicited.

5. Confirmation Pursuant to Section 1129(a)(10) and 1129(b) of the Bankruptcy Code

Section 1129(a)(10) of the Bankruptcy Code is satisfied for purposes of confirmation by acceptance of the Plan by an impaired class of claims entitled to vote (*i.e.*, Class 3). The Debtors will seek Confirmation pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify the Plan in accordance with Article XI of the Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a class of claims or interests to render such class of claims or interests unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

6. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Interests, and the respective distributions and treatments under the Plan, will take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 509 or 510 of the Bankruptcy Code, or otherwise; *provided*, that, notwithstanding the foregoing,

such Allowed Claims or Interests and their respective treatments set forth herein will not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. Pursuant to section 510 of the Bankruptcy Code, except where otherwise provided herein, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination rights relating thereto. The Debtors or Reorganized Debtors, as applicable, reserve the right to seek a ruling from the Bankruptcy Court determining whether any Claim should be subordinated pursuant to section 510(b) of the Bankruptcy Code and treated under the Plan as a Class 5 Subordinated Claim.

7. Special Provision Governing Unimpaired Claims

Except as otherwise provided therein, nothing under the Plan will affect or limit the Debtors' or the Reorganized Debtors' rights and defenses (whether legal or equitable) in respect of any Unimpaired Claims, including, without limitation, all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

8. Vacant and Abstaining Classes

Any Class of Claims or Interests that is not occupied as of the commencement of the Combined Hearing by an Allowed Claim or Allowed Interest or a Claim or Interest temporarily Allowed under Bankruptcy Rule 3018 will be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code. Moreover, any Class of Claims that is occupied as of the commencement of the Combined Hearing by an Allowed Claim or a Claim temporarily Allowed under Bankruptcy Rule 3018, but as to which no vote is cast, will be deemed to accept the Plan pursuant to section 1129(a)(8) of the Bankruptcy Code.

9. Intercompany Interests and Intercompany Claims

To the extent Intercompany Interests and Intercompany Claims are Reinstated under the Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Claims on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliate-subsiaries') corporate structure, for the ultimate benefit of the Holders of New Equity Interests, to preserve ordinary course intercompany operations, and in exchange for the Debtors' and Reorganized Debtors' agreement under the Plan to make certain distributions to the Holders of Allowed Claims.

10. Disputed Claims Process

Notwithstanding section 502(a) of the Bankruptcy Code, and in light of the Unimpaired status of all Allowed General Unsecured Claims under the Plan, Holders of Claims (other than Holders of Rejection Damages Claims) need not File Proofs of Claim. The Reorganized Debtors and the Holders of Claims will determine, adjudicate, and resolve any disputes over the validity and amounts of such Claims in the ordinary course of business as if the Chapter 11 Cases had not been commenced except that (unless expressly waived pursuant to the Plan) the Allowed amount of such Claims will be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. All Proofs of Claim Filed in these Chapter 11 Cases (other than Rejection Damages Claims) will be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim Filed against the Debtors (other than Rejection Damages Claims), regardless of the time of filing, and including Proofs of Claim Filed after the Effective Date, will be deemed

withdrawn and expunged, other than as provided below. Notwithstanding anything in the Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, will in all cases be determined by the Bankruptcy Court.

Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under the Plan or is rendered Unimpaired under the Plan in the Bankruptcy Court. Any disputes regarding the Allowance of a Rejection Damages Claim will be determined by the Bankruptcy Court.

For the avoidance of doubt, there is no requirement to File a Proof of Claim (or move the Bankruptcy Court for Allowance) to be an Allowed Claim under the Plan. Notwithstanding the foregoing, Entities must File Cure Cost objections as set forth in the Plan to the extent such Entity disputes the amount of the Cure Cost proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty, and Entities that are counterparties to a rejected Executory Contract or Unexpired Lease must file a Rejection Damages Claim as set forth in the Plan.

C. Means of Implementation of the Plan

Article IV of the Plan governs and describes the means of implementation of the Plan.

Article IV.A (“**General Settlement of Claims and Interests**”) provides that, in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan will constitute a set of integrated, good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies resolved pursuant to the Plan and the Plan will be deemed a motion to approve the good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies pursuant to Bankruptcy Rule 9019. Entry of the Combined Order will constitute the Bankruptcy Court’s approval of such compromises and settlements under Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such integrated compromises or settlements are in the best interests of the Debtors, the Estates, and Holders of Claims and Interests, and are fair, equitable, and reasonable. Subject to Article VI of the Plan, distributions made to Holders of Allowed Claims in any Class are intended to be and will be final and indefeasible and will not be subject to avoidance, turnover, or recovery by any other Person. The Plan provides that, notwithstanding the foregoing or similar provisions of the Plan with respect to settlements, upon entry of the Combined Order, such settlements will be approved as among the parties to such settlement or similar agreements thereto, and the treatment of all Claims and Interests will be approved pursuant to Confirmation by satisfying the requirement of section 1129 of the Bankruptcy Code.

Article IV.B (“**Restructuring Transactions**”) provides that, without limiting any rights and remedies of the Debtors or Reorganized Debtors under the Plan or applicable law, but in all cases subject to the terms and conditions of the Transaction Support Agreement, the Transaction Term Sheet, and the Definitive Documents and any consents or approvals required thereunder, the entry of the Combined Order will constitute authorization for the Debtors and Reorganized Debtors, as applicable, to take, or to cause to be taken, all actions necessary or appropriate to consummate and implement the provisions of the Plan before, on, and after the Effective Date, including such actions as may be necessary or appropriate to effectuate a corporate restructuring of their respective businesses and to otherwise simplify the overall corporate structure of the Reorganized Debtors. Such restructuring may include (1) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation, or dissolution containing terms that are consistent with the terms of the Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and that satisfy the applicable requirements of applicable state law and such other terms to which the applicable Entities may agree; (2)

the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, duty, or obligation on terms consistent with the terms of the Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and having such other terms to which the applicable Entities may agree; (3) the execution, delivery, and filing, if applicable, of the New Organizational Documents and the Exit Facilities Documents; (4) the filing of appropriate certificates or articles of conversion, formation, incorporation, merger, consolidation, or dissolution with the appropriate governmental authorities pursuant to applicable state law; and (5s) all other actions that the Debtors and/or the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law or foreign law in connection with such transactions, but in all cases subject to the terms and conditions of the Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and any consents or approvals required thereunder.

The Plan further provides that, the Combined Order will and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Restructuring Transactions (including any other transaction described in, approved by, contemplated by, or necessary to effectuate the Plan).

Article IV.D (“***Vesting of Assets in the Reorganized Debtors Free and Clear of Liens and Claims***”) provides that, except as otherwise expressly provided in the Plan or any agreement, instrument, or other document incorporated in the Plan pursuant to sections 1123(a)(5), 1123(b)(3), 1141(b) and (c), and other applicable provisions of the Bankruptcy Code, on and after the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan will vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, other encumbrances or interests, except for those Liens, Claims, charges, or other encumbrances arising from or related to the Exit Facility Documents. On and after the Effective Date, the Reorganized Debtors may (1) operate their respective businesses, (2) use, acquire, and dispose of their respective property, and (3) prosecute, compromise or settle any Claims, Interests, or Causes of Action, in each case without notice to, supervision of, or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, including for the avoidance of doubt any restrictions on the use, acquisition, sale, lease, or disposal of property under section 363 of the Bankruptcy Code. Anything in the Plan to the contrary notwithstanding, the Unimpaired Claims against a Debtor will remain the obligations solely of such Debtor or such Reorganized Debtor and will not become obligations of any other Debtor or Reorganized Debtor by virtue of the Plan, the Chapter 11 Cases, or otherwise.

Article IV.E (“***Cancellation of Existing Agreements and Existing Equity Interests***”) provides that, on the Effective Date, except with respect to the Exit Facilities Documents, or to the extent otherwise provided in the Plan, the Combined Order, or any other Definitive Document, all notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors will be deemed canceled and surrendered, and the obligations of the Debtors or the Reorganized Debtors, as applicable, and any Non-Debtor Affiliates thereunder or in any way related thereto will be deemed satisfied in full, released, and discharged and the obligations of the Debtors pursuant, relating, or pertaining to any agreements, notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations

of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors (except such agreements, certificates, notes, or other instruments evidencing indebtedness or obligations of the Debtors that are specifically Reinstated or assumed pursuant to the Plan, if any) will be released and discharged; *provided*, that, notwithstanding such cancellation, satisfaction, release, and discharge, anything to the contrary contained in the Plan or the Combined Order, Confirmation, or the occurrence of the Effective Date, any such document or instrument that governs the rights, claims, or remedies of the Holder of a Claim or Interest will continue in effect solely for purposes of: (1) enabling the Holder of such Claim or Interest to receive distributions on account of such Claim or Interest under the Plan as provided therein; (2) allowing and preserving the rights of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to make distributions as specified under the Plan on account of Allowed Claims, as applicable, including allowing the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to submit invoices for any amount and enforce any obligation owed to them under the Plan to the extent authorized or allowed by the applicable documents; (3) permitting the Reorganized Debtors and any other Distribution Agent, as applicable, to make distributions on account of applicable Claims and Interests, as applicable; (4) preserving the Prepetition Agents', DIP Agents', and Exit Facility Agents', as applicable, rights, if any, to compensation and indemnification as against any money or property distributable to the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, as applicable, including permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to maintain, enforce, and exercise any priority of payment or charging liens against such distributions each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on or immediately before the Effective Date, (5) preserving all rights, remedies, indemnities, powers, and protections, including rights of enforcement, of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, against any person other than a Released Party (which Released Parties include the Debtors, Reorganized Debtors, and Non-Debtor Affiliates), and any exculpations of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable; *provided*, that the Prepetition Agents, DIP Agents, and Exit Facility Agents, will remain entitled to indemnification or contribution from the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on the Effective Date, (6) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to enforce any obligation (if any) owed to them under the Plan, (7) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents to appear in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court or any other court, and (8) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, to perform any functions that are necessary to effectuate the foregoing; *provided, however*, that nothing in Article IV of the Plan will affect the discharge of Claims or Interests pursuant to the Bankruptcy Code, the Combined Order, or the Plan, or (except as set forth in (5) above) the releases of the Released Parties pursuant to Article IX of the Plan or result in any expense or liability to the Debtors or Reorganized Debtors, as applicable, except as expressly provided for in the Plan. For the avoidance of doubt, nothing in Article IV of the Plan will cause the Reorganized Debtors' obligations under the Exit Facilities Documents to be deemed satisfied in full, released, or discharged; *provided*, that notwithstanding this sentence, the Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims will be deemed satisfied in full, released, and discharged on the Effective Date. In furtherance of the foregoing, as of the Effective Date, Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims will be deemed to have released any such Claims against the Reorganized Debtors under the Prepetition ABL Facility Documents, Prepetition Term Loan Documents, and DIP Facilities Documents and are enjoined from pursuing any such claims against any of the Reorganized Debtors in respect of such Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims.

The Plan further provides that, on the Effective Date, the Prepetition Agents, the DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors will be automatically and fully released and discharged from any further responsibility

under the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable. The Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors will be discharged and will have no further obligation or liability except as provided in the Plan and the Combined Order, and after the performance by the Prepetition Agents, DIP Agents, and their Representatives and professionals of any obligations and duties required under or related to the Plan or the Combined Order, the Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors will be relieved of and released from any obligations and duties arising thereunder. The fees, expenses, and costs of the Prepetition Agents and the DIP Agents, including fees, expenses, and costs of each of their respective professionals incurred after the Effective Date in connection with the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, or DIP Credit Agreement, as applicable, and reasonable and documented fees, costs, and expenses associated with effectuating distributions pursuant to the Plan, including the fees and expenses of counsel, if any, will be paid in accordance with the terms of the Plan and the applicable Definitive Documents.

Article IV.F (“**Sources for Plan Distributions and Transfers of Funds Among Debtors**”) provides that the Debtors will fund Cash distributions under the Plan with Cash on hand, including Cash from operations, and the proceeds of the DIP Facilities and Exit Facilities. The Debtors will make non-Cash distributions as required under the Plan in the form of Exit Term Loans, Exit ABL Loans, and New Equity Interests. Cash payments to be made pursuant to the Plan will be made by the Reorganized Debtors in accordance with Article VI thereof. Subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents), the Reorganized Debtors will be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable the Reorganized Debtors to satisfy their obligations under the Plan. Except as set forth in the Plan, any changes in intercompany account balances resulting from such transfers will be accounted for and settled in accordance with the Debtors’ historical intercompany account settlement practices and will not violate the terms of the Plan.

The Plan further provides that, from and after the Effective Date, the Reorganized Debtors, subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents and the Exit Facilities Documents), will have the right and authority without further order of the Bankruptcy Court to raise additional capital and obtain additional financing in accordance with, and subject to, applicable law.

Article IV.K (“**Release of Liens and Claims**”) provides that, to the fullest extent provided under section 1141(c) and other applicable provisions of the Bankruptcy Code, except as otherwise provided in the Exit Prepetition ABL Credit Agreement (including with respect to the Prepetition ABL Facility and the Prepetition ABL Loans), the Plan, the Combined Order, or any contract, instrument, release, or other agreement or document entered into or delivered in connection with the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to Article VI of the Plan, all Liens, Claims, mortgages, deeds of trust, or other security interests against the assets or property of the Debtors or the Estates will be fully released, canceled, terminated, extinguished, and discharged, in each case without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity; *provided*, that (1) the Liens granted to the Prepetition Agents and the DIP Agents pursuant to the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement and (2) any and all Liens or security securing the Debtors’ obligations under the Insurance Contracts, which, for avoidance of doubt, includes grants of security interests in, without limitation, escrow accounts, deposit accounts, cash collateral, and letters of credit issued for the benefit of Insurers, will remain in full force and effect solely to the extent provided for in the Plan. The filing of the Combined Order with any federal, state, or local agency or department will constitute good and sufficient evidence of, but will not be required to effect, the termination

of such Liens, Claims, and other interests to the extent provided in the immediately preceding sentence. Any Person or Entity holding such Liens, Claims, or interests must, pursuant to section 1142 of the Bankruptcy Code, promptly execute and deliver to the Reorganized Debtors such instruments of termination, release, satisfaction, and/or assignment (in recordable form) as may be reasonably requested by the Reorganized Debtors.

Article IV.L (“*Exemption from Certain Taxes and Fees*”) provides that, to the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfer (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under, pursuant to, in contemplation of, or in connection with the Plan (including the Restructuring Transactions) pursuant to (1) the issuance, distribution, transfer, or exchange of any debt, securities, or other interest in the Debtors or the Reorganized Debtors; (2) the creation, modification, consolidation, termination, refinancing, or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (3) the making, assignment, or recording of any lease or sublease; (4) the grant of collateral security for any or all of the Exit Facilities or other indebtedness; or (5) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including, without limitation, any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan (including the Restructuring Transactions), will not be subject to any document recording tax, stamp tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate U.S. federal, state or local governmental officials, agents, or filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, will comply with the requirements of section 1146(a) of the Bankruptcy Code, and will forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee or governmental assessment.

Article IV.N (“*Preservation of Causes of Action*”) provides that, in accordance with section 1123(b) of the Bankruptcy Code, but subject to the releases and exculpation set forth in Article IV.N and in Article IX of the Plan, all Causes of Action that a Debtor may hold against any Entity will vest in the applicable Reorganized Debtor on the Effective Date, including each Cause of Action set forth in the schedule of retained Causes of Action included in the Plan Supplement. Thereafter, the Reorganized Debtors will have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, whether arising before or after the Petition Date, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any specific Cause of Action as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action. The Plan further provides that, the Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise) or laches, will apply to any Cause of Action upon, after, or as a consequence of the Confirmation or the occurrence of the Effective Date. In addition, the Debtors and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant, or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits. For the avoidance of doubt, in no instance will any Cause of Action preserved pursuant to Article IV.N of the Plan include any Claim or Cause of Action released or exculpated under the Plan (including, without limitation, by the Debtors).**

Article IV.P (“***Prepetition Intercreditor Agreement***”) provides that, notwithstanding anything to the contrary in the Plan, the treatment of, and distributions (including rights to adequate protection and participation in the DIP Term Loan Facility) made to Holders of Prepetition Term Loan Claims will not be subject to the Prepetition Intercreditor Agreement or the terms thereof (including any turnover and disgorgement provisions), and the Prepetition Intercreditor Agreement will be deemed so amended to the extent necessary to effectuate same.

Article IV.Q (“***Effectuating Documents; Further Transactions***”) provides that before, on, and after the Effective Date, the Debtors and the Reorganized Debtors and the directors, managers, officers, authorized persons, and members of the boards of directors or managers and directors or managers thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, notes, instruments, certificates, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and provisions of the Plan, the New Organizational Documents, the Exit Facilities Documents, and any Securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, actions, or consents except for those expressly required pursuant to the Plan or the Transaction Support Agreement.

Article IV.R (“***Authority of the Debtors***”) provides that, effective on the Confirmation Date, the Debtors will be empowered and authorized to take or cause to be taken, before the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of the Plan, the Combined Order, the Definitive Documents, and the Restructuring Transactions.

Article IV.S (“***No Substantive Consolidation***”) provides that the Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. The Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth therein.

Article IV.T (“***Continuing Effectiveness of Final Orders***”) provides that payment authorization granted to the Debtors under any prior Final Order entered by the Bankruptcy Court will continue in effect after the Effective Date. Accordingly, the Debtors or the Reorganized Debtors may pay or otherwise satisfy any Claim to the extent permitted by, and subject to, the applicable Final Order without regard to the treatment that would otherwise be applicable to such Claim under the Plan.

Article IV.U (“***Modifications to Executory Contracts and Unexpired Leases***”) provides that the Debtors, with the consent of the Required Consenting Term Lenders, are authorized to enter into, and perform under, amendments or modifications of any Executory Contracts or Unexpired Leases with the counterparty to such Executory Contract or Unexpired Lease and pay any amounts due as a result of such amendment or modification.

D. Treatment of Executory Contracts and Unexpired Leases; Employee Benefits; and Insurance Policies

Article V of the Plan governs the treatment of the Debtors’ Executory Contracts and Unexpired Leases, among other things.

Article V.A (“***Assumption of Executory Contracts and Unexpired Leases***”) provides that, on the Effective Date, except as otherwise provided in the Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court will be deemed assumed and amended (as necessary to implement the terms of the Restructuring Transactions),

as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code except any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which will initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected (if any), (2) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

The Plan provides that, entry of the Combined Order by the Bankruptcy Court will constitute an order approving the assumption of the Transaction Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Transaction Support Agreement will be binding and enforceable against the applicable parties thereto in accordance with its terms. For the avoidance of doubt, the assumption of the Transaction Support Agreement will not otherwise modify, alter, amend, or supersede any of the terms or conditions thereof including, without limitation, any termination events or provisions thereunder.

In addition, entry of the Combined Order by the Bankruptcy Court will constitute an order approving the assumption of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code, effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or before the Effective Date, will re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court.

The Plan further provides that, to the maximum extent permitted by law, unless otherwise provided therein, the transactions contemplated by the Plan will not constitute a “change of control” or “assignment” (or terms with similar effect) under any Executory Contract or Unexpired Lease assumed pursuant to the Plan, or any other transaction, event, or matter that would (1) result in a violation, breach, or default under such Executory Contract or Unexpired Lease, (2) increase, accelerate, or otherwise alter any obligations, rights, or liabilities of the Debtors or the Reorganized Debtors under such Executory Contract or Unexpired Lease, or (3) result in the creation or imposition of a Lien upon any property or asset of the Debtors or the Reorganized Debtors pursuant to the applicable Executory Contract or Unexpired Lease. Any consent or advance notice required under such Executory Contract or Unexpired Lease in connection with assumption thereof (pursuant to the other provisions of Article V.A of the Plan) will be deemed satisfied by Confirmation.

The Plan further provides that, notwithstanding anything to the contrary therein, but subject to the *Consent Rights* described in Article I.C of the Plan, the Debtors reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion before the Effective Date and, after the Effective Date, the Reorganized Debtors, will have the right to amend Rejected Executory Contract/Unexpired Lease List; *provided*, that such right to amend will not apply to any Unexpired Lease for nonresidential property; *provided, further* that the Debtors will give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

The Plan further provides that the Rejected Executory Contract/Unexpired Lease List will be filed with the Plan Supplement, *provided* that the Debtors may amend such list (including by adding or removing contracts and leases therefrom) at any time prior to the Effective Date. Notwithstanding anything to the contrary therein, with respect to any Unexpired Lease of nonresidential real property that is listed on the Rejected Executory Contract/Unexpired Lease List, the effective date of the rejection of any such Unexpired Lease will be the later of (1) the Effective Date and (2) the date upon which the Debtors notify the landlord in writing (email being sufficient) that they have surrendered the premises to the landlord and

returned the keys, key codes, or security codes, as applicable. Any property remaining on the premises subject to a rejected Unexpired Lease will be deemed abandoned by the Debtors or the Reorganized Debtors, as applicable, as of the effective date of rejection, and the counterparty to such Unexpired Lease will be authorized to use or dispose of any property left on the premises in its sole and absolute discretion without notice or liability to the Debtors or the Reorganized Debtors, as applicable, or any third party.

Article V.B (“*Payments on Assumed Executory Contracts and Unexpired Leases*”) provides that any monetary default under an Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash in the ordinary course of business, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree.

The Plan provides that, parties to Executory Contracts and Unexpired Leases assumed by the Debtors pursuant to the Plan will not be required to File a Proof of Claim or objection to assert or preserve any Cure Cost. Notwithstanding anything to the contrary in the Plan, all Cure Cost will be Unimpaired by the Plan and all Cure Cost outstanding as of the Effective Date will remain continuing obligations of the Reorganized Debtors following the Effective Date subject to all parties’ rights and defenses with respect thereto.

In addition, any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Combined Order, will be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

The Plan further provides that, in the event of a dispute regarding (1) the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of section 365(b) of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (2) any other matter pertaining to assumption, the Bankruptcy Court will hear such dispute before the assumption becoming effective; provided, that the Debtors, with the consent of the Required Consenting Lenders, may settle any such dispute and will pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval. The cure payments required by section 365(b)(1) of the Bankruptcy Code will be made following the entry of a Final Order(s) resolving the dispute and approving the assumption and will not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

Article V.C (“*Claims Based on Rejection of Executory Contracts and Unexpired Leases*”) provides that, unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Rejection Damages Claims pursuant to the Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the later of (1) the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which will be the Confirmation Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease); or (2) the Confirmation Date; or (3) the date of the order authorizing the rejection of the applicable Executory Contract or Unexpired Lease. The Plan further provides that, **any Rejection Damages Claims that are not timely filed will be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Rejection Damages Claims will constitute General Unsecured Claims and will be treated in accordance with Article III.B of the Plan.

The Plan further provides that, any Rejection Damages Claims for Executory Contracts or Unexpired Leases that the Debtors, with the consent of the Required Consenting Term Lenders, elect to reject will be paid in full on the Effective Date, subject to the applicable provisions of the Bankruptcy Code, including sections 502(b)(6) and 510(b); provided, that such Claim is not a Subordinated Claim, in which case such Claim shall be treated as a Subordinated Claim pursuant to the terms of the Plan.

Article V.D (“***Contracts and Leases Entered into After the Petition Date***”) provides that contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, will be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) that have not been rejected as of the Confirmation Date will survive and remain unaffected by entry of the Combined Order.

Article V.E (“***Reservation of Rights***”) is a reservation of the Debtors’ rights and provides that nothing contained in the Plan will constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, will have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor’s or Reorganized Debtor’s liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors will be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X of the Plan.

Article V.G (“***Other Insurance Contracts***”) provides that, on the Effective Date, each of the Debtors’ Insurance Contracts in existence as of the Effective Date will be Reinstated and continued in accordance with their terms and, to the extent applicable, will be deemed assumed by the applicable Reorganized Debtor pursuant to section 365 of the Bankruptcy Code and Article V of the Plan. Nothing in the Plan will affect, impair, or prejudice the rights of the insurance carriers, the insureds, or the Reorganized Debtors under the Insurance Contracts in any manner, and such insurance carriers, the insureds, and Reorganized Debtors will retain all rights and defenses under such Insurance Contracts. The Insurance Contracts will apply to and be enforceable by and against the insureds and the Reorganized Debtors in the same manner and according to the same terms and practices applicable to the Debtors, as existed before the Effective Date.

Article V.I (“***Employee Compensation and Benefits***”) concerns the Debtors’ Compensation and Benefit Programs and the Debtors’ Workers’ Compensation Contracts.

Article V.I.1 provides that, subject to the provisions of the Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) will be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program will be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in the Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, will be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, will honor all their obligations under section 1114 of the Bankruptcy Code.

The Plan further provides that, none of the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms of the Plan will be deemed to trigger any applicable change of control, vesting, termination, acceleration, or similar provisions therein; *provided*, that the Assumed Employee Agreements will be assumed and governed by the terms thereof. Subject to the preceding sentence, the Plan provides that, no counterparty will have rights under a Compensation and Benefits Program assumed pursuant to the Plan other than those applicable immediately before such assumption.

Article V.I.2 provides that, as of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors will continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. The Plan further provides that, all Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation will be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for therein; *provided*, that nothing in the Plan will limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing in the Plan will be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

E. Provisions Governing Distributions

Article VI of the Plan sets forth the mechanics by which Plan distributions will be made.

Article VI.D.1 ("***Delivery of Distributions – Record Date for Distributions***") provides that on the Distribution Record Date, the Claims Register will be closed and any party responsible for making distributions will instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. The Distribution Record Date will not apply to distributions in respect of Securities deposited with DTC, the Holders of which will receive distributions, if any, in accordance with the customary exchange procedures of DTC or the Plan. For the avoidance of doubt, in connection with a distribution through the facilities of DTC (if any), DTC will be considered a single Holder for purposes of distributions.

Article VI.D.2 ("***Delivery of Distributions – Delivery of Distributions in General***") provides that, except as otherwise provided in the Plan, the Distribution Agent will make distributions to Holders of Allowed Claims as of the Distribution Record Date, or, if applicable, to such Holder's designee, as appropriate: (a) at the address for each such Holder as indicated on the Debtors' records as of the Distribution Record Date; (b) to the signatory set forth on any Proof of Claim Filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have not been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors or the applicable Distribution Agent, as appropriate, after the date of any related Proof of Claim; or (d) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf; *provided*, that the manner of such distributions will be determined at the discretion of the Reorganized Debtors.

The Plan provides that, all distributions to Holders of DIP Claims will be made to the DIP Agents or the Exit Prepetition Term Loan Agent, as applicable, and the DIP Agents or the Exit Prepetition Term Loan Agent will be, and will act as, the Distribution Agent with respect to the DIP Claims in accordance with the terms and conditions of the Plan and the applicable debt documents.

The Plan further provides that, all distributions to Holders of Prepetition Term Loan Claims will be made to the Prepetition Term Loan Agent, and the Prepetition Term Loan Agent will be, and will act as, the Distribution Agent with respect to the Prepetition Term Loan Claims in accordance with the terms and conditions of the Plan and the applicable debt documents.

Article VI.D.3 ("***Delivery of Distributions – Minimum Distributions***") provides that, notwithstanding any provision in the Plan to the contrary, no Distribution Agent will be required to make distributions or payments of less than \$100 (whether in Cash or otherwise) with respect to Impaired Claims. No fractional shares of New Equity Interests will be distributed and no Cash will be distributed in lieu of such fractional

amounts. When any distribution pursuant to the Plan on account of an Allowed Claim would otherwise result in the issuance of a number of shares of New Equity Interests that is not a whole number, the actual distribution of shares of New Equity Interests will be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater will be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) will be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Equity Interests to be distributed under the Plan will be adjusted as necessary to account for the foregoing rounding. For distribution purposes (including rounding), DTC will be treated as a single Holder.

Article VI.D.4 (“***Delivery of Distributions – Undeliverable Distributions***”) provides that, in the event that any distribution to any Holder of Allowed Claims is returned as undeliverable, no distribution to such Holder will be made unless and until the Distribution Agent has determined the then-current address of such Holder, at which time such distribution will be made to such Holder without interest; *provided*, that such distributions will be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one (1) year from the Effective Date. After such date, all unclaimed property or interests in property will revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder of Claims to such property or interest in property will be discharged and forever barred.

Article VI.K.1 (“***Claims Paid or Payable by Third Parties – Claims Paid by Third Parties***”) provides that a Claim will be correspondingly reduced, and the applicable portion of such Claim will be disallowed without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives a payment on account of such Claim from a party that is not a Debtor or Reorganized Debtor. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder must, within fourteen (14) days of receipt thereof, repay or return the distribution to the Reorganized Debtors to the extent the Holder’s total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution will result in the Holder owing the Reorganized Debtors annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14)-day grace period specified above until the amount is repaid.

Article VI.K.2 (“***Claims Paid or Payable by Third Parties – Claims Payable by Insurers***”) provides that no distributions under the Plan will be made on account of an Allowed Claim that is payable pursuant to one of the Debtors’ Insurance Contracts until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Contract. To the extent that one or more of the Insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such Insurers’ agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

Article VI.K.3 (“***Claims Paid or Payable by Third Parties – Insurance Contracts***”) provides that, except as otherwise provided in the Plan, distributions to Holders of Allowed Claims will be in accordance with the provisions of any applicable Insurance Contract. Notwithstanding anything to the contrary therein, nothing contained in the Plan will constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any other Entity may hold against any other Entity, including Insurers, under any Insurance Contracts or applicable indemnity, nor will anything contained therein constitute or be deemed a waiver by such Insurers of any defenses, including coverage defenses, held by such Insurers.

Finally, as set forth more fully in the Plan, Article VI of the Plan provides, among other things, that (a) to the extent applicable, the Reorganized Debtors will comply with all tax withholding and reporting requirements, and all distributions pursuant to the Plan will be subject to such requirements (VI.E); (b) except as otherwise provided in the Plan, Insurance Contracts will continue to be applicable as set forth in greater detail in the Plan (VI.F); (c) except as otherwise required by law, distributions with respect to an Allowed Claim will be allocated first to the principal portion of such Allowed Claim (as determined for United States federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any (VI.G); (d) unless otherwise specifically provided for in the Plan, any other Definitive Document, the Combined Order, or any other Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest will not accrue or be paid on any Claims and no Holder of a Claim or Interest will be entitled to interest accruing on or after the Petition Date on any Claim (VI.H); and (e) payments of Cash made pursuant to the Plan will be in United States dollars and will be made, at the option of the Debtors or the Reorganized Debtors (as applicable), by checks drawn on, or wire transfer from, a domestic bank selected by the Debtors or the Reorganized Debtors. Cash payments to foreign creditors may be made, at the option of the Debtors or the Reorganized Debtors, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction (VI.I); and except as otherwise provided in the Plan, each Reorganized Debtor, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code) or applicable bankruptcy or non-bankruptcy law, or as may be agreed by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or prior to the Effective Date (whether pursuant to the Plan, a Final Order or otherwise); *provided*, that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan will constitute a waiver or release by such Reorganized Debtor of any such Claims, rights, and Causes of Action (VI.J).

F. Procedures for Resolving Disputed, Contingent, and Unliquidated Claims or Interests

Article VII.A (“*No Filings of Proofs of Claim*”) provides that, except as otherwise provided in the Plan, Holders of Claims will not be required to File a Proof of Claim, and except as provided in the Plan, no parties should File a Proof of Claim. The Debtors do not intend to object in the Bankruptcy Court to the allowance of Claims Filed; *provided*, that the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under the Plan or is rendered Unimpaired under the Plan. Instead, the Debtors intend to make distributions, as required by the Plan, in accordance with the books and records of the Debtors. Unless disputed by a Holder of a Claim, the amount set forth in the books and records of the Debtors will constitute the amount of the Allowed Claim of such Holder, except that (unless expressly waived pursuant to the Plan) the Allowed amount of such Claim will be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. If any such Holder of a Claim disagrees with the Debtors’ books and records with respect to the Allowed amount of such Holder’s Claim, such Holder must so advise the Debtors in writing within thirty (30) days of receipt of any distribution on account of such Holder’s Claim, in which event the Claim will become a Disputed Claim. The Debtors intend to attempt to resolve any such disputes consensually or through judicial means outside the Bankruptcy Court. Nevertheless, the Debtors may, in their discretion, File with the Bankruptcy Court (or any other court of competent jurisdiction) an objection to the allowance of any Claim or any other appropriate motion or adversary proceeding with respect thereto. All such objections will be litigated to Final Order; *provided*, that the Debtors may compromise, settle, withdraw, or resolve by any other method approved by the Bankruptcy Court any objections to Claims.

The Plan further provides that all Proofs of Claim, other than Rejection Damages Claims, Filed in the Chapter 11 Cases will be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim, other than Rejection Damages Claims, Filed against the Debtors, regardless of the time of filing, and including Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date, will be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in the Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, will in all cases be determined by the Bankruptcy Court. **Except as otherwise provided therein, all Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date will be disallowed and forever barred, estopped, and enjoined from assertion, and will not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.**

Article VII.B (“*Allowance and Disallowance of Claims*”) provides that, after the Effective Date, and except as otherwise provided in the Plan, the Reorganized Debtors will have and will retain any and all available rights and defenses that the Debtors had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but will not be required to, contest the amount and validity of any Disputed Claim or contingent or unliquidated Claim in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code will be disallowed if: (1) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (2) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

Article VII.C (“*Claims Administration Responsibilities*”) provides that except as otherwise specifically provided in the Plan, after the Effective Date, the Reorganized Debtors will have the sole authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided in the Plan, from and after the Effective Date, each Reorganized Debtor will have and retain any and all rights and defenses such Debtor had immediately before the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to the Plan.

Any objections to Claims and Interests other than General Unsecured Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Claims and Interests other than General Unsecured Claims not objected to by the end of such 120-day period will be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

Any objections to Rejection Damages Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Rejection Damages Claims not objected to by the end of such 120-day period will be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

The Plan further provides that, notwithstanding the foregoing, the Debtors and Reorganized Debtors will be entitled to dispute and/or otherwise object to any General Unsecured Claim in accordance with applicable non-bankruptcy law. If the Debtors or Reorganized Debtors dispute any General Unsecured Claim, such dispute will be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced; *provided*, that any disputes regarding the Allowance of a Rejection Damages Claim will be determined by the Bankruptcy Court. In any action or proceeding to determine the existence, validity, or amount of any General Unsecured Claim, any and all claims or defenses that could have been asserted by the applicable Debtor(s) or the Entity holding such General Unsecured Claim will be preserved as if the Chapter 11 Cases had not been commenced.

Article VII.D (“*Adjustments to Claims or Interests Without Objection*”) provides that any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

Article VII.E (“*Distributions After Allowance*”) provides that to the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) will be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors will provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim.

G. Conditions Precedent to the Effective Date

9. The Debtors must have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Restructuring Transactions, and all applicable regulatory or government imposed waiting periods must have expired or been terminated.
10. All governmental and third-party approvals and consents that may be necessary in connection with the Restructuring Transactions must have been obtained, not be subject to unfulfilled conditions, and be in full force and effect, and all applicable waiting periods must have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on the Restructuring Transactions.

12. The Debtors must have paid in full all professional fees and expenses of the Retained Professionals that require the Bankruptcy Court's approval, or amounts sufficient to pay such fees and expenses after the Effective Date must have been placed in the Professional Fee Escrow Account pending the Bankruptcy Court's approval of such fees and expenses.

There must not have been instituted or threatened or be pending any material action, proceeding, application, claim, counterclaim, or investigation (whether formal or informal) (or there must not have been any material adverse development to any action, application, claim, counterclaim, or proceeding currently instituted, threatened, or pending) before or by any court, governmental, regulatory or administrative agency or instrumentality, domestic or foreign, or by any other person, domestic or foreign, in connection with the Restructuring Transactions that, in the reasonable judgment of the Debtors and the Required Consenting Term Lenders would prohibit, prevent, or restrict consummation of the Restructuring Transactions in a materially adverse manner.

Following the satisfaction or waiver of the foregoing, concurrently with or immediately following effectiveness of the Plan on the Effective Date:

1. The Existing Equity Interests must have been canceled and the New Equity Interests must have been issued by Reorganized Parent and distributed in accordance with the terms of the Plan.
2. The New Equity Interests to be issued and/or delivered on the Effective Date (as set forth in the Plan) must have been validly issued by Reorganized Parent, must be fully paid and

Article VIII.B (“*Waiver of Conditions*”) provides that, subject to section 1127 of the Bankruptcy Code, the conditions to Confirmation and consummation of the Plan set forth in Article VIII of the Plan may be waived by the Debtors, with the consent of the Consenting Lenders, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan. The failure of the Debtors or Reorganized Debtors to exercise any of the foregoing rights will not be deemed a waiver of any other rights, and each right will be deemed an ongoing right that may be asserted at any time.

Article VIII.C (“*Effect of Non-Occurrence of Conditions to the Effective Date*”) addresses the effect of non-occurrence of the Effective Date. It provides that if the Confirmation of the Plan or the Effective Date does not occur with respect to one or more of the Debtors on or before the termination of the Transaction Support Agreement, then the Plan will, with respect to such applicable Debtor or Debtors, be null and void in all respects and nothing contained in the Plan or the Disclosure Statement will: (1) constitute a waiver or release of any claims by or Claims against or Interests in the Debtors; (2) prejudice in any manner the rights of the Debtors, any Holders, or any other Person or Entity; (3) constitute an allowance of any Claim or Interest; or (4) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders, or any other Person or Entity in any respect.

Article VIII.D (“*Substantial Consummation*”) provides that “Substantial consummation” of the Plan, as defined in section 1102(2) of the Bankruptcy Code, will be deemed to occur on the Effective Date.

2. Releases, Exculpation and Injunction

a. Releases by the Debtors (IX.B)

To the fullest extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, is and is deemed to be, forever and unconditionally released, and absolved by each

Debtor, Reorganized Debtor, and the Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act or omission, transaction, agreement, event, or other occurrence related to any of the foregoing and taking place on or before the Effective Date; provided, that the Debtors do not release Claims or Causes of Action (1) that are of a commercial nature and arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed or (2) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, Claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by each of the Released Parties, including the Released Parties' substantial contributions to facilitating the Restructuring Transactions and implementing this Plan; (2) a good-faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors,

or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

b. Releases by Holders of Claims or Interests (IX.C)

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

c. Exculpation (IX.D)

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of this Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with this Plan, the Disclosure Statement, the Definitive Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of this Plan; provided, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with this Plan or assumed pursuant to this Plan or Final Order of the Bankruptcy Court; provided, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of this Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to this Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan or such distributions made pursuant to this Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

d. Permanent Injunction (IX.E)

Except as otherwise expressly provided in the Transaction Support Agreement, this Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently

enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11 Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to Article IX of the Plan, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

VI.

CAPITAL STRUCTURE AND CORPORATE GOVERNANCE OF REORGANIZED DEBTORS

A. Summary of Capital Structure of Reorganized Debtors

1. Post-Emergence Capital Structure

The following table summarizes the capital structure of the Reorganized Debtors, including the post-Effective Date financing arrangements the Reorganized Debtors expect to enter into to fund their obligations under the Plan and provide for, among other things, their post-Effective Date working capital needs. This summary of the Reorganized Debtors' capital structure is qualified in its entirety by reference to the Plan and the relevant Definitive Documents.

Instrument	Amount	Description
------------	--------	-------------

Exit ABL Loans	\$140 million	Loans under the senior secured asset-based revolving credit facility under the Exit ABL Credit Agreement.
Exit Term Loans	\$115 million	Term loans under the Exit Prepetition Term Loan Credit Agreement in an aggregate principal amount of \$115 (inclusive of fees payable in kind) (plus accrued interest) comprising converted DIP Term Loans in an aggregate principal amount of approximately \$40 million (plus premiums owed to the DIP Backstop Parties and approximately \$75 million of Prepetition Term Loan Obligations to be “rolled-up” into the DIP-to-Exit Term Loan Facility).

2. Exit Facilities and Exit Facilities Documents

Article IV.G (“*Exit Facilities and Exit Facilities Documents*”) provides that, to the extent required and subject to the occurrence of the Effective Date, Confirmation of the Plan will be deemed to constitute approval by the Bankruptcy Court of the Exit Facilities Documents (including all transactions contemplated thereby, such as any supplementation or syndication of the Exit Term Loans, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the incurrence of Liens securing the Exit Facilities and the payment of all fees, payments, indemnities, and expenses associated therewith) and, subject to the occurrence of the Effective Date, authorization for the applicable Reorganized Debtors to enter into and perform their obligations under the Exit Facilities Documents and such other documents as may be reasonably required or appropriate, subject to any consent or approval rights under the Definitive Documents. On or around the Effective Date, the Reorganized Debtors will execute and deliver the Exit Prepetition ABL Credit Agreement, the Exit Prepetition Term Loan Credit Agreement, the Exit Intercreditor Agreement, and any other Exit Facilities Document, and will execute, deliver, file, record, and issue any other related notes, guarantees, security documents, instruments, or agreements in connection therewith, in each case, without (a) further notice to the Bankruptcy Court, or (b) further act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. On the Effective Date, the Exit Facilities will be governed by the Exit Intercreditor Agreement.

On the Effective Date, the Exit Facilities Documents will constitute legal, valid, binding, and authorized obligations of the Reorganized Debtors, enforceable in accordance with their terms. The financial accommodations to be extended pursuant to the Exit Facilities Documents are being extended, and will be deemed to have been extended, and all related payments made in connection therewith will have been made, in each case, in good faith, for legitimate business purposes, for reasonably equivalent value, as an inducement to the applicable lenders to extend credit under the applicable Exit Facilities, are reasonable, will not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and will not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. On the Effective Date, all of the Liens and security interests to be granted, carried forward, continued, amended, extended, and/or reaffirmed (including in connection with any Prepetition ABL Claims that are refinanced by the Exit ABL Credit Agreement) under the Exit Facilities Documents will: (1) be continuing, legal, binding, and enforceable Liens on, and security interests in, the collateral granted in accordance with the terms of the applicable Exit Facilities Documents; (2) be granted, carried forward, continued, amended, extended, reaffirmed, and deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted thereunder; and (3) not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and will not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any applicable non bankruptcy law. The Reorganized

Debtors and the Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other law (whether domestic or foreign) that would be applicable in the absence of the Plan and the Combined Order (it being understood that perfection will occur automatically by virtue of the entry of the Combined Order, and any such filings, recordings, approvals, and consents will not be required), and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

3. Issuance of New Equity Interests and Deregistration

Article IV.H (“*Issuance of New Equity Interests and Deregistration*”) provides that, on the Effective Date, Reorganized Parent will issue or reserve for issuance and deliver all of the New Equity Interests in accordance with the terms of the Plan and the New Organizational Documents. The issuance and delivery of the New Equity Interests is authorized without the need for further corporate or other action or any consent or approval of any national securities exchange upon which the New Equity Interests may be listed on or immediately following the Effective Date. All of the New Equity Interests issuable under the Plan and the Combined Order will, when so issued, be duly authorized, validly issued, fully paid, and non-assessable.

The issuance and delivery of the New Equity Interests in accordance with the Plan are authorized without the need for any further limited liability company or corporate action and without any further action by any Holder of a Claim or Interest.

Any Holder of an Allowed Prepetition Term Loan Claim or any DIP Term Lender entitled to the DIP Equity Premium may designate that all or a portion of such Holder’s share of the New Equity Interests to be distributed as part of the treatment of such Allowed Prepetition Term Loan Claim or on account of the DIP Equity Premium, be registered in the name of, and delivered to, its designee by delivering notice thereof to counsel to the Debtors and to the Notice and Claims Agent at least five (5) Business Days prior to the Effective Date. Any such designee must be an “accredited investor” as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act.

Reorganized Parent intends to exist and operate as a private company after the Effective Date. As promptly as reasonably practicable following the Effective Date, Reorganized Parent expects to take all necessary steps to terminate the registration of all Securities under the Exchange Act and Securities Act, including to de-register its Existing Equity Interests, and to terminate its reporting obligations under sections 12, 13, and 15(d) of the Exchange Act, including by (1) filing, or causing any applicable national securities exchange to file, a Form 25 with the SEC under the Exchange Act, and (2) filing a Form 15 with the SEC under the Exchange Act.

a. Absence of Listing / Transfer of New Equity Interests (IV.H.1)

On the Effective Date, the Reorganized Parent will issue the New Equity Interests pursuant to the Plan and the New Organizational Documents. Reorganized Parent will not be obligated to effect or maintain any listing of the New Equity Interests for trading on any national securities exchange (within the meaning of the Exchange Act) and it has no current intention of maintaining or obtaining such listing. Distributions of the New Equity Interests are expected to be delivered via book-entry transfer by the Distribution Agent in accordance with the Plan and the New Organizational Documents, rather than through the facilities of DTC; however, in the event the New Equity Interests are DTC eligible on the Effective Date, distributions will be made via DTC. Upon the Effective Date, after giving effect to the Restructuring Transactions, the New

Equity Interests will be the number of shares or membership interests designated in the New Organizational Documents.

On and after the Effective Date, transfers of New Equity Interests will be made in accordance with applicable United States law, United States securities laws (as applicable), and the New Organizational Documents.

4. Exemption from Registration Requirements

Article IV.I (“**Exemption from Registration Requirements**”) provides that no registration statement will be filed under the Securities Act, or pursuant to any state securities laws, with respect to the offer, issuance and distribution of the New Equity Interests under the Plan. The offering, sale, issuance, and distribution of the New Equity Interests in exchange for Claims pursuant to Article II and Article III of the Plan and pursuant to the Combined Order will be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable United States, state, or local law requiring registration for the offer or sale of a security pursuant to section 1145 of the Bankruptcy Code. Any and all such New Equity Interests may be resold without registration under the Securities Act by the recipients thereof pursuant to the exemption provided by Section 4(a)(1) of the Securities Act, subject to: (1) the provisions of section 1145(b)(1) of the Bankruptcy Code, which limits resale by Persons who are “underwriters” as that term is defined in such section; (2) restrictions under the Securities Act applicable to recipients who are an “affiliate” of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (3) compliance with any applicable state or foreign securities laws, if any, and any rules and regulations of the SEC, if any, applicable at the time of any future transfer of such Securities; (4) the restrictions, if any, on the transferability of such Securities in the Organizational Documents of the issuer of, or in agreements or instruments applicable to holders of, such Securities; and (5) any other applicable regulatory approval.

The Reorganized Debtors need not provide any further evidence other than the Plan and the Combined Order with respect to the treatment of the New Equity Interests under applicable securities laws.

Notwithstanding anything to the contrary in the Plan, no Person or Entity (including, for the avoidance of doubt, DTC) will be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. All such Persons and Entities including DTC will be required to accept and conclusively rely upon the Plan or the Combined Order in lieu of a legal opinion regarding whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding any policies, practices, or procedures of DTC, DTC and any participants and intermediaries will fully cooperate and take all actions to facilitate any and all transactions necessary or appropriate for implementation of the Plan or other contemplated thereby, including without limitation any and all distributions pursuant to the Plan.

B. Corporate Governance and Management of the Reorganized Debtors

1. Debtors’ Organizational Matters

Article IV.C (“**Corporate Existence**”) provides that, except as otherwise provided in the Plan, or as otherwise may be agreed between the Debtors and the Required Consenting Lenders, each Debtor, as a Reorganized Debtor, will continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in

the jurisdiction in which each Debtor is incorporated or formed and pursuant to the respective memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) in effect before the Effective Date, except to the extent such memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) are amended by the Plan, by the Debtors, or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law), without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law.

The Plan further provides that, on or after the Effective Date, without prejudice to the rights of any party to a contract or other agreement with any Reorganized Debtor, each Reorganized Debtor may, without the need for approval of the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, take such action as permitted by applicable law, and such Reorganized Debtor's Organizational Documents, as such Reorganized Debtor may determine is reasonable and appropriate, including, without limitation, causing: (a) a Reorganized Debtor to be merged into another Reorganized Debtor or an Affiliate of a Reorganized Debtor; (b) a Reorganized Debtor to be dissolved; (c) the conversion of a Reorganized Debtor from one entity type to another entity type; (d) the legal name of a Reorganized Debtor to be changed; (e) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter; or (f) the reincorporation of a Reorganized Debtor under the law of jurisdictions other than the law under which the applicable Debtor currently is incorporated.

Article V.H ("**Indemnification Provisions and Reimbursement Obligations**") provides that, on and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth in the Plan, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Organizational Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members', and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. Notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Organizational Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

Article IV.J of the Plan ("**New Organizational Documents**") provides that, subject to Article IV.E of the Plan, the Reorganized Debtors and Reorganized Parent will enter into such agreements and amend their corporate governance documents to the extent necessary to implement the terms and provisions of the Plan. Without limiting the generality of the foregoing, as of the Effective Date, each of the Reorganized Debtors will be governed by the New Organizational Documents applicable to it. From and after the Effective Date, the Organizational Documents of each of the Reorganized Debtors will be deemed to be modified to prohibit the issuance of non-voting Securities, solely to the extent required under section 1123(a)(6) of the Bankruptcy Code. On or immediately before the Effective Date, each Reorganized Debtor and Reorganized Parent will file its New Organizational Documents, if any, with the applicable Secretary of State and/or other applicable authorities in its jurisdiction of incorporation or formation in accordance with applicable laws of its jurisdiction of incorporation or formation, to the extent required for such New Organizational Documents to become effective. The New Organizational Documents for the Reorganized Debtors and Reorganized Parent will be in form and substance (including customary minority protections) acceptable to the Required Consenting Lenders.

The Plan further provides, that, as a condition to receiving the New Equity Interests, Holders of Allowed Prepetition Term Loan Claim or Holders entitled to receive New Equity Interests on account of the DIP Equity Premium and/or any of their respective designees for receipt of New Equity Interests will be required to execute and deliver the New Organizational Documents for Reorganized Parent. For the avoidance of doubt, any Entity's or Person's receipt of New Equity Interests under, or as contemplated by, the Plan (including on account of the DIP Equity Premium) will be deemed to be its agreement to the terms of the New Organizational Documents for Reorganized Parent, and such Entities and Persons will be deemed signatories to the New Organizational Documents for Reorganized Parent without further action required on their part. The New Organizational Documents for Reorganized Parent will be effective as of the Effective Date and, as of such date, will be deemed to be valid, binding, and enforceable in accordance with its terms, and each Holder of New Equity Interests will be bound thereby in all respects even if such Holder has not actually executed and delivered a counterpart thereof.

Article IV.O ("***Corporate Action***") provides that each of the Debtors and the Reorganized Debtors may take any and all actions to execute, deliver, File or record such contracts, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the provisions of the Plan, and without further notice to or order of the Bankruptcy Court, any act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by the security holders, officers, or directors of the Debtors or the Reorganized Debtors or by any other Person (except for those expressly required pursuant hereto or by the Definitive Documents).

Upon the Effective Date, all actions contemplated by the Plan will be deemed authorized, approved, and, to the extent taken before the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, the Reorganized Debtors, or any other Entity, including: (1) assumption and rejection (as applicable) of Executory Contracts and Unexpired Leases; (2) selection of the directors, managers, and officers for the Reorganized Debtors and Reorganized Parent; (3) the execution of the New Organizational Documents and the Exit Facilities Documents; (4) the issuance and delivery of the New Equity Interests and the issuance of the Exit Facilities; (5) implementation of the Restructuring Transactions, and (6) all other acts or actions contemplated, or reasonably necessary or appropriate to promptly consummate the transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the company structure of the Debtors, and any company action required by the Debtors in connection therewith, will be deemed to have occurred on, and will be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors, the Reorganized Debtors, or Reorganized Parent or otherwise.

Before, on, and after the Effective Date, the appropriate officers, directors, managers, or authorized persons of the Debtors, the Reorganized Parent, or any direct or indirect subsidiaries of the Reorganized Parent (including any president, vice-president, chief executive officer, treasurer, general counsel, secretary, or chief financial officer thereof) will be authorized and directed to issue, execute, and deliver the agreements, documents, securities, memoranda and articles of association, certificates of incorporation, certificates of formation, bylaws, operating agreements, other organization documents, and instruments contemplated by the Plan (or necessary or desirable to effect the transactions contemplated by the Plan) in the name of and on behalf of the applicable Debtors or applicable Reorganized Debtors, including the (1) New Organizational Documents, (2) Exit Facilities Documents, and (3) any and all other agreements, documents, securities, and instruments relating to or contemplated by the foregoing. Before or on the Effective Date, each of the Debtors is authorized, in its sole discretion, to change its name or corporate form and to take such other action as required to effectuate a change of name or corporate form in the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor. To the extent the Debtors change their

names or corporate form before the closing of the Chapter 11 Cases, the Debtors will change the case captions accordingly.

The authorizations, approvals and directives contemplated by Article IV.O of the Plan will be effective notwithstanding any requirements under non-bankruptcy law.

2. Directors and Officers of the Reorganized Debtors

Article IV.M.1 (“**Reorganized Board**”) provides that, the members of the Reorganized Board will consist of a number of members determined by the Required Consenting Lenders in their sole discretion, which will consist of members appointed in a manner determined by the Required Consenting Lenders in their sole discretion and set forth in the New Organizational Documents for Reorganized Parent. Except to the extent that a member of the board of directors or board of managers, or the sole manager, as applicable, of a Debtor is designated in the Plan Supplement to serve as a director, manager, or sole manager of such Reorganized Debtor on the Effective Date, the members of the board of directors or board of managers, or the sole manager, as applicable, of each Debtor prior to the Effective Date, in their capacities as such, will have no continuing obligations to the Reorganized Debtors on or after the Effective Date, and each such director, manager, or sole manager will be deemed to have resigned or will otherwise cease to be a director, manager, or sole manager of the applicable Debtor on the Effective Date. Each of the directors, managers, sole managers and officers of each of the Reorganized Debtors and Reorganized Parent will serve pursuant to the terms of the applicable New Organizational Documents of such Reorganized Debtor or Reorganized Parent, as applicable, and may be designated, replaced, or removed in accordance with such New Organizational Documents.

3. Senior Management

Article IV.M.2 (“**Senior Management**”) provides that the existing officers of the Debtors as of the Effective Date will remain in their current capacities as officers of the Reorganized Debtors, subject to their right to resign and the ordinary rights and powers of the Reorganized Board to remove or replace them in accordance with the New Organizational Documents and any applicable employment agreements that are assumed pursuant to the Plan.

4. Management Incentive Plan

Article IV.M.3 (“**Management Incentive Plan**”) provides that, after the Effective Date, the Reorganized Board will adopt the Management Incentive Plan in accordance with the Transaction Term Sheet. The form of the awards (i.e., options, restricted stock or units, appreciation rights, etc.), the participants in the Management Incentive Plan, the allocations of the awards to such participants (including the amount of allocations and the timing of the grant of the awards), and the terms and conditions of the awards (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights and transferability) will be determined by the Reorganized Board in its sole discretion.

5. Directors and Officers Insurance Policies

Article V.F (“**Directors and Officers Insurance Policies**”) provides that, on the Effective Date the Reorganized Debtors will be deemed to have assumed all of the Debtors’ D&O Insurance Policies (including any “tail coverage” and all agreements, documents, or instruments related thereto, including, without limitation, the six years of runoff or “tail” coverage for the D&O Insurance Policies which covers the period from March 11, 2023 to June 11, 2024 and for which all premiums and related obligations were paid in full prior to the date hereof) in effect before the Effective Date pursuant to sections 105 and 365(a) of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the

Bankruptcy Court. Confirmation of the Plan will not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Insurance Policies, and each such indemnity obligation will be deemed and treated as an Executory Contract that has been assumed by the Debtors under the Plan as to which no Proof of Claim need be Filed. The Debtors and, after the Effective Date, the Reorganized Debtors will retain the ability to supplement such D&O Insurance Policies as the Debtors or Reorganized Debtors, as applicable, may deem necessary. For the avoidance of doubt, entry of the Combined Order will constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Insurance Policies.

In addition, on or after the Effective Date, none of the Reorganized Debtors will terminate or otherwise reduce the coverage under any D&O Insurance Policies (including any "tail coverage" and all agreements, documents, or instruments related thereto) in effect on or before the Effective Date, with respect to conduct occurring prior thereto, and all current and former directors, officers, and managers of the Debtors who served in such capacity at any time before the Effective Date will be entitled to the full benefits of any such policies for the full term of such policies regardless of whether such current and former directors, officers, and managers remain in such positions after the Effective Date, all in accordance with and subject in all respects to the terms and conditions of the D&O Insurance Policies, which will not be altered.

VII. CONFIRMATION OF THE PLAN

The Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that a plan is (A) accepted by all impaired classes of claims and interests entitled to vote or, if rejected or deemed rejected by an impaired class, that the plan "does not discriminate unfairly" and is "fair and equitable" as to such class; (B) in the "best interests" of the holders of claims and interests impaired under the plan; and (C) feasible.

A. Combined Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. The Combined Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the continuation date made at the Combined Hearing, at any subsequent continued Combined Hearing or confirmation hearing, or pursuant to a notice filed on the docket for the Chapter 11 Cases.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and the Bankruptcy Local Rules, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Debtors' Estates or properties, the basis for the objection and the specific grounds therefore, and must be filed with the Bankruptcy Court, together with proof of service thereof, and served upon all of the below parties.

B. Confirmation

At the Combined Hearing, the Bankruptcy Court will determine whether the requirements of section 1129 of the Bankruptcy Code have been satisfied with respect to the Plan.

1. Confirmation Requirements

Confirmation of a chapter 11 plan under section 1129(a) of the Bankruptcy Code requires, among other things, that:

- the plan complies with the applicable provisions of the Bankruptcy Code;
- the proponent of the plan has complied with the applicable provisions of the Bankruptcy Code;
- the plan has been proposed in good faith and not by any means forbidden by law;
- any plan payment made or to be made by the proponent under the plan for services or for costs and expenses in, or in connection with, the chapter 11 case, or in connection with the plan and incident to the case, has been approved by, or is subject to the approval of, the bankruptcy court as reasonable;
- the proponent has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the plan, as a director, officer, or voting trustee of the debtor, an affiliate of the debtor participating in the plan with the debtor, or a successor to the debtor under the plan. The appointment to, or continuance in, such office by such individual must be consistent with the interests of creditors and equity security holders and with public policy and the proponent must have disclosed the identity of any insider that the reorganized debtor will employ or retain, and the nature of any compensation for such insider;
- with respect to each impaired class of claims or interests, either each holder of a claim or interest of such class has accepted the plan, or will receive or retain under the plan, on account of such claim or interest, property of a value, as of the effective date of the plan, that is not less than the amount that such holder would receive or retain if the debtor were liquidated on such date under chapter 7 of the Bankruptcy Code;
- subject to the “cramdown” provisions of section 1129(b) of the Bankruptcy Code, each class of claims or interests has either accepted the plan or is not impaired under the plan;
- except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the plan provides that allowed administrative expenses and priority claims will be paid in full on the effective date (except that holders of priority tax claims may receive deferred Cash payments of a value, as of the effective date of the plan, equal to the allowed amounts of such claims and that holders of priority tax claims may receive on account of such claims deferred Cash payments, over a period not exceeding five (5) years after the date of assessment of such claims, of a value, as of the effective date, equal to the allowed amount of such claims);

- if a class of claims is impaired, at least one (1) impaired class of claims has accepted the plan, determined without including any acceptance of the plan by any insider holding a claim in such class; and
- confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the debtor or any successor to the debtor under the plan, unless such liquidation or reorganization is proposed in the plan.

The Debtors believe that:

- the Plan satisfies all of the statutory requirements of chapter 11 of the Bankruptcy Code;
- the Debtors, as the proponents of the Plan, have complied or will have complied with all of the requirements of chapter 11 of the Bankruptcy Code; and
- the Plan has been proposed in good faith.

Set forth below is a summary of certain relevant statutory confirmation requirements.

a. Acceptance

Claims in Class 3 are Impaired under the Plan, and Holders thereof are entitled to vote to accept or reject the Plan; Claims in Classes 1, 2, and 4 are Unimpaired, and therefore Holders thereof are conclusively presumed to accept the Plan; Claims and Interests in Classes 5 and 8, respectively, are Impaired and will receive no distribution under the Plan, and therefore Holders thereof are conclusively deemed to reject the Plan; and Claims and Interests in Classes 6 and 7, respectively, will either be Unimpaired or Impaired, and Holders thereof will receive no distributions and will be conclusively deemed to accept or deemed to reject the Plan, as applicable.

With respect to any Class of Claims or Interests that rejects (or is deemed to reject) the Plan, the Debtors will be required to demonstrate that the Plan satisfies the requirements for nonconsensual confirmation under section 1129(b) of the Bankruptcy Code (which are discussed immediately below). While the Debtors believe the Plan satisfies such requirements with respect to all Classes of Claims and Interests that may reject the Plan, there can be no assurance that the Bankruptcy Court will determine that the Plan meets such requirements. The Debtors also will seek confirmation of the Plan over the objection of any individual holders of Claims who are members of an accepting Class.

b. Unfair Discrimination and Fair and Equitable Test

To obtain nonconsensual confirmation of a chapter 11 plan, it must be demonstrated to the Bankruptcy Court that the plan “does not discriminate unfairly” and is “fair and equitable” with respect to each impaired, non-accepting class. The Bankruptcy Code provides a non-exclusive definition of the phrase “fair and equitable” for, respectively, secured creditors, unsecured creditors and holders of equity interests. In general, section 1129(b) of the Bankruptcy Code permits confirmation notwithstanding non-acceptance by an impaired class if that class and all junior classes are treated in accordance with the “absolute priority” rule, which requires that the dissenting class be paid in full before a junior class may receive anything under the plan.

A chapter 11 plan does not “discriminate unfairly” with respect to a non-accepting class if the value of the Cash and/or securities to be distributed to the non-accepting class is equal to, or otherwise fair when compared to, the value of the distributions to other classes whose legal rights are similar to those of the

non-accepting class. The Debtors believe the Plan will not discriminate unfairly against any non-accepting Class.

c. Feasibility; Financial Projections

The Bankruptcy Code permits a plan to be confirmed only if confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the debtor or any successor to the debtor, unless such liquidation or reorganization is proposed in the plan. For purposes of determining whether the Plan meets this requirement, the Debtors have analyzed the ability of the Reorganized Debtors to meet their obligations under the Plan and retain sufficient liquidity and capital resources to conduct their business. Under the terms of the Plan, the Allowed Claims potentially being paid in whole or in part in Cash are the Other Secured Claims and General Unsecured Claims.

In connection with developing the Plan, the Debtors have prepared detailed financial projections (the “*Financial Projections*”) set forth in Exhibit C hereto, which demonstrate, among other things, the financial feasibility of the Plan. The Financial Projections indicate, on a *pro forma* basis, that the projected level of Cash flow is sufficient to satisfy all of the Reorganized Debtors’ future debt and debt-related interest costs, capital expenditure, and other obligations during this period. Accordingly, the Debtors believe that confirmation of the Plan is not likely to be followed by the liquidation or further reorganization of the Reorganized Debtors.

THE FINANCIAL PROJECTIONS, INCLUDING THE UNDERLYING ASSUMPTIONS, SHOULD BE CAREFULLY REVIEWED IN EVALUATING THE PLAN. WHILE MANAGEMENT BELIEVES THE ASSUMPTIONS UNDERLYING THE FINANCIAL PROJECTIONS, WHEN CONSIDERED ON AN OVERALL BASIS, WERE REASONABLE WHEN PREPARED IN LIGHT OF CURRENT CIRCUMSTANCES AND EXPECTATIONS, NO ASSURANCE CAN BE GIVEN THAT THE FINANCIAL PROJECTIONS WILL BE REALIZED. THE DEBTORS MAKE NO REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF THE FINANCIAL PROJECTIONS. THE PROJECTIONS ARE SUBJECT TO A NUMBER OF RISKS, UNCERTAINTIES AND ASSUMPTIONS, INCLUDING THOSE DESCRIBED BELOW UNDER SECTION IX. IN LIGHT OF THESE RISKS AND UNCERTAINTIES, ACTUAL RESULTS COULD DIFFER MATERIALLY FROM THOSE ANTICIPATED IN THE FINANCIAL PROJECTIONS.

The Debtors prepared the Financial Projections based upon certain assumptions that they believe to be reasonable under the circumstances. The Financial Projections have not been examined or compiled by independent accountants. Moreover, such information has not been prepared in accordance with accounting principles generally accepted in the United States (“*GAAP*”). The Debtors make no representation as to the accuracy of the Financial Projections or their ability to achieve the projected results. Many of the assumptions on which the Financial Projections are based are inherently subject to significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the actual financial results. Therefore, the actual results achieved may vary from the projected results, and the variations may be material. All Holders of Claims that are entitled to vote to accept or reject the Plan are urged to examine carefully all of the assumptions on which the Financial Projections are based in connection with their evaluation of the Plan.

2. Best Interests Test

The “best interests” test requires that the Bankruptcy Court find either:

- that all members of each impaired class have accepted the plan; or
- that each holder of an allowed claim or interest in each impaired class of claims or interests will receive or retain under the plan on account of such claim or interest, property of a value, as of the effective date of the plan, that is not less than the amount such holder would receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code on such date.

To determine what the holders of Claims and Interests in each impaired Class would receive if the Debtors were liquidated under chapter 7 on the Effective Date, the Bankruptcy Court must determine the dollar amount that would have been generated from the liquidation of the Debtors' assets and properties in a liquidation under chapter 7 of the Bankruptcy Code.

To determine if the Plan is in the best interests of each impaired Class, the present value of the distributions from the proceeds of a liquidation of the Debtors' assets and properties, after subtracting the amounts due to secured and priority creditors, must be compared with the value of the property offered to each such Class of Claims under the Plan.

After considering the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to creditors, the Debtors have determined that confirmation of the Plan will provide each Holder of an Allowed Claim with a recovery that is not less than such Holder would have received pursuant to the liquidation of the Debtors under chapter 7.

Moreover, the Debtors believe that the value of distributions to each Class of Allowed Claims in a chapter 7 case would be materially less than the value of distributions under the Plan, and any distribution in a chapter 7 case would not occur as expeditiously as contemplated by the Plan.

The Debtors, with the assistance of their financial advisor, FTI Consulting, Inc., and legal counsel, have prepared a liquidation analysis that summarizes the Debtors' best estimate of recoveries by Holders of Claims and Interests in the event of liquidation commencing on or around January 31, 2025 (the "**Liquidation Analysis**"), which is set forth in **Exhibit D** hereto. The Liquidation Analysis provides: (a) a summary of the liquidation values of the Debtors' assets, assuming a chapter 7 liquidation in which a trustee appointed by the Bankruptcy Court would liquidate the assets of the Debtors' estates; and (b) the expected recoveries of Holders of Claims and Interests under the Plan.

The Liquidation Analysis contains a number of estimates and assumptions that, although developed and considered reasonable by the Debtors' management, are inherently subject to significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. The Liquidation Analysis also is based on assumptions with regard to liquidation decisions that are subject to change and significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. Accordingly, the values reflected might not be realized. All Holders of Claims that are entitled to vote to accept or reject the Plan are urged to examine carefully all of the assumptions on which the Liquidation Analysis is based in connection with their evaluation of the Plan.

C. Classification of Claims and Interests

The Debtors believe that the Plan complies with the classification requirements of the Bankruptcy Code, which require that a chapter 11 plan place each claim and interest into a class with other claims or interests that are "substantially similar."

D. Consummation

The Plan will be consummated on the Effective Date. The Effective Date will occur on the first Business Day on which the conditions precedent to the effectiveness of the Plan (*see* Section V.G hereof and Article VIII of the Plan) have been satisfied or waived pursuant to the Plan. The Plan is to be implemented pursuant to its terms, consistent with the provisions of the Bankruptcy Code.

E. Exemption from Certain Taxes and Fees

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfer (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Plan (including the Restructuring Transactions) pursuant to (1) the issuance, distribution, transfer, or exchange of any debt, securities, or other interest in the Debtors or the Reorganized Debtors, (2) the creation, modification, consolidation, termination, refinancing, or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means, (3) the making, assignment, or recording of any lease or sublease, (4) the grant of collateral security for any or all of the Exit Facilities or other indebtedness, or (5) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan (including the Restructuring Transactions), will not be subject to any document recording tax, stamp tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate state or local governmental officials, agents, or filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, must comply with the requirements of section 1146(a) of the Bankruptcy Code, will forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee or governmental assessment.

F. Modification of Plan

Subject to the terms of the Transaction Support Agreement and the limitations contained in the Plan, the Debtors or Reorganized Debtors reserve the right to, in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Transaction Support Agreement: (1) amend or modify the Plan before the entry of the Combined Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code; (2) amend or modify the Plan after the entry of the Combined Order in accordance with section 1127(b) of the Bankruptcy Code and the Transaction Support Agreement upon order of the Bankruptcy Court; and (3) remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan upon order of the Bankruptcy Court.

G. Effect of Confirmation on Modifications

Entry of the Combined Order will mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

H. Revocation of Plan; Reservation of Rights If Effective Date Does Not Occur

Subject to the conditions to the Effective Date, the Debtors reserve the right, subject to the terms of the Transaction Support Agreement, to revoke or withdraw the Plan before the entry of the Combined Order

and to File subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if entry of the Combined Order or the Effective Date does not occur, or if the Transaction Support Agreement terminates in accordance with its terms before the Effective Date, then (1) the Plan will be null and void in all respects, (2) any settlement or compromise embodied in the Plan, assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant hereto will be deemed null and void, and (3) nothing contained in the Plan will: (a) constitute a waiver or release of any Claims by or against, or any Interests in, such Debtor or any other Entity; (b) prejudice in any manner the rights of the Debtors or any other Entity; or (c) constitute an admission of any sort by the Debtors or any other Entity; *provided*, that any Restructuring Fees and Expenses that have been paid as of the date of revocation or withdrawal of the Plan will remain paid and will not be subject to disgorgement or repayment without further order of the Bankruptcy Court.

I. Post-Confirmation Jurisdiction of the Bankruptcy Court

Notwithstanding the entry of the Combined Order and the occurrence of the Effective Date, except to the extent set forth in the Plan or under applicable federal law, the Bankruptcy Court will retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

- i. allow, disallow, determine, liquidate, classify, estimate, or establish the priority, secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the secured or unsecured status, priority, amount, or allowance of Claims or Interests;
- ii. decide and resolve all matters related to the granting and denying, in whole or in part, any applications for allowance of compensation or reimbursement of expenses to Retained Professionals authorized pursuant to the Bankruptcy Code or the Plan;
- iii. resolve any matters related to: (a) the assumption, assumption and assignment, or rejection of any Executory Contract or Unexpired Lease to which a Debtor is party with respect to which a Debtor may be liable and to hear, determine, and, if necessary, liquidate, any Cure Costs arising therefrom, including Cure Costs pursuant to section 365 of the Bankruptcy Code; (b) any potential contractual obligation under any Executory Contract or Unexpired Lease that is assumed; and (c) any dispute regarding whether a contract or lease is or was executory or expired;
- iv. ensure that distributions to Holders of Allowed Claims are accomplished pursuant to the provisions of the Plan and the Combined Order;
- v. adjudicate, decide, or resolve any motions, adversary proceedings, contested, or litigated matters, and any other matters, and grant or deny any applications involving a Debtor that may be pending on the Effective Date;
- vi. adjudicate, decide, or resolve any and all matters related to Causes of Action;
- vii. adjudicate, decide, or resolve any and all matters related to section 1141 of the Bankruptcy Code;
- viii. resolve any cases, controversies, suits, or disputes that may arise in connection with any Claims, including claim objections, allowance, disallowance, estimation, and distribution;

- ix. enter and implement such orders as may be necessary or appropriate to execute, implement, or consummate the provisions of the Plan, the Combined Order, and all contracts, instruments, releases, and other agreements or documents created in connection with the Plan, the Combined Order, or the Disclosure Statement, including the Transaction Support Agreement;
- x. enter and enforce any order for the sale of property pursuant to sections 363, 1123, or 1146(a) of the Bankruptcy Code;
- xi. resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with the interpretation or enforcement of the Plan, the Combined Order, or any contract, instrument, release or other agreement or document that is entered into or delivered pursuant to the Plan or the Combined Order, or any Entity's rights arising from or obligations incurred in connection with the Plan or the Combined Order;
- xii. issue injunctions, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Entity with enforcement of the Plan or the Combined Order;
- xiii. resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the releases, injunctions, and other provisions contained in the Plan and enter such orders as may be necessary or appropriate to implement such releases, injunctions, and other provisions;
- xiv. resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the repayment or return of distributions and the recovery of additional amounts owed by the Holder of a Claim or Interest for amounts not timely repaid;
- xv. enter and implement such orders as are necessary or appropriate if the Combined Order is for any reason modified, stayed, reversed, revoked, or vacated;
- xvi. determine any other matters that may arise in connection with or relate to the Plan, the Disclosure Statement, the Combined Order, or any contract, instrument, release, indenture, or other agreement or document created in connection with the Plan, the Combined Order, or the Disclosure Statement;
- xvii. enter an order or final decree concluding or closing the Chapter 11 Cases;
- xviii. adjudicate any and all disputes arising from or relating to distributions to Holder of Claims and Interests under the Plan;
- xix. consider any modification of the Plan, to cure any defect or omission, or to reconcile any inconsistency in any Bankruptcy Court order, including the Combined Order;
- xx. determine requests for payment of Claims and Interests entitled to priority pursuant to section 507 of the Bankruptcy Code;
- xxi. hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan, or the Combined Order, including disputes arising under agreements, documents, or instruments executed in connection with the Plan;

- xxii. hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code;
- xxiii. hear and determine all disputes involving the existence, nature, or scope of the Debtors' discharge, including without limitation any dispute relating to any liability arising out of the termination of employment or the termination of any employee or retiree benefit program, regardless of whether such termination occurred before or after the Effective Date;
- xxiv. hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the releases, injunctions, and exculpations provided under Article IX of the Plan;
- xxv. resolve any disputes concerning whether a Person had sufficient notice of the Chapter 11 Cases, the Disclosure Statement, and any solicitation conducted in connection with the Chapter 11 Cases, in each case, for the purpose of determining whether a Claim or Interest is discharged pursuant to the Plan or for any other purpose;
- xxvi. enforce all orders previously entered by the Bankruptcy Court; and
- xxvii. hear any other matter not inconsistent with the Bankruptcy Code, the Plan, or the Combined Order.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in Article X of the Plan, the provisions of Article X will have no effect on and will not control, limit, or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Notwithstanding anything to the contrary in the Plan: (1) the Bankruptcy Court's jurisdiction to hear and determine disputes concerning Claims against or Interests in the Debtors that arose before the Effective Date, including, without limitation, any Claims based in whole or in part on any conduct of the Debtors occurring on or before the Effective Date, will be non-exclusive; (2) any dispute arising under or in connection with the Exit Facility Documents, New Governance Documents, and New Stockholders Agreement will be dealt with in accordance with the provisions of the applicable document; and (3) as of the Effective Date, the Exit Facility Amendment will be governed by the jurisdictional provisions therein.

VIII.

ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE PLAN

The Debtors have determined that the Plan is the best alternative available for their successful emergence from chapter 11. If the Plan is not confirmed and consummated, the alternatives to the Plan are: (A) continuation of the Chapter 11 Cases, which could lead to the filing of an alternative plan of reorganization and/or a sale of substantially all of the Debtors' assets; (B) a liquidation under chapter 7 of the Bankruptcy Code; or (C) dismissal of the Chapter 11 Cases, leaving Holders of Claims and Interests to pursue available non-bankruptcy remedies. These alternatives to the Plan are not likely to benefit Holders of Claims and Interests.

A. Continuation of Chapter 11 Cases

If the Plan is not confirmed, the Debtors (or, if the Debtors' exclusive period in which to file a plan of reorganization has expired, any other party in interest) could attempt to formulate a different plan or to sell all or substantially all of the Debtors' assets outside of a plan. Such a scenario might entail a reorganization and continuation of the Debtors' business or an orderly liquidation of their assets; in either case, the Debtors expect that recoveries to their stakeholders would be diminished relative to the recoveries available under the Plan.

B. Liquidation under Chapter 7

If no plan can be confirmed, then the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy Code. The effect a chapter 7 liquidation would have on the recovery of holders of Allowed Claims and Interests is set forth in the Liquidation Analysis set forth in **Exhibit D** hereto.

As demonstrated in the Liquidation Analysis, the Debtors believe that liquidation under chapter 7 would result in smaller distributions to creditors than those provided for in the Plan because of, among other things, the delay resulting from the conversion of the Chapter 11 Cases to cases under chapter 7, the additional administrative expenses associated with the appointment of a trustee and the trustee's retention of professionals, and the loss in value attributable to an expeditious liquidation of the Debtors' assets as required by chapter 7.

C. Dismissal of Chapter 11 Cases.

If the Chapter 11 Cases are dismissed, Holders of Claims or Interests would be free to pursue non-bankruptcy remedies in their attempts to satisfy Claims against or Interests in the Debtors. However, in that event, each Holder of Claims or Interests would be faced with the costs and difficulties of attempting to recover on an individual basis. Accordingly, the Debtors believe that the Plan will enable all creditors to realize the greatest possible recovery on their respective Claims with the least delay.

IX.**RISK FACTORS TO CONSIDER BEFORE VOTING**

BEFORE VOTING TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS ENTITLED TO VOTE SHOULD READ AND CAREFULLY CONSIDER THE RISK FACTORS SET FORTH BELOW, IN ADDITION TO THE INFORMATION SET FORTH IN THIS DISCLOSURE STATEMENT, TOGETHER WITH ANY ATTACHMENTS, EXHIBITS, OR DOCUMENTS INCORPORATED BY REFERENCE HERETO. THE FACTORS BELOW SHOULD NOT BE REGARDED AS THE ONLY RISKS ASSOCIATED WITH THE PLAN OR ITS IMPLEMENTATION.

A. Certain Bankruptcy Law Considerations**1. General**

While the Debtors believe that the Chapter 11 Cases will be of short duration and will not be materially disruptive to their businesses, the Debtors cannot be certain that this will be the case. Although the Plan is designed to minimize the duration of the Chapter 11 Cases, it is impossible to predict with certainty the amount of time that one or more of the Debtors may spend in bankruptcy or to assure parties in interest that

the Plan will be confirmed. Even if confirmed on a timely basis, bankruptcy proceedings to confirm the Plan could have an adverse effect on the Debtors' businesses. Among other things, it is possible that bankruptcy proceedings could adversely affect the Debtors' relationships with their key customers, vendors, suppliers and employees. The process will also involve additional expense and will divert some of the attention of the Debtors' management away from business operations.

2. Risk of Non-Approval of the Disclosure Statement As Containing Adequate Information

Because the Chapter 11 Cases have not yet been commenced, this Disclosure Statement has not, as of the date hereof, been approved by the Bankruptcy Court as containing "adequate information" within the meaning of section 1125(a) of the Bankruptcy Code. Upon filing, the Debtors will promptly seek entry of an order by the Bankruptcy Court approving this Disclosure Statement. While the Debtors believe that this Disclosure Statement provides "adequate information" within the meaning of section 1125(a), there can be no assurance that the Bankruptcy Court will reach the same conclusion.

3. Risk of Non-Confirmation of Plan

Although the Debtors believe that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modification to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. Moreover, the Debtors can make no assurances that they will receive the requisite acceptances to confirm the Plan, and even if the Voting Class voted in favor of the Plan or the requirements for "cramdown" are met with respect to any Class that rejects (or is deemed to reject) the Plan, the Bankruptcy Court, which may exercise substantial discretion as a court of equity, may choose not to confirm the Plan. If the Plan is not confirmed, it is unclear what distributions Holders of Claims and Interests ultimately would receive with respect to their Claims and Interests in a subsequent plan of reorganization or otherwise.

4. Non-Consensual Confirmation

If any impaired class of claims or interests does not accept or is deemed not to accept a plan of reorganization, a bankruptcy court may nevertheless confirm such plan at the proponent's request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and as to each impaired class that has accepted the plan, the bankruptcy court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting impaired classes. Should any Class vote to reject the Plan, then these requirements must be satisfied with respect to such rejecting Classes. The Debtors believe that the Plan satisfies these requirements, but there can be no assurance that the Bankruptcy Court will reach the same conclusion and confirm the Plan on a non-consensual basis.

5. Financial Projections

The Debtors have prepared financial projections on a consolidated basis with respect to the Reorganized Debtors based on certain assumptions as set forth in Exhibit C hereto. The projections have not been compiled, audited, or examined by independent accountants, and neither the Debtors nor their advisors make any representations or warranties regarding the accuracy of the projections or the ability to achieve forecasted results.

Many of the assumptions underlying the projections are subject to significant uncertainties that are beyond the control of the Debtors or Reorganized Debtors, including the timing, confirmation, and consummation

of the Plan, consumer demands for the Reorganized Debtors' products, macroeconomic, political and other events that may affect the Reorganized Debtors' ability to maintain adequate amounts and array of inventory, inflation, and other unanticipated market and economic conditions. Some assumptions may not materialize, and unanticipated events and circumstances may affect the actual results. Projections are inherently subject to substantial and numerous uncertainties and to a wide variety of significant business, economic, and competitive risks, and the assumptions underlying the projections may be inaccurate in material respects.

6. Risks Related to Parties in Interest Objecting to the Debtors' Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an interest in a particular class only if such claim or interest is substantially similar to the other claims or interests in such class. The Debtors believe that the classification of Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code. However, there can be no assurance that a party in interest will not object or that the Bankruptcy Court will approve the classifications.

To the extent that the Bankruptcy Court finds that a different classification is required for the Plan to be confirmed, the Debtors would seek (a) to modify the Plan to provide for whatever classification might be required for Confirmation and (b) to use the acceptances received from any Holder of Claims pursuant to this solicitation for the purpose of obtaining the approval of the Class or Classes of which such Holder ultimately is deemed to be a member. Any such reclassification of Claims, although subject to the notice and hearing requirements of the Bankruptcy Code, could adversely affect the Class in which such Holder was initially a member, or any other Class under the Plan, by changing the composition of such Class and the vote required for approval of the Plan. There can be no assurance that the Bankruptcy Court, after finding that a classification was inappropriate and requiring a reclassification, would approve the Plan based upon such reclassification. Except to the extent that modification of classification in the Plan requires resolicitation, the Debtors will, in accordance with the Bankruptcy Code and the Bankruptcy Rules, seek a determination by the Bankruptcy Court that acceptance of the Plan by any Holder of Claims pursuant to this solicitation will constitute a consent to the Plan's treatment of such Holder, regardless of the Class as to which such Holder is ultimately deemed to be a member.

7. Risks Related to Possible Objections to the Plan

There is a risk that certain parties could oppose and object to either the entirety of the Plan or specific provisions of the Plan. Although the Debtors believe that the Plan complies with all relevant Bankruptcy Code provisions, there can be no guarantee that a party in interest will not file an objection to the Plan or that the Bankruptcy Court will not sustain such an objection.

8. Releases, Injunctions, and Exculpation Provisions May Not Be Approved

Article IX of the Plan provides for certain releases, injunctions, and exculpations for claims and Causes of Action that may otherwise be asserted against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable. The releases, injunctions, and exculpations provided in the Plan are subject to objection by parties in interest and may not be approved. If the releases and exculpations are not approved, certain parties may not be considered Releasing Parties, Released Parties, or Exculpated Parties, and certain Released Parties or Exculpated Parties may withdraw their support for the Plan.

9. Risk of Non-Occurrence of Effective Date

Although the Debtors believe that the Effective Date will occur on the timeline envisaged by the Transaction Support Agreement, there can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Article VIII of the Plan, then the Combined Order may be vacated, in which event no distributions would be made under the Plan, the Debtors and all Holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtors' obligations with respect to Claims and Interests would remain unchanged.

10. Risks of Termination of the Transaction Support Agreement

The Transaction Support Agreement contains certain provisions that give the parties thereto the ability to terminate such agreement upon the occurrence or non-occurrence of certain events, including failure to achieve certain milestones in these Chapter 11 Cases. Termination of the Transaction Support Agreement could result in protracted Chapter 11 Cases, which could significantly and detrimentally impact the Debtors' relationships with vendors, suppliers, employees, and customers.

11. Conversion into Chapter 7 Cases

If no plan of reorganization can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of Holders of Claims and Interests, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code.

12. Risks of Non-Dischargeability of Claims

Certain creditors may have taken or may take the position their claims are non-dischargeable. Such creditors may make such allegations at any time, notwithstanding the existence of deadlines established by the Bankruptcy Rules or applicable Bankruptcy Court order, entry of the Combined Order, or the occurrence of the Effective Date. Such assertions of non-dischargeability could result in denial of Confirmation, changes to the Plan, or, if asserted after occurrence of the Effective Date, the Reorganized Debtors being required to honor such claims.

13. Amendment of Plan Prior to Confirmation by Debtors

The Debtors, subject to the terms and conditions of the Plan and the terms of the Transaction Support Agreement, reserve the right to modify the terms and conditions of the Plan or waive any conditions thereto if and to the extent necessary or desirable for Confirmation. The potential impact of any such amendment or waiver on Holders of Claims and Interests cannot presently be foreseen but may include a change in the economic impact of the Plan on some or all of the proposed Classes or a change in the relative rights of such Classes.

14. Pending and Future Litigation

The Debtors are involved in various litigation, claims, and other proceedings, including proceedings relating to the conduct of our business and employee relations, which so long as they remain unresolved represent a legal issue and potential Claims for monetary damages. Additionally, there is a risk of future litigation. Pending litigation or future litigation could result in a material judgment against the Debtors or the Reorganized Debtors. Such litigation, and any judgment in connection therewith, could have a material negative effect on the Debtors or the Reorganized Debtors.

B. Risks Relating to the Capital Structure of the Reorganized Debtors

1. Variances from Financial Projections

The Financial Projections set forth in Exhibit C hereto reflect numerous assumptions, which involve significant levels of judgment and estimation concerning the anticipated future performance of the Reorganized Debtors, as well as assumptions with respect to the prevailing market, economic, political and competitive conditions, which are beyond the control of the Reorganized Debtors, and which may not materialize. Any significant differences in actual future results versus estimates used to prepare the Financial Projections, such as lower sales, lower pricing, increased promotional activity, increases in merchandise costs, supply chain and/or distribution network disruptions, increases in fuel prices affecting shipping costs, changes in prevailing tariff rates, failure to manage inventory at appropriate levels, asset impairments, technological changes, litigation, workforce disruptions, negative publicity or competition could result in significant differences from the Financial Projections. The Debtors believe that the assumptions underlying the Financial Projections are reasonable. However, unanticipated events and circumstances occurring subsequent to the preparation of the Financial Projections may affect the Debtors' and the Reorganized Debtors' ability to initiate the endeavors, execute on the strategic initiatives and meet the financial benchmarks contemplated by the Plan. Therefore, the actual results achieved throughout the period covered by the Financial Projections necessarily will vary from the projected results, and these variations may be material and adverse.

In addition, if the Debtors emerge from chapter 11, the amounts reported in subsequent consolidated financial statements may materially change relative to historical consolidated financial statements, including as a result of revisions to the Debtors' operating plans pursuant to a plan of reorganization. The Debtors also may be required to adopt "fresh start" accounting in accordance with Accounting Standards Codification 852 ("Reorganizations"), in which case their assets and liabilities will be recorded at fair value as of the fresh start reporting date, which may differ materially from the recorded values of assets and liabilities on the Debtors' consolidated balance sheets. The Debtors' financial results after the application of fresh start accounting also may be different from historical trends. The Financial Projections contained in Exhibit C hereto do not currently reflect the impact of fresh start accounting, which may have a material impact on the Financial Projections.

2. Leverage

Although the Reorganized Debtors will have less indebtedness than the Debtors, the Reorganized Debtors will still have a significant amount of secured indebtedness. On the Effective Date, after giving effect to the transactions contemplated by the Plan, the Reorganized Debtors will have approximately \$198 million in secured funded indebtedness.

The degree to which the Reorganized Debtors will be leveraged could have important consequences, placing the Reorganized Debtors at a competitive disadvantage to other, less leveraged competitors, because, among other things: it could affect the Reorganized Debtors' ability to satisfy their obligations under their indebtedness following the Effective Date; a portion of the Reorganized Debtors' cash flow from operations will be used for debt service under the Plan and therefore will be unavailable to support operations or for working capital, capital expenditures, expansion, acquisitions or general corporate or other purposes; the Reorganized Debtors' ability to refinance their then-existing debt, obtain additional debt financing or equity financing, or pursue mergers, acquisitions and asset sales, on terms acceptable to them or at all, may be limited and their costs of borrowing may be increased; as a result of their significant indebtedness, the Reorganized Debtors may be more vulnerable to economic downturns and their ability to withstand competitive pressures may be limited; and the Reorganized Debtors' operational flexibility in planning for, or reacting to, changes, opportunities and challenges in their businesses, including changes in

the market sector in which they compete, changes in their business and strategic opportunities, and adverse developments in their operations, may be severely limited.

3. Ability to Service Debt

Although the Reorganized Debtors will have less indebtedness than the Debtors, the Reorganized Debtors will still have significant interest expense and principal repayment obligations. The Reorganized Debtors' ability to make payments on and to refinance their debt will depend on their future financial and operating performance and their ability to generate cash in the future. This, to a certain extent, is subject to general economic, business, financial, competitive, legislative, regulatory and other factors that are beyond the control of the Reorganized Debtors.

Although the Debtors believe the Plan is feasible, there can be no assurance that the Reorganized Debtors will be able to generate sufficient cash flow from operations or that sufficient future borrowings will be available to pay off the Reorganized Debtors' debt obligations. The Reorganized Debtors may need to refinance all or a portion of their debt on or before maturity; however, there can be no assurance that the Reorganized Debtors will be able to refinance any of their debt on commercially reasonable terms or at all.

If the Reorganized Debtors' cash flows and capital resources are insufficient to fund their debt service obligations and other cash requirements, the Reorganized Debtors could face substantial liquidity problems and could be forced to reduce or delay investments and capital expenditures or to sell assets or operations, seek additional capital or restructure or refinance their indebtedness and settlement obligations. The Reorganized Debtors may not be able to effect any such alternative measures, if necessary, on commercially reasonable terms or at all and, even if successful, such alternative actions may not allow the Reorganized Debtors to meet their scheduled debt service obligations and settlement obligations. The agreements governing the Reorganized Debtors' indebtedness at emergence are expected to (a) have terms and conditions that restrict their ability to dispose of assets and the use of proceeds from any such dispositions and (b) restrict their ability to raise debt capital.

The Reorganized Debtors' inability to generate sufficient cash flows to satisfy their debt obligations, or to refinance their indebtedness on commercially reasonable terms or at all, would materially and adversely affect their financial position and results of operations.

If the Reorganized Debtors cannot make scheduled payments on their debt, an event of default may result. An event of default may allow the creditors to accelerate the related debt as well as any other debt to which a cross-acceleration or cross-default provision applies. If the Reorganized Debtors are unable to repay amounts outstanding under their financing agreements when due, the lenders thereunder could, subject to the terms of the financing agreements, seek to foreclose on the collateral that is pledged to secure the indebtedness outstanding under such facility.

4. Obligations Under Exit Facilities Documents

The Reorganized Debtors' obligations under the Exit Facilities Documents are expected to be secured by liens on substantially all of the assets of the Reorganized Debtors (subject to certain exclusions set forth therein). If the Reorganized Debtors become insolvent or are liquidated, or if there is a default under certain financing agreements, including, but not limited to, the Exit Facilities Documents, and payment on any obligation thereunder is accelerated, the lenders under and holders of the Exit Facilities would be entitled, subject to the applicable intercreditor agreements and other applicable credit documents, to exercise the remedies available to a secured lender under applicable law, including foreclosure on the collateral that is pledged to secure the indebtedness thereunder, and they would have a claim on the assets securing the

obligations under the applicable facility that would be superior to any claim of the holders of unsecured debt.

5. Restrictive Covenants

The financing agreements governing the Reorganized Debtors' indebtedness are expected to contain various covenants that may limit the discretion of the Reorganized Debtors' management by restricting the Reorganized Debtors' ability to, among other things, incur additional indebtedness, incur liens, pay dividends or make certain restricted payments, make investments, consummate certain asset sales, enter into certain transactions with affiliates, merge, consolidate and sell or dispose of all or substantially all of their assets. As a result of these covenants, the Reorganized Debtors will be limited in the manner in which they conduct their business and may be unable to engage in favorable business activities or finance future operations or capital needs.

Any failure to comply with the restrictions of the financing agreements may result in an event of default. An event of default may allow the creditors to accelerate the related debt as well as any other debt to which a cross-acceleration or cross-default provision applies. If the Reorganized Debtors are unable to repay amounts outstanding under their financing agreements when due, the lenders thereunder could, subject to the terms of the financing agreements, seek to foreclose on the collateral that is pledged to secure the indebtedness outstanding under such facility.

As a result of these restrictions, the Reorganized Debtors may be limited in how they conduct their business, unable to raise additional debt or equity financing to operate during general economic or business downturns, unable to respond to changing circumstances or to pursue business strategies and unable to compete effectively, execute their growth strategy or take advantage of new business opportunities.

6. Additional Financing

The Reorganized Debtors may be able to incur substantial additional indebtedness in the future. Although agreements governing the Reorganized Debtors' indebtedness are expected to restrict the incurrence of additional indebtedness, these restrictions are and will be subject to a number of qualifications and exceptions and the additional indebtedness incurred in compliance with these restrictions could be substantial. If new debt is added to the Reorganized Debtors' current debt levels, the related risks that the Debtors now face could intensify.

Moreover, the Reorganized Debtors may need to seek additional financing for general corporate purposes. For example, they may need funds to make acquisitions or for capital expenditures needed to remain competitive in their market sector. The Reorganized Debtors may be unable to obtain any desired additional financing on terms that are favorable or acceptable to them, including as a result of their debt levels or if there is a decline in the demand for their products or in the solvency of their customers, vendors or suppliers or other significantly unfavorable changes in economic conditions occur. Depending on market conditions, adequate funds may not be available to the Reorganized Debtors on acceptable terms or at all, and they may be unable to fund expansion, successfully develop or enhance products, or respond to competitive pressures, any of which could have a material adverse effect on the Reorganized Debtors' competitive position, business, financial condition, results of operations, and cash flows.

7. Potential Dilution

The ownership percentage represented by the New Equity Interests distributed under the Plan as of the Effective Date will be subject to dilution from the equity issued in connection with the Management Incentive Plan. In the future, similar to all companies, additional equity financings or other equity issuances

by Reorganized Debtors could adversely affect the value of the New Equity Interests. The amount and dilutive effect of any of the foregoing could be material.

8. Interests Subordinated to the Reorganized Debtors' Indebtedness

In any subsequent liquidation, dissolution, or winding up of Reorganized Debtors, the New Equity Interests would rank below all debt claims against Reorganized Debtors. As a result, holders of the New Equity Interests will not be entitled to receive any payment or other distribution of assets upon the liquidation, dissolution, or winding up of Reorganized Debtors until after all applicable holders of debt have been paid in full.

9. Estimated Valuations of the Debtors and the New Equity Interests Are Not Intended to Represent Potential Market Values

The Debtors' estimated recoveries set forth in this Disclosure Statement are not intended to represent the market value of the Debtors' securities. The estimated recoveries are based on numerous assumptions (the realization of many of which will be beyond the control of the Debtors), including, among others: (a) the successful reorganization of the Debtors; (b) an assumed date for the occurrence of the Effective Date; (c) the Debtors' ability to achieve the operating and financial results included in the Financial Projections; (d) the Debtors' ability to maintain adequate liquidity to fund operations; (e) the assumption that capital and equity markets remain consistent with current conditions; and (f) the Debtors' ability to maintain critical existing customer relationships.

10. Dividends

The Reorganized Debtors may not pay any dividends on the New Equity Interests. In such circumstances, the success of an investment in the New Equity Interests will depend entirely upon any future appreciation in the value of the New Equity Interests. There is, however, no guarantee that the New Equity Interests will appreciate in value or even maintain its initial value.

11. Restrictions on Ability to Resell New Equity Interests

Holders of securities issued pursuant to the exemption from registration under section 1145 of the Bankruptcy Code who are deemed to be "underwriters" under section 1145(b) of the Bankruptcy Code ("**Section 1145 Underwriters**") will be subject to resale restrictions. Even if a trading market develops for the New Equity Interests, Section 1145 Underwriters should be aware that they may be required to bear the financial risk of an investment in the New Equity Interests for an indefinite period of time. For further discussion, see Section X ("Securities Law Matters") of this Disclosure Statement.

12. The New Equity Interests of Reorganized Parent Will Not Be Listed on a Securities Exchange and the Debtors Do Not Expect It to Be Quoted on the OTC Market at the Effective Date.

The Reorganized Parent will not seek to have the New Equity Interests listed on a national securities exchange following the Effective Date. The Debtors also expect that the New Equity Interests will not be quoted on the OTC market at the Effective Date. There also will be transfer restrictions applicable to the New Equity Interests under the New Stockholders Agreement for holders that are a party thereto. The New Equity Interests are expected to be issued through a transfer agent and are not expected to be eligible for settlement through DTC, and, as a result, the New Equity Interests would not be able to be held in street name and would only be held in certificated or registered form, and trading in the New Equity Interests may require additional administrative steps. As a result, the Debtors expect that there will not be an active

trading market for the Reorganized Parent's New Equity Interests and there may be limited liquidity for them, which could have a negative impact on their market price. Holders of the New Equity Interests may have difficulty selling or transferring any New Equity Interests that may be owned at the Effective Date or may be purchased later. In addition, the number of investors willing to hold or acquire the New Equity Interests may be reduced, to the extent there is a market for the New Equity Interests, the trading price of the New Equity Interests may be depressed, Reorganized Parent may receive decreased news and analyst coverage, and Reorganized Parent may be limited in its ability to issue additional securities or obtain additional equity financing in the future on terms acceptable to it, or at all.

Even if an active trading market develops for the New Equity Interests, the market price for shares of the New Equity Interests may be highly volatile and could be subject to wide fluctuations. In addition, the trading volume of the New Equity Interests may fluctuate and cause significant price variations to occur. Volatility in the market price or trading volume of the New Equity Interests may prevent investors from being able to sell it at or above the price they paid to acquire shares of the New Equity Interests, or at all.

13. The Terms of the New Stockholders Agreement May Include Provisions That Are Unfavorable to Minority Shareholders.

The New Stockholders Agreement will be included in the Plan Supplement. Although the general terms of the New Stockholders Agreement are described herein, the form of New Stockholders Agreement has not been negotiated, and may include provisions that are unfavorable to minority shareholders.

14. A Majority of the Holders of the Prepetition Term Loan Claims Prefer That Reorganized Parent Not Be Subject to Exchange Act Reporting Obligations. If Reorganized Parent Ceases to be Subject to Exchange Act Reporting Obligations, Holders of Reorganized Parent's Securities Would Be Subject to the Risks of an Investment in a Private Company (Within the Meaning of U.S. Practice) Rather Than a U.S. Public Reporting Company.

There is currently no public market for the New Equity Interests and there can be no assurance as to the development or liquidity of any market for such securities. The Reorganized Parent does not plan to list the New Equity Interests on any securities exchange. Therefore, there can be no assurance that the securities will be tradable or liquid at any time after the Effective Date. If a trading market does not develop or is not maintained, holders of the securities may experience difficulty in reselling such securities or may be unable to sell them at all. Even if such a market were to exist, such securities could trade at prices higher or lower than the estimated value set forth in this Disclosure Statement depending upon many factors, including prevailing interest rates, markets for similar securities, industry conditions, and the performance of, and investor expectations for, the Reorganized Debtors. Accordingly, holders of the securities may bear certain risks associated with holding securities for an indefinite period of time.

The Debtors currently expect that, as of the Effective Date, Reorganized Parent initially will remain subject to Exchange Act reporting obligations. However, Holders of a majority of the Prepetition Term Loan Claims have informed the Company that they desire for Reorganized Parent to not be subject to ongoing reporting obligations under the Exchange Act. To suspend reporting obligations under the Exchange Act, among other requirements, Reorganized Parent would need to deregister its Common Stock under Section 12(g) and Section 15(d) of the Exchange Act, following a determination in accordance with SEC rules that such equity is held by less than 300 stockholders of record. Any decision of whether to deregister the Common Stock under the Exchange Act and suspend filing Exchange Act reports, and the manner and timing of doing so, would be made by the Reorganized Board, and would be subject to their fiduciary duties and applicable law, including U.S. securities laws. There can be no assurance as to whether or when the Reorganized Board may make such a decision or how it would be implemented. If the Reorganized Parent

suspends filing reports under the Exchange Act, public information regarding the Reorganized Parent may not be readily available. Accordingly, the liquidity, market for and trading value of the New Equity Interests and other securities of Reorganized Parent may be negatively impacted.

In the event the Common Stock is deregistered and Reorganized Parent suspends filing reports under the Exchange Act, holders of Reorganized Parent's securities would be subject to the risks of an investment in a private company (within the meaning of U.S. practice) rather than a U.S. public reporting company. Upon any deregistration of the Common Stock, Reorganized Parent's duty to file periodic reports with the SEC would be suspended, which would result in a substantial decrease in required public disclosure by Reorganized Parent about its operations and prospects for so long as Reorganized Parent is not filing such reports. Reorganized Parent would also be relieved of the obligation to comply with the requirements of the proxy rules under Section 14 of the Exchange Act. The suspension of Reorganized Parent's reporting obligations under the Exchange Act would likely further reduce any limited trading market and liquidity for the New Equity Interests and may negatively impact the value of, and ability to sell, such shares. In addition, shareholders may not be able to rely on Rule 144 under the Securities Act to sell their shares of New Equity Interests in the absence of current public information about the Reorganized Parent, which would limit the trading in the New Equity Interests. Shareholders also could be adversely affected by a reduction in Reorganized Parent's "public float" (*i.e.*, the number of shares owned by outside shareholders and available for trading in the securities markets). In addition, Reorganized Parent might also have substantially less access to capital markets and be severely limited in its ability to use equity to effect acquisitions as a non-reporting company.

C. Risks Relating to the Debtors' Business Operations and Financial Conditions

THE FOLLOWING PROVIDES A SUMMARY OF CERTAIN OF THE RISKS ASSOCIATED WITH THE DEBTORS' BUSINESSES. HOWEVER, THIS SECTION IS NOT INTENDED TO BE EXHAUSTIVE. ADDITIONAL RISK FACTORS CONCERNING THE DEBTORS' BUSINESSES ARE CONTAINED IN THE DEBTORS' PREVIOUSLY-FILED ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED MARCH 30, 2024 AND SUBSEQUENT QUARTERLY REPORTS ON FORM 10-Q.

1. The Debtors' Chapter 11 Cases May Negatively Impact Future Operations.

While the Debtors believe that they will be able to emerge from chapter 11 relatively expeditiously, there can be no assurance as to timing for approval of the Plan or the Debtors' emergence from chapter 11. Additionally, notwithstanding the support of the signatories to the Transaction Support Agreement, certain such parties may have limited experience in dealing with chapter 11 debtors, which could affect the Debtors' relationships with such parties, and, in particular, the Chapter 11 Cases may adversely affect the Debtors' ability to maintain relationships with existing customers and suppliers and attract new customers.

2. Macroeconomic Conditions Could Affect Supply and Demand.

The Debtors' business operations have historically been, and the Reorganized Debtors' business operations may in the future be, materially affected by adverse conditions in the financial markets and depressed economic conditions generally, both in the United States and elsewhere around the world.

Moreover, the Debtors' suppliers rely on access to credit to adequately fund their own operations, and the Debtors' customers' buying habits vary according to the market conditions and access to discretionary income. Disruptions in financial markets and economic slowdown may adversely impact both (a) the ability of the Reorganized Debtors' suppliers to finance their operations, which could increase the Reorganized Debtors' merchandise costs and reduce their ability to accurately forecast future demand

trends, and (b) the ability of the Reorganized Debtors' customers' to purchase goods from the Reorganized Debtors, which could decrease market elasticity. Particularly in combination, these conditions could result in decreased relative and absolute margins for the Reorganized Debtors.

3. Supply Chain Issues Could Adversely Affect Operations.

Foreign Imports and Trade Regulations. Political or financial instability, trade restrictions, tariffs, currency exchange rates, labor conditions, congestion and labor issues at major ports, transport capacity and costs, systems issues, problems in third party distribution and warehousing and other interruptions of the supply chain, compliance with U.S. and foreign laws and regulations, and other factors relating to international trade and imported merchandise beyond the Company's control could affect the availability and the price of inventory. Given that the Company sources the majority of its merchandise from outside the United States, these risks and other factors relating to foreign trade could subject the Company to liability or hinder its ability to access suitable merchandise on acceptable terms, which could adversely impact results of operations. Similarly, rising costs, changes in applicable federal, state, or local regulations and laws, and other disruptions to the domestic labor and/or shipping industries (either specific to the Company or at an industry-wide level) could adversely affect the Company's ability to source merchandise from domestic vendors and transport and ship merchandise and orders around the United States. In addition, developments in tax policy, such as the disallowance of tax deductions for imported merchandise, or the imposition of tariffs on imported merchandise, could have a material adverse effect on the Company's results of operations and liquidity.

Dependence on Third-Party Transportation Providers. The Debtors rely on independent third-party transportation providers for product shipments, including shipments to and from stores. This reliance subjects the Debtors to risks such as increased shipping costs, employee strikes, inclement weather, and health epidemics or pandemics, which may affect the ability of shipping companies to meet delivery needs. Any change in shipping companies could result in logistical difficulties, adversely affecting deliveries and incurring additional costs.

Risks Associated with Foreign Manufacturing. The Debtors' dependence on foreign imports makes them vulnerable to risks associated with products manufactured abroad, including damage, destruction, or confiscation of products in transit, additional import duties, and geopolitical unrest. Compliance lapses by manufacturers could lead to investigations and potential penalties, negatively affecting the Debtors' business and operating results.

Vulnerability to Natural Disasters and Unexpected Events. The Debtors' facilities and systems, as well as those of vendors, are vulnerable to natural disasters and other unexpected events. Such events could result in damage, interruptions in business, and potential loss of customers and revenues. Material disruptions at manufacturing facilities could negatively impact production, customer deliveries, and financial results.

Product Recalls and Liability. The Debtors are subject to regulations by various authorities, including the Consumer Product Safety Commission. Non-compliance with product safety requirements or consumer protection laws by vendors could damage the Debtors' reputation and lead to increased litigation. Product recalls could result in substantial costs and a decrease in merchandise offerings, adversely affecting sales.

Distribution Risks. The Debtors' business depends on the successful operation of manufacturing facilities and distribution centers to fulfill orders and deliver merchandise. Any significant interruption in operations due to unforeseen causes could delay or impair the ability to distribute merchandise, resulting in lower sales, loss of brand loyalty, and excess inventory, materially affecting the Debtors' business, financial condition, and results of operations.

4. Difficulties with Vendors May Negatively Impact Future Operations.

Vendor Relationships and Merchandise Acquisition. The Debtors' ability to obtain merchandise on a timely basis at competitive prices could suffer due to any deterioration or change in vendor relationships or events adversely affecting vendors or their ability to secure financing. The Debtors generally transact business on an order-by-order basis without contractual assurances of continued supply, pricing, or access to new products. Any vendor could discontinue supplying desired products in sufficient quantities for various reasons. If the Debtors are unable to acquire suitable merchandise in sufficient quantities, at acceptable prices, and with adequate delivery times due to the loss or deterioration of key vendor relationships, it may adversely affect their business and results of operations.

Impact of External Factors on Vendor Relationships. The benefits the Debtors currently experience from vendor relationships could be adversely affected if vendors discontinue selling merchandise, enter into exclusivity arrangements with competitors, or sell similar merchandise to competitors at similar or better pricing. Additionally, changes in payment terms, such as requiring payment on delivery or upfront, could impact the Debtors' liquidity. The Debtors have historically established relationships with small- to mid-size vendors, which may be more vulnerable to adverse market and economic events, potentially impairing the ability to obtain merchandise in sufficient quantities.

The Reorganized Debtors' potential inability to acquire suitable products in the future or failure to replace any one or more vendors may have a material adverse effect on their business, results of operations, and financial condition. In addition, any significant change in the payment terms that the Reorganized Debtors have with their suppliers could adversely affect their liquidity.

5. Landlord Relationships and Future Lease Negotiations May Adversely Affect the Debtors' Business.

All of the Debtors' brick-and-mortar stores are located in leased premises. Accordingly, the Debtors' business may be adversely affected in the event that the Debtors' relationships with landlords deteriorates as a result of the Chapter 11 Cases or as a result of universal rising rents. If future lease negotiations lead to terms that are unduly costly or otherwise change significantly in a manner that increases the Reorganized Debtors' responsibilities under their leases, the Reorganized Debtors' liquidity may be adversely affected and the Reorganized Debtors' ability to maintain all of their stores may be limited.

6. The Loss of One or More of Reorganized Debtors' Key Personnel Could Disrupt Operations and Adversely Affect Financial Results.

The Debtors are, and the Reorganized Debtors will be, highly dependent upon the availability and performance of their executive officers and other core employees. Accordingly, the loss of services of any of the Debtors' executive officers or other core employees could materially and adversely affect the Reorganized Debtors' business, financial condition and operating results.

7. Regulatory and Other Consumer Data Protection Measures Could Adversely Affect the Debtors' Business.

Efficient and uninterrupted operation of the Debtors' order-taking and fulfillment operations are critical to the successful operation of their online business and marketing programs, as well as the Debtors' ability to provide a positive shopping experience at their brick-and-mortar stores. In furtherance of these operations and to improve the shopping experience, the Debtors collect, maintain, and use data provided to through online activities and customer interactions. The Debtors' ability to store and use this data is subject to certain contractual restrictions in third-party contracts as well as evolving international, federal, and state

privacy, data protection, and data security laws and enforcement trends. The Debtors are also subject to the Payment Card Industry Data Security Standards (“*PCI-DSS*”), as mandated by credit card brands used by their customers. Failure to meet the PCI-DSS requirements could result in the Debtors’ inability to accept credit cards as a method of payment, which may adversely affect the Debtors’ reputation and/or brand value and ability to sell products to consumers. While Debtors strive to be in constant compliance with applicable law, they are not able to predict all changes in these laws and enforcement practices. Maintaining such compliance could at any time become costly or time consuming for their management, which in turn could adversely affect business performance. Further, any inadvertent failure to comply with applicable law could result in proceedings by governmental entities or others, subsequent fines or defense costs, and reputational harm, all which may negatively impact the Debtors’ business operations.

8. Cybersecurity Attacks and Disruptions to Information Systems Could Adversely Affect the Debtors’ Business.

In the ordinary course of business, the Debtors have relied, and the Reorganized Debtors will continue to rely, upon information systems, some of which are managed by third parties, to process, transmit and store digital information, and to manage or support a variety of business processes and activities, including supply chain, manufacturing, distribution, invoicing, and collection of payments from customers. The secure operation of such systems and the processing and maintenance of this information is critical to business operations and strategy. Despite actions to mitigate or eliminate risk, the Reorganized Debtors’ information systems may be vulnerable to damage, disruptions or shutdowns due to the activity of hackers, employee error or malfeasance, or other disruptions, including power outages, telecommunication or utility failures, natural disasters, or other catastrophic events. The occurrence of any of these events could compromise the Reorganized Debtors’ information systems, and the information stored there (including customer information) could be accessed, publicly disclosed, lost, or stolen. Any such access, disclosure or other loss of information could result in legal claims or proceedings, liability or regulatory penalties under laws protecting the privacy of personal information, disruption of operations, and damage to the Reorganized Debtors’ reputation, all of which could adversely affect their business, financial condition and results of operations.

9. The Debtors’ Businesses May Face Risks Related to Indemnifications Under Certain Executory Contracts.

The Plan provides for the assumption of Indemnification Provisions, with which the Reorganized Debtors may be required to comply after the Effective Date, at cost to the Debtors’ business.

10. Certain Tax Consequences of Restructuring

The potential U.S. federal income tax consequences of the Restructuring to the Debtors and Holders of Claims and Interests (including the ownership and disposition of consideration to be received pursuant to the Restructuring) are complex and, in certain instances, subject to uncertainty. Such Holders should carefully review the materials in “Certain U.S. Income Tax Consequences of the Plan” and independently consult with their tax advisors regarding the Restructuring.

D. Additional Factors

1. The Debtors Could Withdraw the Plan.

Subject to, and without prejudice to, the rights of any party in interest, the Plan may be revoked or withdrawn by the Debtors before the Confirmation Date.

2. The Debtors Have No Duty to Update.

The statements contained in this Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. Additionally, the Debtors have no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

3. No Representations Outside This Disclosure Statement Are Authorized.

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

4. No Legal or Tax Advice Is Provided by This Disclosure Statement.

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each holder of a Claim or Interest should consult its own legal counsel and accountant as to legal, tax, and other matters concerning its Claim or Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

5. No Admission Made

Nothing contained herein or in the Plan will constitute an admission of, or will be deemed evidence of, the tax or other legal effects of the Plan on the Debtors or holders of Claims or Interests.

X.

SECURITIES LAW MATTERS

The Debtors believe that any offers of New Equity Interests that may be deemed to be made before the Petition Date, including in connection with the solicitation of votes on the Plan, will be exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2), Regulation D, and/or Regulation S promulgated thereunder. Section 4(a)(2) of the Securities Act provides that the issuance of securities by an issuer in transactions not involving a public offering are exempt from registration under Section 5 of the Securities Act. Regulation D and Regulation S are non-exclusive safe harbors from registration promulgated by the SEC under the Securities Act.

A. Issuance of 1145 Securities

The Plan provides for the offer, issuance, sale or distribution of shares of New Equity Interests to the Holders of Allowed DIP Claims and Prepetition Term Loan Claims. The Debtors believe that the offer, issuance, sale or distribution by Reorganized Parent of New Equity Interests, as distributions, among others, on the Allowed DIP Claims and Prepetition Term Loan Claims (the “**1145 Securities**”) will be exempt from registration under section 5 of the Securities Act and under any state or local laws requiring registration for offer or sale of a security pursuant to section 1145(a) of the Bankruptcy Code, except with respect to an entity that is an underwriter as defined in section 1145(b) of the Bankruptcy Code (see below).

Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a plan of reorganization from registration under section 5 of the Securities Act and state or local securities laws if three principal requirements are satisfied: (a) the securities must be offered and sold under a plan of reorganization and must be securities issued by the debtor, an affiliate participating in a joint plan with the debtor, or a successor to the debtor under the plan; (b) the securities must be in exchange for a claim against, an interest in, or a claim for an administrative expense in the case concerning, the debtor or such affiliate; and (c) the securities must be issued entirely in exchange for such a claim or interest, or “principally” in exchange for such claim or interest and “partly” for cash or property.

The issuance of the New Equity Interests under the Plan on account of Allowed DIP Claims and Prepetition Term Loan Claims satisfies the requirements of section 1145(a)(1) of the Bankruptcy Code.

The exemptions of section 1145(a)(1) do not apply to an entity that is deemed an “underwriter” as such term is defined in section 1145(b) of the Bankruptcy Code.

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as one who, except with respect to “ordinary trading transactions” of an entity that is not an “issuer”: (a) purchases a claim against, an interest in, or a claim for an administrative expense against the debtor with a view to distributing any security received in exchange for such claim or interest (“accumulators”); (b) offers to sell securities offered or sold under a plan for the holders of such securities (“distributors”); (c) offers to buy securities offered or sold under a plan from the holders of such securities, if the offer to buy is (i) with a view to distributing such securities and (ii) under an agreement made in connection with the plan, the consummation of the plan, or with the offer or sale of securities under the plan; and (d) is an “issuer” (as defined in section 2(a)(11) of the Securities Act) with respect to the securities.

The definition of an “issuer” for purposes of whether a person is an underwriter under section 1145(b)(1)(D) of the Bankruptcy Code includes Persons directly or indirectly controlling, controlled by or under direct or indirect common control with the issuer. “Control,” as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract or otherwise. Such Persons are referred to as “affiliates” of the issuer. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be an issuer for these purposes and therefore an underwriter. In addition, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who receives ten percent or more of a class of securities of a reorganized debtor may be presumed to be in a relationship of “control” with the reorganized debtor and, therefore, an underwriter, although the staff of the SEC has not taken a position on this view.

B. Subsequent Transfers of 1145 Securities

Section 1145(c) of the Bankruptcy Code provides that securities issued pursuant to section 1145(a) are deemed to have been issued in a public offering. In general, therefore, resales of and subsequent transactions in the 1145 Securities will be exempt from registration under the Securities Act pursuant to section 4(a)(1) of the Securities Act, unless the holder thereof is deemed to be an “issuer,” an “underwriter,” or a “dealer” with respect to such securities. A “dealer,” as defined in section 2(a)(12) of the Securities Act, is any person who engages either for all or part of his or her time, directly or indirectly, as agent, broker or principal, in the business of offering, buying, selling or otherwise dealing or trading in securities issued by another person.

Notwithstanding the provisions of section 1145(b) regarding accumulators and distributors referred to above, the staff of the SEC has taken the position that resales of securities distributed under a plan of reorganization by accumulators and distributors of securities who are not affiliates of the issuer of such

securities are exempt from registration under the Securities Act if effected in “ordinary trading transactions.” The staff of the SEC has indicated in this context that a transaction by such non-affiliates may be considered an “ordinary trading transaction” if it is made on a national securities exchange or in the over-the-counter market and does not involve any of the following factors:

- (a) (i) concerted action by the recipients of securities issued under a plan in connection with the sale of such securities or (ii) concerted action by distributors on behalf of one or more such recipients in connection with such sales;
- (b) the use of informational documents concerning the offering of the securities prepared or used to assist in the resale of such securities, other than a Bankruptcy Court-approved disclosure statement and supplements thereto, and documents filed with the SEC pursuant to the Exchange Act; or
- (c) the payment of special compensation to brokers and dealers in connection with the sale of such securities designed as a special incentive to the resale of such securities (other than the compensation that would be paid pursuant to arm’s-length negotiations between a seller and a broker or dealer, each acting unilaterally, not greater than the compensation that would be paid for a routine similar-sized sale of similar securities of a similar issuer).

The staff of the SEC has not provided any guidance for privately arranged trades. The views of the staff of the SEC on these matters have not been sought by the Debtors and, therefore, no assurance can be given regarding the proper application of the “ordinary trading transaction” exemption described above. Any persons intending to rely on such exemption is urged to consult their counsel as to the applicability thereof to their circumstances.

To the extent that Persons who receive 1145 Securities pursuant to the Plan are deemed to be underwriters (and who do not qualify for the treatment of “ordinary trading transactions” described above), resales by such Persons of 1145 Securities would not be exempted from registration under the Securities Act or other applicable laws by reason of section 1145 of the Bankruptcy Code and section 4(a)(1) of the Securities Act. However, Persons deemed to be underwriters may be permitted to resell such 1145 Securities without registration pursuant to the limited safe harbor resale provisions of Rule 144 promulgated under the Securities Act or another available exemption under the Securities Act.

Generally, Rule 144 of the Securities Act permits the public sale of securities if certain conditions are met, including a required holding period, certain current public information regarding the issuer being available, and compliance with applicable volume, manner of sale and notice requirements. If the issuer is not subject to the reporting requirements of section 13 or 15(d) of the Exchange Act, adequate current public information as specified under Rule 144 is available if certain company information is made publicly available, as specified in section (c)(2) of Rule 144. As promptly as reasonably practicable following the Effective Date, Reorganized Parent expects to terminate the registration of all Securities under sections 13 and 15(d) of the Exchange Act and continue as a private company, and therefore there can be no assurance that current public information as specified in Rule 144 will be available. The staff of the SEC has taken the position that Persons who are deemed to be underwriters solely because they are affiliates of a reorganized debtor are not subject to the holding period requirements of Rule 144. Accordingly, affiliates of Reorganized Parent that receive 1145 Securities under the Plan may resell those securities following the Effective Date in reliance on Rule 144, subject to certain current public information regarding the issuer being available, and compliance with the applicable volume, manner of sale and notice requirements.

Whether or not any particular Person would be deemed to be an “underwriter” with respect to the 1145 Securities or any other security to be issued pursuant to the Plan depends upon various facts and

circumstances applicable to that Person. Accordingly, the Debtors express no view as to whether any particular Person receiving 1145 Securities or any other securities under the Plan would be considered an “underwriter” under section 1145(b) of the Bankruptcy Code with respect to such securities, or whether such Person may freely resell such securities or the circumstances under which they may resell such securities.

The Reorganized Debtors do not intend to cause the New Equity Interests to be eligible for book-entry treatment under the facilities of the Depository Trust Company (“*DTC*”). Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, *DTC*) will be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Plan under applicable securities laws, including, for the avoidance of doubt, whether the New Equity Interests are exempt from registration and/or eligible for *DTC* book-entry delivery, settlement, and depository services.

XI.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following discussion is a summary of certain material U.S. federal income tax consequences of the implementation of the Plan to the Debtors and to certain holders of Claims. The following summary does not address the U.S. federal income tax consequences to holders of Claims who are unimpaired, deemed to accept or reject the Plan, or otherwise entitled to payment in full in Cash under the Plan. In addition, except in limited circumstances with respect to the Participation Right (as defined below), including the DIP Equity Premium, DIP Facilities, and the First-Out Exit Term Loans and the Second-Out Exit Term Loans, this discussion does not address any consideration that is received on account of a person’s capacity other than as a holder of such Claims, that is not described in Article III.B of the Plan. Accordingly, this discussion does not include the tax considerations relating to the receipt of the DIP Put Option Premium and the Commitment Premium.

The discussion of U.S. federal income tax consequences below is based on the Internal Revenue Code of 1986, as amended (the “*Tax Code*”), regulations promulgated by the United States Department of the Treasury under the Tax Code (the “*Treasury Regulations*”), judicial authorities, published positions of the Internal Revenue Service (“*IRS*”), and other applicable authorities, all as in effect on the date of this Disclosure Statement, and all of which are subject to change or differing interpretations (possibly with retroactive effect). The U.S. federal income tax consequences of the contemplated transactions are complex and subject to significant uncertainties. The Debtors have not requested an opinion of counsel or a ruling from the IRS or any other taxing authority with respect to any of the tax aspects of the contemplated transactions, and the discussion below is not binding upon the IRS or any court. Accordingly, there can be no assurance that the IRS would not assert, or that a court would not sustain, a contrary position as to the U.S. federal income tax consequences described herein.

This summary does not address non-U.S., state, local, gift, or estate tax consequences of the Plan, nor does it purport to address all aspects of U.S. federal income taxation that may be relevant to a holder in light of its individual circumstances, including the impact of the Medicare contribution tax on net investment income and any alternative minimum tax, or to a holder that may be subject to special tax rules (such as persons who are related to any Debtor within the meaning of one of various provisions of the Tax Code; broker-dealers; banks; mutual funds; insurance companies; financial institutions; small business investment companies; real estate investment trusts; regulated investment companies; tax-exempt organizations; trusts; governmental authorities or agencies; dealers and traders in securities; retirement plans; individual retirement and other tax-deferred accounts; holders that are, or hold Claims through, S corporations, partnerships or other pass-through entities for U.S. federal income tax purposes; persons whose functional currency is not the U.S. dollar; dealers in foreign currency; holders who hold Claims as part of a straddle, hedge, conversion transaction or other integrated investment; holders using a mark-to-market method of

accounting; holders of Claims who are themselves in bankruptcy; and holders who are accrual method taxpayers that report income on an “applicable financial statement”). In addition, this discussion does not address U.S. federal taxes other than income taxes.

Furthermore, this discussion assumes that the various debt and other arrangements to which the Debtors are a party will be respected for U.S. federal income tax purposes in accordance with their form and that, except where otherwise indicated, the Claims are held as “capital assets” (generally, property held for investment) within the meaning of section 1221 of the Tax Code.

The Debtors currently contemplate, and the following discussion also assumes, that the receipt by a Holder of New Equity Interests will be treated for U.S. federal income tax purposes as though the Holder received Equity Interests in Parent and then immediately exchanged such Equity Interests for the New Equity Interests.

THE FOLLOWING SUMMARY OF CERTAIN MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON A HOLDER’S INDIVIDUAL CIRCUMSTANCES. EACH HOLDER OF A CLAIM IS URGED TO CONSULT ITS TAX ADVISOR FOR THE U.S. FEDERAL, STATE, LOCAL, NON-U.S., AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

A. Consequences to Debtors

For U.S. federal income tax purposes, Parent is the common parent of an affiliated group of corporations that files a consolidated U.S. federal income tax return (the “**TCS Group**”). Parent owns all of the stock of Debtor TCS, the borrower on the Term Loans. Debtor TCS owns, directly and indirectly, U.S. and foreign subsidiaries. As of the tax year ending March 30, 2024, the Debtors have carryforwards of federal disallowed business interest expense of approximately \$17 million (“**Suspended Interest Carryforwards**”) and certain other tax attributes and expect to generate net operating losses (“**NOLs**”) and other tax attributes in the current tax year ending March 29, 2025 (collectively, the “**Tax Attributes**”). The amount of such Tax Attributes remains subject to further analysis of the Debtors and potentially audit and adjustment by the IRS.

1. Cancellation of Debt

In general, absent an exception, a debtor will realize and recognize cancellation of debt (“**COD**”) income upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied over (b) the sum of (i) the amount of cash paid, (ii) the “issue price” of any debt issued, and (iii) the fair market value of any other consideration (including equity of a debtor or a party related to such debtor) given in satisfaction, or as part of the discharge, of such indebtedness at the time of the exchange. However, COD income should not arise to the extent that payment of the indebtedness would have given rise to a deduction. The Plan provides that holders of Term Loan Claims will receive New Equity Interests in exchange for their Claims, so the amount of COD income for the TCS Group will depend, in part, on the fair market value of the New Equity Interests. In addition, as discussed below in “*Ownership and Disposition of Exit Term Loans—Issue Price*,” the issue price of the investment unit (consisting of the New Equity Interests (including those comprising the DIP Equity Premium), the First-Out Loans and the Second-Out Loans) to be issued in satisfaction of the Term Loan Claims is uncertain at this time. Accordingly, the estimated amount of COD income is uncertain at this time.

Under section 108 of the Tax Code, a taxpayer is not required to include COD in gross income (i) if the debtor is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding or (ii) to the extent that the taxpayer is insolvent immediately before the discharge. As a consequence of such an exclusion, a debtor generally must reduce its tax attributes by the amount of COD income that it excluded from gross income. In general, such tax attributes are reduced in the following order: (a) NOLs; (b) general business credit carryovers; (c) minimum tax credit carryovers; (d) capital loss carryovers; (e) tax basis in assets (but not below the amount of liabilities to which the taxpayer remains subject immediately after the cancellation of indebtedness); (f) passive activity loss and credit carryovers; and (g) foreign tax credit carryovers. Alternatively, a taxpayer with excluded COD may elect first to reduce the basis of its depreciable assets (a “**Section 108(b)(5) Election**”), in which case the limitation described in (e) does not apply to the reduction in basis of depreciable property and, following such reduction, any remaining COD income that is excluded from gross income reduces any remaining tax attributes in the order specified in the prior sentence. The reduction of the taxpayer’s tax attributes occurs at the end of the tax year for which the excluded COD income is realized, but only after the taxpayer’s net income or loss for the taxable year of the debt discharge has been determined; in this way, the attribute reduction is generally effective as of the start of the taxable year following the discharge. If the amount of excluded COD income exceeds available tax attributes, the excess generally is not subject to U.S. federal income tax. Where a taxpayer joins in the filing of a consolidated U.S. federal income tax return, applicable Treasury Regulations require, in certain circumstances, that certain tax attributes of other members of the group also be reduced.

In connection with the implementation of the Plan, the Debtors expect to realize a substantial amount of excluded COD income for U.S. federal income tax purposes. The Debtors have not yet determined whether to make a Section 108(b)(5) Election and expect that, if no Section 108(b)(5) Election is made, all or substantially all of their U.S. federal NOLs would be reduced as well as a portion of their asset tax basis (including basis in the stock of certain subsidiaries) as a result of the COD attribute reduction arising in connection with the Plan.

2. Limitation on NOLs and Other Tax Attributes

Following the Effective Date, any NOLs, carryforwards of disallowed business interest expense and certain other Tax Attributes, if any, allocable to tax periods or portions thereof ending on or prior to the Effective Date (collectively, “**Pre-Change Losses**”) or built-in losses may be subject to certain limitations under sections 382 and 383 of the Tax Code. Any such limitations apply in addition to, and not in lieu of, the attribute reduction that results from the exclusion of COD income arising in connection with the Plan.

If a corporation or consolidated group undergoes an “ownership change” as defined under section 382 of the Tax Code, the amount of its “pre-change losses” that may be utilized to offset future taxable income generally is subject to an annual limitation. In general, an “ownership change” occurs if the percentage of the value of the loss corporation’s stock owned by one or more direct or indirect “5-percent shareholders” increases by more than fifty percentage points over the lowest percentage of value owned by the 5-percent shareholders at any time during the applicable testing period. The testing period generally is the shorter of (a) the three-year period preceding the testing date and (b) the period of time since the most recent ownership change of the corporation. The Debtors anticipate that the distribution of the New Equity Interests pursuant to the Plan will result in an ownership change of the Reorganized Debtors for these purposes, and that the Reorganized Debtors’ use of their Pre-Change Losses will be subject to limitation unless an exception to the general rules of sections 382 and 383 of the Tax Code applies.

a. General Annual Limitation

In general, the amount of the annual limitation to which a corporation or consolidated group that undergoes an ownership change would be subject is equal to the product of (a) the fair market value of the stock of the corporation (or parent of the consolidated group) immediately before the ownership change (with certain adjustments) and (b) the “long-term tax-exempt rate” (which is the highest of the adjusted federal long-term rates in effect for any month in the three-calendar-month period ending with the calendar month in which the ownership change occurs, *e.g.*, 3.43% for ownership changes occurring in January 2025). For a corporation or consolidated group in bankruptcy that undergoes an ownership change pursuant to a confirmed bankruptcy plan, unless the special exception described below applies, the annual limitation is generally determined by reference to the fair market value of the stock of the corporation (or the parent of the consolidated group) immediately after (rather than before) the ownership change and after giving effect to the discharge of creditors’ claims, subject to certain adjustments; in no event, however, can the stock value for this purpose exceed the pre-change gross value of the assets of the corporation. Any portion of the annual limitation that is not used in a given year may be carried forward, thereby adding to the annual limitation for the subsequent taxable year.

Under certain circumstances, the annual limitation otherwise computed may be increased if the corporation or consolidated group has an overall built-in gain in its assets at the time of the ownership change. If a loss corporation (as defined in section 382(k)(1) of the Tax Code) or consolidated group has such “net unrealized built-in gain” at the time of an ownership change (taking into account most assets and items of “built-in” income, gain, loss, and deduction), any built-in gains recognized (or, according to a currently effective IRS notice, treated as recognized) during the following sixty-month period (up to the amount of the original net unrealized built-in gain) generally will increase the annual limitation in the year of such recognition, such that the loss corporation or consolidated group would be permitted to use its pre-change losses against such built-in gain income in addition to its otherwise applicable annual limitation. Alternatively, if a loss corporation or consolidated group has a “net unrealized built-in loss” at the time of an ownership change, then any built-in losses existing at such time that are recognized (including, but not limited to, amortization or depreciation deductions attributable to such built-in losses) during the sixty-month period following the ownership change (up to the amount of the original net unrealized built-in loss) will be treated as pre-change losses, the deductibility of which will be subject to the annual limitation. In general, the net unrealized built-in gain or loss will be deemed to be zero unless it is greater than the lesser of (a) \$10 million or (b) 15% of the fair market value of the corporation’s or consolidated group’s assets (with certain adjustments) before the ownership change. The Debtors currently expect that the TCS Group will have a net unrealized built-in loss as of the Effective Date.

If the corporation or consolidated group does not continue its historic business or use a significant portion of its historic assets in a new business for at least two years after the ownership change, the annual limitation resulting from the ownership change is reduced to zero, thereby precluding any utilization of the corporation’s pre-change losses (absent any increases due to recognized built-in gains). Currently, the Debtors anticipate that all or substantially all of their NOLs generated in the current tax year will be eliminated as a result of the COD attribute reduction arising in connection with the consummation of the Plan. In addition, Section 382 of the Tax Code is expected to materially restrict the subsequent utilization of other Tax Attributes after the Effective Date, including Suspended Interest Carryforwards and recognized built-in losses.

b. Special Bankruptcy Exception

Under section 382(l)(5) of the Tax Code, an exception to the foregoing annual limitation rules generally applies when, among other requirements, so-called “qualified creditors” and shareholders of a debtor corporation in chapter 11 receive, in respect of their claims or equity interests, respectively, at least fifty

percent of the vote and value of the stock of the reorganized debtor (or a controlling corporation if also in chapter 11) pursuant to a confirmed chapter 11 plan. Instead, the debtor's Pre-Change Losses are reduced by the amount of any interest deductions with respect to debt converted into stock in the bankruptcy reorganization that were allowed in the three full taxable years preceding the taxable year in which the ownership change occurs and in the part of the taxable year prior to and including the date of the ownership change attributable to the bankruptcy reorganization (the "***Plan Ownership Change***"). However, if any pre-change Tax Attributes and built-in losses of the debtor already are subject to an annual usage limitation under Section 382 of the Tax Code at the time of an ownership change subject to Section 382(l)(5) of the Tax Code, those pre-change Tax Attributes and built-in losses generally will continue to be subject to such limitation.

A qualified creditor is any creditor who has held the debt of the debtor for at least eighteen months prior to the petition date or who has held "ordinary course indebtedness" that has been owned at all times by such creditor. A creditor who does not become a direct or indirect five percent shareholder of the reorganized debtor generally may be treated by the debtor as having always held any debt owned immediately before the ownership change, unless the creditor's participation in formulating the plan of reorganization makes evident to the debtor that the creditor has not owned the debt for the requisite period.

A debtor may elect not to apply Section 382(l)(5) of the Tax Code to an ownership change that otherwise satisfies its requirements. This election must be made on the debtor's federal income tax return for the taxable year in which the ownership change occurs. If Section 382(l)(5) of the Tax Code applies to an ownership change (and the debtor does not elect out), any subsequent ownership change of the debtor within the two-year period following the date of the Plan Ownership Change will result in the debtor being unable to use any pre-change losses in any taxable year ending after such subsequent ownership change to offset future taxable income.

If an ownership change pursuant to a bankruptcy plan does not satisfy the requirements of Section 382(l)(5) of the Tax Code, or if a debtor elects not to apply Section 382(l)(5) of the Tax Code, the debtor would be subject to the rules discussed above under "*General Annual Limitation*." The Debtors have not determined whether they qualify for, or whether they will elect not to apply, the exception under section 382(l)(5) of the Tax Code in connection with the Plan.

B. Consequences to Holders of Claims

Except as otherwise discussed herein, the summary below generally assumes that holders of the applicable Claims will, each as a class, vote to accept the Plan. As used herein, the term "U.S. Holder" means a beneficial owner of Term Loan Claims, Exit Term Loans, New Equity Interests, or the Participation Right that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust, if a court within the United States is able to exercise primary jurisdiction over its administration and one or more United States persons have authority to control all of its substantial decisions, or if the trust has a valid election in effect under applicable

Treasury Regulations to be treated as a United States person.

A “Non-U.S. Holder” is a beneficial owner of Term Loan Claims, Exit Term Loans, New Equity Interests, or the Participation Right that is neither a U.S. Holder nor an entity classified as a partnership for U.S. federal income tax purposes.

If a partnership or other entity or arrangement classified as a partnership for U.S. federal income tax purposes holds such Term Loan Claims, Exit Term Loans, New Equity Interests, or the Participation Right, the tax treatment of a partner in such partnership generally will depend upon the status of the partner, the activities of the partnership and certain determinations made at the partner-level. Each U.S. Holder that is a partnership or a partner in a partnership holding any of such instruments should consult its tax advisor.

1. Integrated Transaction Treatment

In accordance with the Transaction Support Agreement and in connection with the implementation of the Plan, each holder of a Term Loan Claim was provided the right to provide its allocable share of funding for the First-Out DIP Term Loans, and then, among other things, receive the Second-Out DIP Term Loans and ultimately receive the Exit Term Loans and DIP Equity Premium (such right, the “**Participation Right**”). The DIP Term Loans will automatically convert, respectively, into the Exit Term Loans pursuant to the Plan. While not free from doubt, the Debtors currently intend to take the position, and the remainder of this summary assumes (unless otherwise indicated), that the automatic conversion of the First-Out DIP Term Loans to the First-Out Exit Term Loans, on the one hand, and the automatic conversion of the Second-Out DIP Term Loans to the Second-Out Exit Term Loans, on the other hand, do not result in a sale or exchange of property for U.S. federal income tax purposes. Accordingly, the First-Out DIP Term Loans and First-Out Exit Term Loans (collectively, the “**First-Out Loans**”), and the Second-Out DIP Loans and Second-Out Exit Term Loans (collectively, the “**Second-Out Loans**”), shall each be treated as a single instrument for U.S. federal income tax purposes. Any value attributable to the Second-Out Loans and New Equity Interests received upon the exercise of the Participation Right or, alternatively, the receipt of the Participation Right itself, may be considered for tax purposes as value received by such holders of Term Loan Claims as a partial recovery on such Claims under the Plan. While the Debtors have not yet determined whether any such treatment is appropriate, the remainder of this summary assumes (unless otherwise indicated) that the receipt and exercise of the Participation Right is treated for U.S. federal income tax purposes as part of an integrated transaction pursuant to which (A) investment units composed of (i) New Equity Interests (including those comprising the DIP Equity Premium), and (ii) DIP Term Loans/Exit Term Loans (as defined below) are acquired directly in exchange for (B) (i) satisfaction of holders’ Term Loan Claims and (ii) the amount of cash used to fund the First-Out DIP Term Loans that are converted into the First-Out Exit Term Loans pursuant to the Plan. Other characterizations are possible, including that the receipt and exercise of the Participation Right may be treated as the receipt and exercise of an option to acquire the New Equity Interests comprising the DIP Equity Premium. **The Debtors intend to make publicly available IRS Form 8937 that will provide the holders of Term Loan Claims with additional information with respect to the Debtors intended tax reporting as to the foregoing transactions. Each holder of Term Loan Claims is strongly urged to consult its own tax advisers regarding the treatment of the Participation Right and the related transactions.**

2. U.S. Holders of Term Loan Claims

a. Recognition of Gain or Loss

In accordance with the integrated transaction approach discussed above, a holder of Allowed Term Loan Claims will be deemed to receive (i) New Equity Interests or (ii) DIP Term Loans/Exit Term Loans and

New Equity Interests (including those comprising the DIP Equity Premium), in satisfaction of its Claims. Under applicable Treasury Regulations, the modification of the terms of a debt instrument (including pursuant to an exchange of a new debt instrument for the existing debt instrument) generally is a significant modification if, based on all of the facts and circumstances and taking into account all modifications of the debt instrument, the legal rights or obligations that are altered and the degree to which they are altered is “economically significant.” A modification that changes the timing of payments due under a debt instrument is a significant modification if it results in a material deferral of scheduled payments. However, a deferral of one or more scheduled payments is not a material deferral if it is within a safe-harbor period beginning on the original due date of the first scheduled payment that is deferred and extending for a period equal to the lesser of five years and fifty percent of the original term of the instrument. A change in the yield of a debt instrument is a significant modification if the yield of the modified instrument (as computed under the applicable Treasury Regulations) varies from the annual yield of the unmodified instrument (determined as of the date of the modification) by more than the greater of (i) 0.25% or (ii) 5% of the annual yield of the unmodified instrument.

The Debtors currently expect that the Restructuring Transaction Steps Memorandum (which will be filed with the Plan Supplement) will provide that Reorganized Parent will contribute the New Equity Interests (including those comprising the DIP Equity Premium) to Debtor TCS and, immediately thereafter, Debtor TCS will distribute the New Equity Interests pursuant to the Plan (or Debtor TCS may further contribute the New Equity Interests to a newly-formed wholly-owned limited liability company that will initially be disregarded for U.S. federal income tax purposes, and equity interests in such limited liability company would be distributed pursuant to the Plan). Based on applicable Treasury Regulations, the Debtors expect, and the remainder of this discussion assumes, that such a transaction should be viewed, for U.S. federal income tax purposes, as an exchange of (i) such Claims for (ii) the DIP Term Loans/Exit Term Loans and New Equity Interests (including those comprising the DIP Equity Premium).

Each U.S. Holder of Term Loan Claims should generally realize gain or loss in an amount equal to the difference, if any, between (i) the sum of the (A) issue price of the DIP Term Loans/Exit Term Loans and fair market values of the New Equity Interests, including those comprising the DIP Equity Premium (for those holders of Term Loan Claims that do exercise the Participation Right) or (B) fair market value of the New Equity Interests (for those holders of Term Loan Claims that do not exercise the Participation Right) and (ii) the sum of the U.S. Holder’s adjusted tax basis in the Claims and, for those Term Loan Claims holders that exercise the Participation Right, the amount of cash used to fund the First-Out Loans exchanged therefor. Whether a U.S. Holder of Allowed Term Loan Claims will recognize any such realized gain or loss will depend on whether the receipt of (A) the DIP Term Loans/Exit Term Loans and New Equity Interests, including those comprising the DIP Equity Premium, (in the case of a Holder that exercises the Participation Right) or (B) the New Equity Interests (in the case of a Holder that does not exercise the Participation Right) in exchange for such Claims constitutes a taxable exchange or a tax-deferred (or partially tax-deferred) exchange for such Holder, which will, in part, depend on whether the Claims surrendered in the exchange, and the DIP Term Loans/Exit Term Loans received therefor, constitute “securities” for U.S. federal income tax purposes.

The term “security” is not defined in the Tax Code or in the Treasury Regulations issued thereunder and has not been clearly defined by judicial decisions. The determination of whether a particular debt obligation constitutes a “security” depends on an overall evaluation of the nature of the debt, including whether the holder of such debt obligation is subject to a material level of entrepreneurial risk and whether a continuing proprietary interest is intended or not. One of the most significant factors considered in determining whether a particular debt obligation is a security is its original term. In general, debt obligations issued with a weighted average maturity at issuance of less than five (5) years do not constitute securities, whereas debt obligations with a weighted average maturity at issuance of ten (10) years or more constitute securities. Based on the foregoing, and although not free from doubt, the DIP Term Loans/Exit Term Loans are not

expected to constitute securities. Each holder of a Term Loan Claims is urged to consult its tax advisor regarding the appropriate status for U.S. federal income tax purposes of such Claims. The remainder of this discussion assumes that holders of Term Loans Claims will exchange such claims in a taxable exchange.

If the exchange of Allowed Term Loan Claims constitutes a taxable transaction to a U.S. Holder, such U.S. Holder should recognize all realized gain or loss, will have a tax basis in the DIP Term Loans/Exit Term Loans equal to the issue price (determined as described below) of such instruments for U.S. federal income tax purposes and will have a tax basis in the New Equity Interests equal to their fair market value, and the holding period in the DIP Term Loans/Exit Term Loans and New Equity Interests will commence on the day following the Effective Date.

For a discussion as to the possible recognition of accrued interest income and original issue discount (“OID”) in connection with an exchange of Allowed Term Loan Claims and related tax basis and holding period considerations, see “— *Distributions with Respect to Accrued but Unpaid Interest or OID*” below.

b. Treatment of the Participation Right

Because the Participation Right was made available to each holder of Term Loan Claims in accordance with the Transaction Support Agreement and in connection with the implementation of the Plan, the Debtors and the DIP Term Lenders have agreed, pursuant to the Transaction Support Agreement, to treat, for U.S. federal income tax purposes, any value attributable to the receipt of the New Equity Interests deemed received upon the exercise of the Participation Right, or the Participation Right itself, as a recovery on such Claims under the Plan.

c. Ownership and Disposition of Exit Term Loans

i. Issue Price

Where U.S. Holders receive debt instruments and also receive other property in an exchange (such as an exchange of an old debt instrument for a new debt instrument and stock), the “investment unit” rules may apply to the determination of the issue price for any such debt instrument. U.S. Holders of Term Loan Claims will be deemed to receive, in satisfaction of their Claims, either property (New Equity Interests) or debt instruments (the DIP Term Loans/Exit Term Loans) as well as other property (New Equity Interests, including those comprising the DIP Equity Premium) pursuant to the Plan. Accordingly, the investment unit rules are expected to apply to determine the issue price of the DIP Term Loans/Exit Term Loans. The issue price of such Loans will depend, in part, on the issue price of the investment unit and the respective fair market values of the elements of consideration that compose the investment unit. The issue price of an investment unit is generally determined in the same manner as the issue price of a debt instrument and depends, in part, on whether the Term Loan Claims are “publicly traded.”

For this purpose, instruments will generally be considered to be publicly traded if, at any time during the thirty-one (31)-day period ending fifteen (15) days after the relevant issue date, the applicable instruments are traded on an “established market.” Instruments are generally considered to trade on an established market if: (i) there is a price for an executed purchase or sale of the applicable instruments that is reasonably available within a reasonable period of time after the sale, (ii) there is at least one price quote for the applicable instruments from at least one reasonably identifiable broker, dealer or pricing service, which price quote is substantially the same as the price for which the person receiving the quoted price could purchase or sell the applicable instruments (a “firm quote”), or (iii) there is at least one (1) price quote for the applicable instruments, other than a firm quote, available from at least one (1) such broker, dealer, or pricing service. The Debtors expect, and the reminder of this summary assumes, that the investment units will not qualify as “publicly traded.”

If the investment unit is not treated as publicly traded, but the Term Loan Claims are treated as publicly traded, then the issue price of the investment unit will be determined based on the fair value of the Term Loan Claims and the amount of cash used to fund the First-Out Loans. While not entirely clear, if neither the investment units nor the Term Loan Claims are treated as publicly traded, the issue price of the DIP Term Loans/Exit Term Loans will generally be the principal amount of such Loans. Such issue price determined for the investment unit under the above rules is allocated among the elements of consideration comprising the investment unit (i.e., the DIP Term Loans/Exit Term Loans and New Equity Interests) based on their relative fair market values, with such allocation determining the issue price of the First-Out Loans and the Second-Out Loans. There is significant uncertainty as to the application of the investment unit rules and the determination of the issue price of the DIP Term Loans/Exit Term Loans, including, among other things, whether the First-Out Loans could be treated as issued for an amount of cash equal to their principal amount and whether Equity Interests, other than those comprising the DIP Equity Premium, issued to a holder of Term Loan Claims that exercises its Participation Right should also be accounted for in such determination.

The Debtors anticipate publicly disclosing issue price information with respect to the DIP Term Loans/Exit Term Loans on IRS Form 8937 following the Effective Date. An issuer's allocation of the issue price of an investment unit is binding on all Holders of the investment unit unless a U.S. Holder explicitly discloses a different allocation on a timely filed income tax return for the taxable year that includes the acquisition date of the investment unit.

ii. Contingent Payment Debt Instruments

With respect to the DIP Term Loans/Exit Term Loans, Debtor TCS will have the right for a period of time, the length of which will depend on whether an EBITDA-based threshold is met (with respect to the First-Out Loans) or the option (with respect to the Second-Out Loans) to pay some or all interest in-kind (the “**PIK Toggle**”). The PIK Toggle implicates the provisions of the Treasury Regulations applicable to such instruments (the “**CPDI Regulations**”).

If the DIP Term Loans/Exit Term Loans have an issue price that does not equal their principal amount, such Loans could be treated as contingent payment debt instruments (“**CPDIs**”) subject to the CPDI Regulations. If the DIP Term Loans/Exit Term Loans are treated as CPDIs, the application of the CPDI Regulations depends in part on whether such DIP Term Loans/Exit Term Loans are treated as received in exchange for (i) publicly traded property or (ii) non-publicly traded property (as discussed above in—“*Issue Price*”), such that for (i), the “noncontingent bond method” would apply, and for (ii), the DIP Term Loans/Exit Term Loans would be divided into two separate components, one consisting of contingent payments and the other consisting of noncontingent payments.

iii. Noncontingent Bond Method

If any DIP Term Loans/Exit Term Loan is treated as a CPDI and subject to the noncontingent bond method, a U.S. Holder must accrue an amount of ordinary interest income on the applicable DIP Term Loan/Exit Term Loan, as OID for U.S. federal income tax purposes, for each accrual period prior to and including the maturity date of the DIP Term Loan/Exit Term Loan, regardless of whether the U.S. Holder uses the cash or accrual method of tax accounting. Accordingly, U.S. Holders may be required to include interest in taxable income in each year in excess of any interest payments actually received in that year. The amount required to be accrued equals the sum of the daily portions of OID with respect to the applicable DIP Term Loans/Exit Term Loan for each day during the taxable year or portion of a taxable year on which the U.S. Holder holds the DIP Term Loan/Exit Term Loan, adjusted if necessary, as described below. In general, the daily portion of OID on an DIP Term Loan/Exit Term Loan would be (1) the product of (i) the “adjusted issue price” (as defined below) of the DIP Term Loan/Exit Term Loan as of the beginning of the accrual

period, and (ii) the comparable yield (as defined below) of the DIP Term Loans/Exit Term Loans, adjusted for the length of the accrual period, divided by (2) the number of days in the accrual period.

The “*adjusted issue price*” of an DIP Term Loan/Exit Term Loan is its issue price (as described above) increased by any interest income previously accrued in accordance with the CPDI Regulations, determined without regard to any adjustments to interest accruals described below, and decreased by the projected amount of any payments (in accordance with the projected payment schedule described below) previously made with respect to the DIP Term Loans/Exit Term Loans. The term “*comparable yield*” means the annual yield that Debtor TCS would pay, as of the issue date, on a fixed rate nonconvertible debt security with no contingent payments, but with terms and conditions otherwise comparable to those of the DIP Term Loans/Exit Term Loans. The manner in which Debtor TCS should determine the comparable yield is not entirely clear under the CPDI Regulations.

If the DIP Term Loans/Exit Term Loans are treated as CPDIs, the CPDI Regulations require that Debtor TCS provide to Holders of the DIP Term Loans/Exit Term Loans, solely for U.S. federal income tax purposes, a schedule of the projected amounts of payments (the “*projected payment schedule*”). These payments as scheduled must produce a total return on the DIP Term Loans/Exit Term Loans that is equal to the comparable yield. The projected payment schedule would include each noncontingent payment and an amount potentially for each contingent payment as determined under the CPDI Regulations. U.S. Holders generally must use the comparable yield and projected payment schedule in determining their interest accruals, and the adjustments thereto described below, in respect of the DIP Term Loans/Exit Term Loans.

If, during any taxable year, a U.S. Holder receives actual contingent payments with respect to the DIP Term Loans/Exit Term Loans that in aggregate exceed the total amount of projected contingent payments for that taxable year, then, under the CPDI Regulations, the U.S. Holder will have a “*net positive adjustment*” equal to the amount of such excess. The U.S. Holder will treat the net positive adjustment as additional interest income.

If a U.S. Holder receives in a taxable year actual contingent payment with respect to the DIP Term Loans/Exit Term Loans that in the aggregate are less than the amount of projected contingent payments for that taxable year, then, under the CPDI Regulations, the U.S. Holder will have a “*net negative adjustment*” equal to the amount of such deficit. This adjustment will (a) reduce the U.S. Holder’s interest income on the DIP Term Loans/Exit Term Loans for that taxable year, and (b) to the extent of any remaining amount after the application of clause (a), give rise to an ordinary loss to the extent of the U.S. Holder’s interest income on the DIP Term Loans/Exit Term Loans during prior taxable years, reduced to the extent that such interest income was offset by prior net negative adjustments. Any negative adjustment in excess of the amount described in clauses (a) and (b) will be carried forward, as a negative adjustment, to offset future interest income in respect of the DIP Term Loans/Exit Term Loans or to reduce the amount realized on a sale, exchange, retirement, redemption or other taxable disposition of the DIP Term Loans/Exit Term Loans.

A U.S. Holder will generally recognize gain or loss upon the sale, exchange, retirement, redemption or other taxable disposition of a DIP Term Loan/Exit Term Loan equal to the difference, if any, between the amount realized on such a taxable disposition (reduced by any negative adjustments carried forward) and the adjusted tax basis in the DIP Term Loan/Exit Term Loan. A U.S. Holder’s adjusted tax basis in a DIP Term Loan/Exit Term Loan will generally be increased by any interest previously included in gross income with respect to the DIP Term Loan/Exit Term Loan (determined without regard to any adjustment to interest accruals described above) and decreased by the amount of any noncontingent payment and the projected amount of any contingent payment previously made on the Loan to the U.S. Holder. Gain recognized upon a sale, exchange, retirement, redemption or other taxable disposition of a DIP Term Loan/Exit Term Loan generally will be treated as ordinary interest income, and any loss generally will be treated as ordinary loss

to the extent of interest on the DIP Term Loan/Exit Term Loan previously included in income (reduced by the total amount of any net negative adjustments previously taken into account as ordinary losses) and thereafter as capital loss (which will be long-term if the DIP Term Loan/Exit Term Loan has been held for more than one year). The deductibility of capital losses is subject to limitations.

Special rules will apply if there are no remaining contingent payments to be made on the DIP Term Loan/Exit Term Loans, if the amount of a contingent payment on an DIP Term Loan/Exit Term Loan becomes fixed more than six months prior to the due date of the payment, or if, at any time, all remaining contingencies with respect to payments on the DIP Term Loan/Exit Term Loans have a remote likelihood of occurring or not occurring or are incidental in amount.

iv. Division into Contingent and Noncontingent Components

If the applicable DIP Term Loan/Exit Term Loans are not treated as “publicly traded” and treated as issued in exchange for nonpublicly traded property, the CPDI Regulations may require that each DIP Term Loan/Exit Term Loan be separated into its contingent component (the “**Contingent Component**”) and its non-contingent component (the “**Noncontingent Component**”). The Noncontingent Component will be subject to the OID rules for noncontingent debt instruments described below, while payments on the Contingent Component will be accounted for when made, with a portion of each such payment treated as principal and the remainder treated as interest.

U.S. Holders of such DIP Term Loan/Exit Term Loans will initially have an adjusted basis in the Noncontingent Component equal to its issue price, and an adjusted basis in the Contingent Component equal to the fair market value of the Contingent Component. The issue price of the Noncontingent Component of a debt instrument is generally the lesser of (i) the noncontingent principal payments and (ii) the sum of the present values of the noncontingent payments contained in the Noncontingent Component due under the instrument.

The Noncontingent Component of the DIP Term Loan/Exit Term Loans should be treated as being issued with OID in an amount equal to the difference between (i) the sum of all payments under the Noncontingent Component of the DIP Term Loan/Exit Term Loans and (ii) the issue price of the Noncontingent Component of the DIP Term Loan/Exit Term Loans (as discussed above). U.S. Holders of the DIP Term Loan/Exit Term Loans must include OID in their gross income as ordinary income calculated on a constant-yield method before the receipt of cash attributable to the income regardless of their method of accounting. The amount of OID includible in income by a U.S. Holder is the sum of the daily portions of OID with respect to the Noncontingent Component of the DIP Term Loan/Exit Term Loan for each day during the taxable year or portion of the taxable year on which the U.S. Holder holds the DIP Term Loan/Exit Term Loan. The daily portion is determined by allocating to each day in any “accrual period” a pro rata portion of the OID allocable to that accrual period. The amount of OID allocable to an accrual period will generally equal the product of the Noncontingent Component of a DIP Term Loan/Exit Term Loan’s adjusted issue price at the beginning of the accrual period and the Noncontingent Component of a DIP Term Loan/Exit Term Loan’s yield to maturity. The “adjusted issue price” of the Noncontingent Component of the DIP Term Loans/Exit Term Loans at the beginning of any accrual period will generally be the issue price of the Noncontingent Component of a DIP Term Loan/Exit Term Loan increased by (x) the amount of accrued OID for each prior accrual period and decreased by (y) the amount of any payments previously made on the Noncontingent Component of a DIP Term Loan/Exit Term Loan (other than any interest paid in kind).

Under the CPDI Regulations, subject to special rules that apply in the case of interest payments that become fixed more than six months before the payment is due, a portion of the interest paid under the Contingent Component (the “**Contingent Interest**”) of a DIP Term Loan/Exit Term Loan generally will be treated as a payment of principal in an amount equal to the present value of the payment determined by discounting the

payment from the date it was made to the Effective Date at the applicable federal rate for the DIP Term Loan/Exit Term Loan that would apply to a debt instrument issued on the Effective Date and maturing on the date the contingent payment is made. The amount of the contingent payment in excess of the portion determined to be principal is treated as a payment of interest and is includible in gross income by the holder in the taxable year in which the payment is made.

A U.S. Holder will reduce its adjusted basis in the Contingent Component of a DIP Term Loan/Exit Term Loan by the amount of the Contingent Interest payment that is treated as principal. If the U.S. Holder's adjusted basis in the Contingent Component is reduced to zero, any additional principal payments on the Contingent Component are treated as gain from the sale or exchange of the DIP Term Loans/Exit Term Loans as described below. Any basis remaining on the date the final contingent payment is received increases a holder's basis in the Noncontingent Component (or, if there are no remaining payments on the Noncontingent Component, is treated as a loss from the sale or exchange of a debt instrument).

At the time the EBITDA threshold is satisfied such that the PIK Toggle is not available with respect to the Exit Term Loans, a U.S. Holder's right to contingent payment under the DIP Term Loans/Exit Term Loans should become fixed. The applicable CPDI regulations provide that once the contingent payment becomes fixed more than six months before the payment is due, the issuer and holder are treated as if the issuer had issued a separate debt instrument on the date such payment becomes fixed, which matures on the date the payment becomes due (an "*Interest Note*"). Each such Interest Note will have a principal amount equal to the amount that becomes fixed and an issue price equal to the present value of the portion of the contingent interest due on the specified interest payment date discounted at the applicable federal rate for such debt instrument. U.S. Holders would be treated as receiving an amount equal to the issue price of each Interest Note on the date such payment becomes fixed and maturing on the interest payment date. U.S. Holders will be treated as receiving an amount equal to the issue price of each Interest Note on the date such payment becomes fixed, which will be treated as interest or principal under the rules described above.

A U.S. Holder must allocate the amount realized from the sale, exchange or disposition of a DIP Term Loan/Exit Term Loan first, to the Noncontingent Component in an amount up to the adjusted issue price of the Noncontingent Component and the remaining amount received, if any, to the Contingent Component. A U.S. Holder will generally recognize gain or loss on the sale, exchange or other disposition of a Noncontingent Component equal to the difference between (i) the portion of the amount realized allocated to the Noncontingent Component and (ii) the U.S. Holder's adjusted tax basis in the Noncontingent Component, as applicable. Any such recognized gain or loss generally will be capital gain or loss. The deductibility of capital losses is subject to limitations. The amount allocated to a Contingent Component is treated as a contingent payment that is made on the date of the sale, exchange or other disposition and is characterized as interest and principal as described above.

THE CPDI REGULATIONS ARE COMPLEX, AND HOLDERS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS ABOUT THE POTENTIAL TAX CONSEQUENCES IF ANY DIP TERM LOANS/EXIT TERM LOANS ARE DETERMINED TO BE CPDIs.

d. Ownership and Disposition of New Equity Interests

As noted above, it is intended that the receipt by a Holder of New Equity Interests on the Effective Date pursuant to the Plan will be treated for U.S. federal income tax purposes as though the Holder received Equity Interests in Parent, and then immediately exchanged such Equity Interests for the New Equity Interests. Assuming that treatment is respected, the exchange by a U.S. Holder of Equity Interests in Parent for the New Equity Interests will generally be treated a tax-free exchange pursuant to section 721 of the Tax Code (in a transaction described in Situation 2 of IRS Revenue Ruling 99-5, 1999-1 C.B. 434) and should result in a U.S. Holder having a tax basis in, and holding period with respect to, the New Equity

Interests equal to the U.S. Holder's basis in, and holding period with respect to, the Equity Interests in Parent exchanged therefore.

Because the New Equity Interests will be Equity Interests of Reorganized Parent, an entity that, absent an affirmative election otherwise, will be treated for U.S. federal income tax purposes as a partnership, a U.S. Holder receiving New Equity Interests will be treated as a partner in that partnership. Accordingly, as a partnership, Reorganized Parent itself will not be subject to U.S. federal income tax. Instead, each U.S. Holder will be required to report on its U.S. federal income tax return its distributive share (whether or not distributed) of Reorganized Parent's income, gains, losses, deductions, and credits. Each U.S. Holder of New Equity Interests will be required to include in income its allocable share of Reorganized Parent's income, gains, losses and deductions for Reorganized Parent's taxable year ending with or within such U.S. Holder's taxable year even if Reorganized Parent does not make a concurrent distribution to such U.S. Holder. However, because it is expected that Reorganized Parent's sole asset will be its Equity Interests in Parent, an entity classified as a corporation for U.S. federal income tax purposes, absent an actual distribution from Parent that is treated as a "dividend" for purposes of the Tax Code or a sale (or other taxable disposition) by Reorganized Parent of any of its Equity Interests in Parent, any partner in Reorganized Parent should not generally have any current allocations of taxable income or loss.

In general, a U.S. Holder of New Equity Interests will not recognize taxable income as a consequence of receiving a distribution (whether in cash or in kind) from Reorganized Parent, except to the extent that any cash distributed exceeds such U.S. Holder's adjusted tax basis in its New Equity Interests. Any such excess will be treated as gain from the sale of such U.S. Holder's New Equity Interests and will be treated as capital gain. A U.S. Holder generally will not recognize a loss for U.S. federal income tax purposes as a consequence of receiving a distribution from Reorganized Parent, except that if a U.S. Holder receives a distribution solely of cash in complete liquidation of its interest in Reorganized Parent, the U.S. Holder will recognize a capital loss equal to the excess, if any, of its adjusted tax basis in its New Equity Interests over the amount of such cash. The deductibility of capital losses is subject to limitations.

Gain or loss recognized by a U.S. Holder on the disposition of all or any portion of its New Equity Interests will generally, subject to the application of certain recharacterization rules (i.e., related to a sale of "hot assets" like unrealized receivables or inventory of the partnership under section 751 of the Tax Code) be capital gain or loss. If a U.S. Holder transfers less than all of its New Equity Interests, the U.S. Holder will take into account the percentage of its adjusted tax basis in its New Equity Interests that is transferred, determined by comparing the relative fair market values of the portion of the New Equity Interests that is transferred and the portion of the New Equity Interests that is retained.

Reorganized Parent intends to furnish to each Holder of New Equity Interests, after the close of each calendar year, specific tax information, including a Schedule K-1, which describes such Holder's allocable share of Reorganized Parent's income, gain, loss and deductions for Reorganized Parent's preceding taxable year. In preparing this information, Reorganized Parent will take various accounting and reporting positions to determine each Holder's allocable share of such income, gain, loss and deductions. However, Reorganized Parent cannot provide assurances that those positions will yield a result that conforms to the requirements of the Tax Code, applicable Treasury Regulations or administrative interpretations of the IRS. Furthermore, Reorganized Parent cannot provide assurances that the IRS will not successfully contend in court that those positions are impermissible.

Pursuant to the Bipartisan Budget Act of 2015, for U.S. federal income tax purposes, any audit adjustment to Reorganized Parent's tax items (or any partner's distributive share of such item) may result in the imposition of tax (including any applicable penalties and interest) at the Reorganized Parent level. Generally, Reorganized Parent will have the ability to elect to have the partners take such audit adjustment into account in accordance with their interests in Reorganized Parent during the taxable year under audit, but there can be no assurance that Reorganized Parent will choose to make such election or that such election will be effective in all circumstances. If Reorganized Parent is unable to have the partners take

into account such audit adjustment in accordance with their interests in Reorganized Parent during the taxable year under audit, or Reorganized Parent chooses not to do so, the partners in the year of such audit adjustment may bear some or all of the tax liability resulting from such audit adjustment, without regard to each such partner's ownership interest in Reorganized Parent (if any) during the taxable year under audit. In addition, Reorganized Parent may be able to reduce the amount owed by Reorganized Parent in certain cases based on the status of the partners or if certain partners file amended returns to take into account such adjustments, but there is no assurance Reorganized Parent will be able to obtain any such reduction. If, as a result of any such audit adjustment, Reorganized Parent is required to make payments of taxes, penalties, and/or interest, it is expected that Reorganized Parent's operating agreement will provide that each partner's share of such amounts shall be treated as an advance against amounts otherwise distributable to such partner or as a loan to such partner. Future Treasury Regulations, other administrative guidance or judicial decisions may affect the application of these rules to Reorganized Parent and the Holders of New Equity Interests and, as a result, the application of these rules to Reorganized Parent and the Holders of New Equity Interests is uncertain.

U.S. Holders generally will recognize gain or loss upon the sale or taxable disposition of the New Equity Interests in an amount equal to the difference, if any, between (i) the U.S. Holder's adjusted tax basis in the New Equity Interests exchanged and (ii) the sum of the cash and the fair market value of any property received in such disposition. Any such gain or loss generally should be long-term capital gain or loss if the U.S. Holder's holding period for its New Equity Interests exceeds one year at the time of the sale or exchange (a U.S. Holder may have a split holding period in the New Equity Interests if it contributes property to Reorganized Parent or otherwise acquires New Equity Interests on multiples dates), subject to the application of certain recharacterization rules discussed above. A reduced tax rate on long-term capital gain may apply to non-corporate U.S. Holders. The deductibility of capital loss is subject to limitations.

In general, any gain recognized by a U.S. Holder upon a disposition of the New Equity Interests received in exchange for a Term Loan Claim will be treated as ordinary income for U.S. federal income tax purposes to the extent of (i) any ordinary loss deductions previously claimed as a result of the write-down of the Claim, decreased by any income (other than interest income) recognized by the U.S. Holder upon exchange of the Claim, and (ii) with respect to a cash-basis holder and in addition to clause (i) above, any amounts which would have been included in its gross income if the U.S. Holder's Claim had been satisfied in full but which was not included by reason of the cash method of accounting.

e. Character of Gain or Loss

Where gain or loss is recognized by a U.S. Holder in an exchange of Allowed Claims pursuant to the Plan, the character of such gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of such U.S. Holder, whether the Claims constitute capital assets in the hands of such U.S. Holder and how long they have been held, whether the Claims were acquired at a market discount, and whether and to what extent the holder previously claimed a worthlessness deduction with respect to the Claims. In general, any gain or loss generally should be long-term capital gain or loss if the U.S. Holder held the Claims as capital assets and such U.S. Holder's holding period in the Claims is more than one year at the time of the relevant exchange. A reduced tax rate on long-term capital gain may apply to non-corporate U.S. Holders. The deductibility of capital losses is subject to limitations.

A U.S. Holder that purchased its Claims from a prior holder at a "market discount" (relative to the principal amount of the Claims at the time of acquisition) may be subject to the market discount rules of the Tax Code. In general, a debt instrument is considered to have been acquired with market discount if the holder's adjusted tax basis in the debt instrument is less than (i) its "stated redemption price at maturity" (which generally would be equal to the stated principal amount if all stated interest was required to be paid in cash

or property at least annually) or (ii) in the case of a debt instrument issued with OID, its adjusted issue price, in each case, by more than a de minimis amount. Under these rules, any gain recognized on the exchange of Claims (which, as discussed below, does not include amounts received in respect of accrued but unpaid interest or OID, if any) generally will be treated as ordinary income to the extent of the market discount accrued (on a straight line basis or, at the election of the U.S. Holder, on a constant yield basis) during the U.S. Holder's period of ownership, unless such U.S. Holder elected to include the market discount in income as it accrued. If a U.S. Holder of Claims did not elect to include market discount in income as it accrued and, thus, under the market discount rules, was required to defer all or a portion of any deductions for interest on debt incurred or maintained to purchase or carry its Claims, such deferred amounts would become deductible at the time of the exchange. To the extent that Claims acquired with a market discount are exchanged in a tax-deferred transaction for other property, any market discount that accrued on such Claims but was not recognized by the U.S. Holder generally is carried over to the property received therefor, and any gain recognized on the subsequent sale or other disposition of the property generally is treated as ordinary income to the extent of the accrued, but not recognized, market discount with respect to such Claims. U.S. Holders who acquired their Claims other than at original issuance should consult their tax advisors regarding the possible application of the market discount rules.

f. Distributions with Respect to Accrued but Unpaid Interest or OID

In general, to the extent that any consideration received pursuant to the Plan by a U.S. Holder of Allowed Claims is received in satisfaction of interest accrued or OID accrued, in each case during such U.S. Holder's holding period, such amount will be taxable to the U.S. Holder as ordinary interest income (if not previously included in the U.S. Holder's gross income under such U.S. Holder's normal method of accounting). Conversely, a U.S. Holder may be entitled to recognize a loss to the extent any accrued interest or amortized OID was previously included in its gross income and is not paid in full. It is unclear whether a U.S. Holder would be required to recognize a capital loss, rather than an ordinary loss, with respect to previously included OID that is not paid in full. In addition, a U.S. Holder's tax basis in the consideration received by a U.S. Holder pursuant to the Plan in satisfaction of interest accrued or OID accrued generally will be equal to the fair market value of such consideration, and such U.S. Holder's holding period in such consideration should commence on the day following the Effective Date.

Article VI.E of the Plan provides that distributions to U.S. Holders with respect to any Allowed Claim will, except as otherwise required by applicable law (as reasonably determined by the Reorganized Debtors), be allocated first to the principal amount of such Allowed Claims, with any excess allocated to the remaining portion of such Allowed Claim. There is no assurance that the IRS will respect such allocation for U.S. federal income tax purposes.

Holders of Claims should consult their tax advisors regarding the proper allocation of the consideration received by them under the Plan, as well as the deductibility of accrued but unpaid interest (including OID) and the character of any loss claimed with respect to accrued but unpaid interest (including OID) previously included in income for U.S. federal income tax purposes.

3. Non-U.S. Holders of Term Loan Claims

The following discussion includes only certain U.S. federal income tax consequences of the Plan to Non-U.S. Holders. The discussion does not include any non-U.S. tax considerations. The rules governing the U.S. federal income tax consequences to Non-U.S. Holders are complex. Non-U.S. Holders are urged to consult their tax advisors regarding the U.S. federal, state, and local and non-U.S. tax consequences of the consummation of the Plan to such Non-U.S. Holders and the ownership and disposition of any consideration received pursuant to or in connection with the Plan.

a. Recognition of Gain or Loss

Whether a Non-U.S. Holder of Term Loan Claims recognizes gain or loss on the exchange of Claims pursuant to the Plan or upon a subsequent disposition of the consideration received under the Plan, the amount of such gain or loss, as well as the characterization of the receipt and exercise of the Participation Right, is determined in the same manner as set forth above in connection with U.S. Holders of the applicable Claims. See “U.S. Holders of Term Loan Claims—Recognition of Gain or Loss” and “U.S. Holders of Term Loan Claims —Treatment of the Participation Right” above. Any gain recognized (which, as discussed above, does not include amounts received in respect of accrued but unpaid interest or OID, if any) by a Non-U.S. Holder on the exchange of its Claim generally will not be subject to U.S. federal income taxation unless (i) the Non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the gain is realized and certain other conditions are met, (ii) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the United States (and, if required by an income tax treaty, such gain is attributable to a permanent establishment or a fixed base maintained by such Non-U.S. Holder in the United States), or (iii) solely with respect to the sale, exchange or other disposition of the New Equity Interests, such New Equity Interests constitutes a U.S. real property interest (“**USRPI**”) by reason of Parent’s status as a “United States real property holding corporation” (“**USRPHC**”) for U.S. federal income tax purposes at any time within the shorter of the five-year period preceding such disposition or the period in which the Non-U.S. Holder held the New Equity Interests.

If the exception in clause (i) above applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or such lower rate under an applicable income tax treaty) on the amount by which such Non-U.S. Holder’s capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year. If the exception in clause (ii) above applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax in the same manner as a U.S. Holder with respect to such gain. In addition, if such a Non-U.S. Holder is a corporation for U.S. federal income tax purposes, it may be subject to a branch profits tax equal to 30% (or such lower rate provided by an applicable income tax treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

If the exception in clause (iii) above applied and certain other requirements were met, a Non-U.S. Holder generally would be subject to U.S. federal income tax on any gain recognized on the sale or disposition of New Equity Interests. In general, a partnership interest is not treated as a USRPI for purposes of section 1445 of the Tax Code unless 50% or more of the value of the partnership’s gross assets consists of USRPIs, and 90% or more of the value of its gross assets consists of USRPIs, cash, and cash equivalents (“**50/90 Partnership**”). An interest in a 50/90 Partnership is treated as a USRPI in its entirety. An interest in a USRPHC is a USRPI for purposes of section 1445 of the Tax Code. The Debtors do not believe that New Equity Interests will initially be USRPIs. Because the determination of whether the New Equity Interests will be USRPIs depends on whether or not Parent is a USRPHC and such status depends on the fair market value of Parent’s USRPIs relative to the fair market value of Parent’s non-U.S. real property interests and its other business assets, there can be no assurance Parent will not become a USRPHC in the future.

b. Ownership and Disposition of Exit Term Loans

Generally, payments to a Non-U.S. Holder that are attributable to interest on applicable DIP Term Loans/Exit Term Loans (including, for purposes of this discussion of Non-U.S. Holders, any OID) that is not effectively connected with the Non-U.S. Holder’s conduct of a trade or business within the United States for U.S. federal income tax purposes generally will not be subject to U.S. federal income or withholding tax, provided that:

- the Non-U.S. Holder does not actually or constructively own 10% or more of the total capital or profits interest of Reorganized Parent;
- the Non-U.S. Holder is not a “controlled foreign corporation” that is a “related person” (each, within the meaning of the Tax Code) with respect to Reorganized Parent; and
- either (1) the Non-U.S. Holder certifies in a statement provided to the applicable withholding agent under penalties of perjury that it is not a United States person and provides its name and address; (2) a securities clearing organization, bank or other financial institution that holds customers’ securities in the ordinary course of its trade or business and holds the applicable DIP Term Loans/Exit Term Loans on behalf of the Non-U.S. Holder certifies to the applicable withholding agent under penalties of perjury that it, or the financial institution between it and the Non-U.S. Holder, has received from the Non-U.S. Holder a statement under penalties of perjury that such holder is not a United States person and provides a copy of such statement to the applicable withholding agent; or (3) the Non-U.S. Holder holds the applicable DIP Term Loans/Exit Term Loans directly through a “qualified intermediary” (within the meaning of applicable Treasury Regulations) and certain conditions are satisfied.

A Non-U.S. Holder that does not qualify for the above exemption with respect to interest that is not effectively connected income generally will be subject to withholding of U.S. federal income tax on such interest at a 30% rate, unless such Non-U.S. Holder is entitled to a reduction in or exemption from withholding on such interest as a result of an applicable income tax treaty. To claim such entitlement, the Non-U.S. Holder generally must provide the applicable withholding agent with a properly executed IRS Form W-8BEN or W-8BEN-E (or other applicable documentation) claiming a reduction in or exemption from withholding tax on such payments of interest under the benefit of an income tax treaty between the United States and the country in which the Non-U.S. Holder resides or is established. For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers’ securities in the ordinary course of their trade or business.

If interest paid to a Non-U.S. Holder is effectively connected with the conduct by such Non-U.S. Holder of a trade or business within the United States for U.S. federal income tax purposes (and if required by an applicable income tax treaty, such interest is attributable to a permanent establishment or fixed base maintained by such Non-U.S. Holder in the United States), the Non-U.S. Holder generally will not be subject to U.S. federal withholding tax but will be subject to U.S. federal income tax with respect to such interest in the same manner as a U.S. Holder under rules similar to those discussed above with respect to gain that is effectively connected with the conduct of a trade or business in the United States. See “—*Non-U.S. Holders of Term Loan Claims—Recognition of Gain or Loss*” above. To claim the exemption, the Non-U.S. Holder must furnish to the applicable withholding agent a valid IRS Form W-8ECI, certifying that interest paid on the applicable DIP Term Loans/Exit Term Loans is not subject to withholding tax because it is effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States.

c. Ownership and Disposition of New Equity Interests

If a non-U.S. person holds an interest in a partnership that is (directly or indirectly through one or more entities that are treated as partnerships or are disregarded for U.S. federal income tax purposes) engaged in a trade or business within the United States, such non-U.S. person is considered to be engaged in a trade or business within the United States. Because Reorganized Parent’s only asset will be its Equity Interests in

Parent and Reorganized Parent will not otherwise be engaged in any other activities, it is not expected that Reorganized Parent will be treated as being engaged in a trade or business within the United States.

As a result, the U.S. federal income tax liability of a Non-U.S. Holder of New Equity Interests generally will be limited to withholding tax on certain gross income from U.S. sources generated by Reorganized Parent, as long as the Non-U.S. Holder undertakes no activities in the United States (determined without regard to its interest in Reorganized Parent) that would cause that Non-U.S. Holder to be treated as engaged in the conduct of a trade or business within the United States for U.S. federal income tax purposes. Further, if Reorganized Parent withholds and remits the proper amounts to the U.S. government, Non-U.S. Holders generally will not be required to file U.S. federal income tax returns or pay additional U.S. federal income taxes solely as a result of their interests in Reorganized Parent.

Gain recognized upon a disposition by a non-U.S. person of an interest in a partnership generally will be treated as “effectively connected income” (“*ECI*”) to the extent such gain is attributable to assets of the partnership that generate ECI. Because the only asset of Reorganized Parent will be the Equity Interests in Parent, it is not anticipated that gain on the disposition by a Non-U.S. Holder of New Equity Interests would be ECI.

Dividend income attributable to distributions from Parent to Reorganized Parent that are allocable to a Non-U.S. Holder of New Equity Interests will generally be subject to withholding of U.S. federal income tax at a 30% rate or such lower rate as may be specified by an applicable income tax treaty. A Non-U.S. Holder of New Equity Interests who wishes to claim the benefit of an applicable income tax treaty and avoid backup withholding, as discussed below, for dividends, will be required (a) to complete the applicable IRS Form W-8BEN or Form W-8BEN-E (or other applicable documentation) and certify under penalty of perjury that such holder is not a “United States person” (as defined in section 7701(a)(30) of the Tax Code) and is eligible for treaty benefits or (b) if such equity is held through certain intermediaries, to satisfy the relevant certification requirements of applicable Treasury Regulations. A Non-U.S. Holder resident in a jurisdiction with which the United States has a tax treaty may not be entitled to the benefits of that treaty with respect to that Non-U.S. Holder’s distributive share of Reorganized Parent’s income and gains unless, under the law of that non-U.S. jurisdiction, Reorganized Parent is treated as tax-transparent and certain other conditions are met. In addition, in order to claim the benefits of a tax treaty to reduce U.S. federal income tax withholding on U.S.-source income (other than interest and dividends paid on securities that are actively traded), a Non-U.S. Holder – and any direct or indirect equity owner of a Non-U.S. Holder seeking treaty benefits for itself because the Non-U.S. Holder is considered fiscally transparent in that equity owner’s jurisdiction – generally will be required to provide to Reorganized Parent either a non-U.S. tax identifying number issued by its country of residence or a U.S. taxpayer identification number that it has obtained from the IRS, along with certain other documentation. A Non-U.S. Holder of New Equity Interests eligible for a reduced rate of U.S. withholding tax pursuant to an income tax treaty may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund with the IRS.

For a discussion of the rules applicable to the recognition of gain or loss in connection with sales, exchanges or other dispositions of New Equity Interests by Non-U.S. Holders, see “—*Non-U.S. Holders of Term Loan Claims—Recognition of Gain or Loss*” above.

4. Information Reporting and Backup Withholding

All distributions to holders of Allowed Claims under the Plan are subject to any applicable tax withholding and information reporting requirements. Under U.S. federal income tax law, interest, dividends and other reportable payments may, under certain circumstances, be subject to “backup withholding” (currently at a rate of 24%) if a recipient of those payments fails to furnish to the payor certain identifying information, fails properly to report interest or dividends, and, under certain circumstances, fails to provide a certification

that the recipient is not subject to backup withholding. Backup withholding is not an additional tax. Any amounts deducted and withheld generally should be allowed as a credit against that recipient's U.S. federal income tax, provided that appropriate proof is timely provided under rules established by the IRS. Furthermore, certain penalties may be imposed by the IRS on a recipient of payments who is required to supply information but who does not do so in the proper manner. Backup withholding generally should not apply with respect to payments made to certain exempt recipients, such as certain corporations and financial institutions. Information may also be required to be provided to the IRS concerning payments, unless an exemption applies. Holders of Claims are urged to consult their tax advisors regarding their qualification for exemption from backup withholding and information reporting and the procedures for obtaining such an exemption.

Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of certain thresholds. Holders of Claims are urged to consult their tax advisors regarding these regulations and whether the contemplated transactions under the Plan would be subject to these regulations and require disclosure on their tax returns.

5. Additional Withholding Tax on Payments Made to Foreign Accounts

Withholding taxes may be imposed under sections 1471 to 1474 of the Tax Code (such sections, commonly referred to as the Foreign Account Tax Compliance Act ("*FATCA*")) on certain types of payments made to non-U.S. financial institutions and certain other non-U.S. entities. Specifically, a 30% withholding tax may be imposed on dividends or interest or (subject to the proposed Treasury Regulations discussed below) gross proceeds from the sale or other disposition of stock or debt instruments, in each case paid to a "foreign financial institution" or a "non-financial foreign entity" (each as defined in the Tax Code), unless (a) the foreign financial institution undertakes certain diligence and reporting obligations, (b) the non-financial foreign entity either certifies it does not have any "substantial United States owners" (as defined in the Tax Code) or furnishes identifying information regarding each substantial United States owner, or (c) the foreign financial institution or non-financial foreign entity otherwise qualifies for an exemption from these rules. If the payee is a foreign financial institution and is subject to the diligence and reporting requirements in clause (a) above, it must enter into an agreement with the United States Department of the Treasury requiring, among other things, that it undertake to identify accounts held by certain "specified United States persons" or "United States owned foreign entities" (each as defined in the Tax Code), annually report certain information about such accounts, and withhold 30% on certain payments to non-compliant foreign financial institutions and certain other account holders. Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules.

Under the applicable Treasury Regulations and administrative guidance, withholding under FATCA generally applies to payments of dividends on New Equity Interests or interest on DIP Term Loans/Exit Term Loans. While withholding under FATCA would have applied also to payments of gross proceeds from the sale or other disposition of such instruments on or after January 1, 2019, proposed Treasury Regulations eliminate FATCA withholding on payments of gross proceeds entirely. Taxpayers generally may rely on these proposed Treasury Regulations until final Treasury Regulations are issued. Holders should consult their tax advisors regarding the potential application of withholding under FATCA.

THE FOREGOING SUMMARY HAS BEEN PROVIDED FOR INFORMATIONAL PURPOSES ONLY AND DOES NOT DISCUSS ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR HOLDER OF A CLAIM. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR TAX ADVISORS CONCERNING THE FEDERAL,

STATE, LOCAL, NON-U.S., AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

1. Presumed Acceptance of this Plan

Claims in Classes 1, 2 and 4 are Unimpaired under this Plan and their Holders are conclusively presumed to have accepted this Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, Holders of Claims in Classes 1, 2 and 4 are not entitled to vote on this Plan and the votes of such Holders shall not be solicited. Notwithstanding their non-voting status, Holders of such Claims shall receive a Release Opt-Out Form solely for purposes of affirmatively opting out of the Third-Party Release.

2. Voting Classes

Claims in Class 3 are Impaired under this Plan and the Holders of Allowed Claims in such Class are entitled to vote to accept or reject this Plan, including by acting through a voting Representative. For purposes of determining acceptance and rejection of this Plan, votes shall be tabulated on a Debtor-by-Debtor basis.

Pursuant to section 1126(c) of the Bankruptcy Code, an Impaired Class of Claims shall have accepted this Plan if (a) the Holders, including Holders acting through a voting Representative, of at least two-thirds (2/3) in amount of Claims actually voting in such Class have voted to accept this Plan and (b) the Holders, including Holders acting through a voting Representative, of more than one-half (1/2) in number of Claims actually voting in such Class have voted to accept this Plan. Holders of Claims in Class 3 (or, if applicable, the voting Representatives of such Holders) shall receive ballots containing detailed voting instructions. For the avoidance of doubt, each Claim in any Class entitled to vote to accept or reject this Plan that is not Allowed pursuant to this Plan, and in each case, is wholly contingent, unliquidated, or Disputed, in each case, shall be accorded one (1) vote and valued at one dollar (\$1.00) for voting purposes only, and not for purposes of allowance or distribution.

Therefore, Holders of Claims and Interests in Classes 6 and 7 are not entitled to vote on this Plan and votes of such Holders shall not be solicited.

D. *Confirmation Pursuant to Section 1129(a)(10) and 1129(b) of the Bankruptcy Code*

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of this Plan by an Impaired Class of Claims entitled to vote (*i.e.*, Class 3). The Debtors shall seek Confirmation pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify this Plan in accordance with Article XI to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

E. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Interests, and the respective distributions and treatments under this Plan, shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 509 or 510 of the Bankruptcy Code, or otherwise; *provided*, that, notwithstanding the foregoing, such Allowed Claims or Interests and their respective treatments set forth herein shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. Pursuant to section 510 of the Bankruptcy Code, except where otherwise provided herein, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination rights relating thereto. The Debtors or Reorganized Debtors, as applicable, reserve the right to seek a ruling from the Bankruptcy Court determining whether any Claim should be subordinated pursuant to section 510(b) of the Bankruptcy Code and treated under the Plan as a Class 5 Subordinated Claim.

F. *Special Provision Governing Unimpaired Claims*

Except as otherwise provided herein, nothing under this Plan shall affect or limit the Debtors' or the Reorganized Debtors' rights and defenses (whether legal or equitable) in respect of any Unimpaired Claims, including, without limitation, all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

G. *Vacant and Abstaining Classes*

Any Class of Claims or Interests that is not occupied as of the commencement of the Combined Hearing by an Allowed Claim or Allowed Interest or a Claim or Interest temporarily Allowed under Bankruptcy Rule 3018 shall be deemed eliminated from this Plan for purposes of voting to accept or reject this Plan and for purposes of determining acceptance or rejection of this Plan by such Class pursuant to

section 1129(a)(8) of the Bankruptcy Code. Moreover, any Class of Claims that is occupied as of the commencement of the Combined Hearing by an Allowed Claim or a Claim temporarily Allowed under Bankruptcy Rule 3018, but as to which no vote is cast, shall be deemed to accept this Plan pursuant to section 1129(a)(8) of the Bankruptcy Code.

H. *Controversy Concerning Impairment*

If a controversy arises as to whether any Claim or Interest (or any Class of Claims or Interests) are Impaired under this Plan, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the Confirmation Date, absent consensual resolution of such controversy consistent with the Transaction Support Agreement among the Debtors and the complaining Entity or Entities.

I. *Intercompany Interests and Intercompany Claims*

To the extent Intercompany Interests and Intercompany Claims are Reinstated under this Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Interests on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliates') corporate structure, for the ultimate benefit of the Holders of New Equity Interests, to preserve ordinary course intercompany operations, and in exchange for the Debtors' and Reorganized Debtors' agreement under this Plan to make certain distributions to the Holders of Allowed Claims.

J. *Disputed Claims Process*

Notwithstanding section 502(a) of the Bankruptcy Code, and in light of the Unimpaired status of all Allowed General Unsecured Claims under this Plan, Holders of Claims (other than Holders of Rejection Damages Claims) need not File Proofs of Claim. The Reorganized Debtors and the Holders of Claims shall determine, adjudicate, and resolve any disputes over the validity and amounts of such Claims in the ordinary course of business as if the Chapter 11 Cases had not been commenced except that (unless expressly waived pursuant to this Plan) the Allowed amount of such Claims shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. All Proofs of Claim Filed in these Chapter 11 Cases (other than Rejection Damages Claims) shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim Filed against the Debtors (other than Rejection Damages Claims), regardless of the time of filing, and including Proofs of Claim Filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in this Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court.

Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under this Plan or is rendered Unimpaired under this Plan in the Bankruptcy Court. Any disputes regarding the Allowance of a Rejection Damages Claim shall be determined by the Bankruptcy Court.

For the avoidance of doubt, there is no requirement to File a Proof of Claim (or move the Bankruptcy Court for Allowance) to be an Allowed Claim under this Plan. Notwithstanding the foregoing, Entities must File Cure Cost objections as set forth in this Plan to the extent such Entity disputes the amount of the Cure Cost proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty, and Entities that are counterparties to a rejected Executory Contract or Unexpired Lease must file a Rejection Damages Claim as set forth in the Plan.

Article IV.
MEANS FOR IMPLEMENTATION OF THIS PLAN

A. *General Settlement of Claims and Interests*

In consideration for the classification, distributions, releases, and other benefits provided under this Plan, on the Effective Date, the provisions of this Plan shall constitute a set of integrated, good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies resolved pursuant to this Plan and this Plan shall be deemed a motion to approve the good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies pursuant to Bankruptcy Rule 9019. Entry of the Combined Order shall constitute the Bankruptcy Court's approval of such compromises and settlements under Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such integrated compromises or settlements are in the best interests of the Debtors, the Estates, and Holders of Claims and Interests, and are fair, equitable, and reasonable. Subject to Article VI, distributions made to Holders of Allowed Claims in any Class are intended to be and shall be final and indefeasible and shall not be subject to avoidance, turnover, or recovery by any other Person. Notwithstanding the foregoing or similar provisions of this Plan with respect to settlements, such settlements are approved as among the parties to such settlement or similar agreements thereto, and the treatment of all Claims and Interests is approved pursuant to Confirmation by satisfying the requirement of section 1129 of the Bankruptcy Code.

B. *Restructuring Transactions*

Without limiting any rights and remedies of the Debtors or Reorganized Debtors under this Plan or applicable law, but in all cases subject to the terms and conditions of the Transaction Support Agreement, the Transaction Term Sheet, and Definitive Documents and any consents or approvals required thereunder, the entry of the Combined Order shall constitute authorization for the Debtors and Reorganized Debtors, as applicable, to take, or to cause to be taken, all actions necessary or appropriate to consummate and implement the provisions of this Plan before, on, and after the Effective Date, including such actions as may be necessary or appropriate to effectuate a corporate restructuring of their respective businesses and to otherwise simplify the overall corporate structure of the Reorganized Debtors. Such restructuring may include (1) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation, or dissolution containing terms that are consistent with the terms of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and that satisfy the applicable requirements of applicable state law and such other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, duty, or obligation on terms consistent with the terms of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and having such other terms to which the applicable Entities may agree; (3) the execution, delivery, and filing, if applicable, of the New Organizational Documents and the Exit Facilities Documents; (4) the filing of appropriate certificates or articles of conversion, formation, incorporation, merger, consolidation, or dissolution with the appropriate governmental authorities pursuant to applicable state law; and (5) all other actions that the Debtors, the Reorganized Debtors and/or the applicable Entities reasonably determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law or foreign law in connection with such transactions, but in all cases subject to the terms and conditions of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and any consents or approvals required thereunder.

The Combined Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the

Restructuring Transactions (including any other transaction described in, approved by, contemplated by, or necessary to effectuate this Plan).

C. *Corporate Existence*

Except as otherwise provided in this Plan, or as otherwise may be agreed between the Debtors and the Required Consenting Lenders, each Debtor, as a Reorganized Debtor, shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each Debtor is incorporated or formed and pursuant to the respective memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) in effect before the Effective Date, except to the extent such memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) are amended by this Plan, by the Debtors, or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to this Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law), without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law.

On or after the Effective Date, without prejudice to the rights of any party to a contract or other agreement with any Reorganized Debtor, each Reorganized Debtor may, without the need for approval of the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, take such action as permitted by applicable law, and such Reorganized Debtor's Organizational Documents, as such Reorganized Debtor may determine is reasonable and appropriate, including, without limitation, causing: (a) a Reorganized Debtor to be merged into another Reorganized Debtor or an Affiliate of a Reorganized Debtor; (b) a Reorganized Debtor to be dissolved; (c) the conversion of a Reorganized Debtor from one entity type to another entity type; (d) the legal name of a Reorganized Debtor to be changed; (e) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter; or (f) the reincorporation of a Reorganized Debtor under the law of jurisdictions other than the law under which the applicable Debtor currently is incorporated.

D. *Vesting of Assets in the Reorganized Debtors Free and Clear of Liens and Claims*

Except as otherwise expressly provided in this Plan or any agreement, instrument, or other document incorporated herein pursuant to sections 1123(a)(5), 1123(b)(3), 1141(b) and (c), and other applicable provisions of the Bankruptcy Code, on and after the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to this Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, other encumbrances or interests, except for those Liens, Claims, charges, or other encumbrances arising from or related to the Exit Facility Documents. On and after the Effective Date, the Reorganized Debtors may (1) operate their respective businesses, (2) use, acquire, and dispose of their respective property, and (3) prosecute, compromise or settle any Claims, Interests, or Causes of Action, in each case without notice to, supervision of, or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, including for the avoidance of doubt any restrictions on the use, acquisition, sale, lease, or disposal of property under section 363 of the Bankruptcy Code. Anything in this Plan to the contrary notwithstanding, the Unimpaired Claims against a Debtor shall remain the obligations solely of such Debtor or such Reorganized Debtor and shall not become obligations of any other Debtor or Reorganized Debtor by virtue of this Plan, the Chapter 11 Cases, or otherwise.

E. *Cancellation of Existing Agreements and Existing Equity Interests.*

On the Effective Date, except with respect to the Exit Facilities Documents, or to the extent otherwise provided in this Plan, the Combined Order, or any other Definitive Document, all notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors shall be deemed canceled and surrendered, and the obligations of the Debtors or the Reorganized Debtors, as applicable, and any Non-Debtor Affiliates thereunder or in any way related thereto shall be deemed satisfied in full, released, and discharged and the obligations of the Debtors pursuant, relating, or pertaining to any agreements, notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors (except such agreements, certificates, notes, or other instruments evidencing indebtedness or obligations of the Debtors that are specifically Reinstated or assumed pursuant to this Plan, if any) shall be released and discharged; *provided*, that, notwithstanding such cancellation, satisfaction, release, and discharge, anything to the contrary contained in this Plan or the Combined Order, Confirmation, or the occurrence of the Effective Date, any such document or instrument that governs the rights, claims, or remedies of the Holder of a Claim or Interest shall continue in effect solely for purposes of: (1) enabling the Holder of such Claim or Interest to receive distributions on account of such Claim or Interest under this Plan as provided herein; (2) allowing and preserving the rights of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to make distributions as specified under this Plan on account of Allowed Claims, as applicable, including allowing the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to submit invoices for any amount and enforce any obligation owed to them under this Plan to the extent authorized or allowed by the applicable documents; (3) permitting the Reorganized Debtors and any other Distribution Agent, as applicable, to make distributions on account of applicable Claims and Interests, as applicable; (4) preserving the Prepetition Agents', DIP Agents', and Exit Facility Agents', as applicable, rights, if any, to compensation and indemnification as against any money or property distributable to the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, as applicable, including permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to maintain, enforce, and exercise any priority of payment or charging liens against such distributions each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on or immediately before the Effective Date, (5) preserving all rights, remedies, indemnities, powers, and protections, including rights of enforcement, of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, against any person other than a Released Party (which Released Parties include the Debtors, Reorganized Debtors, and Non-Debtor Affiliates), and any exculpations of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable; *provided*, that the Prepetition Agents, DIP Agents, and Exit Facility Agents, shall remain entitled to indemnification or contribution from the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on the Effective Date, (6) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to enforce any obligation (if any) owed to them under this Plan, (7) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents to appear in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court or any other court, and (8) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, to perform any functions that are necessary to effectuate the foregoing; *provided, however*, that nothing in this Article

IV shall affect the discharge of Claims or Interests pursuant to the Bankruptcy Code, the Combined Order, or this Plan, or (except as set forth in (5) above) the releases of the Released Parties pursuant to Article IX, or result in any expense or liability to the Debtors or Reorganized Debtors, as applicable, except as expressly provided for in this Plan. For the avoidance of doubt, nothing in this Article IV shall cause the Reorganized Debtors' obligations under the Exit Facilities Documents to be deemed satisfied in full, released, or discharged; *provided*, that notwithstanding this sentence, the Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims shall be deemed satisfied in full, released, and discharged on the Effective Date. In furtherance of the foregoing, as of the Effective Date, Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims shall be deemed to have released any such Claims against the Reorganized Debtors under the Prepetition ABL Facility Documents, Prepetition Term Loan Documents, and DIP Facilities Documents and are enjoined from pursuing any such claims against any of the Reorganized Debtors in respect of such Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims.

On the Effective Date, the Prepetition Agents, the DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be automatically and fully released and discharged from any further responsibility under the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable. The Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be discharged and shall have no further obligation or liability except as provided in this Plan and the Combined Order, and after the performance by the Prepetition Agents, DIP Agents, and their Representatives and professionals of any obligations and duties required under or related to this Plan or the Combined Order, the Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be relieved of and released from any obligations and duties arising thereunder. F. *Sources for Plan Distributions and Transfers of Funds Among Debtors*

The Debtors shall fund Cash distributions under this Plan with Cash on hand, including Cash from operations, and the proceeds of the DIP Facilities and Exit Facilities. The Debtors shall make non-Cash distributions as required under the Plan in the form of Exit Term Loans, Exit ABL Loans and New Equity Interests. Cash payments to be made pursuant to this Plan shall be made by the Reorganized Debtors in accordance with Article VI. Subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents), the Reorganized Debtors shall be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable the Reorganized Debtors to satisfy their obligations under this Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers shall be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and shall not violate the terms of this Plan.

From and after the Effective Date, the Reorganized Debtors, subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents and the Exit Facilities Documents), shall have the right and authority without further order of the Bankruptcy Court to raise additional capital and obtain additional financing in accordance with, and subject to, applicable law.

G. *Exit Facilities and Exit Facilities Documents*

To the extent required and subject to the occurrence of the Effective Date, Confirmation of this Plan shall be deemed to constitute approval by the Bankruptcy Court of the Exit Facilities Documents (including all transactions contemplated thereby, such as any supplementation or syndication of the Exit Term Loans, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the incurrence of Liens securing the Exit Facilities and the payment of all fees, payments, indemnities, and expenses associated therewith) and, subject to the occurrence of the Effective Date, authorization for the applicable Reorganized Debtors to enter into and perform their obligations under the Exit Facilities Documents and such other documents as may be reasonably required or appropriate, subject to any consent or approval rights under the Definitive Documents. On or around the Effective Date, the Reorganized Debtors shall execute and deliver the Exit ABL Credit Agreement, the Exit Term Loan Credit Agreement, the Exit Intercreditor Agreement, and any other Exit Facilities Document, and shall execute, deliver, file, record, and issue any other related notes, guarantees, security documents, instruments, or agreements in connection therewith, in each case, without (a) further notice to the Bankruptcy Court, or (b) further act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. On the Effective Date, the Exit Facilities shall be governed by the Exit Intercreditor Agreement.

On the Effective Date, the Exit Facilities Documents shall constitute legal, valid, binding, and authorized obligations of the Reorganized Debtors, enforceable in accordance with their terms. The financial accommodations to be extended pursuant to the Exit Facilities Documents are being extended, and shall be deemed to have been extended, and all related payments made in connection therewith shall have been made, in each case, in good faith, for legitimate business purposes, for reasonably equivalent value, as an inducement to the applicable lenders to extend credit under the applicable Exit Facilities, are reasonable, shall not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. On the Effective Date, all of the Liens and security interests to be granted, carried forward, continued, amended, extended, and/or reaffirmed (including in connection with any Prepetition ABL Claims that are refinanced by the Exit ABL Credit Agreement) under the Exit Facilities Documents shall: (1) be continuing, legal, binding, and enforceable Liens on, and security interests in, the collateral granted in accordance with the terms of the applicable Exit Facilities Documents; (2) be granted, carried forward, continued, amended, extended, reaffirmed, and deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted thereunder; and (3) not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other law (whether domestic or foreign) that would be applicable in the absence of this Plan and the Combined Order (it being understood that perfection shall occur automatically by virtue of the entry of the Combined Order, and any such filings, recordings, approvals, and consents shall not be required), and shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

H. *Issuance of New Equity Interests and Deregistration*

On the Effective Date, Reorganized Parent shall issue or reserve for issuance and deliver all of the New Equity Interests in accordance with the terms of this Plan and the New Organizational Documents. The issuance and delivery of the New Equity Interests is authorized without the need for further corporate

or other action or any consent or approval of any national securities exchange upon which the New Equity Interests may be listed on or immediately following the Effective Date. All of the New Equity Interests issuable under this Plan and the Combined Order shall, when so issued be duly authorized, validly issued, fully paid, and non-assessable. The issuance and delivery of the New Equity Interests in accordance with this Plan are authorized without the need for any further limited liability company or corporate action and without any further action by any Holder of a Claim or Interest.

Any Holder of an Allowed Prepetition Term Loan Claim or any DIP Term Lender entitled to the DIP Equity Premium may designate that all or a portion of such Holder's share of the New Equity Interests to be distributed as part of the treatment of such Allowed Prepetition Term Loan Claim or on account of the DIP Equity Premium, be registered in the name of, and delivered to, its designee by delivering notice thereof to counsel to the Debtors and to the Notice and Claims Agent at least five (5) Business Days prior to the Effective Date. Any such designee must be an "accredited investor" as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act.

Reorganized Parent intends to exist and operate as a private company after the Effective Date. As promptly as reasonably practicable following the Effective Date, Reorganized Parent expects to take all necessary steps to terminate the registration of all Securities under the Exchange Act and Securities Act, including to de-register its Existing Equity Interests, and to terminate its reporting obligations under sections 12, 13, and 15(d) of the Exchange Act, including by (1) filing, or causing any applicable national securities exchange to file, a Form 25 with the SEC under the Exchange Act, and (2) filing a Form 15 with the SEC under the Exchange Act.

1. Absence of Listing / Transfer of New Equity Interests

On the Effective Date, the Reorganized Parent shall issue the New Equity Interests pursuant to this Plan and the New Organizational Documents. Reorganized Parent shall not be obligated to effect or maintain any listing of the New Equity Interests for trading on any national securities exchange (within the meaning of the Exchange Act) and it has no current intention of maintaining or obtaining such listing. Distributions of the New Equity Interests are expected to be delivered via book-entry transfer by the Distribution Agent in accordance with this Plan and the New Organizational Documents, rather than through the facilities of DTC; however, in the event the New Equity Interests are DTC eligible on the Effective Date, distributions shall be made via DTC. Upon the Effective Date, after giving effect to the Restructuring Transactions, the New Equity Interests shall be that number of shares or membership interests as may be designated in the New Organizational Documents.

On and after the Effective Date, transfers of New Equity Interests shall be made in accordance with applicable United States law, United States securities laws (as applicable), and the New Organizational Documents.

I. *Exemption from Registration Requirements*

No registration statement shall be filed under the Securities Act, or pursuant to any state securities laws, with respect to the offer, issuance and distribution of the New Equity Interests under this Plan. The offering, sale, issuance, and distribution of the New Equity Interests in exchange for Claims pursuant to Article II and Article III and pursuant to the Combined Order shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable United States, state, or local law requiring registration for the offer or sale of a security pursuant to section 1145 of the Bankruptcy Code. Any and all such New Equity Interests may be resold without registration under the Securities Act by the recipients thereof pursuant to the exemption provided by Section 4(a)(1) of the Securities Act, subject to: (1) the provisions of section 1145(b)(1) of the Bankruptcy Code, which limits resale by Persons who are "underwriters" as that term is defined in such section; (2) restrictions under the

Securities Act applicable to recipients who are an “affiliate” of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (3) compliance with any applicable state or foreign securities laws, if any, and any rules and regulations of the SEC, if any, applicable at the time of any future transfer of such Securities; (4) the restrictions, if any, on the transferability of such Securities in the Organizational Documents of the issuer of, or in agreements or instruments applicable to holders of, such Securities; and (5) any other applicable regulatory approval.

The Reorganized Debtors need not provide any further evidence other than this Plan and the Combined Order with respect to the treatment of the New Equity Interests under applicable securities laws.

Notwithstanding anything to the contrary in this Plan, no Person or Entity (including, for the avoidance of doubt, DTC) shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by this Plan, including, for the avoidance of doubt, whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. All such Persons and Entities including DTC shall be required to accept and conclusively rely upon this Plan or the Combined Order in lieu of a legal opinion regarding whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding any policies, practices, or procedures of DTC, DTC and any participants and intermediaries shall fully cooperate and take all actions to facilitate any and all transactions necessary or appropriate for implementation of this Plan or other contemplated thereby, including without limitation any and all distributions pursuant to this Plan.

J. *New Organizational Documents*

Subject to Article IV.E, the Reorganized Debtors and Reorganized Parent shall enter into such agreements and amend their corporate governance documents to the extent necessary to implement the terms and provisions of this Plan. Without limiting the generality of the foregoing, as of the Effective Date, each of the Reorganized Debtors shall be governed by the New Organizational Documents applicable to it. From and after the Effective Date, the Organizational Documents of each of the Reorganized Debtors will be deemed to be modified to prohibit the issuance of non-voting equity Securities, solely to the extent required under section 1123(a)(6) of the Bankruptcy Code. On or immediately before the Effective Date, each Reorganized Debtor and Reorganized Parent shall file its New Organizational Documents, if any, with the applicable Secretary of State and/or other applicable authorities in its jurisdiction of incorporation or formation in accordance with applicable laws of its jurisdiction of incorporation or formation, to the extent required for such New Organizational Documents to become effective. The New Organizational Documents for the Reorganized Debtors and Reorganized Parent shall be in form and substance (including customary minority protections) acceptable to the Required Consenting Lenders.

As a condition to receiving the New Equity Interests, Holders of Allowed Prepetition Term Loan Claim or Holders entitled to receive New Equity Interests on account of the DIP Equity Premium and/or any of their respective designees for receipt of New Equity Interests will be required to execute and deliver the New Organizational Documents for Reorganized Parent. For the avoidance of doubt, any Entity’s or Person’s receipt of New Equity Interests under, or as contemplated by, the Plan (including on account of the DIP Equity Premium) shall be deemed to be its agreement to the terms of the New Organizational Documents for Reorganized Parent, and such Entities and Persons shall be deemed signatories to the New Organizational Documents for Reorganized Parent without further action required on their part. The New Organizational Documents for Reorganized Parent will be effective as of the Effective Date and, as of such date, will be deemed to be valid, binding, and enforceable in accordance with its terms, and each Holder of New Equity Interests will be bound thereby in all respects even if such Holder has not actually executed and delivered a counterpart thereof.

K. *Release of Liens and Claims*

To the fullest extent provided under section 1141(c) and other applicable provisions of the Bankruptcy Code, except as otherwise provided in the Exit ABL Credit Agreement (including with respect to the Prepetition ABL Facility and the Prepetition ABL Loans), this Plan, the Combined Order, or in any contract, instrument, release, or other agreement or document entered into or delivered in connection with this Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to Article VI, all Liens, Claims, mortgages, deeds of trust, or other security interests against the assets or property of the Debtors or the Estates shall be fully released, canceled, terminated, extinguished, and discharged, in each case without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity; *provided*, that (1) the Liens granted to the Prepetition Agents and the DIP Agents pursuant to the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement and (2) any and all Liens or security securing the Debtor's obligations under the Insurance Contracts, which, for avoidance of doubt, includes grants of security interests in, without limitation, escrow accounts, deposit accounts, Cash Collateral, and letters of credit issued for the benefit of Insurers, shall remain in full force and effect solely to the extent provided for in this Plan. The filing of the Combined Order with any federal, state, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens, Claims, and other interests to the extent provided in the immediately preceding sentence. Any Person or Entity holding such Liens, Claims, or interests shall, pursuant to section 1142 of the Bankruptcy Code, promptly execute and deliver to the Reorganized Debtors such instruments of termination, release, satisfaction, and/or assignment (in recordable form) as may be reasonably requested by the Reorganized Debtors.

L. *Exemption from Certain Taxes and Fees*

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfer (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under, pursuant to, in contemplation of, or in connection with this Plan (including the Restructuring Transactions) pursuant to (1) the issuance, distribution, transfer, or exchange of any debt, securities, or other interest in the Debtors or the Reorganized Debtors, (2) the creation, modification, consolidation, termination, refinancing, or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means, (3) the making, assignment, or recording of any lease or sublease, (4) the grant of collateral security for any or all of the Exit Facilities or other indebtedness, or (5) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, this Plan, including, without limitation, any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to this Plan (including the Restructuring Transactions), shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate U.S. federal, state or local governmental officials, agents, or filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, and shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee or governmental assessment.

M. *Directors and Officers of the Reorganized Debtors*

1. Reorganized Board

The members of the Reorganized Board shall consist of a number of members determined by the Required Consenting Lenders in their sole discretion, which shall consist of members appointed in a manner determined by the Required Consenting Lenders in their sole discretion and set forth in the New Organizational Documents for Reorganized Parent. Except to the extent that a member of the board of directors or board of managers, or the sole manager, as applicable, of a Debtor is designated in the Plan Supplement to serve as a director, manager, or sole manager of such Reorganized Debtor on the Effective Date, the members of the board of directors or board of managers, or the sole manager, as applicable, of each Debtor prior to the Effective Date, in their capacities as such, shall have no continuing obligations to the Reorganized Debtors on or after the Effective Date, and each such director, manager, or sole manager shall be deemed to have resigned or shall otherwise cease to be a director, manager, or sole manager of the applicable Debtor on the Effective Date. Each of the directors, managers, sole managers and officers of each of the Reorganized Debtors and Reorganized Parent shall serve pursuant to the terms of the applicable New Organizational Documents of such Reorganized Debtor or Reorganized Parent, as applicable, and may be designated, replaced, or removed in accordance with such New Organizational Documents.

2. Senior Management

The existing officers of the Debtors as of the Effective Date shall remain in their current capacities as officers of the Reorganized Debtors, subject to their right to resign and the ordinary rights and powers of the Reorganized Board to remove or replace them in accordance with the New Organizational Documents and any applicable employment agreements that are assumed pursuant to this Plan.

3. Management Incentive Plan

After the Effective Date, the Reorganized Board shall adopt the Management Incentive Plan in accordance with the Transaction Term Sheet. The form of the awards (i.e., options, restricted stock or units, appreciation rights, etc.), the participants in the Management Incentive Plan, the allocations of the awards to such participants (including the amount of allocations and the timing of the grant of the awards), and the terms and conditions of the awards (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights and transferability) shall be determined by the Reorganized Board in its sole discretion.

N. *Preservation of Causes of Action*

In accordance with section 1123(b) of the Bankruptcy Code, but subject to the releases and exculpation set forth in this section and in Article IX below, all Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor on the Effective Date, including each Cause of Action set forth in the schedule of retained Causes of Action included in the Plan Supplement. Thereafter, the Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, whether arising before or after the Petition Date, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. **No Entity may rely on the absence of a specific reference in this Plan, the Plan Supplement, or the Disclosure Statement to any specific Cause of Action as any indication that the Debtors or the Reorganized Debtors shall not pursue any and all available Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in this Plan,** and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise) or laches, shall apply to any Cause

of Action upon, after, or as a consequence of the Confirmation or the occurrence of the Effective Date. In addition, the Debtors and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant, or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits. For the avoidance of doubt, in no instance shall any Cause of Action preserved pursuant to this Article IV.N include any Claim or Cause of Action released or exculpated under this Plan (including, without limitation, by the Debtors).

O. *Corporate Action*

Each of the Debtors and the Reorganized Debtors may take any and all actions to execute, deliver, file or record such contracts, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the provisions of this Plan, and without further notice to or order of the Bankruptcy Court, any act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by the security holders, officers, or directors of the Debtors or the Reorganized Debtors or by any other Person (except for those expressly required pursuant hereto or by the Definitive Documents).

Upon the Effective Date, all actions contemplated by this Plan shall be deemed authorized, approved, and, to the extent taken before the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, the Reorganized Debtors, or any other Entity, including: (1) assumption and rejection (as applicable) of Executory Contracts and Unexpired Leases; (2) selection of the directors, managers, and officers for each of the Reorganized Debtors and Reorganized Parent; (3) the execution of the New Organizational Documents and the Exit Facilities Documents; (4) the issuance and delivery of the New Equity Interests and incurrence of the Exit Facilities; (5) implementation of the Restructuring Transactions; and (6) all other acts or actions contemplated, or reasonably necessary or appropriate to promptly consummate the transactions contemplated by this Plan (whether to occur before, on, or after the Effective Date). All matters provided for in this Plan involving the company structure of the Debtors, and any company action required by the Debtors in connection therewith, shall be deemed to have occurred on, and shall be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors, the Reorganized Debtors, or Reorganized Parent or otherwise.

Before, on, and after the Effective Date, the appropriate officers, directors, managers, or authorized persons of the Debtors, the Reorganized Parent, or any direct or indirect subsidiaries of the Reorganized Parent (including any president, vice-president, chief executive officer, treasurer, general counsel, secretary, or chief financial officer thereof) shall be authorized and directed to issue, execute, and deliver the agreements, documents, securities, memoranda and articles of association, certificates of incorporation, certificates of formation, bylaws, operating agreements, other organization documents, and instruments contemplated by this Plan (or necessary or desirable to effect the transactions contemplated by this Plan) in the name of and on behalf of the applicable Debtors or applicable Reorganized Debtors, including the (1) New Organizational Documents, (2) Exit Facilities Documents, and (3) any and all other agreements, documents, securities, and instruments relating to or contemplated by the foregoing. Before or on the Effective Date, each of the Debtors is authorized, in its sole discretion, to change its name or corporate form and to take such other action as required to effectuate a change of name or corporate form in the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor. To the extent the Debtors change their names or corporate form before the closing of the Chapter 11 Cases, the Debtors shall change the case captions accordingly.

The authorizations, approvals and directives contemplated by this Article IV.O shall be effective notwithstanding any requirements under non-bankruptcy Law.

P. *Prepetition Intercreditor Agreement*

Notwithstanding anything to the contrary in this Plan, the treatment of, and distributions (including rights to adequate protection and participation in the DIP Term Loan Facility) made to Holders of Prepetition Term Loan Claims shall not be subject to the Prepetition Intercreditor Agreement or the terms thereof (including any turnover and disgorgement provisions), and the Prepetition Intercreditor Agreement shall be deemed so amended to the extent necessary to effectuate same.

Q. *Effectuating Documents; Further Transactions*

Before, on, and after the Effective Date, the Debtors and the Reorganized Debtors and the directors, managers, officers, authorized persons, and members of the boards of directors or managers and directors or managers thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, notes, instruments, certificates, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and provisions of this Plan, the New Organizational Documents, the Exit Facilities Documents, and any Securities issued pursuant to this Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, actions, or consents except for those expressly required pursuant to this Plan or the Transaction Support Agreement.

R. *Authority of the Debtors*

Effective on the Confirmation Date, the Debtors shall be empowered and authorized to take or cause to be taken, before the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of this Plan, the Combined Order, the Definitive Documents, and the Restructuring Transactions.

S. *No Substantive Consolidation*

This Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. This Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in this Plan.

T. *Continuing Effectiveness of Final Orders*

Payment authorization granted to the Debtors under any prior Final Order entered by the Bankruptcy Court shall continue in effect after the Effective Date. Accordingly, the Debtors or the Reorganized Debtors may pay or otherwise satisfy any Claim to the extent permitted by, and subject to, the applicable Final Order without regard to the treatment that would otherwise be applicable to such Claim under this Plan.

U. *Modifications to Executory Contracts and Unexpired Leases*

The Debtors, with the consent of the Required Consenting Term Lenders, are authorized to enter into, and perform under, amendments or modifications of any Executory Contracts or Unexpired Leases with the counterparty to such Executory Contract or Unexpired Lease and pay any amounts due as a result of such amendment or modification.

Article V.
TREATMENT OF EXECUTORY CONTRACTS
AND UNEXPIRED LEASES; EMPLOYEE BENEFITS; AND INSURANCE POLICIES

A. Assumption of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided in this Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court shall be deemed assumed and amended (as necessary to implement the terms of the Restructuring Transactions), as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected (if any), (2) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

Entry of the Combined Order by the Bankruptcy Court shall constitute an order approving the assumption of the Transaction Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Transaction Support Agreement shall be binding and enforceable against the applicable parties thereto in accordance with its terms. For the avoidance of doubt, the assumption of the Transaction Support Agreement shall not otherwise modify, alter, amend, or supersede any of the terms or conditions thereof including, without limitation, any termination events or provisions thereunder.

Entry of the Combined Order by the Bankruptcy Court shall constitute an order approving the assumption of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code, effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to this Plan or by Bankruptcy Court order, and not assigned to a third party on or before the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court.

To the maximum extent permitted by law, unless otherwise provided herein, the transactions contemplated by this Plan shall not constitute a “change of control” or “assignment” (or terms with similar effect) under any Executory Contract or Unexpired Lease assumed pursuant to this Plan, or any other transaction, event, or matter that would (1) result in a violation, breach, or default under such Executory Contract or Unexpired Lease, (2) increase, accelerate, or otherwise alter any obligations, rights, or liabilities of the Debtors or the Reorganized Debtors under such Executory Contract or Unexpired Lease, or (3) result in the creation or imposition of a Lien upon any property or asset of the Debtors or the Reorganized Debtors pursuant to the applicable Executory Contract or Unexpired Lease. Any consent or advance notice required under such Executory Contract or Unexpired Lease in connection with assumption thereof (pursuant to the other provisions of this Article V.A) shall be deemed satisfied by Confirmation.

Notwithstanding anything to the contrary in this Plan, but subject to the *Consent Rights* in Article I.C, the Debtors reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion before the Effective Date and, after the Effective Date, the Reorganized Debtors, shall have the right to amend Rejected Executory Contract/Unexpired Lease List; *provided*, that such right to amend shall not apply to any Unexpired Lease for nonresidential property; *provided, further* that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

The Rejected Executory Contract/Unexpired Lease List shall be filed with the Plan Supplement, *provided* that the Debtors may amend such list (including by adding or removing contracts and leases therefrom) at any time prior to the Effective Date. Notwithstanding anything herein to the contrary, with respect to any Unexpired Lease of nonresidential real property that is listed on the Rejected Executory Contract/Unexpired Lease List, the effective date of the rejection of any such Unexpired Lease shall be the later of (1) the Effective Date and (2) the date upon which the Debtors notify the landlord in writing (email being sufficient) that they have surrendered the premises to the landlord and returned the keys, key codes, or security codes, as applicable. Any property remaining on the premises subject to a rejected Unexpired Lease shall be deemed abandoned by the Debtors or the Reorganized Debtors, as applicable, as of the effective date of rejection, and the counterparty to such Unexpired Lease shall be authorized to use or dispose of any property left on the premises in its sole and absolute discretion without notice or liability to the Debtors or the Reorganized Debtors, as applicable, or any third party.

B. *Payments on Assumed Executory Contracts and Unexpired Leases*

Any monetary default under an Executory Contract or Unexpired Lease to be assumed pursuant to this Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash in the ordinary course of business, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree.

Parties to Executory Contracts and Unexpired Leases assumed by the Debtors pursuant to the Plan shall not be required to File a Proof of Claim or objection to assert or preserve any Cure Cost. Notwithstanding anything to the contrary in the Plan, all Cure Cost shall be Unimpaired by the Plan and all Cure Cost outstanding as of the Effective Date shall remain continuing obligations of the Reorganized Debtors following the Effective Date subject to all parties' rights and defenses with respect thereto.

Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Combined Order, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

In the event of a dispute regarding (1) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365(b) of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (2) any other matter pertaining to assumption, the Bankruptcy Court shall hear such dispute before the assumption becoming effective; *provided*, that the Debtors, with the consent of the Required Consenting Lenders may settle any such dispute and shall pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval. The cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order(s) resolving the dispute and approving the assumption and shall not prevent or delay implementation of this Plan or the occurrence of the Effective Date.

C. *Claims Based on Rejection of Executory Contracts and Unexpired Leases*

Unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Rejection Damages Claims pursuant to this Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the later of (1) the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which shall be the Confirmation Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease); (2) the Confirmation Date; or (3) the date of the order authorizing the rejection of the applicable Executory Contract or Unexpired Lease. **Any Rejection Damages Claims that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Rejection

Damages Claims shall constitute General Unsecured Claims and shall be treated in accordance with Article III.B.

Any Rejection Damages Claims for Executory Contracts or Unexpired Leases that the Debtors, with the consent of the Required Consenting Term Lenders, elect to reject shall be paid in full on the Effective Date, subject to the applicable provisions of the Bankruptcy Code, including sections 502(b)(6) and 510(b); *provided*, that such Claim is not a Subordinated Claim, in which case such Claim shall be treated as a Subordinated Claim pursuant to the terms of this Plan.

D. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, shall be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) that have not been rejected as of the Confirmation Date shall survive and remain unaffected by entry of the Combined Order.

E. *Reservation of Rights*

Nothing contained in this Plan shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X.

F. *Directors and Officers Insurance Policies*

On the Effective Date the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Insurance Policies (including any "tail coverage" and all agreements, documents, or instruments related thereto) in effect before the Effective Date pursuant to sections 105 and 365(a) of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the Bankruptcy Court. Confirmation of this Plan shall not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Insurance Policies, and each such indemnity obligation shall be deemed and treated as an Executory Contract that has been assumed by the Debtors under this Plan as to which no Proof of Claim need be Filed. The Debtors and, after the Effective Date, the Reorganized Debtors shall retain the ability to supplement such D&O Insurance Policies as the Debtors or Reorganized Debtors, as applicable, may deem necessary. For the avoidance of doubt, entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Insurance Policies.

In addition, on or after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or before the Effective Date, with respect to conduct occurring prior thereto, and all current and former directors, officers, and managers of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policies for the full term of such policies regardless of whether such current and former directors, officers, and managers remain in such positions after the Effective Date, all in accordance with

and subject in all respects to the terms and conditions of the D&O Insurance Policies, which shall not be altered.

G. *Other Insurance Contracts*

On the Effective Date, each of the Debtors' Insurance Contracts in existence as of the Effective Date shall be Reinstated and continued in accordance with their terms and, to the extent applicable, shall be deemed assumed by the applicable Reorganized Debtor pursuant to section 365 of the Bankruptcy Code and Article V. Nothing in this Plan shall affect, impair, or prejudice the rights of the insurance carriers, the insureds, or the Reorganized Debtors under the Insurance Contracts in any manner, and such insurance carriers, the insureds, and Reorganized Debtors shall retain all rights and defenses under such Insurance Contracts. The Insurance Contracts shall apply to and be enforceable by and against the insureds and the Reorganized Debtors in the same manner and according to the same terms and practices applicable to the Debtors, as existed before the Effective Date.

H. *Indemnification Provisions and Reimbursement Obligations*

On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth herein, the Indemnification Provisions shall be assumed and irrevocable and shall survive the effectiveness of this Plan, and the New Organizational Documents shall provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members', and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. Notwithstanding anything in this Plan to the contrary, none of the Reorganized Debtors shall amend and/or restate the New Organizational Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

I. *Employee Compensation and Benefits*

1. Compensation and Benefits Programs

Subject to the provisions of this Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) shall be treated as Executory Contracts under this Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program shall be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in this Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, shall be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, shall honor all their obligations under section 1114 of the Bankruptcy Code.

None of the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger any applicable change of control, vesting, termination, acceleration, or similar provisions therein; *provided*, that the Assumed Employee Agreements

shall be assumed and governed by the terms thereof. Subject to the preceding sentence, no counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to this Plan other than those applicable immediately before such assumption.

2. Workers' Compensation Programs

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided*, that nothing in this Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

Article VI. PROVISIONS GOVERNING DISTRIBUTIONS

A. *Timing and Calculation of Amounts to Be Distributed*

Unless otherwise provided in this Plan, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of the distributions that this Plan provides for Allowed Claims in the applicable Class; *provided*, that any Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors before the Effective Date shall be paid or performed in the ordinary course of business.

In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII. Except as otherwise provided herein, Holders of Claims shall not be entitled to postpetition interest, dividends, or accruals on the distributions provided for herein, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. *Special Rules for Distributions to Holders of Disputed Claims*

Except as otherwise agreed by the relevant parties: (1) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order; and (2) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and

until all objections to the Disputed Claim have been resolved by settlement or Final Order or such Claims or Interests have been Allowed or expunged.

C. *Rights and Powers of Distribution Agent*

1. Powers of the Distribution Agent

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to this Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date and Indemnification

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes in connection with this Plan, but excluding any income, franchise, or similar taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Distribution Agent shall be paid in Cash by the Reorganized Debtors.

D. *Delivery of Distributions*

1. Record Date for Distributions

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. The Distribution Record Date shall not apply to distributions in respect of Securities deposited with DTC, the Holders of which shall receive distributions, if any, in accordance with the customary exchange procedures of DTC or this Plan. For the avoidance of doubt, in connection with a distribution through the facilities of DTC (if any), DTC shall be considered a single Holder for purposes of distributions.

2. Delivery of Distributions in General

Except as otherwise provided herein, the Distribution Agent shall make distributions to Holders of Allowed Claims as of the Distribution Record Date, or, if applicable, to such Holder's designee, as appropriate: (a) at the address for each such Holder as indicated on the Debtors' records as of the Distribution Record Date; (b) to the signatory set forth on any Proof of Claim Filed by such Holder or other Representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have not been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors or the applicable Distribution Agent, as appropriate, after the date of any related Proof of Claim; or (d) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf; *provided*, that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

All distributions to Holders of DIP Claims shall be made to the DIP Agents or the Exit Term Loan Agent, as applicable, and the DIP Agents or the Exit Term Loan Agent shall be, and shall act as, the Distribution Agent with respect to the DIP Claims in accordance with the terms and conditions of this Plan and the applicable debt documents.

All distributions to Holders of Prepetition Term Loan Claims shall be made to the Prepetition Term Loan Agent, and the Prepetition Term Loan Agent shall be, and shall act as, the Distribution Agent with respect to the Prepetition Term Loan Claims in accordance with the terms and conditions of this Plan and the applicable debt documents.

3. Minimum Distributions

Notwithstanding any provision in this Plan to the contrary, no Distribution Agent shall be required to make distributions or payments of less than \$100 (whether in Cash or otherwise) with respect to Impaired Claims. No fractional shares of New Equity Interests shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to this Plan on account of an Allowed Claim would otherwise result in the issuance of a number of shares of New Equity Interests that is not a whole number, the actual distribution of shares of New Equity Interests shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Equity Interests to be distributed under this Plan shall be adjusted as necessary to account for the foregoing rounding. For distribution purposes (including rounding), DTC shall be treated as a single Holder.

4. Undeliverable Distributions

In the event that any distribution to any Holder of Allowed Claims is returned as undeliverable, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one (1) year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder of Claims to such property or interest in property shall be discharged and forever barred.

E. *Compliance with Tax Requirements; Allocations*

In connection with this Plan and all distributions hereunder, the Reorganized Debtors and any other applicable Distribution Agent (including for purposes of this Article VI, the Debtors) shall comply with all applicable withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions hereunder and under all related agreements shall be subject to any such withholding and reporting requirements. Notwithstanding any provision in this Plan to the contrary, the Reorganized Debtors and any other applicable Distribution Agent shall have the right, but not the obligation, to take any and all actions that may be necessary or appropriate to comply with such applicable withholding and reporting requirements, including (a) withholding distributions and amounts therefrom pending receipt of information necessary to facilitate such distributions, including properly executed withholding certification forms, and (b) in the case of a non-Cash distribution that is subject to withholding, withholding an appropriate portion of such property and either liquidating such withheld property to generate sufficient funds to pay applicable withholding taxes (or reimburse the distributing party for any advance payment of the withholding tax) or pay the withholding tax using its own funds and retain such withheld property. Notwithstanding any provision in this Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit, including income, withholding, and other tax obligations, on account of such distribution. Any amounts withheld or reallocated pursuant to this Article VI shall be treated as if distributed to the Holder of the Allowed Claim.

Any Person or Entity entitled to receive any property as an issuance or distribution under this Plan shall, upon request of the Reorganized Debtors or any other applicable Distribution Agent, deliver to the applicable Reorganized Debtor or any other applicable Distribution Agent, or such other Person designated by the Reorganized Debtors or the Distribution Agent, an IRS Form W-9 or, if the payee is a foreign Person or Entity, an applicable IRS Form W-8 (together with all attachments), or any other forms or documents reasonably requested by a Reorganized Debtor or Distribution Agent to reduce or eliminate any withholding required by any Governmental Unit.

The Reorganized Debtors reserve the right to allocate all distributions made under this Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

F. *Applicability of Insurance Contracts*

Notwithstanding anything to the contrary in this Plan, the Plan Supplement, the Disclosure Statement, or the Combined Order (including, without limitation, any provision that purports to be preemptory or supervening, confers Bankruptcy Court jurisdiction, or requires a party to opt out of any releases):

1. on and after the Effective Date, all Insurance Contracts (a) are found to be and shall be treated as, Executory Contracts under this Plan and shall be assumed pursuant to sections 105 and 365 of the Bankruptcy Code by the applicable Debtor, and/or (b) shall vest in the Reorganized Debtors and ride through and continue in full force and effect in accordance with their respective terms in either case such that the Reorganized Debtors shall become and remain jointly and severally liable in full for, and shall satisfy, any premiums, deductibles, self-insured retentions, and/or any other amounts or obligations arising in any way out of the receipt of payment from an Insurer in respect of the Insurance Contracts and as to which no Proof of Claim, Administrative Claim, or Cure Cost claim need be filed; and

2. solely with respect to Insurance Contracts, which, for avoidance of doubt, includes any and all collateral or security securing the Debtor's obligations under the insurance policies, including, without limitation, escrow accounts, deposit accounts, Cash Collateral, and letters of credit, the automatic stay of section 362(a) of the Bankruptcy Code and the injunctions set forth in this Plan, if and to the extent applicable, shall be deemed lifted without further order of this Bankruptcy Court, solely to permit (a) claimants with valid workers' compensation claims or direct action claims against Insurers under applicable non-bankruptcy law to proceed with their claims; (b) Insurers to administer, handle, defend, settle, and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (i) workers' compensation claims, (ii) claims where a claimant asserts a direct claim against an Insurer under applicable non-bankruptcy law, or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in this Plan to proceed with its claim, and (iii) all costs in relation to each of the foregoing; and (c) the Insurers to collect from any or all of the collateral or security provided by or on behalf of the Debtors (or the Reorganized Debtors) at any time and to hold the proceeds thereof as security for the obligations of the Debtors (or the Reorganized Debtors) and/or apply such proceeds to the obligations of the Debtors (or the Reorganized Debtors) under the applicable Insurance Contracts, in such order as the applicable Insurer may determine.

Nothing contained in this Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including Insurers under any Insurance Contracts, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts and/or applicable non-bankruptcy law.

G. *Allocation of Distributions Between Principal and Interest*

Except as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated for United States federal (and applicable state and local) income tax purposes first to the principal portion of such Allowed Claim and, thereafter, to the remaining portion of such Allowed Claim, if any.

H. *No Postpetition Interest on Claims*

Unless otherwise specifically provided for in this Plan, any other Definitive Document, the Combined Order, the DIP/Cash Collateral Orders, or any other Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest shall not accrue or be paid on any Claims and no Holder of a Claim or Interest shall be entitled to interest accruing on or after the Petition Date on any Claim.

I. *Means of Cash Payment*

Payments of Cash made pursuant to this Plan shall be in United States dollars and shall be made, at the option of the Debtors or the Reorganized Debtors (as applicable), by checks drawn on, or wire transfer from, a domestic bank selected by the Debtors or the Reorganized Debtors. Cash payments to foreign creditors may be made, at the option of the Debtors or the Reorganized Debtors, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

J. *Setoffs and Recoupment*

Except as otherwise provided herein, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable bankruptcy or non-bankruptcy law, or as may be agreed to by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to this Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or before the Effective Date (whether pursuant to this Plan, a Final Order or otherwise); *provided*, that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to this Plan shall constitute a waiver or release by such Reorganized Debtor of any such Claims, rights, and Causes of Action.

Notwithstanding anything to the contrary herein, nothing in this Plan or the Combined Order shall modify the rights, if any, of any counterparty to a rejected Executory Contract or Unexpired Lease to assert any right of setoff or recoupment that such party may have under applicable bankruptcy law or non-bankruptcy law, including, but not limited to, the (1) ability, if any, of such parties to setoff or recoup a security deposit held pursuant to the terms of their rejected Unexpired Lease(s) with the Debtors, or any successors to the Debtors, under this Plan, (2) assertion of rights of setoff or recoupment, if any, in connection with Claims reconciliation, or (3) assertion of setoff or recoupment as a defense, if any, to any Claim or action by the Debtors, the Reorganized Debtors, or any successors of the Debtors.

K. *Claims Paid or Payable by Third Parties*

1. Claims Paid by Third Parties

A Claim shall be correspondingly reduced, and the applicable portion of such Claim shall be disallowed without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives a payment

on account of such Claim from a party that is not a Debtor or Reorganized Debtor. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the Reorganized Debtors to the extent the Holder's total recovery on account of such Claim from the third party and under this Plan exceeds the amount of such Claim as of the date of any such distribution under this Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the Reorganized Debtors annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is repaid.

2. Claims Payable by Insurers

No distributions under this Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' Insurance Contracts until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Contract. To the extent that one or more of the Insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such Insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Insurance Contracts

Except as otherwise provided in this Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Contract. Notwithstanding anything to the contrary herein, nothing contained in this Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any other Entity may hold against any other Entity, including Insurers, under any Insurance Contracts or applicable indemnity, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any defenses, including coverage defenses, held by such Insurers.

Article VII. PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. *No Filings of Proofs of Claim*

Except as otherwise provided in this Plan, Holders of Claims shall not be required to File a Proof of Claim, and except as provided in this Plan, no parties should File a Proof of Claim. The Debtors do not intend to object in the Bankruptcy Court to the allowance of Claims Filed; *provided*, that the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under this Plan or is rendered Unimpaired under this Plan. Instead, the Debtors intend to make distributions, as required by this Plan, in accordance with the books and records of the Debtors. Unless disputed by a Holder of a Claim, the amount set forth in the books and records of the Debtors shall constitute the amount of the Allowed Claim of such Holder except that (unless expressly waived pursuant to this Plan) the Allowed amount of such Claim shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. If any such Holder of a Claim disagrees with the Debtors' books and records with respect to the Allowed amount of such Holder's Claim, such Holder must so advise the Debtors in writing within thirty (30) days of receipt of any distribution on account of such Holder's Claim, in which event the Claim shall become a Disputed Claim. The Debtors intend to attempt to resolve any such disputes consensually or through judicial means outside the Bankruptcy Court. Nevertheless, the Debtors may, in their discretion, File with the Bankruptcy Court (or any other court of competent jurisdiction) an objection

to the allowance of any Claim or any other appropriate motion or adversary proceeding with respect thereto. All such objections shall be litigated to Final Order; *provided*, that the Debtors may compromise, settle, withdraw, or resolve by any other method approved by the Bankruptcy Court any objections to Claims.

All Proofs of Claim, other than Rejection Damages Claims, Filed in the Chapter 11 Cases shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim, other than Rejection Damages Claims, Filed against the Debtors, regardless of the time of filing, and including Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in this Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court. **Except as otherwise provided herein, all Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. Allowance and Disallowance of Claims

After the Effective Date, and except as otherwise provided in this Plan, the Reorganized Debtors shall have and shall retain any and all available rights and defenses that the Debtors had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but are not required to, contest the amount and validity of any Disputed Claim or contingent or unliquidated Claim in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (1) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (2) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

C. Claims Administration Responsibilities

Except as otherwise specifically provided in this Plan, after the Effective Date, the Reorganized Debtors shall have the sole authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately before the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to this Plan.

Any objections to Claims and Interests other than General Unsecured Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Claims and Interests other than General Unsecured Claims not objected to

by the end of such 120-day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

Any objections to Rejection Damages Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Rejection Damages Claims not objected to by the end of such 120-day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

Notwithstanding the foregoing, the Debtors and Reorganized Debtors shall be entitled to dispute and/or otherwise object to any General Unsecured Claim in accordance with applicable non-bankruptcy law. If the Debtors or Reorganized Debtors dispute any General Unsecured Claim, such dispute shall be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced; *provided*, that any disputes regarding the Allowance of a Rejection Damages Claim shall be determined by the Bankruptcy Court. In any action or proceeding to determine the existence, validity, or amount of any General Unsecured Claim, any and all claims or defenses that could have been asserted by the applicable Debtor(s) or the Entity holding such General Unsecured Claim are preserved as if the Chapter 11 Cases had not been commenced.

D. Adjustment to Claims or Interests without Objection

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

E. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim.

15. There shall not have been instituted or threatened or be pending any material action, proceeding, application, claim, counterclaim, or investigation (whether formal or informal) (or there shall not have been any material adverse development to any action, application, claim, counterclaim, or proceeding currently instituted, threatened, or pending) before or by any court, governmental, regulatory or administrative agency or instrumentality, domestic or foreign, or by any other person, domestic or foreign, in connection with the Restructuring Transactions that, in the reasonable judgment of the Debtors and the Required Consenting Term Lenders would prohibit, prevent, or restrict consummation of the Restructuring Transactions in a materially adverse manner.

Following the satisfaction or waiver of the foregoing, concurrently with or immediately following effectiveness of this Plan on the Effective Date:

1. The Existing Equity Interests shall have been canceled and the New Equity Interests shall have been issued by Reorganized Parent and distributed in accordance with the terms of this Plan.

2. The New Equity Interests to be issued and/or delivered on the Effective Date (as set forth in this Plan) shall have been validly issued by Reorganized Parent, shall be fully paid and non-assessable, and shall be free and clear of all taxes, Liens and other encumbrances, pre-emptive rights, rights of first refusal, subscription rights and similar rights, except for any restrictions on transfer as may be imposed by (i) applicable securities Laws and (ii) the New Organizational Documents of Reorganized Parent.

3. All conditions precedent to the effectiveness of the Exit Facilities and all other financing agreements and arrangements contemplated hereunder, as applicable, shall be or have been, as applicable, funded and closed and be in full force and effect.

4. The Releases set forth in this Plan shall be in full force and effect.

5. The Debtors shall have paid in full to the relevant Persons all payments and fees provided for in the Transaction Support Agreement, the Transaction Term Sheet, and applicable Definitive Documents that are payable on, before, or in connection with the occurrence of the Effective Date.

Immediately following effectiveness of the Plan, the Reorganized Debtors shall complete the termination of registration of all Securities under sections 13 and 15(d) of the Exchange Act such that the Reorganized Debtors shall be a private company as soon as reasonably practicable after the Effective Date.

B. *Waiver of Conditions*

Subject to section 1127 of the Bankruptcy Code, the conditions to Confirmation and consummation of this Plan set forth in this Article VIII may be waived by the Debtors, with the consent of the Required Consenting Lenders, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate this Plan. The failure of the Debtors or Reorganized Debtors to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each right shall be deemed an ongoing right that may be asserted at any time.

C. *Effect of Non-Occurrence of Conditions to the Effective Date*

If the Confirmation of this Plan or the Effective Date does not occur with respect to one or more of the Debtors on or before the termination of the Transaction Support Agreement, then this Plan shall, with respect to such applicable Debtor or Debtors, be null and void in all respects and nothing contained in this Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any claims by or Claims against or Interests in the Debtors; (2) prejudice in any manner the rights of the Debtors, any Holders, or any other Person or Entity; (3) constitute an allowance of any Claim or Interest; or (4) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders, or any other Person or Entity in any respect.

D. *Substantial Consummation*

“Substantial consummation” of this Plan, as defined in section 1102(2) of the Bankruptcy Code, shall be deemed to occur on the Effective Date.

Article IX.

DISCHARGE, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Discharge of Claims and Termination of Interests*

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in this Plan, the Combined Order, the Definitive Documents, or in any contract, instrument, or other agreement or document created or entered into, the distributions, rights, and treatment that are provided in this Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, rights against, and Interests in, the Debtors, the Reorganized Debtors, the Estates, or any of their assets or properties,

regardless of whether any property shall have been distributed or retained pursuant to this Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted this Plan. The Combined Order shall be a judicial determination of the discharge of all Claims and Interests subject to the occurrence of the Effective Date.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to this Plan, the provisions of this Plan shall constitute a good-faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Combined Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, the Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. In accordance with the provisions of this Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against the Debtors and the Estates and Causes of Action against other Entities.

B. *Releases by the Debtors*

To the fullest extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, is and is deemed to be, forever and unconditionally released, and absolved by each Debtor, Reorganized Debtor, and the Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction,

(8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act or omission, transaction, agreement, event, or other occurrence related to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Debtors do not release Claims or Causes of Action (1) that are of a commercial nature and arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed or (2) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, Claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by each of the Released Parties, including the Released Parties' substantial contributions to facilitating the Restructuring Transactions and implementing this Plan; (2) a good-faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

C. *Releases by Holders of Claims and Interests*

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the

Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

D. *Exculpation*

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of this Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with this Plan, the Disclosure Statement,

the Definitive Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of this Plan; *provided*, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with this Plan or assumed pursuant to this Plan or Final Order of the Bankruptcy Court; *provided*, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of this Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to this Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan or such distributions made pursuant to this Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. *Permanent Injunction*

Except as otherwise expressly provided in the Transaction Support Agreement, this Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to this Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11 Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to

Article IX hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. *SEC Reservation of Rights*

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF PLAN

A. *Modification of Plan*

Subject to the terms of the Transaction Support Agreement and the limitations contained in this Plan, the Debtors or Reorganized Debtors reserve the right to, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court, in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Transaction Support Agreement: (1) amend or modify this Plan before the entry of the Combined Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code; (2) amend or modify this Plan after the entry of the Combined Order in accordance with section 1127(b) of the Bankruptcy Code and the Transaction Support Agreement upon order of the Bankruptcy Court; and (3) remedy any defect or omission or reconcile any inconsistency in this Plan in such manner as may be necessary to carry out the purpose and intent of this Plan upon order of the Bankruptcy Court. Section 8. *Additional Provisions Regarding Company Parties' Commitments.*

8.01. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require a Company Party or the board of directors, board of managers, or similar governing body of a Company Party, after consulting with outside counsel, to take any action or to refrain from taking any action with respect to the Transactions to the extent such Person or Persons determine in good faith that taking or failing to take such action would be inconsistent with applicable Law or its fiduciary obligations under applicable Law, and any such action or inaction pursuant to this Section 8.01 shall not be deemed to constitute a breach of this Agreement.

8.02. Notwithstanding anything to the contrary in this Agreement, but subject to the terms of Section 8.01 and this Section 8.02, each Company Party and its directors, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the right to: (a) consider, respond to, and facilitate access to information in response to unsolicited Alternative Transaction Proposals; (b) provide access to non-public information concerning any Company Party to any Entity or enter into confidentiality agreements or nondisclosure agreements with any Entity (*provided*, that the Company Parties shall use commercially reasonable efforts to require that any such agreements permit the Company to share copies of Alternative Transaction Proposals, the status of any discussions, and the identity of any counterparty with the Consenting Term Lenders and their respective advisors); and (c) enter into, maintain or continue discussions with respect to, or otherwise cooperate with, any inquiries or any proposals regarding an unsolicited Alternative Transaction Proposal, in each case if such Person or Entity determines, in good faith upon advice of outside counsel that failure to take such action would be inconsistent with the fiduciary duties of such Person under applicable Law. If the board of directors of the Company Parties decides (i) that proceeding with the Transactions would be inconsistent with the exercise of its fiduciary duties or applicable Law or (ii) in the exercise of its fiduciary duties, to pursue an Alternative Transaction Proposal (a "**Fiduciary Out**"), the Company Parties shall notify the counsel to the Consenting Stakeholders in writing (email being sufficient) within one (1) day of such decision. Upon any determination by any Company Party to exercise a Fiduciary Out, the other Parties to this Agreement shall be immediately and automatically relieved of any obligation to comply with their respective covenants and agreements herein.

8.03. Nothing in this Agreement shall: (a) impair or waive the rights of any Company Party to assert or raise any objection permitted under this Agreement in connection with the Transactions; or (b) prevent any Company Party from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement.

Section 9. *Transfer of Claims and Interests.*

9.01. During the Agreement Effective Period, except pursuant to consummation of the Transactions, no Consenting Stakeholder shall Transfer any ownership (including any beneficial ownership as defined in the Rule 13d-3 under the Exchange Act) in any Company Claims/Interests to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless either: (a) the transferee executes and delivers to counsel to the Company Parties and the counsel to the Ad Hoc Group, before the time of the proposed Transfer, a Transfer Agreement and, solely in the case of

Interests (i) if such transfer would violate an NOL Order, the transferee provides the Company Parties and the Ad Hoc Group Advisors reasonable time to analyze the tax consequences to the Company Parties of such Transfer and (ii) the Company Parties consent to such Transfer (such consent not to be unreasonably withheld, conditioned or delayed); or (b) solely in the case of Claims, the transferee (i) is not a Consenting Stakeholder and the transferee executes and delivers to counsel to the Company Parties and counsel to the Consenting Stakeholders, at or before the time such Transfer is effective, a Joinder or (ii) is a Consenting Stakeholder and the transferee provides notice of such Transfer (including the amount and type of Claims) to counsel to the Company Parties and the counsel to the Ad Hoc Group contemporaneously with the proposed Transfer.

9.02. Upon compliance with the requirements of Section 9.01, the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement only to the extent of the rights and obligations in respect of such Transferred Company Claims/Interests, and the transferee shall be deemed a “Consenting Stakeholder” (as a “Consenting Term Lender” or a “Consenting Stockholder Party” as applicable) and a “Party” under this Agreement. Any Transfer in violation of Section 9.01 shall be void *ab initio*.

9.03. This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Claims. Notwithstanding the foregoing, (a) such additional Claims shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties or counsel to the Consenting Stakeholders) and (b) such Consenting Stakeholder must provide notice of such acquisition (including the amount and type of Claims acquired) to counsel to the Company Parties and counsel to the Ad Hoc Group within three (3) Business Days of such acquisition.

9.04. This Section 9 shall not impose any obligation on any Company Party to issue any “cleansing letter” or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any of its Company Claims/Interests. Notwithstanding anything to the contrary in this Agreement, to the extent a Company Party and another Party have entered into a Confidentiality Agreement, the terms of such Confidentiality Agreement shall continue to apply and remain in full force and effect according to its terms, and this Agreement does not supersede any rights or obligations otherwise arising under such Confidentiality Agreements.

9.05. Notwithstanding Section 9.01, a Qualified Marketmaker that acquires any Company Claims/Interests with the purpose and intent of acting as a Qualified Marketmaker for such Company Claims/Interests shall not be required to execute and deliver a Transfer Agreement in respect of such Company Claims/Interests if (a) such Qualified Marketmaker subsequently Transfers such Company Claims/Interests (by purchase, sale assignment, participation, or otherwise) within ten (10) Business Days of its acquisition to a transferee that is an Entity that is not an Affiliate, affiliated fund, or affiliated Entity with a common investment advisor; (b) the transferee otherwise is a Permitted Transferee under Section 9.01; and (c) the Transfer otherwise is a permitted Transfer under Section 9.01. To the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title or interests in Company Claims/Interests that the Qualified Marketmaker acquires from a holder of the Company Claims/Interests who is not a Consenting Stakeholder without the requirement that the transferee be a Permitted Transferee. Notwithstanding anything herein to the contrary, this Section 9.05 shall not apply with respect to any Interests owned or held by any Consenting Stockholder Party. For the avoidance of doubt, if a Qualified Marketmaker acquires any Company Claims/Interests from a Consenting Stakeholder and is unable to Transfer such Company Claims/Interests within the ten (10) Business Day-period referred to above, the Qualified Marketmaker shall execute and deliver a Joinder in respect of such Company Claims/Interests. Notwithstanding the immediately preceding sentence, a Qualified Marketmaker may Transfer any right,

title, or interest in any Company Claims/Interests that it acquires from a Consenting Stakeholder to another Qualified Marketmaker (the “**Transferee Qualified Marketmaker**”) without the requirement that the Transferee Qualified Marketmaker execute and deliver to each of counsel to the Company Parties and counsel to the Ad Hoc Group, a Joinder in respect of such Company Claims/Interests or be a Permitted Transferee, if such Transferee Qualified Marketmaker Transfers the right, title or interest in such Company Claims/Interests within ten (10) Business Days of its acquisition from the Qualified Marketmaker to a transferee that (A) is a Consenting Stakeholder or Permitted Transferee at the time of such Transfer or (B) becomes a Consenting Stakeholder or Permitted Transferee by the date of settlement of such Transfer by signing a Joinder. From the date of such Qualified Marketmaker’s acquisition or such Company Claims/Interests through the date such Company Claims/Interests are Transferred in accordance herewith, the Qualified Marketmaker shall vote such Company Claims/Interests as the Required Consenting Stakeholders shall direct.

9.06. Notwithstanding anything to the contrary in this Section 9, the restrictions on Transfer set forth in this Section 9 shall not apply to the grant of any liens or encumbrances on any Claims in favor of a bank or broker-dealer holding custody of such Claims and Interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such Claims.

9.07. In connection with any Transfer permitted by this Section 9, each of the transferor and the transferee shall deliver to the Company Parties such information and documentation as reasonably requested by such Company Parties (including as requested by any transfer agent of such Company Parties) in order to validly effectuate such Transfer and/or substantiate compliance with any applicable law.

Section 10. *Representations and Warranties of Consenting Term Lenders.*

Each of the Consenting Term Lenders represents, warrants, and covenants to each other Party, severally, and not jointly, that, as of (i) the Execution Date and (ii) the Plan Effective Date (but, in respect of the foregoing (ii), subject to changes resulting from any Transfers made pursuant to Section 9 of this Agreement):

(b) it has the full power and authority to act on behalf of, vote, and consent to matters concerning, such Company Claims/Interests (or, with respect to Company Claims/Interests subject to an agreement to purchase which has not closed as of the date hereof, will have such power and authority upon closing);

(c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Term Lender's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed;

(d) it has the full power to vote, approve changes to, and Transfer all of its Company Claims/Interests referable to it as contemplated by this Agreement subject to applicable Law (or, with respect to Company Claims/Interests subject to an agreement to purchase which has not closed as of the date hereof, will have such power and authority upon closing); and

(e) it is either (i) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (ii) not a U.S. Person (as defined in Regulation S of the Securities Act), or (iii) an institutional accredited investor (as defined in the Rules); and any securities acquired by such Consenting Term Lender in connection with the Transactions will have been acquired for investment and not with a view to distribution or resale in violation of the Securities Act.

Section 11. *Representations and Warranties of Consenting Stockholder Parties.*

Each of the Consenting Stockholder Parties represents, warrants, and covenants to each other Party, severally, and not jointly, that, as of (i) the Execution Date and (ii) the Plan Effective Date (but, in respect of the foregoing (ii), subject to changes resulting from any Transfers made pursuant to Section 9 of this Agreement):

(a) (i) it is the beneficial or record owner of the Company Claims/Interests or is the nominee, investment manager, advisor, or subadvisor for beneficial holders of the Company Claims/Interests reflected in such Consenting Stockholder Party's signature page to this Agreement or a Transfer Agreement, as applicable (as may be updated as a result of any Transfers pursuant to Section 9 of this Agreement) and (ii) having made reasonable inquiry, it is not the beneficial or record owner of any Company Claims/Interests other than those reflected in such Consenting Stockholder Party's signature page to this Agreement or a Transfer Agreement, as applicable (as may be updated as a result of any Transfers pursuant to Section 9 of this Agreement);

(b) it has the full power and authority to act on behalf of, vote, and consent to matters concerning, such Company Claims/Interests (or, with respect to Company Claims/Interests subject to an agreement to purchase which has not closed as of the date hereof, will have such power upon closing);

(c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Stockholder Party's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed, other than (i) any such restriction arising under this Agreement and (ii) any such restriction arising under applicable state or federal securities Laws;

(k) the Bankruptcy Court enters an order denying confirmation of the Plan and such order remains in effect for ten (10) Business Days after entry of such order; provided, that no Consenting Term Lender shall have the right to terminate this Agreement pursuant to this Section 14.03(k) if the Bankruptcy Court denies confirmation of the Plan subject only to the making of ministerial, administrative, or immaterial modifications to the Plan; the Bankruptcy Court grants relief that is inconsistent with this Agreement or the Transaction Term Sheet in any material respect; or any Company Party terminates this Agreement pursuant to Section 14.02.

14.04. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among all of the following: (a) the Required Consenting Term Lenders; (b) each Company Party; and (c) the Required Consenting Stockholder Parties.

14.05. Automatic Termination. This Agreement shall terminate automatically as to all Parties without any further required action or notice immediately after the occurrence of the earlier of (x) the Outside Date or (y) Plan Effective Date, as applicable, other than with respect to (i) the Company Parties' obligations (or the obligations of their successors in interest) to pay the Transaction Party Fees and Expenses incurred through and after the Plan Effective Date, which obligation will survive automatic termination, (ii) any indemnification obligations assumed pursuant to the Transaction Term Sheet or Definitive Documents, and (iii) the provisions of this Agreement set forth in Section 17.21.

14.06. Effect of Termination. Upon the occurrence of a Termination Date, and other than as set forth in Section 14.05 upon an automatic termination of this Agreement, this Agreement shall be of no further force and effect as to such Party and each Party subject to such termination shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims or Causes of Action; *provided, however*, that in no event shall any such termination relieve any Party from (i) liability for its willful or intentional breach or non-performance of its obligations under this Agreement prior to the Termination Date or (ii) obligations under this Agreement which by their terms expressly survive termination of this Agreement. Upon the occurrence of a Termination Date prior to the Plan Effective Date, cause exists pursuant to Rule 3018 of the Federal Rules of Bankruptcy Procedure and, subject to the requirements of such rule, any and all consents, directions, votes, or ballots provided or tendered by the Parties subject to such termination with respect to the Transactions, in each case before the Termination

Date, shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Transactions, this Agreement, or otherwise (without the need to seek an order of a court of competent jurisdiction or consent from the Company Parties or any other applicable Party allowing such change). If this Agreement is terminated in accordance with this Section 14, each Consenting Stakeholder shall have an opportunity to change or withdraw (or cause to change or withdraw) its vote to accept the Plan or its consent (regardless of whether any deadline for votes or consents, or for withdrawal thereof, set forth in the Disclosure Statement has passed) and no Company Party shall oppose any attempt by such Consenting Stakeholder to change or withdraw (or cause to change or withdraw) such vote or consent at such time. Nothing in this Agreement shall be construed as prohibiting a Company Party or any of the Consenting Stakeholders from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Stakeholder, and (b) any right of any Consenting Stakeholder or the ability of any Consenting Stakeholder to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or other Consenting Stakeholder. No purported termination of this Agreement shall be effective under this Section 14.06 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement or directly or intentionally caused or otherwise supported any action resulting in material breach of this Agreement. Nothing in this Section 14.06 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 14.02(b). For the avoidance of doubt, nothing in this Section 14.06 shall alter the Company Parties' obligations (or the obligations of their successors in interest) to pay the Transaction Party Fees and Expenses incurred through the Termination Date pursuant to Section 17.05.

Section 15. *Amendments and Waivers.*

15.01. This Agreement may not be modified, amended, or supplemented, and no condition or requirement of this Agreement may be waived, in any manner except in accordance with this Section 15.

15.02. Except as otherwise expressly provided, this Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived (collectively, each a "**Modification/Waiver**"), in a writing signed by: (i) each Company Party, (ii) the Required Consenting Term Lenders, (iii) if the Modification/Waiver involves a Consenting Stockholder Party Matter, the Required Consenting Stockholder Parties, (iv) in the case of any Modification/Waiver to Section 10 or Section 13 that expands the representations made by a Consenting Stakeholder thereunder, each such affected Consenting Stakeholder, and (v) in the case of a Joinder, the Joinder will be effective upon execution by the Joinder Party, and in the case of any Modification/Waiver thereof, the Company Parties and the respective Joinder Party with the consent of the Required Consenting Term Lenders, *provided*, however, that (y) if the proposed modification, amendment, waiver, or supplement has a material, disproportionate, and adverse effect on (i) the treatment of Company Claims/Interests held by a Consenting Stakeholder relative to the Company Claims/Interests of such type held by the other Consenting Stakeholders, or (ii) the rights or obligations of a Consenting Stakeholder under this Agreement or the other Definitive Documents relative to such rights or obligations of the other Consenting Stakeholders, then, in each case, the consent of each such affected Consenting Stakeholder shall also be required to effectuate such modification, amendment, waiver, or supplement, and (z) any modification, amendment, or supplement to Section 14.05 or Section 15 or any modification or amendment to the definitions of "Company Parties," "Required Consenting Stakeholders," "Required Consenting Stockholder Parties," and any other defined term whose definition affects the Entities covered by "Company Parties" or "Required Consenting Stakeholders," shall require the written consent of all Parties.

15.03. In determining whether any consent or approval has been given by the Required Consenting Stakeholders, any Company Claims/Interests held by any then-existing Consenting Stakeholder that is in material breach of its covenants, obligations, or representations under this Agreement shall be excluded from such determination, and the Company Claims/Interests, as applicable, held by such Consenting Stakeholder shall be treated as if they were not outstanding.

15.04. Any proposed modification, amendment, waiver, or supplement that does not comply with this Section 15 shall be ineffective and void *ab initio*.

15.05. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Section 16. *Termination of Existing Stockholders Agreement.*

16.01. Effective as of the Plan Effective Date, the Existing Stockholders Agreement shall be deemed to be terminated, canceled, released, and extinguished in accordance with section 5.9 thereof; *provided* that the foregoing shall not apply to any indemnification obligations assumed pursuant to the Transaction Term Sheet or Definitive Documents.

Section 17. *Miscellaneous.*

17.01. Acknowledgement.

(a) Each Party irrevocably acknowledges and agrees that this Agreement is not and shall not be deemed to be a solicitation for acceptances of a chapter 11 plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such solicitation will be made only in compliance with all applicable provisions of the Bankruptcy Code, and/or other applicable Law.

17.04. Complete Agreement. Except as otherwise explicitly provided in this Agreement, this Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, among the Parties with respect to the subject matter of this Agreement, other than any Confidentiality Agreement.

To the extent applicable, the Plan and any DIP/Cash Collateral Order shall contain appropriate provisions to give effect to the obligations under this Section 17.05.

(b) The Company Parties hereby acknowledge and agree that the Consenting Stakeholders have expended, and will continue to expend, considerable time, effort, and expense in connection with this Agreement and the negotiation of the Transactions, and that this Agreement provides substantial value to, is beneficial to, and is necessary to preserve, the Company Parties, and that the Consenting Stakeholders have made a substantial contribution to the Company Parties and the Transactions. To the extent applicable, subject to the approval of the Bankruptcy Court, the Company Parties shall reimburse or pay (as the case may be) all reasonable and documented Transaction Party Fees and Expenses pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. The Company Parties hereby acknowledge and agree that the Transaction Party Fees and Expenses are of the type that should be entitled to treatment as, and the Company Parties shall seek treatment of such Transaction Party Fees and Expenses as, administrative expense claims pursuant to sections 503(b) and 507(a)(2) of the Bankruptcy Code. For the avoidance of doubt, nothing in this Section 17.05 shall require the Debtors to assume this Agreement during the Chapter 11 Cases.

17.06. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM. THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT (WHETHER IN CONTRACT, TORT OR OTHERWISE), IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH (A) THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF; AND (B) IF THE

CHAPTER 11 CASES ARE FILED, THE BANKRUPTCY CODE. Any suit, action, or proceeding brought in connection with this Agreement, whether in contract, tort or otherwise, shall be brought in the federal or state courts located in the City of New York, borough of Manhattan, New York, and the Parties hereby irrevocably consent to the exclusive jurisdiction of such courts, agree not to commence any suit, action, or proceeding relating thereto except in such courts, and waive, to the fullest extent permitted by Law, the right to move to dismiss or transfer any suit, action or proceedings brought in such court on the basis of any objections as to venue or inconvenient forum or on the basis of any objection to personal jurisdiction. Notwithstanding the foregoing consent to New York jurisdiction, if the Chapter 11 Cases are commenced, each Party agrees that the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement. By executing and delivering this Agreement, and upon commencement of the Chapter 11 Cases, each of the Parties irrevocably and unconditionally submits to the exclusive jurisdiction of the Bankruptcy Court, waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court, and waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any Party hereto.

17.07. TRIAL BY JURY WAIVER. EACH OF THE PARTIES IRREVOCABLY WAIVES ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, BETWEEN ANY OF THE PARTIES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. The words “execution”, “execute”, “signed”, “signature”, and words of like import in or related to any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by us, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity, or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

17.09. Rules of Construction. This Agreement is the product of negotiations among the Company Parties and the Consenting Stakeholders, and in the enforcement or interpretation of this Agreement, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion of this Agreement, shall not be effective in regard to the interpretation of this Agreement. The Company Parties and the Consenting Stakeholders were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

17.12. Independent Due Diligence and Decision Making. Each Consenting Stakeholder hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions, and prospects of the Company Parties.

17.13. Enforceability of Agreement. Each of the Parties to the extent enforceable waives any right to assert that the exercise of termination rights under this Agreement is subject to the automatic stay provisions of the Bankruptcy Code, and expressly stipulates and consents hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising termination rights under this Agreement, to the extent the Bankruptcy Court determines that such relief is required.

17.14. Waiver. If the Transactions are not consummated, or if this Agreement is terminated for any reason, nothing herein shall be construed as a waiver by any Party of any or all of such Party's rights, remedies, Claims, and defenses and the Parties fully reserve any and all of their rights, remedies, claims,

and defenses. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

17.15. Specific Performance. It is understood and agreed by the Parties that money damages may be an insufficient remedy for any breach of this Agreement (including Section 15 of this Agreement) by any Party, and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of any court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

17.16. Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and not joint.

17.17. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

17.18. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect of this Agreement at Law or in equity shall be cumulative and not alternative. The exercise of any right, power, or remedy by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party. No failure of any Party to exercise, and no delay in exercising, any such right, power, or remedy shall operate as a waiver of any such right, power, or remedy.

17.19. Capacities of Consenting Stakeholders. Each Consenting Stakeholder has entered into this Agreement on account of all Company Claims/Interests that it holds or beneficially owns (directly or through discretionary accounts that it manages, advises, or subsidiary-advises) and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Company Claims/Interests.

17.20. Relationship Among Parties.

(a) It is understood and agreed that no Consenting Stakeholder owes a fiduciary duty or duty of trust or confidence of any kind or form to any other Party. In this regard, it is understood and agreed that any Consenting Stakeholder may trade in Company Claims/Interests without the consent of the Company or any other Consenting Stakeholder, subject to the applicable securities laws and the terms of this Agreement. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and agreement. No Consenting Stakeholder shall, as a result of its entering into and performing its obligations under this Agreement, be deemed to be a part of a “group” (as that term is used in Rule 13d of the Exchange Act) with any other Party. For the avoidance of doubt, no action taken by a Consenting Stakeholder pursuant to this Agreement shall be deemed to constitute or to create a presumption by any of the Parties that the Consenting Stakeholders are in any way acting in concert or as such a “group.”

(b) Each Consenting Stakeholder acknowledges to each other Consenting Stakeholder (including to any Person acting on behalf of such Consenting Stakeholder, including any financial or other advisor of any of the foregoing) that: (i) the Transactions described herein are arm’s-length commercial

transactions among the parties hereto; (ii) it has consulted its own legal, accounting, regulatory, and tax advisors to the extent it has deemed appropriate; (iii) it has the requisite knowledge and experience in financial and business matters so that it is capable of evaluating, and understands and accepts, the terms, merits, risks, and conditions of the Transactions contemplated hereby, and has had such opportunity as it has deemed adequate to obtain such information as is necessary to permit such Consenting Stakeholder to evaluate the terms, merits, risks, and conditions of the Transactions contemplated hereby; and (iv) the Consenting Stakeholders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the other Consenting Stakeholders and their respective Affiliates, and the Consenting Stakeholders have no obligation to disclose any such interests to any other Consenting Stakeholders or their respective Affiliates. Each Consenting Stakeholder further acknowledges for the benefit of the other Consenting Stakeholders (including for the benefit of any Person acting on behalf of any other Consenting Stakeholder, including any financial, legal, or other advisor of any of the foregoing) that it has, independently and without reliance upon any statement, representation, or warranty made by any Party or Person (or any such other Party's or Person's financial, legal, or other advisors or representatives), other than those expressly contained in this Agreement, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and that it has not relied on the credit analysis and decision or due diligence investigation of any other Party or Person (or any such other Party's or Person's financial, legal, or other advisors or representatives). No securities of the Company Parties are being offered or sold hereby, and this Agreement neither constitutes an offer to sell nor a solicitation of an offer to buy any securities of the Company Parties.

17.21. Survival. Notwithstanding (a) any Transfer of any Company Claims/Interests in accordance with this Agreement or (b) the termination of this Agreement in accordance with its terms, Section 14.06, the agreements and obligations of the Parties in Section 17, and the Confidentiality Agreements shall survive such Transfer and/or termination and shall continue in full force and effect for the benefit of the Parties in accordance with the terms hereof and thereof. For the avoidance of doubt, nothing in this Section 17.21 shall alter the Company Parties' obligations (or the obligations of their successors in interest) to pay the Transaction Party Fees and Expenses incurred through the Termination Date.

17.22. Email Consents. Where a written consent, acceptance, approval, notice, or waiver is required pursuant to or contemplated by this Agreement, including a written approval by the Company Parties or the Required Consenting Stakeholders, such written consent, acceptance, approval, notice, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

17.23. Publicity of Ad Hoc Group.

(a) The Company Parties shall submit drafts to the Ad Hoc Group Advisors of any press releases or other public statement or public disclosure of the existence or terms of this Agreement or any amendment to the terms of this Agreement at least two (2) Business Days prior to making any such disclosure; *provided* that if delivery of such document at least two (2) Business Days in advance of such disclosure is impracticable under the circumstances, such document shall be delivered as soon as otherwise practicable, and shall afford them a reasonable opportunity under the circumstances to comment on such documents and disclosures and shall incorporate any such reasonable comments in good faith.

(b) Except as required by Law, no Party or its advisors shall (x) other than as necessary during live court proceedings, in any Definitive Document attached to a filing as contemplated by this Agreement and in filings reasonably requiring the use of the name of a Consenting Term Lender, in each case in

connection with the Chapter 11 Cases, use the name of any Consenting Term Lender in any public manner (including in any press release) with respect to this Agreement, the Transactions, or any of the Definitive Documents, or (y) disclose to any Person, other than advisors to the Company Parties, the principal amount or percentage of any Company Claims/Interests held by any Consenting Term Lender without such Consenting Term Lender's prior written consent or, to the extent a Consenting Term Lender is a Backstop Party, such Consenting Term Lender's backstop allocation (it being understood and agreed that each Consenting Term Lender's signature page to this Agreement and Exhibit 3 to the Transaction Term Sheet shall be redacted to remove the name of such Consenting Term Lender and the amount and/or percentage of Company Claims/Interests held by such Consenting Term Lender and/or its backstop allocation); *provided, however*, that (i) if such disclosure is required by Law, the disclosing Party shall afford the relevant Consenting Term Lender a reasonable opportunity to consent in advance of such disclosure and shall take all commercially reasonable measures to limit such disclosure to the extent practicable and permitted by applicable Law and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of Company Claims/Interests held by the Consenting Term Lenders, collectively. Notwithstanding the provisions in this Section 17.23, any Party may disclose, to the extent expressly consented to in writing by a Consenting Term Lender such Consenting Term Lender's identity, individual holdings, and backstop allocation.

17.24. No Recourse. This Agreement may only be enforced against the named parties hereto (and then only to the extent of the specific obligations undertaken by such parties in this Agreement). All claims or Causes of Action (whether in contract, tort, equity, or any other theory) that may be based upon, arise out of, or relate to this Agreement, or the negotiation, execution, or performance of this Agreement, may be made only against the Persons that are expressly identified as parties hereto (and then only to the extent of the specific obligations undertaken by such parties herein). No past, present, or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, Affiliate, controlling person, agent, attorney, or other representative of any party hereto (including any person negotiating or executing this Agreement on behalf of a party hereto), nor any past, present or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, Affiliate, controlling person, agent, attorney, or other representative of any of the foregoing (other than any of the foregoing that is a Party hereto), shall have any liability with respect to this Agreement or with respect to any proceeding (whether in contract, tort, equity, or any other theory that seeks to "pierce the corporate veil" or impose liability of an Entity against its owners or Affiliates or otherwise) that may arise out of or relate to this Agreement, or the negotiation, execution, or performance of this Agreement.

17.25. Reporting of Claims. The Parties agree and acknowledge that the Consenting Stakeholders' rights are reserved with respect to the reported amount of the Company Claims/Interests in each Consenting Stakeholder's signature block (including any reporting or lack of reporting with respect to principal, accrued and unpaid interest, fees and expenses) and any disclosure made on any signature block shall be without prejudice to any subsequent assertion by or on behalf of such Consenting Stakeholder of the full amount of its Company Claims/Interests.

17.26. Computation of Time. Bankruptcy Rule 9006(a) applies in computing any period of time prescribed or allowed herein.

17.27. Tax Matters. Each Party hereby acknowledges and agrees that the terms of the Transactions shall be structured to minimize the tax impact of the Transactions on the Company Parties and the Consenting Stakeholders while preserving or otherwise maximizing favorable tax attributes (including tax basis) of the Reorganized TCSG, as a result of the consummation of the Transactions to the extent practicable, in each case as determined by the Consenting Stakeholders.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the day and year first above written.

EXECUTION VERSION**Summary of Terms of Governance Documents**

Capitalized terms used in this Summary of Terms of Governance Documents (this “Governance Term Sheet”) and not otherwise defined herein shall have the meanings given to such terms in the Transaction Support Agreement, dated as of December 21, 2024 (as amended, restated, supplemented or otherwise modified from time to time, the “TSA”) to which this Governance Term Sheet is attached as Exhibit 4.

New TopCo:

New TopCo will be a newly formed Delaware limited liability company that will be treated as a partnership for U.S. federal income tax purposes. New TopCo and its subsidiaries shall be referred to herein, individually, as a Company” and, collectively, the “Companies”.

Parties to New LLC Agreement:

On the Plan Effective Date, New TopCo will enter into a limited liability company agreement (the “New LLC Agreement”) with each Person that receives New Common Units (as defined below) in connection with the Transactions.

Persons that own or hold New Common Units from time to time are referred to herein, each as a “Unitholder” and, collectively, the “Unitholders”.

New Common Units:

The New LLC Agreement shall provide for the following two classes of limited liability company interests: (i) Class A Voting Common Units (“Class A Common Units”), and (ii) Class B Limited-Voting Common Units (“Class B Common Units”). The Class A Common Units and the Class B Common Units are collectively referred to in this Governance Term Sheet as the “New Common Units”. Class A Common Units will be voting units and will be issued on the Plan Effective Date in accordance with the TSA. Class B Common Units will be limited-voting units and may be issued from time to time pursuant to awards granted to directors, managers, officers and employees of any of the Companies under a management incentive plan to be adopted by the New Board (as defined below), as determined by the New Board in its sole discretion.

None of the New Common Units will be listed for trading on a securities exchange, and none of the Companies will be required to file reports with the United States Securities and Exchange Commission unless it is required to do so pursuant to the Exchange Act.

The New Board shall decide whether the New Common Units will be certificated or uncertificated and the identity of the transfer agent, if any, for the New Common Units.

References herein to any class or series of New Common Units shall apply to limited liability company interests or other equity securities of New TopCo issued to Unitholders in respect of, in

exchange for, or in substitution of, such class or series of New Common Units by reason of any reorganization, recapitalization, reclassification, merger, consolidation, spin-off, partial or complete liquidation, unit dividend, split-up, sale of assets, distribution to unitholders or combination of such class or series of New Common Units or any other change in New TopCo's capital structure.

Board of Managers:

The New Board shall consist of five (5) managers on the Plan Effective Date (each manager on the New Board, a "Manager" and, collectively, the "Managers"). The Managers are to be appointed or elected as follows:

- (i) the following number of individuals designated by Unitholders that are Affiliates of Golub Capital LLC (collectively, "Golub Unitholders"): (x) two (2) individuals for so long as the Golub Unitholders own or hold a number of Class A Units that is equal to or greater than fifty percent (50.0%) of the number of Class A Common Units owned or held by the Golub Unitholders on the Plan Effective Date and (y) one (1) individual for so long as the Golub Unitholders own or hold a number of Class A Units that is equal to or greater than thirty percent (30.0%) of the number of Class A Common Units owned or held by the Golub Unitholders on the Plan Effective Date, but less than fifty percent (50.0%) of the number of Class A Common Units owned or held by the Golub Unitholders on the Plan Effective Date (such individuals, the "Golub Managers" and each, a "Golub Manager");
- (ii) one (1) individual designated by Unitholders that are Affiliates of LCM Asset Management LLC (collectively, "LCM Unitholders") for so long as the LCM Unitholders own or hold a number of Class A Units that is equal to or greater than fifty percent (50.0%) of the number of Class A Common Units owned or held by the LCM Unitholders on the Plan Effective Date;
- (iii) one (1) individual who is not employed by (A) any of the Companies or (B) any of the Unitholders or any of their respective Affiliates as of the time that such person is designated to be a Manager or at any time three (3) months prior to such time (an "Independent Designee") designated by vote of Specified Unitholders (as defined below) holding a plurality of the votes of the Class A Common Units present in person or represented by proxy at a meeting of Specified Unitholders held for purposes of electing such individual (or by the Majority Specified Unitholders (as defined below) acting by written consent); and

- (iv) the individual serving as the Chief Executive Officer of New TopCo (the “Chief Executive Officer” and as a Manager, the “CEO Manager”).

If at any time (A) a designation right of Unitholder(s) set forth in clause (i) or clause (ii) above or (B) any designation right that is transferred pursuant to the fourth paragraph of this “Board of Managers” section of this Governance Term Sheet (any such designation right described in clause (A) or clause (B), together with the designation right set forth in clause (iii) above, a “Designation Right”) terminates or is reduced, the Manager(s) serving on the New Board as a result of such terminated or reduced Designation Right shall be removed from the New Board at the request of the Majority Unitholders (as defined below), the vacancy created thereby shall be filled by vote of Unitholders holding a plurality of the votes of the Class A Common Units present in person or represented by proxy at a meeting of Unitholders held for purposes of filling such vacancy (or by the Majority Unitholders acting by written consent), and the reduction or termination of such Designation Right shall be permanent and shall not be reversed if the applicable Unitholder(s) shall thereafter own or hold Class A Common Units equal to or greater than the applicable specified threshold. The Designation Right set forth in clause (iii) above shall not be subject to termination or reduction.

The term “Majority Unitholders” means, as of any time of determination, Unitholders that collectively own or hold greater than fifty percent (50.0%) of the issued and outstanding Class A Common Units as of such time of determination. The term “Majority Specified Unitholders” means, as of any time of determination, Specified Unitholders as of such time of determination who collectively own or hold greater than fifty percent (50.0%) of the issued and outstanding Class A Common Units owned or held by all Specified Unitholders as of such time of determination. The term “Specified Unitholders” means Unitholders that, as of the time of determination, do not have a Designation Right pursuant to clause (i) or clause (ii) above.

Designation Rights of a Designating Group (as defined below) shall be transferable to any Person or group of Persons that are Affiliates of one another that (i) acquires at least fifty percent (50.0%) of the Designating Group’s Class A Common Units in such transfer and (ii) owns, individually or together with its Affiliates, immediately after giving effect to such transfer, at least ten percent (10.0%) of the issued and outstanding Class A Common Units as of such time. A Designating Group that is transferred a Designation Right pursuant to this paragraph shall continue to have such Designation Right for so long as such

Designating Group owns or holds at least ten percent (10.0%) of the issued and outstanding Class A Common Units.

The term “Designating Group” means any of the following groups of Unitholders: (a) the Golub Unitholders, (b) the LCM Unitholders and (c) any group of Unitholders that acquires a Designation Right pursuant to the fourth paragraph of this “Board of Managers” section of this Governance Term Sheet; provided, that a group of Unitholders will cease to be a “Designating Group” once the Unitholders in such group do not have a Designation Right.

Each Major Unitholder (as defined below) (each, an “Observer Unitholder”) shall have the right to appoint one (1) observer to the New Board (a “Board Observer”); provided, that an Observer Unitholder shall not be entitled to have a Board Observer at any time when any of the Managers is an employee of such Observer Unitholder or any of its Affiliates (other than any of the Companies). Each Board Observer shall be reimbursed for the reasonable and documented out-of-pocket costs and expenses incurred by such Board Observer in connection with attending any Meeting (as defined below).

The term “Major Unitholder” means each Unitholder that owns or holds (together with its Affiliates) at least five percent (5.0%) of the issued and outstanding Class A Common Units as of the Plan Effective Date (immediately after giving effect to the consummation of the Transactions, including all payments and distributions to be made on or as of the Plan Effective Date); provided, that a Unitholder will permanently cease to be a “Major Unitholder” once such Unitholder owns or holds (together with its Affiliates) less than five percent (5.0%) of the issued and outstanding Class A Common Units.

The chairperson of the New Board (the “Chairperson”) shall be one of the Golub Managers, as determined by the Golub Unitholders; provided, however, that if the Golub Unitholders are not permitted to designate two (2) Golub Managers pursuant to their Designation Right, then the Chairperson shall be a Manager elected by the New Board.

Managers not employed by any of the Companies, any of the Unitholders or any Affiliates of any of the Unitholders shall receive market-rate compensation from New TopCo, such market-rate compensation to be determined by the Majority Unitholders. Each Manager shall be reimbursed for reasonable and documented out-of-pocket costs and expenses incurred in the performance of his or her duties as a Manager.

The New Board may, by majority vote, establish one or more committees of the New Board to exercise the powers of the New

Board, subject to the limitations set forth in the Delaware Limited Liability Company Act (the “DLLCA”). Each Manager that is elected pursuant to a Designation Right shall have the right to serve on any such committee of the New Board (other than any committee that is established to evaluate, consider, approve, negotiate or otherwise deal with a contract, transaction or other matter with respect to which such Manager, or the Unitholders that designated such Manager (which, in the case of an Independent Designee, shall only include Specified Unitholders that own or hold (together with their respective Affiliates), as of the time of determination, at least fifteen percent (15.0%) of the issued and outstanding Class A Common Units owned or held by all Specified Unitholders as of such time), has/have a conflict of interest) with at least the same proportional voting rights as such Manager has on the New Board. The provisions of this paragraph shall be deemed to be included in a Designation Right. For the avoidance of doubt, no committee shall be authorized to take any action that the New Board could not take itself.

None of (A) the Unitholders (except any Unitholder that is an employee of any of the Companies, any Unitholder that is a family member of an employee of any of the Companies, or any Unitholder that is controlled by an employee of any of the Companies or any such employee’s family members), (B) the Managers (except any Manager that is employed by any of the Companies (including the Chief Executive Officer) or is a family member of any employee of any of the Companies), or (C) the Affiliates of any Unitholders described in clause (A) or the Affiliates of any of the Managers described in clause (B) (except any such Affiliate that is an employee of any of the Companies, any such Affiliate that is a family member of any employee of any of the Companies, or any such Affiliate that is controlled by any employee of any of the Companies or any such employee’s family members) (the foregoing Persons, the “Identified Persons”) will be subject to any fiduciary or other duty, including any duty relating to the doctrine of corporate (or analogous) opportunity or any other similar doctrines and the New LLC Agreement will provide for a broad corporate (or analogous) opportunity waiver in favor of all Identified Persons. The New LLC Agreement shall provide that the fiduciary duties of the Identified Persons shall be eliminated or limited to the fullest extent permitted by the DLLCA.

Nothing contained in the New LLC Agreement shall limit or otherwise impact the ability of any Identified Person (i) to, directly or indirectly, sell or purchase the debt or equity securities of any Person (other than New TopCo) or (ii) from engaging or competing in any line of business.

Quorum and Voting:

A quorum for meetings of the New Board will require the attendance of a majority of the Managers then in office; provided,

however, that for so long as the Golub Unitholders have the right to designate two (2) Golub Managers pursuant to their Designation Right, a quorum for any meeting of the New Board will require the attendance of at least one Golub Manager. Except with respect to the actions listed on Schedule A, the vote of a majority of the Managers present and entitled to vote at a meeting at which a quorum is present shall be the act of the New Board, unless the express provision of a statute requires a different vote, in which case such express provision shall govern and control. Any Manager or member of any committee of the New Board may participate in any meeting of the New Board or any committee of the New Board (each such meeting, a “Meeting”) through the use of any means of communication by which all persons participating can hear each other at the same time or by any other means permitted by the DLLCA. Any Manager or member of any committee of the New Board participating in any such Meeting by any such means of communication is deemed to be present in person at such Meeting.

Any action required or permitted to be taken at any meeting of the New Board may be taken without a meeting, without prior notice and without a vote if the lesser of the following consent thereto in writing: (a) four (4) members of the New Board and (b) all members then-serving on the New Board; provided, that Required Managers (as defined below) may act by written consent as set forth in the “Certain Transactions Requiring Approval of Majority Unitholders and Required Managers” section of this Governance Term Sheet.

Removal of Managers:

Except for any removal of a Manager on account of the termination or reduction of a Designation Right, the Unitholder(s) entitled to designate a Manager pursuant to a Designation Right (including the Majority Specified Unitholders in the case of the Independent Designee) shall have the exclusive right to require removal, whether with or without cause, of the Manager(s) that has/have been designated by such Unitholder(s). If for any reason the individual serving as the Chief Executive Officer shall cease to serve as the Chief Executive Officer, then (x) such individual shall be automatically removed as a Manager, and (y) the successor Chief Executive Officer shall be automatically appointed as a Manager when such person becomes the Chief Executive Officer. Any Manager that is not designated pursuant to a Designation Right and is not the Chief Executive Officer may be removed, with or without cause, by the Majority Unitholders.

Vacancies on the New Board:

Except for any vacancy on the New Board created as a result of the resignation or removal of a Manager on account of the termination or reduction of a Designation Right, any vacancy on the New Board resulting from the resignation or removal of a Manager that was designated pursuant to a Designation Right, or resulting from any such Manager becoming unable to serve on the

New Board as a result of death, disability or otherwise, shall be filled by the Unitholder(s) then entitled to designate such Manager pursuant to such Designation Right (including the Majority Specified Unitholders in the case of the Independent Designee). Any vacancy on the New Board resulting from the resignation or removal of a Manager that is not designated pursuant to a Designation Right (other than the Chief Executive Officer), or resulting from any such Manager becoming unable to serve on the New Board as a result of death, disability or otherwise, shall be filled by vote of Unitholders holding a plurality of the votes of the Class A Common Units present in person or represented by proxy at a meeting of Unitholders held for purposes of filling such vacancy (or by the Majority Unitholders acting by written consent). Any vacancy on the New Board resulting from the resignation or removal of a Manager on account of the termination or reduction of a Designation Right, shall be filled by vote of Unitholders holding a plurality of the votes of the Class A Common Units present in person or represented by proxy at a meeting of Unitholders held for purposes of filling such vacancy (or by the Majority Unitholders acting by written consent).

Board Meetings:

Regular meetings of the New Board shall be held at such time or times as may be determined by the New Board. In addition, the Chairperson or any two (2) Managers may call a special meeting of the New Board. Any such regular or special meeting may be done in person or by remote communication.

Subsidiaries:

The composition of the board of directors, board of managers or other governing body of any direct or indirect wholly-owned subsidiary of New TopCo (including any committee thereof) (each, a “Subsidiary Governing Body”) shall be comprised of one or more executive employees of any of the Companies or other individuals selected or approved by the New Board that are not employees of any of the Unitholders or any of their respective Affiliates (other than the Companies), except for any direct or indirect wholly-owned subsidiary of New TopCo which is either (i) a limited liability company that is managed by its members, (ii) a limited partnership that is managed by its general partner, or (iii) required by Law or contract to have a different composition.

Special Meetings of Unitholders:

Special meetings of the Unitholders may be called by the New Board or at the written request of the Unitholders or group of Unitholders who collectively own or hold at least twenty percent (20.0%) of the issued and outstanding Class A Common Units.

Action by written consent of the Unitholders without a meeting shall be permitted. Action by written consent shall require the consent of the Unitholders that own or hold the same percentage of New Common Units that would be required to take the same action at a Unitholder meeting at which all then-issued and

outstanding New Common Units entitled to vote thereon were present and voted.

Certain Transactions Requiring
Approval of Majority Unitholders and
Required Managers:

None of the Companies shall take any of the actions listed on Schedule A attached hereto without the approval of the New Board and the Majority Unitholders and the Required Managers.

The term “Required Managers” means the vote of 66 2/3% of the votes of all of the Managers present and entitled to vote at a meeting of the New Board at which a quorum is present; provided, that the votes of the CEO Manager shall be excluded for all purposes of this calculation. For the avoidance of doubt, if there is a meeting of the New Board and (i) five (5) Managers are present and entitled to vote at such meeting, then Required Managers shall require the vote of three (3) Managers (excluding the CEO Manager), and (ii) four (4) Managers (including the CEO Manager) are present and entitled to vote at such meeting, then Required Managers shall require the vote of two (2) Managers (excluding the CEO Manager). The Required Managers may also act by written consent if Managers holding not less than the total number of votes that would be necessary to authorize the action by Required Managers at a meeting of the New Board at which all Managers then in office were present and voted.

Amendments:

Any amendments to the New LLC Agreement will require the approval of the Majority Unitholders.

Notwithstanding the foregoing, no amendment or modification of any provision of the New LLC Agreement (including any amendments made pursuant to or in connection with a merger, consolidation or reorganization of New TopCo, except in connection with a Sale Transaction (as defined below)) relating to:

(i) “Transfers”, “Right of First Offer”, “Tag-Along Rights”, “Drag-Along Rights”, “Preemptive Rights”, “Information Rights” or “Limitations on Affiliate Transactions” shall, in any such case, be made without the affirmative vote or written consent of the Super-Majority Unitholders (as defined below);

(ii) any decrease or increase in the size of the New Board, the Designation Right of any Unitholder or group of Unitholders (including the right to transfer any Designation Right, to the extent applicable), the right of any Unitholder or group of Unitholders to remove any Manager that was designated pursuant to the Designation Right of such Unitholder or group of Unitholders, the right of any Manager that was elected pursuant to the Designation Right of any Unitholder or group of Unitholders

to serve on any committee of the New Board, the right of any Unitholder or group of Unitholders to fill the vacancy on the New Board created by the resignation, removal or inability to serve on the New Board of any Manager that was designated pursuant to the Designation Right of such Unitholder or group of Unitholders, or the appointment or removal and replacement of the Chairperson, shall, in any such case, be made without the affirmative vote or written consent of (A) each Designating Group and (B) the Majority Specified Unitholders;

(iii) the elimination or limitation of fiduciary duties of the Identified Persons, including any duty relating to the doctrine of corporate (or analogous) opportunity or any other similar doctrines, shall be made without the affirmative vote or written consent of each Designating Group;

(iv) the right of any Observer Unitholder to appoint, remove and/or replace a Board Observer or any of the rights of such Board Observer shall be made without the affirmative vote or written consent of each Major Unitholder;

(v) the definition of “Super-Majority Unitholders” shall be made without the affirmative vote or written consent of the Super-Majority Unitholders;

(vi) the definitions of “Majority Specified Unitholders” or “Specified Unitholders” shall, in either such case, be made without the affirmative vote or written consent of the Majority Specified Unitholders;

(vii) the proviso in the first sentence of the “Quorum and Voting” section of this Governance Term Sheet or the definitions of “Golub Unitholders” or “Designating Group” shall, in any such case, be made without the affirmative vote or written consent of the Golub Unitholders;

(viii) the definitions of “LCM Unitholders” or “Designating Group” shall, in either such case, be made without the affirmative vote or written consent of the LCM Unitholders; and

(ix) the amendments section of the New LLC Agreement shall be made without the affirmative vote or written consent of the Unitholder(s) or requisite percentage or number of Unitholders that would be required to amend the underlying provision of such New LLC Agreement to which such amendment or modification relates.

In addition, no amendment or modification of any provision of the New LLC Agreement (including any amendments made pursuant to or in connection with a merger, consolidation or reorganization

of New TopCo, except in connection with a Sale Transaction) that would materially and adversely affect the rights or materially increase the obligations of any Unitholder set forth in the New LLC Agreement in a manner that is disproportionate in any material respect to the comparable rights and obligations of the Majority Unitholders (without regard to any effect resulting from (x) the individual circumstances of any such Unitholder, (y) the differences in the respective percentages of ownership of New Common Units of the Unitholders or (z) the different classes or series of New Common Units owned by the Unitholders) shall be made without the affirmative vote or written consent of such affected Unitholder; provided, however, that, for the avoidance of doubt, neither the creation of a new class or series of equity interests of New TopCo, nor the issuance of any additional New Common Units or other equity interests of New TopCo, shall be deemed to adversely affect the rights or obligations of any Unitholder.

The term “Super-Majority Unitholders” means, as of any time of determination, Unitholders that collectively own or hold at least 66.0% of the issued and outstanding Class A Common Units as of such time.

Transfers:

New Common Units will be transferable by the holders thereof (a) only in transactions exempt from the registration requirements of the Securities Act and (b) subject to the satisfaction of the following conditions precedent: (i) delivery to New TopCo of a written notice of such transfer not less than five (5) Business Days prior to such transfer, (ii) delivery to New TopCo of representation letters from the transferor and the transferee (including a representation from the transferee that the transferee is an “accredited investor” as that term is defined in Rule 501 of Regulation D promulgated under the Securities Act (an “Accredited Investor”)), (iii) delivery to New TopCo of an opinion of counsel to the transferor to the effect that such transfer complies with applicable federal and state securities laws, and (iv) the transferee’s execution of a joinder to the New LLC Agreement (unless the transferee is already a party to the New LLC Agreement). Transfers that do not satisfy the foregoing conditions prior to the consummation thereof shall be void *ab initio* and will not be recognized by New TopCo. Any conditions set forth in clause (b) above may be waived by New TopCo.

Any transfer, or series of transfers, of New Common Units (w) that, if consummated, would (1) result in any violation of applicable Law, (2) result in New TopCo having, in the aggregate, 1,000 or more holders of record (as such concept is understood for purposes of Section 12(g) of the Exchange Act) of any class of New Common Units, or 400 or more holders of record (as such concept is understood for purposes of Section 12(g) of the Exchange Act) of any class of New Common Units that are not

Accredited Investors, (3) require New TopCo to register any equity interests of New TopCo under the Exchange Act, (4) cause New TopCo to register as an “investment company” under the Investment Company Act of 1940, as amended, or (5) cause the underlying assets of New TopCo to be deemed “plan assets” as defined under certain labor regulations or constitute or result in a non-exempt prohibited transaction under Section 406 of the U.S. Employee Retirement Income Security Act of 1974, as amended, or Section 4975 of the Internal Revenue Code of 1986, as amended, (x) to a Person that is not an Accredited Investor, (y) to a Competitor (as defined below), or (z) to any Person that is the target of any sanctions or is a controlled Affiliate of any such Person, in any such case, will be void *ab initio* and will not be recognized by New TopCo. Nothing contained in the New LLC Agreement shall prevent the Unitholders from transferring, hypothecating, pledging or otherwise disposing of New Common Units or their ownership rights in New Common Units for the purpose of effecting margin transactions or in connection with any financing activity or arrangement undertaken by the Unitholders or their Affiliates in the ordinary course of business.

A transfer of New Common Units in a Sale Transaction by a Selling Unitholder (as defined below) or a Dragged Unitholder (as defined below) shall not be subject to the requirements of this “Transfers” section, other than clause (a) above.

In addition to the foregoing, Class B Common Units will be subject to additional transfer restrictions and risks of forfeiture to be set forth in a management incentive plan to be adopted by the New Board and/or any agreement, contract or other instrument or document evidencing or governing an award issued under any such management incentive plan.

The term “Competitor” means, as of any time of determination, (A) any Person that is identified by name on the Restricted List (as defined below) as of such time of determination, which may include one or more Investment Funds (as defined below), (B) any Person that is engaged in competition with any of the Companies as of such time, as reasonably determined by the New Board, and (C) any Person that is an Affiliate of any Person referred to in clause (A) or clause (B) that is reasonably identifiable as an Affiliate of any such Person on the basis of such Affiliate’s name; provided, that, solely with respect to clause (B), a Competitor shall not include (I) any Investment Fund or (II) any entity that is formed by an Investment Fund and whose only assets are or will be (after giving effect to any proposed or contemplated transfer), directly or indirectly, New Common Units or other securities or indebtedness of any of the Companies (it being understood that a Person described in clause (I) or clause (II) may be a Competitor under clause (A) or clause (B)).

The term “Restricted List” means a schedule or list of disqualified transferees as determined by the New Board, as such schedule or list may be amended, supplemented, updated or modified from time to time by the New Board.

The term “Investment Fund” means a *bona fide* investment fund or other investment vehicle, such as a hedge fund, private equity fund, an account, a share trust, an investment trust, an investment company, a pension fund, or an insurance company, in each case, the business, operations or assets of which are held for investment purposes and the investments in which are professionally managed.

Right of First Offer:

If any Unitholder (the “Transferring Unitholder”) desires to transfer all or any portion of its New Common Units to any Person (or group of Persons) in any transaction (or series of related transactions) (excluding (a) any transfer of New Common Units by a Transferring Unitholder to one or more of its Affiliates and certain other permitted transferees and (b) any transfer of New Common Units by a Transferring Unitholder that does not exceed, taken together with all other New Common Units transferred by such Transferring Unitholder and all of its Affiliates at any time during the twelve (12) month period ending on the date of such transfer (excluding transfers made pursuant to the “Tag-Along Rights” or “Drag-Along Rights” sections of this Governance Term Sheet and transfers otherwise made in compliance with this “Right of First Offer” section (without giving effect to this clause (b)), one percent (1.0%) of the issued and outstanding Class A Common Units as of the date of such transfer) (a “ROFO Transaction”), the Transferring Unitholder must give notice (a “ROFO Notice”) to each Major Unitholder (each, a “ROFO Unitholder”), setting forth the material terms and conditions of such ROFO Transaction (the “Proposed Terms”), including the number of New Common Units proposed to be transferred (the “Offered Units”) and the purchase price (which purchase price must be exclusively in cash). Each ROFO Unitholder shall have ten (10) business days following receipt of the ROFO Notice to elect to purchase, on the Proposed Terms, up to its full *pro rata* share of the Offered Units. If any of the ROFO Unitholders do not elect to purchase their respective full *pro rata* portions of the Offered Units, then the ROFO Unitholders that have elected to purchase their full *pro rata* portions of the Offered Units shall be offered the right to purchase such unpurchased Offered Units (and such procedure of offering and purchasing Offered Units shall be repeated until either (x) there are no unpurchased Offered Units or (y) no ROFO Unitholders elect to purchase any such unpurchased Offered Units). If the ROFO Unitholders do not elect to purchase all of the Offered Units, then the Transferring Unitholder shall not be obligated to sell any of the Offered Units to the ROFO Unitholders and the Transferring Unitholder shall have the right, for a period of ninety (90) days, to sell all (but not less than all) of

the Offered Units not sold to the ROFO Unitholders to a third party at a purchase price in cash that is no lower than the purchase price specified in the ROFO Notice and upon other terms that are, in the aggregate, no more favorable to the third party than the other Proposed Terms specified in the ROFO Notice.

Preemptive Rights:

New TopCo shall not, and New TopCo shall not cause or permit any of its subsidiaries to, sell or issue additional equity interests (including, for the avoidance of doubt, any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, New Common Units, limited liability company interests or shares of capital stock) (collectively, “Additional Securities”) to any Person (including any then-current Unitholder), other than in a *pro rata* distribution to all Unitholders that own or hold New Common Units of a particular class or series and certain other customary exceptions, unless New TopCo or its applicable subsidiary offers to permit each Significant Unitholder (as defined below) that is an Accredited Investor (any such Significant Unitholder, a “Preemptive Unitholder”) to purchase its *pro rata* portion (calculated on the basis of the Class A Common Units owned or held by such Preemptive Unitholder relative to the Class A Common Units owned or held by all Preemptive Unitholders) of such Additional Securities on the same terms and conditions as each other Preemptive Unitholder. If any of the Preemptive Unitholders do not elect to purchase their respective full *pro rata* portions of the Additional Securities, then the Preemptive Unitholders that have elected to purchase their full *pro rata* portions of the Additional Securities shall be offered the right to purchase any such unpurchased Additional Securities (and such procedure of offering and purchasing Additional Securities shall be repeated until either (x) there are no unpurchased Additional Securities or (y) no Preemptive Unitholders elect to purchase any such unpurchased Additional Securities).

The term “Significant Unitholders” means, as of any time of determination, any Unitholder that owns or holds (together with its Affiliates) at least five percent (5.0%) of the issued and outstanding Class A Common Units as of such time.

Tag-Along Rights:

If one or more Unitholders (the “Initiating Unitholders”) desires to transfer Class A Common Units representing forty percent (40.0%) or more of the issued and outstanding Class A Common Units to any Person (or group of Persons) (the “Transferee”) in any transaction (or series of related transactions) (excluding any transfer of Class A Common Units by an Initiating Unitholder to one or more of its Affiliates and certain other permitted transferees) (a “Tag-Along Transaction”), the Initiating Unitholders must give notice to each other holder of Class A Common Units (the “Tag-Along Sellers”) at least ten (10) business days prior to the consummation of such Tag-Along Transaction, setting forth the material terms and conditions of

such Tag-Along Transaction, and arrange for each Tag-Along Seller to have the opportunity to include in such Tag-Along Transaction at least a corresponding percentage of Class A Common Units owned or held by such Tag-Along Seller. The tag-along right may be exercised by any Tag-Along Seller delivering a written notice to the Initiating Unitholders (or a designated representative of the Initiating Unitholders) within five (5) business days following receipt of written notice of the proposed Tag-Along Transaction by the Initiating Unitholders.

Tag-Along Sellers shall receive the same form and amount of consideration per Class A Common Unit that is being paid to the Initiating Unitholders in connection with the Tag-Along Transaction, except that if the Initiating Unitholders are given an option as to the form of consideration to be received in exchange for their Class A Common Units, each of the Tag-Along Sellers shall only need to be given the same option with respect to their Class A Common Units.

Notwithstanding anything to the contrary contained in this Governance Term Sheet, holders of Class B Common Units shall not be entitled to tag-along rights in respect of Class B Common Units held by any such holder.

Drag-Along Rights:

If one or more Unitholders that own or hold greater than fifty percent (50.0%) of the issued and outstanding Class A Common Units (the “Selling Unitholders”) decide to effect, approve or otherwise take any action that would cause the occurrence of, or desire to consummate, a Sale Transaction to or with any Person other than the Selling Unitholders or any Affiliates thereof, then New TopCo or the Selling Unitholders will have the right to require all other Unitholders (the “Dragged Unitholders”) to, among other things, (i) sell a percentage of their New Common Units corresponding to the aggregate percentage of the New Common Units owned or held by the Selling Unitholders that are proposed to be included in such Sale Transaction; (ii) vote such Dragged Unitholders’ New Common Units, whether by proxy, voting agreement or otherwise, in favor of the Sale Transaction and not raise any objection thereto; (iii) enter into agreements with the purchaser in the Sale Transaction on terms and conditions substantially identical to those applicable to the Selling Unitholders; (iv) obtain any required consents; (v) waive and refrain from exercising any appraisal, dissenters or similar rights; (vi) not assert any claim against any of the Companies, any Manager, any member of any committee of the New Board, any member of any Subsidiary Governing Body or any other Unitholder or any Affiliates of any of the foregoing in connection with the Sale Transaction; and (vii) take any and all reasonably necessary action in furtherance of the consummation of the Sale Transaction.

Each Unitholder shall receive, in respect of each New Common Unit to be sold by such Unitholder in the Sale Transaction, the same form and amount of consideration paid in such Sale Transaction that is being paid to each other Unitholder in respect of New Common Units of the same class or series, except that if any Unitholder is given an option as to the form of consideration to be received in exchange for each New Common Unit of any class or series held by such Unitholder, each other Unitholder holding New Common Units of the same class or series need only be given the same option.

Any Class B Common Units transferred in a Sale Transaction by a Selling Unitholder or a Dragged Unitholder shall immediately and automatically convert into Class A Common Units upon the consummation of such Sale Transaction.

“Sale Transaction” means the sale, lease, transfer, issuance or other disposition, in one transaction or a series of related transactions, of (i) all or substantially all of the consolidated assets of the Companies (including by or through the issuance, sale, contribution, transfer or other disposition (including by way of reorganization, merger, share or unit exchange, consolidation or other business combination) of at least a majority of the aggregate voting power of the voting securities of any direct and/or indirect subsidiary or subsidiaries of New TopCo if substantially all of the consolidated assets of the Companies are held by such subsidiary or subsidiaries) or (ii) at least a majority of the issued and outstanding Class A Common Units (whether directly or indirectly or by way of any merger, share or unit exchange, recapitalization, sale or contribution of equity, tender offer, reclassification, consolidation or other business combination transaction or purchase of beneficial ownership), to (in either case of clause (i) or clause (ii)) any Person or “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision).

Confidentiality:

Subject to certain permitted disclosures (including (i) disclosures to a Unitholder’s advisors and representatives and (ii) disclosures to a prospective transferee of Class A Common Units who executes and delivers to New TopCo a confidentiality agreement substantially in the form of confidentiality agreement attached as an exhibit to the New LLC Agreement), each Unitholder will be required to hold in strict confidence any confidential, business, financial or proprietary information such Unitholder receives regarding any of the Companies, or any confidential, business, financial or proprietary information of any other Unitholder in respect of any of the Companies (“Confidential Information”), whether such Confidential Information is received from any of the Companies, any Manager, any Board Observer, another Unitholder, any Affiliate of New TopCo or another Unitholder, or any agents or advisors of any thereof. Such confidentiality

obligations shall commence on the Plan Effective Date and end on the second anniversary of the date such Unitholder no longer owns any New Common Units.

In the event that any Unitholder proposes to sell or otherwise transfer any New Common Units to a third party in compliance with the transfer restrictions described in this Governance Term Sheet, such Unitholder may make available to the potential transferee Confidential Information relating to the Companies (including Confidential Information obtained by such Unitholder from any Manager or Board Observer), subject to the prior execution by such potential transferee of a confidentiality agreement substantially in the form of confidentiality agreement attached as an exhibit to the New LLC Agreement.

Information Rights:

Prior to New TopCo becoming obligated to file reports under the Exchange Act, subject to the confidentiality provisions referred to above, each Unitholder that holds Class A Common Units shall be entitled to receive (a) annual audited consolidated financial statements of New TopCo, and (b) quarterly unaudited consolidated financial statements of New TopCo for each of New TopCo's first three fiscal quarters during each fiscal year, in any such case within the time frames required for the delivery of such financial statements under the Companies' credit documents as of the Plan Effective Date. If New Topco does not produce consolidated financial statements at the New Topco level, but does produce consolidated financial statements at the level of one of its subsidiaries, then, in lieu of making available such consolidated financial statements of New Topco, New Topco shall make available to each Unitholder that holds Class A Common Units the consolidated financial statements of its applicable subsidiary.

At the option of New TopCo, New TopCo may make available the information described above on a password-protected website that is only available to Unitholders that hold Class A Common Units. As a condition to gaining access to the information posted on such website, a Unitholder may be required to "click through" or take other affirmative action pursuant to which such Unitholder shall (i) confirm and ratify that it is a party to, and bound by all of the terms and provisions of, the New LLC Agreement, (ii) acknowledge its confidentiality obligations in respect of such information and (iii) certify its status as a Unitholder that holds Class A Common Units.

Limitations on Affiliate Transactions:

Any transaction or series of related transactions between any of the Companies, on the one hand, and any Person who, together with its Affiliates, owns or holds five percent (5.0%) or more of the issued and outstanding Class A Common Units or is an Affiliate of any such Person (other than any of the Companies), on the other hand (an "Affiliate Transaction"), involving

aggregate payments or other consideration in excess of an agreed amount per annum shall require the approval of a majority of the Managers that are disinterested with respect to such Affiliate Transaction.

Registration Rights:

If New TopCo (or any successor or subsidiary of New TopCo) consummates an underwritten public offering pursuant to an effective registration statement covering the common equity of New TopCo (or any successor or subsidiary of New TopCo) (“Company Securities”) that results in such Company Securities being listed on a national securities exchange or quoted on the Nasdaq Stock Market (an “IPO”), then the Significant Unitholders shall be entitled to the following registration rights:

Demand Rights: Any Significant Unitholder or group of Significant Unitholders (acting together) that own or hold at least ten percent (10.0%) of all of the Company Securities that are issued and outstanding as of such time may request that New TopCo effect the registration under the Securities Act of a specified number of registrable securities held by such Significant Unitholder(s). Subject to certain exceptions, New TopCo will not be required to effect the demand right more than three times.

Piggyback Registration: Any Significant Unitholder shall be entitled to reasonable and customary piggyback registration rights.

Termination of Rights:

The rights of the Unitholders under the New LLC Agreement (other than “Registration Rights” set forth above) shall terminate upon the consummation of an IPO.

Governing Law and Forum:

Delaware.

Holdings and Borrower each agree (a) to indemnify and hold harmless EBC and its controlled affiliates and their respective directors, officers, employees, advisors, attorneys, agents and other representatives (each, an “**Indemnified Person**”) from and against any and all losses, claims, damages and liabilities that may be incurred by or asserted or awarded against any Indemnified Person, in each case arising out of or in connection with this Commitment Letter, the DIP Revolving Facility, the Exit Revolving Facility, the use of the proceeds thereof, or the Transactions or any litigation, investigation or proceeding relating to any of the foregoing (including in relation to enforcing the terms of this paragraph) (each, a “**Proceeding**”), which indemnity shall be effective whether or not any Indemnified Person is a party thereto and whether or not such Proceedings are brought by you, your equity holders, affiliates, creditors or any other person, and to reimburse each Indemnified Person promptly upon written demand for any reasonable and documented out-of-pocket legal or other documented out-of-pocket expenses (limited, in the case of counsel, to the reasonable and documented out-of-pocket fees, disbursements and other charges of a single firm of outside counsel to the Indemnified Persons and, if necessary, one local counsel in each relevant jurisdiction and solely in the event of a conflict of interest, one additional counsel (and if necessary, one local counsel in each relevant jurisdiction) to each group of similarly situated affected Indemnified Persons); provided, that the foregoing indemnity will not, as to any Indemnified Person, apply (i) to losses, claims, damages, liabilities or related expenses to the extent such loss, claim, damage, liability or related expense is found by a final, nonappealable judgment of a court of competent jurisdiction to arise or result from the willful misconduct, bad faith or gross negligence of such Indemnified Person or its controlled affiliates, directors, officers, employees, attorneys, advisors, agents or other representatives (collectively, the “**Related Parties**”), (ii) to losses, claims, damages, liabilities or related expenses to the extent they are found by a final, nonappealable judgment of a court of competent jurisdiction to arise or result from a material breach of the obligations of such Indemnified Person or its Related Parties under this Commitment Letter or (iii) to the extent arising from any dispute solely among Indemnified Persons (other than a Proceeding against any Indemnified Person in its capacity as an agent or arranger or similar role under the DIP Revolving Facility or the Exit Revolving Facility unless such loss, claim, damage, liability or related expense arise from the willful misconduct, bad faith, or gross negligence of such Indemnified Person (as determined by a court of competent jurisdiction in a final, nonappealable judgment)) not arising out of any act or omission on the part of you or your affiliates; and (b) regardless of whether the Exit Facility Closing Date occurs, to

No Indemnified Person or any other party hereto shall be liable for any damages arising from the use by others of any information or other materials obtained through electronic, telecommunications or other information transmission systems, including an electronic platform or otherwise via the internet, except to the extent of direct, as opposed to indirect, consequential or punitive damages arising from the gross negligence or willful misconduct of the relevant party. None of the Indemnified Persons or you or any of your or their respective Related Parties of the foregoing shall be liable for any indirect, special, punitive or consequential damages in connection with this Commitment Letter, the DIP Revolving Facility, Exit Revolving Facility, or the transactions contemplated hereby and thereby, *provided* that nothing contained in this sentence shall limit your indemnity obligations to the extent set forth herein.

You shall not, without the prior written consent of each applicable Indemnified Person (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by such Indemnified Person unless such settlement (a) includes an unconditional release of such Indemnified Person in form and substance reasonably satisfactory to such Indemnified Person from all liability on claims that are the subject matter of such Proceedings and (b) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person or any injunctive relief or other non-monetary remedy. You acknowledge that any failure to comply with your obligations under the preceding sentence may cause irreparable harm to EBC and the other Indemnified Persons.

Each of the parties hereto agrees that this Commitment Letter is a binding and enforceable agreement with respect to the subject matter contained herein or therein (including an obligation to negotiate the DIP Loan Documents and the definitive documentation for the Exit Revolving Facility in good faith).

This Commitment Letter shall not be assignable by you without the prior written consent of EBC or by EBC without your prior written consent (and any purported assignment without such consent shall be null and void), and is solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto and the Indemnified Persons.

Holdings and Borrower each agrees that it will not show, circulate, or otherwise disclose this letter or its contents to any other person, except (i) its affiliates, and its and their officers, directors, employees, attorneys, agents, representatives, equity-holders, accountants and advisors, on a confidential basis, (ii) as required in a legal, judicial or administrative proceeding or other compulsory process or as requested by any governmental authority or as otherwise required by applicable law, and (iii) in any suit or legal action or proceeding relating to Holdings' or Borrower's exercise of any rights or remedies hereunder. Notwithstanding anything to the contrary in the foregoing, you shall be permitted to provide unredacted copies of the Commitment Letter (and the attachments hereto) to (i) the Consenting Stakeholders under the Transaction Support Agreement, (ii) the term loan lenders under the Conforming DIP Term Loan Facility, (iii) the Bankruptcy Court and the Office of the United States Trustee and any official committee appointed in the Chapter 11 Cases and (iv) any

other party ordered by the Bankruptcy Court, or otherwise as needed in connection with any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable law or regulations, in each case of this clause (iv) in connection with any motion seeking approval of the DIP Revolving Facility, the Exit Revolving Facility and solely for the use of the Bankruptcy Court or such other party in connection with such motion.

EBC shall treat confidentially (i) all information received by it in connection with this Commitment Letter and the transactions contemplated hereby and (ii) the terms and substance of this Commitment Letter; provided, however, that nothing herein shall prevent EBC from disclosing any such information (a) in any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable law or regulations, (b) upon the request or demand of any regulatory authority having jurisdiction over EBC, (c) to the officers, directors, employees, attorneys, agents, representatives, equity-holders, accountants and advisors, on a confidential basis, (d) to the extent any such information becomes publicly available other than by reason of disclosure by EBC or officers, directors, employees, attorneys, agents, representatives, equity-holders, accountants and advisors in breach of this Commitment Letter, and (e) for purposes of establishing a “due diligence” defense. The provisions of this paragraph shall automatically terminate two years following the date of this Commitment Letter.

The laws of the State of New York (but without giving effect to any choice or conflicts of law provisions or rules (whether of the State of New York or any other jurisdiction) that would result in the application of the laws of any jurisdiction other than the State of New York) shall govern all matters arising out of, in connection with or relating to this letter. The parties hereto consent and agree that the Bankruptcy Court, or if such court shall no longer have jurisdiction over the Chapter 11 Cases, then the state or federal courts located in New York County, New York, shall have exclusive jurisdiction to hear and determine any claims or disputes between or among any of the parties hereto pertaining to this letter or any transaction contemplated herein. The parties hereto expressly submit and consent in advance to such jurisdiction in any action or suit commenced in any such court, and hereby waive any objection, which each of the parties may have based upon lack of personal jurisdiction, improper venue or inconvenient forum.

THE PARTIES HERETO, TO THE EXTENT PERMITTED BY LAW, WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS LETTER AND ANY TRANSACTIONS CONTEMPLATED HEREIN. THIS WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE.

The provisions of this letter regarding fees and expenses, indemnities, confidentiality and those set forth in the prior two paragraphs (in each case, except as expressly contemplated in such provisions) shall survive the termination or expiration of this letter and shall remain in full force and effect regardless of whether the transaction contemplated herein closes; provided, that if (a) the DIP Revolving Facility closes, the provisions herein with respect to fees and expenses, indemnities and confidentiality in respect of the DIP Revolving Facility shall be superseded and deemed replaced by the terms of the DIP Loan Documents, and (b) if the Exit Revolving Facility closes, the provisions herein with respect to fees and expenses, indemnities and confidentiality in respect of the Exit Revolving Facility shall be superseded and deemed replaced by the terms of the Exit Loan Documents.

This Commitment Letter may be executed in counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Commitment Letter by facsimile transmission or other electronic transmission (e.g., a “pdf” or “tiff”) will be effective as delivery of a manually executed counterpart hereof. For purposes hereof, the words “execution,” “execute,” “executed,” “signed,” “signature” and words of like import shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract

formulations on electronic platforms, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transaction Act.

This Commitment Letter shall automatically (and without further notice or action) expire and terminate on the earliest to occur of the following: (i) with respect to the DIP Revolving Facility Commitment, the execution and delivery of the DIP Loan Documents and the initial funding of the DIP Revolving Facility; (ii) with respect to the Exit Revolving Facility Commitment, the execution and delivery of the definitive documentation for the Exit Revolving Facility and the initial funding of the Exit Revolving Facility; (iii) entry of an order by the Bankruptcy Court converting the Chapter 11 Cases to proceedings under chapter 7 of the United States Bankruptcy Code or dismissing the Chapter 11 Cases; (iv) with respect to the DIP Revolving Facility, the date that is three (3) business days after the Petition Date (as defined in the EBC DIP Credit Agreement) (or, if such third day is not a business day, the first succeeding business day thereafter) unless the Bankruptcy Court shall have entered the Interim DIP Order (as defined in the EBC DIP Credit Agreement and as may be modified by the Bankruptcy Court or the parties hereto prior to its entry, provided such modifications are reasonably acceptable to EBC in form and substance) on or before such date; or (v) with respect to the Exit Revolving Facility, if the effective date of the Plan of Reorganization has not occurred by the Plan Outside Date Milestone (as defined in the Transaction Support Agreement as in effect on the date hereof, and as such date may be extended in accordance with the Transaction Support Agreement).

WHEREAS, on December [24], 2024 (the “Petition Date”), the Borrower and certain affiliates and direct and indirect Subsidiaries of the Borrower (each, a “Chapter 11 Debtor” and collectively, the “Chapter 11 Debtors”) filed voluntary petitions with the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) initiating their cases under Chapter 11 of Title 11 of the United States Code (the “Bankruptcy Code”) (collectively, the “Chapter 11 Cases”), and each Chapter 11 Debtor has continued and is continuing in the possession of its assets and management of its business pursuant to Sections 1107 and 1108 of the Bankruptcy Code;

WHEREAS, The Container Store Group, Inc., a Delaware corporation and Chapter 11 Debtor (“Holdings”) and the Borrower have asked the Lenders to provide the Borrower with a senior secured super-priority priming asset-based revolving debtor-in-possession credit facility in an aggregate amount not to exceed \$140,000,000 (subject to the then applicable Borrowing Base) pursuant to the terms, and subject to the conditions set forth, in this Agreement and the Financing Orders (the “ABL DIP Facility”), the proceeds of which shall be used (i) for operating, working capital and other general corporate purposes of the Borrower and the Guarantors, including, together with a portion of the loans made under the DIP Term Facility, to refinance in full on the Closing Date the indebtedness outstanding under the Prepetition ABL Credit Facility (and to cash collateralize letters of credit outstanding thereunder), and (ii) to pay fees, costs and expenses incurred in connection with the Transactions and other administration costs incurred in connection with the Chapter 11 Cases;

The interest rate on a Loan denominated in dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 3.02(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or replacement rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

1.12 Divisions. For all purposes under the Loan Documents, in connection with any Division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

1.13 Letters of Credit. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of such Letter of Credit available to be drawn at such time; *provided that* with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the available amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum amount is available to be drawn at such time. For all purposes of this Agreement, if on any date of determination a Letter of Credit has expired by its terms but any amount may still be drawn thereunder by reason of the operation of Article 29(a) of the Uniform Customs and Practice for Documentary Credits, International Chamber of Commerce Publication No. 600 (or such later version thereof as may be in effect at the applicable time) or Rule 3.13 or Rule 3.14 of the International Standby Practices, International Chamber of Commerce Publication No. 590 (or such later version thereof as may be in effect at the applicable time) or similar terms of the Letter of Credit itself, or if compliant documents have been presented but not yet honored, such Letter of Credit shall be deemed to be "outstanding" and "undrawn" in the amount so remaining available to be paid, and the obligations of the Borrower and each Lender shall remain in full force and effect until the L/C Issuer and the Lenders shall have no further obligations to make any payments or disbursements under any circumstances with respect to any Letter of Credit.

ARTICLE II THE COMMITMENTS AND CREDIT EXTENSIONS

2.01 Committed Loans; Reserves.

(a) Subject to the terms and conditions set forth herein, each Lender severally agrees to make loans (each such loan, a “**Committed Loan**”) to the Borrower from time to time, on any Business Day during the Availability Period, subject in each case to the following limitations:

(i) after giving effect to any Borrowing, the Total Outstandings shall not exceed the lesser of (A) the Aggregate Commitments, or (B) the Borrowing Base;

(ii) after giving effect to any Borrowing, the aggregate Outstanding Amount of the Committed Loans of any Lender, plus such Lender’s Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender’s Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed the lesser of (x) such Lender’s Commitment, or (y) such Lender’s Applicable Percentage of the Borrowing Base; and

(iii) the Outstanding Amount of all L/C Obligations shall not at any time exceed the Letter of Credit Sublimit.

Within the limits of each Lender’s Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01, prepay under Section 2.05, and reborrow under this Section 2.01. Committed Loans may be Base Rate Loans or Term Benchmark Loans, as further provided herein.

2.02 Borrowings of Committed Loans.

(a) Committed Loans and Swing Line Loans shall be Term Benchmark Loans, except as set forth in Section 3.02.

(b) Each Borrowing of Committed Loans shall be made upon the Borrower’s irrevocable notice to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 10:00 a.m. on the requested date of any Borrowing. Each telephonic notice by the Borrower pursuant to this Section 2.02(b) must be confirmed promptly by delivery to the Administrative Agent of a Notice of Borrowing, either in writing or by an Approved Electronic Communication, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof. Each Notice of Borrowing (whether telephonic, written or by Approved Electronic Communication) shall specify (A) the requested date of the Borrowing (which shall be a Business Day), and (B) the principal amount of Committed Loans to be borrowed.

(c) [Reserved].

(d) Following receipt of a Notice of Borrowing, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the applicable Committed Loans. In the case of a Borrowing of Committed Loans, each Lender shall make the amount of its Committed Loan available to the Administrative Agent in immediately available funds at the Administrative Agent’s Office not later than 1:00 p.m. on the Business Day specified in the applicable Notice of Borrowing. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall use reasonable efforts to make all funds so received available to the Borrower in like funds by no later than 4:00 p.m. on the day of receipt by the Administrative Agent either by (i) crediting the account of the Borrower on the books of Eclipse with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided, however, that if, on the date the Notice of Borrowing with respect to such Borrowing is given by the Borrower, there

are Letter of Credit Disbursements outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such Letter of Credit Disbursements, and second, shall be made available to the Borrower as provided above.

(e) Each Borrowing of Committed Loans shall be made by the Lenders pro rata in accordance with their respective Applicable Percentage with respect to the applicable Class. The failure of any Lender to make any Loan shall neither relieve any other Lender of its obligation to fund its Loan in accordance with the provisions of this Agreement nor increase the obligation of any such other Lender.

(f) The Administrative Agent, without the request of the Borrower, may advance any interest, fee, service charge, Credit Party Expenses, or other payment to which any Credit Party is entitled from the Loan Parties pursuant hereto or any other Loan Document and may charge the same to the Loan Account notwithstanding that an Overadvance may result thereby. The Administrative Agent shall deliver to the Borrower a statement of any such advance or charge promptly after the making thereof (or in the case of Credit Party Expenses, at the time that the five (5) Business Days' notice is furnished) in reasonable detail sufficient to allow the Borrower to verify such interest, fee, service charge, Credit Party Expenses, or other payment. Such action on the part of the Administrative Agent shall not constitute a waiver of the Administrative Agent's rights and the Borrower's obligations under Section 2.05. Any amount which is added to the principal balance of the Loan Account as provided in this Section 2.02(f) shall bear interest at the interest rate then and thereafter applicable to Base Rate Loans.

(g) [Reserved].

(h) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any interest period for Term Benchmark Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Prime Rate used in determining the Base Rate promptly following the public announcement of such change.

(i) [Reserved].

(j) The Administrative Agent, the Lenders and the Swing Line Lender shall have no obligation to make any Loan or to provide any Letter of Credit if an Overadvance would result. The Administrative Agent may, in its discretion, make Permitted Overadvances without the consent of the Lenders, the Swing Line Lender and each Lender shall be bound thereby. Any Permitted Overadvance may constitute a Swing Line Loan. A Permitted Overadvance is for the account of the Borrower and shall constitute a Loan and an Obligation. The making of any such Permitted Overadvance on any one occasion shall not obligate the Administrative Agent or any Lender to make or permit any Permitted Overadvance on any other occasion or to permit such Permitted Overadvances to remain outstanding. The making by the Administrative Agent of a Permitted Overadvance shall not modify or abrogate any of the provisions of Section 2.03 regarding the Lenders' obligations to purchase participations with respect to Letter of Credits. The Administrative Agent shall have no liability for, and no Loan Party or Credit Party shall have the right to, or shall, bring any claim of any kind whatsoever against the Administrative Agent with respect to "inadvertent Overadvances" (i.e., where an Overadvance results from changed circumstances beyond the control of the Administrative Agent (such as a reduction in the collateral value)) regardless of the amount of any such Overadvance(s).

(k) For the avoidance of doubt, as of the Closing Date, the Types of Borrowings available to the Borrower shall be comprised of either Base Rate Loans or Term Benchmark Loans.

2.03 Letters of Credit.

(a) General. Subject to the terms and conditions of this Agreement, upon the request of the Borrower made in accordance herewith, and prior to the Maturity Date, the Administrative Agent agrees to arrange for one or more L/C Issuers to issue standby Letters of Credit for any lawful purpose of any Loan Party. Pursuant to the foregoing, and subject to the terms and conditions contained herein, the Administrative Agent shall make standby Letters of Credit available to the Loan Parties by causing one or more L/C Issuers to issue such standby Letters of Credit. By submitting a request to the Administrative Agent for the issuance of a Letter of Credit, the Borrower shall be deemed to have requested that the Administrative Agent cause the issuance of the requested Letter of Credit by the applicable L/C Issuer. Each request for the issuance of a Letter of Credit, or the amendment, renewal, or extension of any outstanding Letter of Credit, shall be (i) irrevocable and made in writing by a Responsible Officer of the Borrower, (ii) delivered to the Administrative Agent via Approved Electronic Communications and reasonably in advance of the requested date of issuance, amendment, renewal, or extension, and (iii) subject to the Administrative Agent's and, as applicable, the applicable L/C Issuer's, authentication procedures with results satisfactory to such Persons. Each such request shall be in form and substance reasonably satisfactory to the Administrative Agent and the applicable L/C Issuer and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment, renewal, or extension, identification of the Letter of Credit to be so amended, renewed, or extended) as shall be necessary to prepare, amend, renew, or extend such Letter of Credit, and (ii) shall be accompanied by such Issuer Documents as the Administrative Agent or such L/C Issuer may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that such L/C Issuer generally requests for Letters of Credit in similar circumstances. The Administrative Agent's records of the content of any such request will be conclusive.

(b) The Administrative Agent shall have no obligation to cause the issuance, amendment, renewal or extension of a Letter of Credit if any of the following would result after giving effect to the requested issuance, amendment, renewal or extension:

(i) the Outstanding Amount of L/C Obligations would exceed the Letter of Credit Sublimit;

(ii) the Total Revolving Credit Exposure would exceed the lesser of (i) the Borrowing Base and (ii) the Aggregate Commitments;

(iii) the Outstanding Amount of L/C Obligations would exceed the result of (x) the Borrowing Base at such time less (y) the outstanding principal balance of the Committed Loans (inclusive of Swing Line Loans) at such time; or

(iv) the Letter of Credit would expire after the Letter of Credit Expiration Date.

(c) [Reserved].

(d) Each Letter of Credit shall be in form and substance reasonably acceptable to the applicable L/C Issuer and the Administrative Agent, including the requirement that the amounts payable thereunder must be payable in Dollars. If an L/C Issuer or the Administrative Agent makes a payment under, or pursuant to, a Letter of Credit, the Borrower shall pay to the Administrative Agent an amount equal to the applicable Letter of Credit Disbursement on the Business Day such Letter of Credit Disbursement is made. In the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Committed Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 4.02) and, initially, shall bear interest at the

rate then applicable to Base Rate Loans. If a Letter of Credit Disbursement is deemed to be a Committed Loan hereunder, the Borrower's obligation to pay the amount of such Letter of Credit Disbursement to the applicable L/C Issuer shall be automatically converted into an obligation to pay the resulting Committed Loan. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.03(d) the Administrative Agent shall distribute such payment to such L/C Issuer or, to the extent that Lenders have made payments pursuant to Section 2.03(e) to reimburse such L/C Issuer, then to such Lenders and such L/C Issuer as their interests may appear.

(e) Promptly following receipt of a notice of a Letter of Credit Disbursement in respect of a Letter of Credit pursuant to Section 2.03(d), each Lender agrees to fund its Applicable Percentage of any Committed Loan deemed made pursuant to Section 2.03(d) on the same terms and conditions as if the Borrower had requested the amount thereof as a Committed Loan and the Administrative Agent shall promptly pay to the Administrative Agent the amounts so received by it from the Lenders. By the issuance of a Letter of Credit (or an amendment, renewal, or extension of any such Letter of Credit) and without any further action on the part of the Administrative Agent or the Lenders, the Administrative Agent shall be deemed to have granted to each Lender, and each Lender shall be deemed to have purchased, a participation in each such Letter of Credit caused by the Administrative Agent to be issued, in an amount equal to its Applicable Percentage of such Letter of Credit, and each such Lender agrees to pay to the Administrative Agent such Lender's Applicable Percentage of any Letter of Credit Disbursement made by an L/C Issuer under the applicable Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent such Lender's Applicable Percentage of each Letter of Credit Disbursement in respect of a Letter of Credit made by an L/C Issuer and not reimbursed by the Borrower on the date due as provided in Section 2.03(d), or of any reimbursement payment that is required to be refunded (or that the Administrative Agent elects, based upon the advice of counsel, to refund) to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to deliver to the Administrative Agent an amount equal to its respective Applicable Percentage of each Letter of Credit Disbursement in respect of a Letter of Credit pursuant to this Section 2.03(e) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 4.02. If any such Lender fails to make available to the Administrative Agent the amount of such Lender's Applicable Percentage of a Letter of Credit Disbursement in respect of a Letter of Credit as provided in this Section 2.03 (an "Unreimbursed Amount"), such Lender shall be deemed to be a Defaulting Lender and the Administrative Agent (for the account of the L/C Issuers) shall be entitled to recover such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(f) [Reserved].

(g) The liability of the Administrative Agent under, in connection with or arising out of any Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by the Borrower or other applicable Loan Party that are caused directly by such Person's bad faith, gross negligence or willful misconduct in (i) honoring a presentation under a Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Letter of Credit, (ii) failing to honor a presentation under a Letter of Credit that strictly complies with the terms and conditions of such Letter of Credit, or (iii) retaining Drawing Documents presented under a Letter of Credit. The Borrower's or other applicable Loan Party's aggregate remedies against the Administrative Agent for wrongfully honoring a presentation under any Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by the Borrower to the Administrative Agent in respect of the honored presentation in connection with such Letter of Credit under Section 2.03(d), plus interest at the rate then applicable to Base Rate Loans hereunder. The Borrower or other applicable Loan Party shall use commercially reasonable efforts to avoid and mitigate the amount of any damages claimed against the Administrative Agent, including by enforcing its rights against the

beneficiaries of the Letters of Credit. Any claim by the Borrower or other applicable Loan Party under or in connection with any Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by the Borrower or other applicable Loan Party as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had the Borrower or other applicable Loan Party used commercially reasonable efforts to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing the Administrative Agent and the applicable L/C Issuer to effect a cure.

(h) The Borrower is responsible for the final text of the Letter of Credit as issued by any L/C Issuer, irrespective of any assistance the Administrative Agent or such L/C Issuer may provide such as drafting or recommending text or by such L/C Issuer's use or refusal to use text submitted by the Borrower. The Borrower understands that the final form of any Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by the applicable L/C Issuer, and the Borrower hereby consents to such revisions and changes not materially different from the application executed in connection therewith. The Borrower is solely responsible for the suitability of the Letter of Credit for the Borrower's or other applicable Loan Party's purposes. If the Borrower requests the Administrative Agent to cause the issuance of a Letter of Credit for an affiliated or unaffiliated third party (an "**Account Party**"), (i) such Account Party shall have no rights against the Administrative Agent; (ii) the Borrower shall be responsible for the application and obligations under this Agreement; and (iii) communications (including notices) related to the respective Letter of Credit shall be among the Administrative Agent and/or the applicable L/C Issuer and the Borrower. The Borrower will examine the copy of the Letter of Credit and any other documents sent by the Administrative Agent on behalf of the applicable L/C Issuer in connection therewith and shall promptly notify the Administrative Agent (not later than three (3) Business Days following the Borrower's receipt of documents from the Administrative Agent) of any non-compliance with the Borrower's instructions and of any discrepancy in any document under any presentment or other irregularity. The Borrower understands and agrees that neither the Administrative Agent nor any L/C Issuer is required to extend the expiration date of any Letter of Credit for any reason. With respect to any Letter of Credit containing an "automatic amendment" to extend the expiration date of such Letter of Credit, the applicable L/C Issuer, in its sole and absolute discretion, may give notice of nonrenewal of such Letter of Credit and, if the Borrower does not at any time want the then current expiration date of such Letter of Credit to be extended, the Borrower will so notify such L/C Issuer (with a copy to the Administrative Agent) at least thirty (30) calendar days before such L/C Issuer is required to notify the beneficiary of such Letter of Credit or any advising bank of such non-extension pursuant to the terms of such Letter of Credit.

(i) The Borrower's reimbursement and payment obligations under this Section 2.03 are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever, including:

(i) any lack of validity, enforceability or legal effect of any Letter of Credit, any Issuer Document, this Agreement, or any Loan Document, or any term or provision therein or herein;

(ii) payment against presentation of any draft, demand or claim for payment under any Drawing Document that does not comply in whole or in part with the terms of the applicable Letter of Credit or which proves to be fraudulent, forged or invalid in any respect or any statement therein being untrue or inaccurate in any respect, or which is signed, issued or presented by a Person or a transferee of such Person purporting to be a successor or transferee of the beneficiary of such Letter of Credit;

(iii) the Administrative Agent, any L/C Issuer or any of its respective branches or Affiliates being the beneficiary of any Letter of Credit;

(iv) any L/C Issuer or any correspondent honoring a drawing against a Drawing Document up to the amount available under any Letter of Credit even if such Drawing Document claims an amount in excess of the amount available under the Letter of Credit;

(v) the existence of any claim, set-off, defense or other right that any Loan Party or its Subsidiaries may have at any time against any beneficiary or transferee beneficiary, any assignee of proceeds, the Administrative Agent, any L/C Issuer or any other Person;

(vi) any L/C Issuer or any correspondent honoring a drawing upon receipt of an electronic presentation under a Letter of Credit requiring the same, regardless of whether the original Drawing Documents arrive at such L/C Issuer's counters or are different from the electronic presentation;

(vii) any other event, circumstance or conduct whatsoever, whether or not similar to any of the foregoing that might, but for this Section 2.03(i), constitute a legal or equitable defense to or discharge of, or provide a right of set-off against, any Loan Party or any of its Subsidiaries' reimbursement and other payment obligations and liabilities, arising under, or in connection with, any Letter of Credit, whether against any L/C Issuer, the Administrative Agent, the beneficiary or any other Person; or

(viii) the fact that any Default or Event of Default shall have occurred and be continuing;

provided, that subject to Section 2.03(i)(vii), the foregoing shall not release the Administrative Agent or any L/C Issuer from such liability to the Borrower as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against the Administrative Agent or such L/C Issuer, as applicable, following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of the Borrower to the Administrative Agent and such L/C Issuer arising under, or in connection with, this Section 2.05 or any Letter of Credit.

(j) Without limiting any other provision of this Agreement, the Administrative Agent shall not be responsible to the Borrower for, and the Administrative Agent's rights and remedies against the Borrower and the obligation of the Borrower to reimburse the Administrative Agent for each drawing under each Letter of Credit shall not be impaired by:

(i) honor of a presentation under any Letter of Credit that on its face substantially complies with the terms and conditions of such Letter of Credit, even if the Letter of Credit requires strict compliance by the beneficiary;

(ii) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document or (B) under a new name of the beneficiary;

(iii) acceptance as a draft of any written or electronic demand or request for payment under a Letter of Credit, even if nonnegotiable or not in the form of a draft or

notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Letter of Credit;

(iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than an L/C Issuer's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Letter of Credit);

(v) acting upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that an L/C Issuer in good faith believes to have been given by a Person authorized to give such instruction or request;

(vi) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to the Borrower;

(vii) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and the Borrower or any of the parties to the underlying transaction to which the Letter of Credit relates;

(viii) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(ix) payment to any presenting bank (designated or permitted by the terms of the applicable Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(x) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where the applicable L/C Issuer has issued, confirmed, advised or negotiated such Letter of Credit, as the case may be;

(xi) honor of a presentation after the expiration date of any Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by an L/C Issuer if subsequently such L/C Issuer or any court or other finder of fact determines such presentation should have been honored;

(xii) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(xiii) honor of a presentation that is subsequently determined by an L/C Issuer to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(k) The Borrower shall pay immediately upon demand to the Administrative Agent for the account of the applicable L/C Issuer as non-refundable fees, commissions, and charges (it being acknowledged and agreed that any charging of such fees, commissions, and charges to the Register pursuant to the terms of this Agreement shall be deemed to constitute a demand for payment thereof for the purposes of this Section 2.03(k)) any and all customary commissions, fees and charges then in effect imposed by,

and any and all documented expenses incurred by the Administrative Agent relating to Letters of Credit, at the time of issuance of any Letter of Credit and upon the occurrence of any other activity with respect to any Letter of Credit (including transfers, assignments of proceeds, amendments, drawings, renewals or cancellations).

(l) [Reserved].

(m) Each Letter of Credit shall expire not later than the date that is 12 months after the date of the issuance of such Letter of Credit; provided that any Letter of Credit may provide for the automatic extension thereof for any number of additional periods each of up to one year in duration; provided, further, that with respect to any Letter of Credit which extends beyond the Maturity Date, Cash Collateralization shall be provided therefor on or before the Letter of Credit Expiration Date.

(n) If (i) any Event of Default occurs and is continuing or (ii) Excess Availability is less than zero, then on the Business Day following the date on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Obligations has been accelerated, Lenders with Letter of Credit Exposure representing greater than 50% of the total Letter of Credit Exposure) demanding Cash Collateralization pursuant to this Section 2.03(n), the Borrower shall provide Cash Collateralization with respect to the then existing L/C Obligations; provided that, in each case, upon the occurrence of any Event of Default described in Section 8.01(g) or 8.01(h), the obligation to provide Cash Collateralization will become effective immediately, and any deposit of cash collateral required pursuant to the terms set forth in the Cash Collateralization definition will become immediately due and payable, without demand or other notice of any kind. If the Borrower fail to provide Cash Collateralization as required by this Section 2.05(n), the Lenders may (and, upon direction of the Administrative Agent, shall) advance, as Committed Loans the amount of the cash collateral required pursuant to the terms of the Cash Collateralization definition so that the then existing L/C Obligations is cash collateralized in accordance with the terms of the Cash Collateralization definition (whether or not the Revolving Commitments have terminated, an Overadvance exists or the conditions in Section 4.02 are satisfied).

(o) Unless otherwise expressly agreed by the Administrative Agent, the applicable L/C Issuer and the Borrower, when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to any commercial Letter of Credit (if applicable).

(p) The Administrative Agent and the L/C Issuers shall each be deemed to have acted with due diligence and reasonable care if such Person's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement.

(q) In the event of a direct conflict between the provisions of this Section 2.03 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.03 shall control and govern.

(r) The provisions of this Section 2.03 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any Letters of Credit that remain outstanding.

(s) For avoidance of doubt, the Borrower hereby acknowledges and agrees that none of the Existing Letters of Credit shall constitute Letters of Credit under this Agreement, nor constitute a part of the Obligations.

2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swing Line Lender (I) to the extent the Outstanding Amount of the Swing Line Loans shall not exceed \$10,000,000, agrees to and (II) to the extent the Outstanding Amount of the Swing Line Loans shall exceed \$10,000,000, may elect, but shall have no obligation, to make loans (each such loan, a “Swing Line Loan”) to the Borrower from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Committed Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender’s Commitment; provided, however, that after giving effect to any Swing Line Loan, (i) the Total Outstandings shall not exceed the lesser of (A) the Aggregate Commitments, or (B) the Borrowing Base, and (ii) the aggregate Outstanding Amount of the Committed Loans of any Lender at such time, plus such Lender’s Applicable Percentage of the Outstanding Amount of all L/C Obligations at such time, plus such Lender’s Applicable Percentage of the Outstanding Amount of all Swing Line Loans at such time shall not exceed such Lender’s Commitment, and provided, further, that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Immediately upon the making of a Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender’s Applicable Percentage times the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Borrowing of Swing Line Loans shall be made upon the Borrower’s irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 10:00 a.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Notice of Borrowing, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Notice of Borrowing, the Swing Line Lender will confirm with the Administrative Agent (by telephone, in writing or by Approved Electronic Communication) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone, in writing or by Approved Electronic Communication) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone, in writing or by Approved Electronic Communication) from the Administrative Agent at the request of the Required Lenders prior to 11:00 a.m. on the date of the proposed Borrowing of Swing Line Loans (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Notice of Borrowing, make the amount of its Swing Line Loan available to the Borrower at its office by crediting the account of the Borrower on the books of the Swing Line Lender in immediately available funds.

(c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender at any time in its sole and absolute discretion may request (but, in any event shall weekly, as provided in Section 2.14(a)), on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Lender make a Base Rate Committed Loan in an amount equal to such Lender’s Applicable Percentage for the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Notice of Borrowing for purposes hereof)

and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Notice of Borrowing promptly after delivering such notice to the Administrative Agent. Each Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Notice of Borrowing available to the Administrative Agent in immediately available funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Notice of Borrowing, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Committed Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Lenders fund its risk participation in the relevant Swing Line Loan and each Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Committed Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender's obligation to make Committed Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Committed Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Applicable Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time

during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Lender shall pay to the Swing Line Lender its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

2.05 Prepayments.

(a) The Borrower may, upon notice to the Administrative Agent (which notice, if furnished in connection with a refinancing of the Obligations, may be conditional upon the consummation of such refinancing), at any time or from time to time voluntarily prepay Committed Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Administrative Agent not later than 2:00 p.m. (A) three Business Days prior to any date of prepayment of Term Benchmark Loans, (B) on the date of prepayment of Base Rate Loans and (C) [reserved]; (ii) any prepayment of Term Benchmark Loans shall be in a principal amount of \$2.0 million or a whole multiple of \$1.0 million in excess thereof, in each case, if less, the entire principal amount thereof then outstanding and (iii) any prepayment of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment, and the Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Term Benchmark Loan shall be accompanied by all accrued interest on the amount prepaid. Each such prepayment shall be applied to the Committed Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) The Borrower may, upon irrevocable notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of \$100,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(c) If for any reason the Total Outstandings at any time exceed the lesser of the Aggregate Commitments or the Borrowing Base, each as then in effect, the Borrower shall immediately prepay Loans, Swing Line Loans and Letter of Credit Disbursements and/or Cash Collateralize the L/C Obligations (other than Letter of Credit Disbursements) in an aggregate amount equal to such excess; provided, however, that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(c) unless after the prepayment in full of the Loans the Total Outstandings exceed the lesser of the Aggregate Commitments or the Borrowing Base, each as then in effect.

(d) Any Net Cash Proceeds from any Disposition by the Borrower or any of its Restricted Subsidiaries (other than, (i) with respect only to the Term Priority Collateral, such portion of the Net Cash Proceeds that are then required to be paid to the lenders under the DIP Term Facility and (ii) any Disposition of any property permitted by Section 7.05(a), (b), (c), (d), (e), (g), (i) or (j)) shall be paid over to the Administrative Agent on receipt by the Loan Parties and shall be utilized to prepay the Loans in the order of priority set forth in Section 2.05(e). The application of such Net Cash Proceeds to the Loans shall not reduce the Commitments. If all Obligations then due are paid, any excess Net Cash Proceeds shall be remitted to the operating account of the Borrower.

(e) Prepayments made pursuant to Section 2.05, first, shall be applied ratably to the Letter of Credit Disbursements and the Swing Line Loans, second, shall be applied ratably to the outstanding Loans, and third, shall be used to Cash Collateralize the remaining L/C Obligations; and the amount remaining, if any, after the repayment in full of all Letter of Credit Disbursements, Swing Line Loans and Committed Loans outstanding at such time and the Cash Collateralization of the remaining L/C Obligations in full may be retained by the Borrower for use in the ordinary course of its business. Upon the drawing of any Letter of Credit that has been Cash Collateralized, the funds held as Cash Collateral shall be applied (without any further action by or notice to or from the Borrower or any other Loan Party) to reimburse the L/C Issuers or the Lenders, as applicable.

2.06 Termination of Commitments.

(a) The Borrower may terminate the Aggregate Commitments in whole (but not in part); provided that (i) any such notice shall be received by the Administrative Agent not later than 2:00 p.m. three (3) Business Days prior to the date of termination, (ii) any such notice shall be irrevocable (except if such termination notice is being furnished in connection with a refinancing of the Obligations, such notice may be conditional upon the consummation of such refinancing, and (iii) the Borrower shall not terminate the Aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Outstandings would exceed the Aggregate Commitments.

(b) [Reserved].

(c) The Administrative Agent will promptly notify the Lenders of any termination of the Aggregate Commitments under this Section 2.06. All fees accrued until the effective date of any such termination shall be paid on the effective date of such termination.

2.07 Term of Agreement; Repayment of Loans.

(a) This Agreement and the other Loan Documents shall become effective as of the Closing Date and shall continue in full force and effect for a term ending on the earliest of (a) the date twenty-four (24) months from the Closing Date (the “**Scheduled Maturity Date**”) (b) 45 days after the Petition Date (or such later date as the Administrative Agent may approve in writing in its sole discretion) if the Final Financing Order has not been entered prior to the expiration of such period, (c) the substantial consummation (as defined in Section 1101 of the Bankruptcy Code and which for purposes hereof shall be

no later than the “effective date” thereof) of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court, (d) the consummation of a sale of all or substantially all of the assets of the Chapter 11 Debtors under section 363 of the Bankruptcy Code, and (e) the acceleration of the Loans and the termination of the Commitments in accordance with this Agreement (the earliest of such dates, the “**Maturity Date**”). In addition, the Borrower may terminate this Agreement in accordance with Section 2.06 above. Upon the Maturity Date or any other effective date of termination of the Loan Documents, the Borrower shall pay to the Administrative Agent all outstanding and unpaid Obligations (except for contingent indemnification obligations for which no claim has been asserted) including by exchange of the Obligations into loans under the Exit ABL Facility in accordance with an Acceptable Plan of Reorganization, and shall Cash Collateralize outstanding L/C Obligations (other than Letter of Credit Disbursements).

(b) The Borrower shall repay each Swing Line Loan on the Maturity Date and in accordance with Section 2.04(c).

(c) Notwithstanding anything to the contrary herein, pursuant to the Commitment Letter, subject to the solely to the satisfaction (or waiver) of the conditions precedent set forth therein, the Loans, including all accrued and unpaid interest thereon and all other Obligations hereunder shall be converted into loans under the Exit Revolving Facility (as defined in the Commitment Letter), and the Aggregate Commitments hereunder shall terminate and be replaced by commitments under the Exit Revolving Facility, in each case, upon the effectiveness of the Plan of Reorganization (as defined in the Commitment Letter).

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b) below, (i) each Loan which is a Term Benchmark Loan shall bear interest on the outstanding principal amount thereof at a rate per annum equal to the Term SOFR Rate plus the Applicable Margin; (ii) each Loan which is a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin; and (iv) [reserved].

(b) After the occurrence and during the continuance of an Event of Default, all Loans and other monetary Obligations may, at the option of the Administrative Agent or the discretion of the Required Lenders, bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees. In addition to certain fees described in Section 2.03:

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent, for the account of each Lender in accordance with its Applicable Percentage, a commitment fee (the “**Commitment Fee**”) equal to a 0.50% per annum (the “**Commitment Fee Rate**”), times the actual daily amount by which the then Aggregate Commitments exceed the sum of (i) the principal amount of Loans (including Swing Line Loans), then outstanding, and (ii) the then L/C Credit Extensions. The Commitment

Fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable monthly in arrears on the first Business Day after the end of each calendar month, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period.

(b) Letter of Credit Fee. The Borrower agrees to pay Agent, for the ratable benefit of the Lenders, a Letter of Credit fee (the "Letter of Credit Fee") (which fee shall be in addition to the fronting fees and commissions, other fees, charges and expenses set forth in Section 2.03) that shall accrue at a per annum rate equal to 4.25%, times the average amount of the Letter of Credit Usage during the immediately preceding calendar month (or portion thereof).

(c) Other Fees. The Borrower shall pay to the Arranger and the Administrative Agent for their own respective accounts fees in the amounts and at the times specified in any Fee Letter. Such fees shall be payable in Dollars, fully earned when paid and shall not be refundable for any reason whatsoever.

(d) Defaulting Lender Fees. Subject to Section 2.03, the Borrower shall not be obligated to pay the Administrative Agent any Defaulting Lender's ratable share of the fees described in Section 2.03 and Section 2.09(a) for the period commencing on the day such Defaulting Lender becomes a Defaulting Lender and continuing for so long as such Lender continues to be a Defaulting Lender.

2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans when the Base Rate is determined by the Prime Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest hereunder shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. Each determination by the Administrative Agent of the applicable Base Rate or the Term SOFR Rate shall be conclusive and binding for all purposes, absent manifest error.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by the Administrative Agent (the "Loan Account") in the ordinary course of business. In addition, each Lender may record in such Lender's internal records, an appropriate notation evidencing the date and amount of each Loan from such Lender, each payment and prepayment of principal of any such Loan, and each payment of interest, fees and other amounts due in connection with the Obligations due to such Lender. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive, absent manifest error, of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans (in addition to such Lender's accounts or records). Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto. Upon receipt of an affidavit of a Lender as to the loss, theft, destruction or mutilation of

such Lender's Note and upon cancellation of such Note, the Borrower will issue, in lieu thereof, a replacement Note in favor of such Lender, in the same principal amount thereof and otherwise of like tenor.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Term Benchmark Loans (or in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Committed Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuers hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuers, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the applicable L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the NYFRB Rate.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Committed Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Committed Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Committed Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Committed Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Committed Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Committed Loans and subparticipations in L/C Obligations and Swing Line Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Committed Loans and other amounts owing them, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Committed Loans or subparticipations in L/C Obligations or Swing Line Loans to any assignee or participant, other than to the Borrower or any Restricted Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.14 Settlement Amongst Lenders.

(a) The amount of each Lender's Applicable Percentage of outstanding Loans (including outstanding Swing Line Loans, except that settlements of Swing Line Loans during the months of November and December of each year shall be required to be made by the Swing Line Lender only with respect to those Swing Line Loans in excess of \$2.0 million in the aggregate only (the "**Excess Swing Line Loans**")) shall be computed weekly (or more frequently in the Administrative Agent's discretion) and shall be adjusted upward or downward based on all Loans (including Swing Line Loans other than Excess Swing Line Loans) and repayments of Loans (including Swing Line Loans other than Excess Swing Line Loans) received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the "**Settlement Date**") following the end of the period specified by the Administrative Agent.

(b) The Administrative Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Committed Loans for the period and the amount of repayments fees received for the period. As reflected on the summary statement, (i) the Administrative Agent shall transfer to each Lender its Applicable Percentage of repayments, and (ii) each Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Lender, such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Committed Loans made by each Lender with respect to Committed Loans to the Borrower shall be equal to such Lender's Applicable Percentage of Committed Loans outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Lenders and is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, equal to the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

(c) The Administrative Agent shall deliver to the applicable Lenders promptly after the Administrative Agent's receipt thereof, all payments of interest, fees and Credit Party Expenses to which each such Lender is entitled.

(d) If any Lender shall fail to make any payment required to be made by it hereunder, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such

Lender's obligations hereunder until all such unsatisfied obligations are fully paid. If at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan or a reimbursement of a L/C Extension while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, all principal will be paid ratably as provided in Section 8.03.

2.16 [Reserved].

2.17 [Reserved].

ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Tax unless required by applicable Law, provided that if any Loan Party, the Administrative Agent or any other withholding agent shall be required by applicable Law to deduct any Indemnified Taxes (including any Other Taxes) from such payments, then (i) the sum payable by the Loan Party shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the Administrative Agent or any Lender (with the term "Lender" in this Section 3.01 being deemed to include an L/C Issuer), as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law. For purposes of this Section 3.01, any payments by the Administrative Agent to a Lender of any amounts received by the Administrative Agent from any Loan Party on behalf of such Lender shall be treated as a payment from the Loan Party to such Lender.

(b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Reimbursement by the Lenders. To the extent that the Borrower for any reason fails to pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), the Swing Line Lender, the L/C Issuers or any Related Party of any of the foregoing, each Lender (other than the Swing Line Lender in its capacity as such) severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender, the L/C Issuers or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender or L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative

Agent (or any such sub-agent) or the Collateral Agent in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Indemnification by the Loan Parties. The Loan Parties shall, jointly and severally, indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) paid by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the applicable Loan Party to a Governmental Authority, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Fee Recipients. Each Fee Recipient hereby represents that it is a Permitted Investor and agrees to update Internal Revenue Service Form W-9 (or its successor form) or applicable Internal Revenue Service Form W-8 (or its successor form) upon any change in such Person's circumstances or if such form expires or becomes inaccurate or obsolete, and to promptly notify the Borrower and the Administrative Agent if such Person becomes legally ineligible to provide such form.

(g) Status of Foreign Lenders. To the extent it is legally entitled to do so, any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the applicable Loan Party is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Loan Parties (with a copy to the Administrative Agent), at the time or times prescribed by applicable Law or reasonably requested by the Loan Parties or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Loan Parties or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Loan Parties or the Administrative Agent as will enable the Loan Parties or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in this Section 3.01(g)(iv), Section 3.01(h) and Section 3.01(i) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(g), Section 3.01(h) or Section 3.01(i)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent that it is legally unable to do so.

Without limiting the generality of the foregoing, any Foreign Lender, to the extent it is legally entitled to do so, shall deliver to the Loan Parties and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a

Lender under this Agreement (and from time to time thereafter upon the request of the Loan Parties or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(i) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (as applicable) claiming eligibility for benefits of an income tax treaty to which the United States is a party,

(ii) duly completed copies of Internal Revenue Service Form W-8ECI,

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit M-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (as applicable),

(iv) to the extent a Foreign Lender is not the beneficial owner, executed copies of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, Internal Revenue Service Form W-8BEN or W-8BEN-E (as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-3 or Exhibit M-4, Internal Revenue Service Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-2 on behalf of each such direct and indirect partner, or

(v) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(h) **Status of Non-Foreign Lenders.** Any Lender that is not a Foreign Lender shall deliver to the Loan Parties and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Loan Parties or the Administrative Agent), executed originals of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax.

(i) **FATCA.** If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Loan Parties and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Loan Parties or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Loan Parties or the Administrative Agent as may be necessary for the Loan Parties and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine the amount, if any, to deduct and withhold from

such payment. Solely for purposes of this clause (i), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

(j) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the applicable Loan Party or with respect to which the applicable Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the Loan Parties an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Loan Parties under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the applicable Loan Party, upon the request of the Administrative Agent or such Lender, agree to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender if the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (j), in no event will the Administrative Agent or any Lender be required to pay any amount to a Loan Party pursuant to this paragraph (j) the payment of which would place the Administrative Agent or the Lender in a less favorable net after-Tax position than the Administrative Agent or the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Loan Parties or any other Person.

3.02 Alternate Rate of Interest; Illegality.

(a) Subject to clauses (b), (c), (d), (e), and (f) of this Section 3.02, if:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) prior to the commencement of any interest period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such interest period; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any interest Period for a Term Benchmark Borrowing, the Term SOFR Rate for such interest period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such interest period;

then the Administrative Agent or such Lenders (or Lender) shall promptly notify the Borrower (and the Administrative Agent, if applicable) thereof and, so long as such circumstances shall continue, (i) the Administrative Agent and/or such Lenders (or Lender) shall be under no obligation to make any Term Benchmark Loans, (ii) on the last day of the then-current calendar month (if such circumstances are continuing as of such date), each Term Benchmark Loan shall, unless then paid in full, automatically convert to a Base Rate Loan and (iii) when such circumstances are no longer continuing the Administrative Agent or the affected Lender (or Lenders) as applicable, shall promptly notify the Borrower (and the Administrative Agent, if applicable) thereof and on the last day of the then-current calendar month, any Loan that was converted to a Base Rate Loan pursuant to clause (ii) above shall, unless then paid in full, automatically convert to a Term Benchmark Loan.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Swap Contract shall be deemed not to be a “Loan Document” for purposes of this Section 3.02), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.02, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.02.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” (or related concept) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or related concept) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing of Term Benchmark Loans to be made during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted (1) any such request for a Term Benchmark Borrowing into a request for a Base Rate Borrowing. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.02, any Term Benchmark Loan shall on the last day of the interest period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan on such day.

3.03 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Lender to any Taxes (other than (A) Indemnified Taxes covered in Section 3.01, (B) taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or on its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the applicable offshore interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Term Benchmark Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, Letters of Credit issued by, or participations in Letters of Credit held by, such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company as specified in subsection (a) or (b) of this Section 3.03, in reasonable detail sufficient to allow the Borrower to verify such calculation, and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.03 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.03 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.04 [Reserved].

3.05 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.03, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.03, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.03, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender is a Defaulting Lender, the Borrower may replace such Lender in accordance with Section 11.13.

3.06 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE IV CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

4.02 Conditions to All Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (including on the Closing Date) is subject to the following conditions precedent:

(a) The representations and warranties of the Borrower and each other Loan Party contained in this Agreement and the other Loan Documents shall be true and correct in all material respects on and as of the date of such Credit Extension, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date; provided that, in each case, any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on and as of the date of such Credit Extension or on such earlier date, as the case may be.

(vi) subject to the terms of the financing orders, the entry of a final non-appealable order in the Chapter 11 Cases charging any of the Collateral under Section 506(c) of the Bankruptcy Code against the Lenders or the commencement of other actions by the Loan Parties that challenges the rights and remedies of any of the Agents or the Lenders under the ABL DIP Facility in any of the Chapter 11 Cases or inconsistent with the Loan Documents;

(viii) the filing or support of any pleading by any Loan Party (or any direct or indirect parent thereof) seeking, or otherwise consenting to, any of the matters set forth in clauses (i) through (vii) above, unless such filing or any pleading is in connection with the enforcement of the Loan Documents against the Administrative Agent or the Lenders;

(o) the making of any material payments in respect of prepetition obligations other than (i) to the extent permitted by an Approved Bankruptcy Court Order (and not otherwise prohibited by this Agreement or any other Approved Bankruptcy Court Order then in effect), or (ii) as otherwise agreed to in writing by the Administrative Agent;

(a) declare the commitment of each Lender to make Loans and any obligation of each L/C Issuer to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Loan Parties;

(c) whether or not the maturity of the Obligations shall have been accelerated pursuant hereto, proceed to protect, enforce and exercise all rights and remedies under this Agreement, any of the other Loan Documents or applicable Law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in this Agreement and the other Loan Documents or any instrument pursuant to which the Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of the Credit Parties; and

(d) require that the Loan Parties provide Letter of Credit Cash Collateralization in accordance with Section 2.03(n);

provided, however, in the case of the enforcement of rights against the Collateral pursuant to clauses (b) through (d) above, (i) the Administrative Agent, acting at the request of the Required Lenders, shall provide counsel to the Loan Parties, counsel to the Official Committee (if any), and the Office of the United States Trustee with five (5) Business Days' prior written notice consistent with the Financing Orders (such period, the "**Remedies Notice Period**"), and (ii) during the Remedies Notice Period, the applicable Agent shall refrain from exercising its rights and remedies and the Loan Parties and/or any Official Committee shall be permitted to request an emergency hearing before the Bankruptcy Court (which request must be made prior to the conclusion of the Remedies Notice Period and shall seek consideration of such request on an expedited basis); provided, further, that during the Remedies Notice Period, the Loan Parties shall be permitted to use cash collateral as provided in the Financing Orders;

provided, further that, other than in connection with the Chapter 11 Cases, upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation

of the Loan Parties to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), or after the commencement of any Liquidation, subject to the terms of the Intercreditor Agreement and the Financing Orders, any amounts received on account of the Obligations shall be applied (by the Administrative Agent as hereby instructed so to apply) in the following order:

First, to payment in full of that portion of the Obligations constituting fees, indemnities, Credit Party Expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and the Collateral Agent and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent, each in its capacity as such;

Second, to payment in full of that portion of the Obligations constituting indemnities, Credit Party Expenses, and other amounts (other than principal, interest and fees) payable to the Lenders and the L/C Issuers (including fees, charges and disbursements of counsel to the respective Lenders and the L/C Issuers and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them in their capacities as such;

Third, to payment in full to the Swing Line Lender of that portion of the Obligations constituting accrued and unpaid interest on the Swing Line Loans;

Fourth, to payment in full of that portion of the Obligations constituting accrued and unpaid interest on the Loans, Letter of Credit Disbursements and other Obligations, and fees (including Letter of Credit Fees), ratably among the Lenders and the L/C Issuers in proportion to the respective amounts described in this clause Fourth payable to them in their capacities as such;

Fifth, to payment in full to the Swing Line Lender of that portion of the Obligations constituting unpaid principal of the Swing Line Loans;

Sixth, to payment in full of that portion of the Obligations constituting unpaid principal of the Loans and Letter of Credit Disbursements, ratably among the Lenders and the L/C Issuers in proportion to the respective amounts described in this clause Sixth held by them in their capacities as such;

Seventh, to the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize in full that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Eighth, [reserved];

Ninth, to payment in full of all other Obligations, ratably among the Credit Parties in proportion to the respective amounts described in this clause Ninth held by them; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the applicable Loan Parties or as otherwise required by Law.

Subject to Section 2.03, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Seventh above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have

either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, amounts received from the Borrower or any Guarantor that is not an “eligible contract participant” under the Commodity Exchange Act and the regulations promulgated thereunder shall not be applied to the Obligations that are Excluded Swap Obligations (it being understood, that in the event that any amount is applied to Obligations other than Excluded Swap Obligations as a result of this sentence, the Administrative Agent shall, to the extent permitted by law, make such adjustments as it determines are appropriate to distributions pursuant to clause Ninth above from amounts received from “eligible contract participants” under the Commodity Exchange Act and the regulations promulgated thereunder to ensure, as nearly as possible, that the proportional aggregate recoveries with respect to Obligations described in clause Ninth above by the holders of any Excluded Swap Obligations are the same as the proportional aggregate recoveries with respect to other Obligations pursuant to clause Ninth above).

ARTICLE IX ADMINISTRATIVE AGENT

9.01 Appointment and Authority.

(a) Each of the Lenders and each L/C Issuer hereby irrevocably appoints Eclipse to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuers, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

(b) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (in its capacities as a Lender), Swing Line Lender (if applicable) and each L/C Issuer hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Agents, shall be entitled to the benefits of all provisions of this Article IX and Article XI (including Section 11.04(c), as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) as if set forth in full herein with respect thereto.

(c) Each of the Lenders, for itself and on behalf of any of its Affiliates, and each L/C Issuer hereby irrevocably appoints Eclipse, in its capacity as Administrative Agent and Collateral Agent and to take such actions on its behalf and to exercise such powers as are delegated to Eclipse, in its capacity as Administrative Agent and Collateral Agent, by the terms hereof and as set forth in the Financing Orders, together with such actions and powers as are reasonably incidental thereto.

9.02 Rights as a Lender. The Person serving as the Administrative Agent and Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent or the Collateral Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent and Collateral Agent hereunder in its individual

capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent or the Collateral Agent hereunder and without any duty to account therefor to the Lenders.

9.03 Exculpatory Provisions. The Agents shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Agents:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent to liability or that is contrary to any Loan Document or applicable Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or the Collateral Agent or any of its Affiliates in any capacity.

The Agents shall not be liable for any action taken or not taken by them (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agents shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of their own gross negligence or willful misconduct. The Agents shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or any L/C Issuer.

The Agents shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agents.

9.04 Reliance by Agents. The Agents shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by them to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agents also may rely upon any statement made to them orally or by telephone and believed by them to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter

of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuers, the Administrative Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Agents may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by them, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. The Agents may perform in any and all of their duties and exercise their rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent or the Collateral Agent, as applicable. The Agents and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents and any such sub-agent, and shall apply to their respective activities as Administrative Agent or Collateral Agent.

9.06 Resignation of Agents. The Agents may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Borrower, including the effective date of such resignation which may be not less than 30 days from the date of such notice. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower at all times other than during the existence of an Event of Default (which consent shall not be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agents give notice of their resignation, then the retiring Agents may on behalf of the Lenders and the L/C Issuers, appoint a successor Administrative Agent and Collateral Agent meeting the qualifications set forth above; provided that if the Agents shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Agents shall be discharged from their duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the L/C Issuers under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent and Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent and Collateral Agent, and the retiring Administrative Agent and Collateral Agent shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Section 11.04 shall continue in effect for the benefit of such retiring Administrative Agent and Collateral Agent, their respective sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent and Collateral Agent was acting as Administrative Agent and Collateral Agent.

9.07 Non-Reliance on Agents and Other Lenders. Each Lender and each L/C Issuer acknowledges that it has, independently and without reliance upon the Agents, the Arranger or any other Lender or any of their Related Parties and based on such documents and information as it has deemed

appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each L/C Issuer also acknowledges that it will, independently and without reliance upon the Agents, the Arranger or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. Except as provided in Section 9.12, the Agents and the Arranger shall not have any duty or responsibility to provide any Lender with any other credit or other information concerning the affairs, financial condition or business of any Loan Party that may come into the possession of the Agents and the Arranger.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, no Arranger listed on the cover page hereof shall (i) have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent, a Lender or any L/C Issuer hereunder or (ii) any fiduciary relationship with the Lenders, the Borrower or any other Person pursuant to the Loan Documents.

9.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Administrative Agent under Sections 2.07, and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or any L/C Issuer in any such proceeding.

9.10 Collateral and Guaranty Matters. The Lenders and the L/C Issuers irrevocably authorize the Agents, at their option and in their discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations for which no claim has then been asserted) and the expiration or termination of all Letters of Credit, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to a Person that is not a Loan Party, or (iii) if approved, authorized or ratified in writing in accordance with Section 11.01;

(b) to release any Guarantor from its obligations hereunder if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i).

Upon request by the Agents at any time, the Required Lenders will confirm in writing the Agents' authority to release or subordinate their interest in particular types or items of property, or to release any Guarantor from its obligations hereunder pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent or the Collateral Agent, as applicable, will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations hereunder, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

9.11 Notice of Transfer. The Agents may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Assumption shall have become effective as set forth in Section 11.06.

9.12 Reports and Financial Statements. By signing this Agreement, each Lender:

(a) [reserved];

(b) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after they become available, copies of all Borrowing Base Calculations, financial statements required to be delivered by the Borrower hereunder and all collateral field examinations and appraisals of the Collateral received by the Agents (collectively, the "**Reports**"), and the Administrative Agent further agrees to deliver other information delivered pursuant to Section 6.02 upon the reasonable request of such Lender;

(c) expressly agrees and acknowledges that the Agents (i) make no representation or warranty as to the accuracy of the Reports, and (ii) shall not be liable for any information contained in any Report;

(d) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agents or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;

(e) agrees to keep all Reports confidential in accordance with the provisions of Section 11.07, or use any Report in any other manner; and

(f) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agents and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any Credit Extensions that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Agents and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Agents and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

9.13 Agency for Perfection. Each Lender hereby appoints each other Lender as agent for the purpose of perfecting Liens for the benefit of the Agents and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable Law can be perfected only by possession. Should any Lender (other than the Agents) obtain possession of any such Collateral, such Lender shall notify the Agents thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

9.14 Indemnification of Agents. The Lenders agree to indemnify the Agents (to the extent not reimbursed by the Loan Parties and without limiting the obligations of Loan Parties hereunder), ratably according to their respective Applicable Percentages, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against any Agent in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by any Agent in connection therewith; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final and nonappealable judgment of a court of competent jurisdiction.

9.15 Withholding Tax. To the extent required by any applicable law, the Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agent (to the extent that the Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) for all amounts paid, directly or indirectly, by the Agent as Tax or otherwise, including any interest, additions to Tax or penalties thereto, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

9.16 Relation Among Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Agents) authorized to act for, any other Lender.

9.17 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations or otherwise) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable so as to exempt from the prohibitions of ERISA Section 406 and Code Section 4975 such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent or its Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments

with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

9.18 Erroneous Payments.

(a) Each Lender and L/C Issuer hereby agrees that (x) if the Administrative Agent notifies such Lender or L/C Issuer that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or L/C Issuer from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "**Payment**") were erroneously transmitted to such Lender or L/C Issuer (whether or not known to such Lender or L/C Issuer), and demands the return of such Payment (or a portion thereof), such Lender or L/C Issuer shall promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or L/C Issuer to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or L/C Issuer shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or L/C Issuer under this Section 9.18(a) shall be conclusive, absent manifest error.

(b) Each Lender and L/C Issuer hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "**Payment Notice**") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and L/C Issuer agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or L/C Issuer shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or L/C Issuer to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender or L/C Issuer that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender or L/C Issuer with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan

Party, except, in each case, to the extent such erroneous Payment (or any portion thereof) is, and solely with respect to the amount of such erroneous Payment that is comprised of funds of a Loan Party. Notwithstanding anything to the contrary herein or in any other Loan Document, the provisions of this Section 9.18 relating to Payments (including the preceding two paragraphs and this paragraph) shall not constitute, create or otherwise alter the Obligations on the part of the Loan Parties under the Loan Documents or otherwise.

(d) Each party's obligations under this Section 9.18 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

9.19 Intercreditor Agreement. The parties hereto acknowledge and agree that: (a) in accordance with the Interim Financing Order and any other order of the Bankruptcy Court, the each Agent shall be subject to the terms of the Intercreditor Agreement as if each Agent was a party thereto as an "ABL Agent" (as defined in the Intercreditor Agreement) and (b) each Agent, acting in the capacity as an ABL Agent, is authorized to perform and take or refrain from taking any actions, and providing any consents or directions, in connection with the Intercreditor Agreement.

ARTICLE X CONTINUING GUARANTY

10.01 Guaranty. Each Guarantor hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all of the Obligations, whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of the Borrower to the Credit Parties, arising hereunder and under the other Loan Documents (including all renewals, extensions, amendments, refinancings and other modifications thereof and all costs, attorneys' fees and expenses incurred by the Credit Parties in connection with the collection or enforcement thereof). The Administrative Agent's books and records showing the amount of the Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor, and conclusive for the purpose of establishing the amount of the Obligations. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Obligations or any instrument or agreement evidencing any Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Obligations which might otherwise constitute a defense to the obligations of any Guarantor under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

Each Qualified ECP Guarantor (including the Borrower) hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of each such Loan Party's obligations (a) in respect of Swap Contracts to which it is a party and (b) under this Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.01 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.01, or otherwise under this Guaranty, as it relates to such other Loan Party, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until the termination of this Guaranty in accordance with Section 10.06 hereof. Each Qualified ECP Guarantor intends that this Section 10.01 constitute, and this Section 10.01 shall be deemed to constitute, a

“keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

10.02 Rights of Lenders. Each Guarantor consents and agrees that the Credit Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Obligations; (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent and the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

10.03 Certain Waivers. Each Guarantor waives (a) any defense arising by reason of any disability or other defense of the Borrower or any other Guarantor, or the cessation from any cause whatsoever (including any act or omission of any Credit Party) of the liability of the Borrower; (b) any defense based on any claim that such Guarantor’s obligations exceed or are more burdensome than those of the Borrower; (c) the benefit of any statute of limitations affecting such Guarantor’s liability hereunder; (d) any right to proceed against the Borrower, proceed against or exhaust any security for the Obligations, or pursue any other remedy in the power of any Credit Party whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by any Credit Party; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Obligations. As provided below, this Guaranty shall be governed by, and construed in accordance with, the laws of the State of New York.

10.04 Obligations Independent. The obligations of each Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Obligations and the obligations of any other guarantor, and a separate action may be brought against each Guarantor to enforce this Guaranty whether or not the Borrower or any other person or entity is joined as a party.

10.05 Subrogation. No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Obligations (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement) and any amounts payable under this Guaranty have been paid and performed in full and the Commitments and the Facility are terminated. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Credit Parties and shall forthwith be paid to the Credit Parties to reduce the amount of the Obligations, whether matured or unmatured.

10.06 Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Obligations now or hereafter existing and shall remain in full force and effect until all Obligations and any other amounts payable under this Guaranty are paid in full in cash (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement) and the Commitments and the Facility with respect to the Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on

behalf of the Borrower or any Guarantor is made, or any of the Credit Parties exercises its right of setoff, in respect of the Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any of the Credit Parties in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Credit Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of each Guarantor under this paragraph shall survive termination of this Guaranty.

10.07 Subordination. Each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrower owing to such Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrower to any Guarantor as subrogee of the Credit Parties or resulting from such Guarantor's performance under this Guaranty, to the indefeasible payment in full in cash of all Obligations (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement). If the Credit Parties so request, any such obligation or indebtedness of the Borrower to any Guarantor shall be enforced and performance received by such Guarantor as trustee for the Credit Parties and the proceeds thereof shall be paid over to the Credit Parties on account of the Obligations, but without reducing or affecting in any manner the liability of such Guarantor under this Guaranty.

10.08 Stay of Acceleration. If acceleration of the time for payment of any of the Obligations is stayed, in connection with any case commenced by or against any Guarantor or the Borrower under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by such Guarantor immediately upon demand by the Credit Parties.

10.09 Condition of Borrower. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Borrower and any other guarantor such information concerning the financial condition, business and operations of the Borrower and any such other Guarantor as such Guarantor requires, and that none of the Credit Parties has any duty, and such Guarantor is not relying on the Credit Parties at any time to disclose to such Guarantor any information relating to the business, operations or financial condition of the Borrower or any other Guarantor (such Guarantor waiving any duty on the part of the Credit Parties to disclose such information and any defense relating to the failure to provide the same).

ARTICLE XI MISCELLANEOUS

11.01 Amendments, Etc. Subject to Section 3.02, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender (it being understood that the waiver of any mandatory prepayment shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date fixed by this Agreement or any other Loan Document for (i) any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any of the other Loan Documents without the written consent of each Lender entitled to such payment (it being understood that the waiver of or amendment to the terms of any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest, or (ii) any scheduled or mandatory reduction of the Aggregate Commitments hereunder or under any other Loan Document without the written consent of each Lender;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or Letter of Credit Disbursements, or (subject to clause (iv) of the second proviso to this Section 11.01) any fees or other amounts payable hereunder or under any other Loan Document, without the written consent of each Lender entitled to such amount; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest or Letter of Credit Fees at the Default Rate; provided further, however, changes to interest rates arising from changes to the definition of Borrowing Base shall be governed by clause (i) below;

(d) change Section 2.13 or Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(e) change any provision of this Section 11.01 or the definition of “Required Lenders” or “Supermajority Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender (other than any Defaulting Lender);

(f) except as expressly permitted hereunder, release, or limit the liability of, any Loan Party without the written consent of each Lender (other than any Defaulting Lender);

(g) except for releases of Collateral in accordance with the provisions of Section 9.10 hereof (in which case, such release may be made by the Administrative Agent acting alone), release all or substantially all of the Collateral from the Liens of the Collateral Documents in any transaction or series of related transactions, without the written consent of each Lender (other than any Defaulting Lender);

(h) increase the Aggregate Commitments without the written consent of each Lender (other than any Defaulting Lender);

(i) change the definition of the term “Borrowing Base” or any component definition thereof if as a result thereof the amounts available to be borrowed by the Borrower would be increased, without the written consent of the Supermajority Lenders, provided that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves without the consent of any Lender;

(j) modify the definition of Permitted Overadvance so as to increase the amount thereof or, except as provided in such definition, the time period for a Permitted Overadvance without the written consent of the Supermajority Lenders;

(k) except as provided in Section 9.10(c), subordinate the Obligations hereunder or the Liens granted hereunder or under the other Loan Documents, to any other Indebtedness or Lien, as the case may be without the written consent of each Lender (other than any Defaulting Lender);

(l) modify this Section 11.01 or Section 8.03 without the written consent of each Lender (other than any Defaulting Lender);

and provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the L/C Issuers in addition to the Lenders required above, affect the rights or duties of the L/C Issuers under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; (iv) no amendment, waiver or consent shall, unless in writing and signed by the Collateral Agent in addition to the Lenders required above, affect the rights or duties of the Collateral Agent under this Agreement or any other Loan Document; and (v) each Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender or Supermajority Lenders and that has been approved by the Required Lenders, the Borrower may replace such non-consenting Lender in accordance with Section 11.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this paragraph).

Notwithstanding anything to the contrary contained in this Section 11.01, if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of any Loan Document, then the Administrative Agent and/or the Collateral Agent (acting in their sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document.

11.02 Notices; Effectiveness; Electronic Communications.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

- (i) if to Holdings, the Borrower, any Loan Party, the Administrative Agent, the Collateral Agent, the L/C Issuers or the Swing Line Lender to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 11.02; and
- (ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. The Administrative Agent and each of its Affiliates is authorized to transmit, post or otherwise make or communicate, in its sole discretion (but shall not be required to do so), by Approved Electronic Communications in connection with this Agreement or any other Loan Document and the transactions contemplated therein. The Administrative Agent is hereby authorized to establish procedures to provide access to and to make available or deliver, or to accept, notices, documents and similar items by posting to ABLSoft. All uses of ABLSoft and other Approved Electronic Communications shall be governed by and subject to, in addition to the terms of this Agreement, the separate terms, conditions and privacy policy posted or referenced in such system (or such terms, conditions and privacy policy as may be updated from time to time, including on such system) and any related contractual obligations executed by the Administrative Agent and Loan Parties in connection with the use of such system. Each of the Loan Parties, the Lenders and the Administrative Agent hereby acknowledges and agrees that the use of ABLSoft and other Approved Electronic Communications is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse and each indicates it assumes and accepts such risks by hereby authorizing the Administrative Agent and each of its Affiliates to transmit Approved Electronic Communications. ABLSoft and all Approved Electronic Communications shall be provided “as is” and “as available”. None of the Administrative Agent or any of its Affiliates or related persons warrants the accuracy, adequacy or completeness of ABLSoft or any other electronic platform or electronic transmission and disclaims all liability for errors or omissions therein. No warranty of any kind is made by the Administrative Agent or any of its Affiliates or related persons in connection with ABLSoft or any other electronic platform or electronic transmission, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects. The Borrower and each other Loan Party executing this Agreement agrees that the Administrative Agent has no responsibility for maintaining or providing any equipment, software, services or any testing required in connection with ABLSoft, any Approved Electronic Communication or otherwise required for ABLSoft or any Approved Electronic Communication. Prior to the Closing Date, the Borrower shall deliver to the Administrative Agent a complete and executed client user form regarding the Borrower’s use of ABLSoft. No Approved Electronic Communications shall be denied legal effect merely because it is made electronically. Approved Electronic Communications that are not readily capable of bearing either a signature or a reproduction of a signature may be signed, and shall be deemed signed, by attaching to, or logically associating with such Approved Electronic Communication, an E-Signature, upon which the Administrative Agent and the Loan Parties may rely and assume the authenticity thereof. Each Approved Electronic Communication containing a signature, a reproduction of a signature or an E-Signature shall, for all intents and purposes, have the same effect and weight as a signed paper original. Each E-Signature shall be deemed sufficient to satisfy any requirement for a “signature” and each Approved Electronic Communication shall be deemed sufficient to satisfy any requirement for a “writing”, in each case including pursuant to this Agreement, any other Loan Document, the UCC, the Federal Uniform Electronic Transactions Act, the Electronic Signatures in Global and National Commerce Act and any substantive or procedural law governing such subject matter. Each party or beneficiary hereto agrees not to contest the validity or enforceability of an Approved Electronic Communication or E-Signature under the provisions of any applicable law requiring certain documents to be in writing or signed; provided, that nothing herein shall limit such party's or beneficiary's right to contest whether an Approved Electronic Communication or E-Signature has been altered after transmission.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient

at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “**Agent Parties**”) have any liability to Holdings or any of its Subsidiaries, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to Holdings or any of its Subsidiaries, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower, any other Loan Party, and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the L/C Issuers and the Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(e) Reliance by Administrative Agent and Lenders. The Administrative Agent, the Collateral Agent, the L/C Issuers, the Swing Line Lender and the Lenders shall be entitled to rely and act upon any notices (including telephonic Notice of Borrowings) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent, the L/C Issuers, the Swing Line Lender, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

11.03 No Waiver; Cumulative Remedies. No failure by any Lender, any L/C Issuer, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Loan Parties shall pay all Credit Party Expenses within ten (10) Business Days after receipt of an invoice therefor.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Administrative Agent (and any sub-agent thereof), the Collateral Agent, the Arranger, the joint bookrunning managers, each Lender, each L/C Issuer and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable and documented in reasonable detail fees, charges and disbursements of one counsel to all Indemnities taken as a whole and, if reasonably necessary, a single local counsel for all Indemnities taken as a whole in each relevant jurisdiction material to the interests of the Lenders, in each case, selected by the Administrative Agent and solely in the case of an actual conflict of interest between Indemnities where the Indemnities affected by such conflict inform the Borrower of such conflict, one additional counsel in each relevant jurisdiction material to the interest of the Lenders to each group of affected Indemnities taken as a whole) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the preparation, execution, delivery or administration of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby or any amendment or waiver with respect hereto or thereto, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release or threat of Release of Hazardous Materials, at, under, on or from any property or facility currently or formerly owned, leased or operated by Holdings or any of its Subsidiaries, or any Environmental Liability related in any way to Holdings or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction, or (z) result from the presence, Release or threat of Release of Hazardous Materials or violations of Environmental Laws first occurring or first existing after completion of the foreclosure upon the Collateral, granting of a deed-in-lieu of foreclosure with respect to the Collateral or similar transfer of title or possession of the Collateral, unless such presence, release or violation is actually caused by any

Loan Party or any Subsidiary thereof. This Section 11.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Agents (or any sub-agent thereof), the Swing Line Lender, the L/C Issuers or any Related Party of any of the foregoing, each Lender (other than the Swing Line Lender in its capacity as such) severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender, the L/C Issuers or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender or L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after receipt of an invoice or demand therefor.

(f) Survival. The agreements in this Section shall survive the resignation of the Agents, the Swing Line Lender and the L/C Issuers, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

11.05 Payments Set Aside. To the extent that any payment by or on behalf of any of the Loan Parties is made to the Administrative Agent, any L/C Issuer or any Lender, or the Administrative Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Lenders and the L/C Issuers under

clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

11.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 11.06(b), (ii) by way of participation in accordance with the provisions of Section 11.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 11.06(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the L/C Issuers and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 11.06(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1.0 million (and in integral multiples of \$1.0 million in excess thereof) and after giving effect thereto, the assigning Lender shall hold a Commitment of at least \$1.0 million, unless, in each case, each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this

Agreement with respect to the Loans or the Commitment assigned, except that (A) this clause (ii) shall not apply to the Swing Line Lenders' rights and obligations in respect of Swing Line Loans and (B) this clause (ii) shall not limit the right of a Lender to assign all or any portion of its Commitment;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (1) any Commitment if such assignment is to a Person that is not a Lender with a Commitment, an Affiliate of Lender or an Approved Fund with respect to such Lender or (2) any Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund;

(C) the consent of the L/C Issuers (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding); and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Swing Line Loans (whether or not then outstanding).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any Tax forms required by Section 3.01(g), Section 3.01(h) or Section 3.01(i);

(v) No Assignment to Borrower. No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries; and

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of

Sections 3.01, 3.03, and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans (and whether such Loan is a Committed Loan or a Swing Line Loan, as applicable) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, including, for avoidance of doubt, any indemnification obligation with respect to the participated interest, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a), (b), (c), (f) and (g) in the first proviso to Section 11.01 that affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 3.01 and Section 3.03 (provided such Participant agrees to be subject to the limitations and requirements therein as though it were a Lender (it being understood that the documentation required under Section 3.01(g), Section 3.01(h) and Section 3.01(i) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.06(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amount of each Participant's interest in the Loans held by it (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under the Loan Documents) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person

whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant except to the extent that such entitlement to any greater payment results from any Change in Law after the Participant becomes a Participant, or the sale of the participation to such Participant is made with the Borrower's prior written consent.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a FRB or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Resignation as L/C Issuer or Swing Line Lender After Assignment. Notwithstanding anything to the contrary contained herein, if at any time Eclipse (together with its affiliates) assigns all of its Commitment and Loans pursuant to subsection (b) above, Eclipse may, (i) upon 30 days' notice to the Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon 30 days' notice to the Borrower, resign as Swing Line Lender. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of Eclipse as L/C Issuer or Swing Line Lender, as the case may be. If Eclipse resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuers hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Committed Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03). If Eclipse resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Committed Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Eclipse to effectively assume the obligations of Eclipse with respect to such Letters of Credit.

11.07 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent, the Lenders and the L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed

to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 11.07, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, or (iii) any funding or financing source of any Lender, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 11.07 or (ii) becomes available to the Administrative Agent, any Lender, any L/C Issuer or any of their respective Affiliates on a non-confidential basis from a source other than the Borrower.

For purposes of this Section, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, operations, assets and related matters, other than any such information that is available to the Administrative Agent, any Lender or any L/C Issuer on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof, provided that, in the case of information received from a Loan Party or any such Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Lenders and the L/C Issuers acknowledges that (A) the Information may include material non-public information concerning Holdings or a Subsidiary, as the case may be, (B) it has developed compliance procedures regarding the use of material non-public information and (C) it will handle such material non-public information in accordance with applicable Law, including Federal and state securities Laws.

11.08 Right of Setoff. Subject to the Financing Orders and the Intercreditor Agreement, if an Event of Default shall have occurred and be continuing, each Credit Party and each of its respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Credit Party or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Credit Party, irrespective of whether or not such Credit Party shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Credit Party different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Credit Party and their respective Affiliates under this Section 11.08 are in addition to other rights and remedies (including other rights of setoff) that such Credit Party or their respective Affiliates may have. Each Credit Party agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum

rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 11.02), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the Loan Parties, Electronic Signatures transmitted by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) the Administrative

Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against the Administrative Agent, any Lender, any L/C Issuer and any Related Party of any of the foregoing Persons for any losses, claims, damages, liabilities and related expenses arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims, damages, liabilities and related expenses arising as a result of the failure of the Borrower and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

11.11 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Obligation (other than any indemnity obligation for unasserted claims that by its terms survives the termination of this Agreement) shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders. (a) If any Lender requests compensation under Section 3.03, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or (b) if any Lender is a Defaulting Lender, or (c) if in connection with a proposed amendment, modification, waiver, or consent with respect to any of the provisions hereof as contemplated by Section 11.01, the consent of the Required Lenders shall have been obtained but the consent of one or more of such other Lenders whose consent is required shall not have been obtained, or (d) if any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and Letter of Credit Exposure, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.03 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Laws.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE, REGARDLESS OF LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

(b) SUBMISSION TO JURISDICTION. EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, SOLELY TO THE EXTENT THAT THE BANKRUPTCY COURT DOES NOT HAVE, OR ABSTAINS FROM, JURISDICTION OVER ANY MATTER, ANY U.S. FEDERAL OR NEW YORK STATE COURT SITTING IN BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK (OR ANY APPELLATE COURT THEREFROM) IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN THE BANKRUPTCY COURT OR SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY CREDIT PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH OF THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT

REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.15 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and Holdings each acknowledge and agree, and acknowledge their respective Affiliates' understanding, that: (a) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arranger and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent, the Arranger and the Lenders, on the other hand, (b) each of the Borrower and Holdings and each other Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (c) the Borrower and Holdings and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (d) the Administrative Agent, each Arranger and each Lender each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (e) neither the Administrative Agent nor the Arranger or any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (f) the Administrative Agent, the Arranger and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and neither the Administrative Agent nor the Arranger or the Lenders have any obligation to disclose any of such interests to the Borrower, Holdings and their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Administrative Agent, the Arranger and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.17 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record

information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. No part of the proceeds of the Loans will be used by the Loan Parties, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

11.18 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

11.19 Attachments. The exhibits, schedules and annexes attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement shall prevail.

11.20 Intercreditor Agreement; Financing Orders. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement or the other Loan Documents and the exercise of any right or remedy by the Collateral Agent hereunder or under the other Loan Documents are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control. To the extent that any specific provision of this Agreement or any of the other Loan Documents is inconsistent with any of the Financing Orders, the terms of the Financing Orders shall govern and control.

11.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

11.22 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Therefore, Holders of Claims in Classes 1, 2 and 4 are not entitled to vote on this Plan and the votes of such Holders shall not be solicited. Notwithstanding their non-voting status, Holders of such Claims shall receive a Release Opt-Out Form solely for purposes of affirmatively opting out of the Third-Party Release.

For purposes of determining acceptance and rejection of this Plan, votes shall be tabulated on a Debtor-by-Debtor basis.

Pursuant to section 1126(c) of the Bankruptcy Code, an Impaired Class of Claims shall have accepted this Plan if (a) the Holders, including Holders acting through a voting Representative, of at least two-thirds (2/3) in amount of Claims actually voting in such Class have voted to accept this Plan and (b) the Holders, including Holders acting through a voting Representative, of more than one-half (1/2) in number of Claims actually voting in such Class have voted to accept this Plan. For the avoidance of doubt, each Claim in any Class entitled to vote to accept or reject this Plan that is not Allowed pursuant to this Plan, and in each case, is wholly contingent, unliquidated, or Disputed, in each case, shall be accorded one (1) vote and valued at one dollar (\$1.00) for voting purposes only, and not for purposes of allowance or distribution.

Therefore, Holders of Claims and Interests in Classes 6 and 7 are not entitled to vote on this Plan and votes of such Holders shall not be solicited.

D. *Confirmation Pursuant to Section 1129(a)(10) and 1129(b) of the Bankruptcy Code*

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of this Plan by an Impaired Class of Claims entitled to vote (*i.e.*, Class 3). The Debtors shall seek Confirmation pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify this Plan in accordance with Article XI to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

E. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Interests, and the respective distributions and treatments under this Plan, shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 509 or 510 of the Bankruptcy Code, or otherwise; *provided*, that, notwithstanding the foregoing, such Allowed Claims or Interests and their respective treatments set forth herein shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. Pursuant to section 510 of the Bankruptcy Code, except where otherwise provided herein, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination rights relating thereto. The Debtors or Reorganized Debtors, as applicable, reserve the right to seek a ruling from the Bankruptcy Court determining whether any Claim should be subordinated pursuant to section 510(b) of the Bankruptcy Code and treated under the Plan as a Class 5 Subordinated Claim.

F. *Special Provision Governing Unimpaired Claims*

Except as otherwise provided herein, nothing under this Plan shall affect or limit the Debtors' or the Reorganized Debtors' rights and defenses (whether legal or equitable) in respect of any Unimpaired Claims, including, without limitation, all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

G. *Vacant and Abstaining Classes*

Any Class of Claims or Interests that is not occupied as of the commencement of the Combined Hearing by an Allowed Claim or Allowed Interest or a Claim or Interest temporarily Allowed under Bankruptcy Rule 3018 shall be deemed eliminated from this Plan for purposes of voting to accept or reject this Plan and for purposes of determining acceptance or rejection of this Plan by such Class pursuant to

section 1129(a)(8) of the Bankruptcy Code. Moreover, any Class of Claims that is occupied as of the commencement of the Combined Hearing by an Allowed Claim or a Claim temporarily Allowed under Bankruptcy Rule 3018, but as to which no vote is cast, shall be deemed to accept this Plan pursuant to section 1129(a)(8) of the Bankruptcy Code.

H. *Controversy Concerning Impairment*

If a controversy arises as to whether any Claim or Interest (or any Class of Claims or Interests) are Impaired under this Plan, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the Confirmation Date, absent consensual resolution of such controversy consistent with the Transaction Support Agreement among the Debtors and the complaining Entity or Entities.

I. *Intercompany Interests and Intercompany Claims*

To the extent Intercompany Interests and Intercompany Claims are Reinstated under this Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Interests on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliates') corporate structure, for the ultimate benefit of the Holders of New Equity Interests, to preserve ordinary course intercompany operations, and in exchange for the Debtors' and Reorganized Debtors' agreement under this Plan to make certain distributions to the Holders of Allowed Claims.

J. *Disputed Claims Process*

Notwithstanding section 502(a) of the Bankruptcy Code, and in light of the Unimpaired status of all Allowed General Unsecured Claims under this Plan, Holders of Claims (other than Holders of Rejection Damages Claims) need not File Proofs of Claim. The Reorganized Debtors and the Holders of Claims shall determine, adjudicate, and resolve any disputes over the validity and amounts of such Claims in the ordinary course of business as if the Chapter 11 Cases had not been commenced except that (unless expressly waived pursuant to this Plan) the Allowed amount of such Claims shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. All Proofs of Claim Filed in these Chapter 11 Cases (other than Rejection Damages Claims) shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim Filed against the Debtors (other than Rejection Damages Claims), regardless of the time of filing, and including Proofs of Claim Filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in this Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court.

Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under this Plan or is rendered Unimpaired under this Plan in the Bankruptcy Court. Any disputes regarding the Allowance of a Rejection Damages Claim shall be determined by the Bankruptcy Court.

For the avoidance of doubt, there is no requirement to File a Proof of Claim (or move the Bankruptcy Court for Allowance) to be an Allowed Claim under this Plan. Notwithstanding the foregoing, Entities must File Cure Cost objections as set forth in this Plan to the extent such Entity disputes the amount of the Cure Cost proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty, and Entities that are counterparties to a rejected Executory Contract or Unexpired Lease must file a Rejection Damages Claim as set forth in the Plan.

Article IV.
MEANS FOR IMPLEMENTATION OF THIS PLAN

A. *General Settlement of Claims and Interests*

In consideration for the classification, distributions, releases, and other benefits provided under this Plan, on the Effective Date, the provisions of this Plan shall constitute a set of integrated, good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies resolved pursuant to this Plan and this Plan shall be deemed a motion to approve the good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies pursuant to Bankruptcy Rule 9019. Entry of the Combined Order shall constitute the Bankruptcy Court's approval of such compromises and settlements under Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such integrated compromises or settlements are in the best interests of the Debtors, the Estates, and Holders of Claims and Interests, and are fair, equitable, and reasonable. Subject to Article VI, distributions made to Holders of Allowed Claims in any Class are intended to be and shall be final and indefeasible and shall not be subject to avoidance, turnover, or recovery by any other Person. Notwithstanding the foregoing or similar provisions of this Plan with respect to settlements, such settlements are approved as among the parties to such settlement or similar agreements thereto, and the treatment of all Claims and Interests is approved pursuant to Confirmation by satisfying the requirement of section 1129 of the Bankruptcy Code.

B. *Restructuring Transactions*

Without limiting any rights and remedies of the Debtors or Reorganized Debtors under this Plan or applicable law, but in all cases subject to the terms and conditions of the Transaction Support Agreement, the Transaction Term Sheet, and Definitive Documents and any consents or approvals required thereunder, the entry of the Combined Order shall constitute authorization for the Debtors and Reorganized Debtors, as applicable, to take, or to cause to be taken, all actions necessary or appropriate to consummate and implement the provisions of this Plan before, on, and after the Effective Date, including such actions as may be necessary or appropriate to effectuate a corporate restructuring of their respective businesses and to otherwise simplify the overall corporate structure of the Reorganized Debtors. Such restructuring may include (1) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation, or dissolution containing terms that are consistent with the terms of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and that satisfy the applicable requirements of applicable state law and such other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, duty, or obligation on terms consistent with the terms of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and having such other terms to which the applicable Entities may agree; (3) the execution, delivery, and filing, if applicable, of the New Organizational Documents and the Exit Facilities Documents; (4) the filing of appropriate certificates or articles of conversion, formation, incorporation, merger, consolidation, or dissolution with the appropriate governmental authorities pursuant to applicable state law; and (5) all other actions that the Debtors, the Reorganized Debtors and/or the applicable Entities reasonably determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law or foreign law in connection with such transactions, but in all cases subject to the terms and conditions of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and any consents or approvals required thereunder.

The Combined Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the

Restructuring Transactions (including any other transaction described in, approved by, contemplated by, or necessary to effectuate this Plan).

C. *Corporate Existence*

Except as otherwise provided in this Plan, or as otherwise may be agreed between the Debtors and the Required Consenting Lenders, each Debtor, as a Reorganized Debtor, shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each Debtor is incorporated or formed and pursuant to the respective memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) in effect before the Effective Date, except to the extent such memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) are amended by this Plan, by the Debtors, or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to this Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law), without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law.

On or after the Effective Date, without prejudice to the rights of any party to a contract or other agreement with any Reorganized Debtor, each Reorganized Debtor may, without the need for approval of the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, take such action as permitted by applicable law, and such Reorganized Debtor's Organizational Documents, as such Reorganized Debtor may determine is reasonable and appropriate, including, without limitation, causing: (a) a Reorganized Debtor to be merged into another Reorganized Debtor or an Affiliate of a Reorganized Debtor; (b) a Reorganized Debtor to be dissolved; (c) the conversion of a Reorganized Debtor from one entity type to another entity type; (d) the legal name of a Reorganized Debtor to be changed; (e) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter; or (f) the reincorporation of a Reorganized Debtor under the law of jurisdictions other than the law under which the applicable Debtor currently is incorporated.

D. *Vesting of Assets in the Reorganized Debtors Free and Clear of Liens and Claims*

Except as otherwise expressly provided in this Plan or any agreement, instrument, or other document incorporated herein pursuant to sections 1123(a)(5), 1123(b)(3), 1141(b) and (c), and other applicable provisions of the Bankruptcy Code, on and after the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to this Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, other encumbrances or interests, except for those Liens, Claims, charges, or other encumbrances arising from or related to the Exit Facility Documents. On and after the Effective Date, the Reorganized Debtors may (1) operate their respective businesses, (2) use, acquire, and dispose of their respective property, and (3) prosecute, compromise or settle any Claims, Interests, or Causes of Action, in each case without notice to, supervision of, or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, including for the avoidance of doubt any restrictions on the use, acquisition, sale, lease, or disposal of property under section 363 of the Bankruptcy Code. Anything in this Plan to the contrary notwithstanding, the Unimpaired Claims against a Debtor shall remain the obligations solely of such Debtor or such Reorganized Debtor and shall not become obligations of any other Debtor or Reorganized Debtor by virtue of this Plan, the Chapter 11 Cases, or otherwise.

E. *Cancellation of Existing Agreements and Existing Equity Interests.*

On the Effective Date, except with respect to the Exit Facilities Documents, or to the extent otherwise provided in this Plan, the Combined Order, or any other Definitive Document, all notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors shall be deemed canceled and surrendered, and the obligations of the Debtors or the Reorganized Debtors, as applicable, and any Non-Debtor Affiliates thereunder or in any way related thereto shall be deemed satisfied in full, released, and discharged and the obligations of the Debtors pursuant, relating, or pertaining to any agreements, notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors (except such agreements, certificates, notes, or other instruments evidencing indebtedness or obligations of the Debtors that are specifically Reinstated or assumed pursuant to this Plan, if any) shall be released and discharged; *provided*, that, notwithstanding such cancellation, satisfaction, release, and discharge, anything to the contrary contained in this Plan or the Combined Order, Confirmation, or the occurrence of the Effective Date, any such document or instrument that governs the rights, claims, or remedies of the Holder of a Claim or Interest shall continue in effect solely for purposes of: (1) enabling the Holder of such Claim or Interest to receive distributions on account of such Claim or Interest under this Plan as provided herein; (2) allowing and preserving the rights of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to make distributions as specified under this Plan on account of Allowed Claims, as applicable, including allowing the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to submit invoices for any amount and enforce any obligation owed to them under this Plan to the extent authorized or allowed by the applicable documents; (3) permitting the Reorganized Debtors and any other Distribution Agent, as applicable, to make distributions on account of applicable Claims and Interests, as applicable; (4) preserving the Prepetition Agents', DIP Agents', and Exit Facility Agents', as applicable, rights, if any, to compensation and indemnification as against any money or property distributable to the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, as applicable, including permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to maintain, enforce, and exercise any priority of payment or charging liens against such distributions each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on or immediately before the Effective Date, (5) preserving all rights, remedies, indemnities, powers, and protections, including rights of enforcement, of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, against any person other than a Released Party (which Released Parties include the Debtors, Reorganized Debtors, and Non-Debtor Affiliates), and any exculpations of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable; *provided*, that the Prepetition Agents, DIP Agents, and Exit Facility Agents, shall remain entitled to indemnification or contribution from the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on the Effective Date, (6) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to enforce any obligation (if any) owed to them under this Plan, (7) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents to appear in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court or any other court, and (8) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, to perform any functions that are necessary to effectuate the foregoing; *provided, however*, that nothing in this Article

IV shall affect the discharge of Claims or Interests pursuant to the Bankruptcy Code, the Combined Order, or this Plan, or (except as set forth in (5) above) the releases of the Released Parties pursuant to Article IX, or result in any expense or liability to the Debtors or Reorganized Debtors, as applicable, except as expressly provided for in this Plan. For the avoidance of doubt, nothing in this Article IV shall cause the Reorganized Debtors' obligations under the Exit Facilities Documents to be deemed satisfied in full, released, or discharged; *provided*, that notwithstanding this sentence, the Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims shall be deemed satisfied in full, released, and discharged on the Effective Date. In furtherance of the foregoing, as of the Effective Date, Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims shall be deemed to have released any such Claims against the Reorganized Debtors under the Prepetition ABL Facility Documents, Prepetition Term Loan Documents, and DIP Facilities Documents and are enjoined from pursuing any such claims against any of the Reorganized Debtors in respect of such Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims.

On the Effective Date, the Prepetition Agents, the DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be automatically and fully released and discharged from any further responsibility under the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable. The Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be discharged and shall have no further obligation or liability except as provided in this Plan and the Combined Order, and after the performance by the Prepetition Agents, DIP Agents, and their Representatives and professionals of any obligations and duties required under or related to this Plan or the Combined Order, the Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be relieved of and released from any obligations and duties arising thereunder. F. *Sources for Plan Distributions and Transfers of Funds Among Debtors*

The Debtors shall fund Cash distributions under this Plan with Cash on hand, including Cash from operations, and the proceeds of the DIP Facilities and Exit Facilities. The Debtors shall make non-Cash distributions as required under the Plan in the form of Exit Term Loans, Exit ABL Loans and New Equity Interests. Cash payments to be made pursuant to this Plan shall be made by the Reorganized Debtors in accordance with Article VI. Subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents), the Reorganized Debtors shall be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable the Reorganized Debtors to satisfy their obligations under this Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers shall be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and shall not violate the terms of this Plan.

From and after the Effective Date, the Reorganized Debtors, subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents and the Exit Facilities Documents), shall have the right and authority without further order of the Bankruptcy Court to raise additional capital and obtain additional financing in accordance with, and subject to, applicable law.

G. *Exit Facilities and Exit Facilities Documents*

To the extent required and subject to the occurrence of the Effective Date, Confirmation of this Plan shall be deemed to constitute approval by the Bankruptcy Court of the Exit Facilities Documents (including all transactions contemplated thereby, such as any supplementation or syndication of the Exit Term Loans, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the incurrence of Liens securing the Exit Facilities and the payment of all fees, payments, indemnities, and expenses associated therewith) and, subject to the occurrence of the Effective Date, authorization for the applicable Reorganized Debtors to enter into and perform their obligations under the Exit Facilities Documents and such other documents as may be reasonably required or appropriate, subject to any consent or approval rights under the Definitive Documents. On or around the Effective Date, the Reorganized Debtors shall execute and deliver the Exit ABL Credit Agreement, the Exit Term Loan Credit Agreement, the Exit Intercreditor Agreement, and any other Exit Facilities Document, and shall execute, deliver, file, record, and issue any other related notes, guarantees, security documents, instruments, or agreements in connection therewith, in each case, without (a) further notice to the Bankruptcy Court, or (b) further act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. On the Effective Date, the Exit Facilities shall be governed by the Exit Intercreditor Agreement.

On the Effective Date, the Exit Facilities Documents shall constitute legal, valid, binding, and authorized obligations of the Reorganized Debtors, enforceable in accordance with their terms. The financial accommodations to be extended pursuant to the Exit Facilities Documents are being extended, and shall be deemed to have been extended, and all related payments made in connection therewith shall have been made, in each case, in good faith, for legitimate business purposes, for reasonably equivalent value, as an inducement to the applicable lenders to extend credit under the applicable Exit Facilities, are reasonable, shall not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. On the Effective Date, all of the Liens and security interests to be granted, carried forward, continued, amended, extended, and/or reaffirmed (including in connection with any Prepetition ABL Claims that are refinanced by the Exit ABL Credit Agreement) under the Exit Facilities Documents shall: (1) be continuing, legal, binding, and enforceable Liens on, and security interests in, the collateral granted in accordance with the terms of the applicable Exit Facilities Documents; (2) be granted, carried forward, continued, amended, extended, reaffirmed, and deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted thereunder; and (3) not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other law (whether domestic or foreign) that would be applicable in the absence of this Plan and the Combined Order (it being understood that perfection shall occur automatically by virtue of the entry of the Combined Order, and any such filings, recordings, approvals, and consents shall not be required), and shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

H. *Issuance of New Equity Interests and Deregistration*

On the Effective Date, Reorganized Parent shall issue or reserve for issuance and deliver all of the New Equity Interests in accordance with the terms of this Plan and the New Organizational Documents. The issuance and delivery of the New Equity Interests is authorized without the need for further corporate

or other action or any consent or approval of any national securities exchange upon which the New Equity Interests may be listed on or immediately following the Effective Date. All of the New Equity Interests issuable under this Plan and the Combined Order shall, when so issued be duly authorized, validly issued, fully paid, and non-assessable. The issuance and delivery of the New Equity Interests in accordance with this Plan are authorized without the need for any further limited liability company or corporate action and without any further action by any Holder of a Claim or Interest.

Any Holder of an Allowed Prepetition Term Loan Claim or any DIP Term Lender entitled to the DIP Equity Premium may designate that all or a portion of such Holder's share of the New Equity Interests to be distributed as part of the treatment of such Allowed Prepetition Term Loan Claim or on account of the DIP Equity Premium, be registered in the name of, and delivered to, its designee by delivering notice thereof to counsel to the Debtors and to the Notice and Claims Agent at least five (5) Business Days prior to the Effective Date. Any such designee must be an "accredited investor" as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act.

Reorganized Parent intends to exist and operate as a private company after the Effective Date. As promptly as reasonably practicable following the Effective Date, Reorganized Parent expects to take all necessary steps to terminate the registration of all Securities under the Exchange Act and Securities Act, including to de-register its Existing Equity Interests, and to terminate its reporting obligations under sections 12, 13, and 15(d) of the Exchange Act, including by (1) filing, or causing any applicable national securities exchange to file, a Form 25 with the SEC under the Exchange Act, and (2) filing a Form 15 with the SEC under the Exchange Act.

1. Absence of Listing / Transfer of New Equity Interests

On the Effective Date, the Reorganized Parent shall issue the New Equity Interests pursuant to this Plan and the New Organizational Documents. Reorganized Parent shall not be obligated to effect or maintain any listing of the New Equity Interests for trading on any national securities exchange (within the meaning of the Exchange Act) and it has no current intention of maintaining or obtaining such listing. Distributions of the New Equity Interests are expected to be delivered via book-entry transfer by the Distribution Agent in accordance with this Plan and the New Organizational Documents, rather than through the facilities of DTC; however, in the event the New Equity Interests are DTC eligible on the Effective Date, distributions shall be made via DTC. Upon the Effective Date, after giving effect to the Restructuring Transactions, the New Equity Interests shall be that number of shares or membership interests as may be designated in the New Organizational Documents.

On and after the Effective Date, transfers of New Equity Interests shall be made in accordance with applicable United States law, United States securities laws (as applicable), and the New Organizational Documents.

I. *Exemption from Registration Requirements*

No registration statement shall be filed under the Securities Act, or pursuant to any state securities laws, with respect to the offer, issuance and distribution of the New Equity Interests under this Plan. The offering, sale, issuance, and distribution of the New Equity Interests in exchange for Claims pursuant to Article II and Article III and pursuant to the Combined Order shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable United States, state, or local law requiring registration for the offer or sale of a security pursuant to section 1145 of the Bankruptcy Code. Any and all such New Equity Interests may be resold without registration under the Securities Act by the recipients thereof pursuant to the exemption provided by Section 4(a)(1) of the Securities Act, subject to: (1) the provisions of section 1145(b)(1) of the Bankruptcy Code, which limits resale by Persons who are "underwriters" as that term is defined in such section; (2) restrictions under the

Securities Act applicable to recipients who are an “affiliate” of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (3) compliance with any applicable state or foreign securities laws, if any, and any rules and regulations of the SEC, if any, applicable at the time of any future transfer of such Securities; (4) the restrictions, if any, on the transferability of such Securities in the Organizational Documents of the issuer of, or in agreements or instruments applicable to holders of, such Securities; and (5) any other applicable regulatory approval.

The Reorganized Debtors need not provide any further evidence other than this Plan and the Combined Order with respect to the treatment of the New Equity Interests under applicable securities laws.

Notwithstanding anything to the contrary in this Plan, no Person or Entity (including, for the avoidance of doubt, DTC) shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by this Plan, including, for the avoidance of doubt, whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. All such Persons and Entities including DTC shall be required to accept and conclusively rely upon this Plan or the Combined Order in lieu of a legal opinion regarding whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding any policies, practices, or procedures of DTC, DTC and any participants and intermediaries shall fully cooperate and take all actions to facilitate any and all transactions necessary or appropriate for implementation of this Plan or other contemplated thereby, including without limitation any and all distributions pursuant to this Plan.

J. *New Organizational Documents*

Subject to Article IV.E, the Reorganized Debtors and Reorganized Parent shall enter into such agreements and amend their corporate governance documents to the extent necessary to implement the terms and provisions of this Plan. Without limiting the generality of the foregoing, as of the Effective Date, each of the Reorganized Debtors shall be governed by the New Organizational Documents applicable to it. From and after the Effective Date, the Organizational Documents of each of the Reorganized Debtors will be deemed to be modified to prohibit the issuance of non-voting equity Securities, solely to the extent required under section 1123(a)(6) of the Bankruptcy Code. On or immediately before the Effective Date, each Reorganized Debtor and Reorganized Parent shall file its New Organizational Documents, if any, with the applicable Secretary of State and/or other applicable authorities in its jurisdiction of incorporation or formation in accordance with applicable laws of its jurisdiction of incorporation or formation, to the extent required for such New Organizational Documents to become effective. The New Organizational Documents for the Reorganized Debtors and Reorganized Parent shall be in form and substance (including customary minority protections) acceptable to the Required Consenting Lenders.

As a condition to receiving the New Equity Interests, Holders of Allowed Prepetition Term Loan Claim or Holders entitled to receive New Equity Interests on account of the DIP Equity Premium and/or any of their respective designees for receipt of New Equity Interests will be required to execute and deliver the New Organizational Documents for Reorganized Parent. For the avoidance of doubt, any Entity’s or Person’s receipt of New Equity Interests under, or as contemplated by, the Plan (including on account of the DIP Equity Premium) shall be deemed to be its agreement to the terms of the New Organizational Documents for Reorganized Parent, and such Entities and Persons shall be deemed signatories to the New Organizational Documents for Reorganized Parent without further action required on their part. The New Organizational Documents for Reorganized Parent will be effective as of the Effective Date and, as of such date, will be deemed to be valid, binding, and enforceable in accordance with its terms, and each Holder of New Equity Interests will be bound thereby in all respects even if such Holder has not actually executed and delivered a counterpart thereof.

K. *Release of Liens and Claims*

To the fullest extent provided under section 1141(c) and other applicable provisions of the Bankruptcy Code, except as otherwise provided in the Exit ABL Credit Agreement (including with respect to the Prepetition ABL Facility and the Prepetition ABL Loans), this Plan, the Combined Order, or in any contract, instrument, release, or other agreement or document entered into or delivered in connection with this Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to Article VI, all Liens, Claims, mortgages, deeds of trust, or other security interests against the assets or property of the Debtors or the Estates shall be fully released, canceled, terminated, extinguished, and discharged, in each case without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity; *provided*, that (1) the Liens granted to the Prepetition Agents and the DIP Agents pursuant to the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement and (2) any and all Liens or security securing the Debtor's obligations under the Insurance Contracts, which, for avoidance of doubt, includes grants of security interests in, without limitation, escrow accounts, deposit accounts, Cash Collateral, and letters of credit issued for the benefit of Insurers, shall remain in full force and effect solely to the extent provided for in this Plan. The filing of the Combined Order with any federal, state, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens, Claims, and other interests to the extent provided in the immediately preceding sentence. Any Person or Entity holding such Liens, Claims, or interests shall, pursuant to section 1142 of the Bankruptcy Code, promptly execute and deliver to the Reorganized Debtors such instruments of termination, release, satisfaction, and/or assignment (in recordable form) as may be reasonably requested by the Reorganized Debtors.

L. *Exemption from Certain Taxes and Fees*

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfer (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under, pursuant to, in contemplation of, or in connection with this Plan (including the Restructuring Transactions) pursuant to (1) the issuance, distribution, transfer, or exchange of any debt, securities, or other interest in the Debtors or the Reorganized Debtors, (2) the creation, modification, consolidation, termination, refinancing, or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means, (3) the making, assignment, or recording of any lease or sublease, (4) the grant of collateral security for any or all of the Exit Facilities or other indebtedness, or (5) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, this Plan, including, without limitation, any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to this Plan (including the Restructuring Transactions), shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate U.S. federal, state or local governmental officials, agents, or filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, and shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee or governmental assessment.

M. *Directors and Officers of the Reorganized Debtors*

1. Reorganized Board

The members of the Reorganized Board shall consist of a number of members determined by the Required Consenting Lenders in their sole discretion, which shall consist of members appointed in a manner determined by the Required Consenting Lenders in their sole discretion and set forth in the New Organizational Documents for Reorganized Parent. Except to the extent that a member of the board of directors or board of managers, or the sole manager, as applicable, of a Debtor is designated in the Plan Supplement to serve as a director, manager, or sole manager of such Reorganized Debtor on the Effective Date, the members of the board of directors or board of managers, or the sole manager, as applicable, of each Debtor prior to the Effective Date, in their capacities as such, shall have no continuing obligations to the Reorganized Debtors on or after the Effective Date, and each such director, manager, or sole manager shall be deemed to have resigned or shall otherwise cease to be a director, manager, or sole manager of the applicable Debtor on the Effective Date. Each of the directors, managers, sole managers and officers of each of the Reorganized Debtors and Reorganized Parent shall serve pursuant to the terms of the applicable New Organizational Documents of such Reorganized Debtor or Reorganized Parent, as applicable, and may be designated, replaced, or removed in accordance with such New Organizational Documents.

2. Senior Management

The existing officers of the Debtors as of the Effective Date shall remain in their current capacities as officers of the Reorganized Debtors, subject to their right to resign and the ordinary rights and powers of the Reorganized Board to remove or replace them in accordance with the New Organizational Documents and any applicable employment agreements that are assumed pursuant to this Plan.

3. Management Incentive Plan

After the Effective Date, the Reorganized Board shall adopt the Management Incentive Plan in accordance with the Transaction Term Sheet. The form of the awards (i.e., options, restricted stock or units, appreciation rights, etc.), the participants in the Management Incentive Plan, the allocations of the awards to such participants (including the amount of allocations and the timing of the grant of the awards), and the terms and conditions of the awards (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights and transferability) shall be determined by the Reorganized Board in its sole discretion.

N. *Preservation of Causes of Action*

In accordance with section 1123(b) of the Bankruptcy Code, but subject to the releases and exculpation set forth in this section and in Article IX below, all Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor on the Effective Date, including each Cause of Action set forth in the schedule of retained Causes of Action included in the Plan Supplement. Thereafter, the Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, whether arising before or after the Petition Date, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. **No Entity may rely on the absence of a specific reference in this Plan, the Plan Supplement, or the Disclosure Statement to any specific Cause of Action as any indication that the Debtors or the Reorganized Debtors shall not pursue any and all available Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in this Plan,** and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise) or laches, shall apply to any Cause

of Action upon, after, or as a consequence of the Confirmation or the occurrence of the Effective Date. In addition, the Debtors and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant, or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits. For the avoidance of doubt, in no instance shall any Cause of Action preserved pursuant to this Article IV.N include any Claim or Cause of Action released or exculpated under this Plan (including, without limitation, by the Debtors).

O. *Corporate Action*

Each of the Debtors and the Reorganized Debtors may take any and all actions to execute, deliver, File or record such contracts, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the provisions of this Plan, and without further notice to or order of the Bankruptcy Court, any act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by the security holders, officers, or directors of the Debtors or the Reorganized Debtors or by any other Person (except for those expressly required pursuant hereto or by the Definitive Documents).

Upon the Effective Date, all actions contemplated by this Plan shall be deemed authorized, approved, and, to the extent taken before the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, the Reorganized Debtors, or any other Entity, including: (1) assumption and rejection (as applicable) of Executory Contracts and Unexpired Leases; (2) selection of the directors, managers, and officers for each of the Reorganized Debtors and Reorganized Parent; (3) the execution of the New Organizational Documents and the Exit Facilities Documents; (4) the issuance and delivery of the New Equity Interests and incurrence of the Exit Facilities; (5) implementation of the Restructuring Transactions; and (6) all other acts or actions contemplated, or reasonably necessary or appropriate to promptly consummate the transactions contemplated by this Plan (whether to occur before, on, or after the Effective Date). All matters provided for in this Plan involving the company structure of the Debtors, and any company action required by the Debtors in connection therewith, shall be deemed to have occurred on, and shall be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors, the Reorganized Debtors, or Reorganized Parent or otherwise.

Before, on, and after the Effective Date, the appropriate officers, directors, managers, or authorized persons of the Debtors, the Reorganized Parent, or any direct or indirect subsidiaries of the Reorganized Parent (including any president, vice-president, chief executive officer, treasurer, general counsel, secretary, or chief financial officer thereof) shall be authorized and directed to issue, execute, and deliver the agreements, documents, securities, memoranda and articles of association, certificates of incorporation, certificates of formation, bylaws, operating agreements, other organization documents, and instruments contemplated by this Plan (or necessary or desirable to effect the transactions contemplated by this Plan) in the name of and on behalf of the applicable Debtors or applicable Reorganized Debtors, including the (1) New Organizational Documents, (2) Exit Facilities Documents, and (3) any and all other agreements, documents, securities, and instruments relating to or contemplated by the foregoing. Before or on the Effective Date, each of the Debtors is authorized, in its sole discretion, to change its name or corporate form and to take such other action as required to effectuate a change of name or corporate form in the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor. To the extent the Debtors change their names or corporate form before the closing of the Chapter 11 Cases, the Debtors shall change the case captions accordingly.

The authorizations, approvals and directives contemplated by this Article IV.O shall be effective notwithstanding any requirements under non-bankruptcy Law.

P. *Prepetition Intercreditor Agreement*

Notwithstanding anything to the contrary in this Plan, the treatment of, and distributions (including rights to adequate protection and participation in the DIP Term Loan Facility) made to Holders of Prepetition Term Loan Claims shall not be subject to the Prepetition Intercreditor Agreement or the terms thereof (including any turnover and disgorgement provisions), and the Prepetition Intercreditor Agreement shall be deemed so amended to the extent necessary to effectuate same.

Q. *Effectuating Documents; Further Transactions*

Before, on, and after the Effective Date, the Debtors and the Reorganized Debtors and the directors, managers, officers, authorized persons, and members of the boards of directors or managers and directors or managers thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, notes, instruments, certificates, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and provisions of this Plan, the New Organizational Documents, the Exit Facilities Documents, and any Securities issued pursuant to this Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, actions, or consents except for those expressly required pursuant to this Plan or the Transaction Support Agreement.

R. *Authority of the Debtors*

Effective on the Confirmation Date, the Debtors shall be empowered and authorized to take or cause to be taken, before the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of this Plan, the Combined Order, the Definitive Documents, and the Restructuring Transactions.

S. *No Substantive Consolidation*

This Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. This Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in this Plan.

T. *Continuing Effectiveness of Final Orders*

Payment authorization granted to the Debtors under any prior Final Order entered by the Bankruptcy Court shall continue in effect after the Effective Date. Accordingly, the Debtors or the Reorganized Debtors may pay or otherwise satisfy any Claim to the extent permitted by, and subject to, the applicable Final Order without regard to the treatment that would otherwise be applicable to such Claim under this Plan.

U. *Modifications to Executory Contracts and Unexpired Leases*

The Debtors, with the consent of the Required Consenting Term Lenders, are authorized to enter into, and perform under, amendments or modifications of any Executory Contracts or Unexpired Leases with the counterparty to such Executory Contract or Unexpired Lease and pay any amounts due as a result of such amendment or modification.

Article V.
TREATMENT OF EXECUTORY CONTRACTS
AND UNEXPIRED LEASES; EMPLOYEE BENEFITS; AND INSURANCE POLICIES

A. Assumption of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided in this Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court shall be deemed assumed and amended (as necessary to implement the terms of the Restructuring Transactions), as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected (if any), (2) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

Entry of the Combined Order by the Bankruptcy Court shall constitute an order approving the assumption of the Transaction Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Transaction Support Agreement shall be binding and enforceable against the applicable parties thereto in accordance with its terms. For the avoidance of doubt, the assumption of the Transaction Support Agreement shall not otherwise modify, alter, amend, or supersede any of the terms or conditions thereof including, without limitation, any termination events or provisions thereunder.

Entry of the Combined Order by the Bankruptcy Court shall constitute an order approving the assumption of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code, effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to this Plan or by Bankruptcy Court order, and not assigned to a third party on or before the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court.

To the maximum extent permitted by law, unless otherwise provided herein, the transactions contemplated by this Plan shall not constitute a “change of control” or “assignment” (or terms with similar effect) under any Executory Contract or Unexpired Lease assumed pursuant to this Plan, or any other transaction, event, or matter that would (1) result in a violation, breach, or default under such Executory Contract or Unexpired Lease, (2) increase, accelerate, or otherwise alter any obligations, rights, or liabilities of the Debtors or the Reorganized Debtors under such Executory Contract or Unexpired Lease, or (3) result in the creation or imposition of a Lien upon any property or asset of the Debtors or the Reorganized Debtors pursuant to the applicable Executory Contract or Unexpired Lease. Any consent or advance notice required under such Executory Contract or Unexpired Lease in connection with assumption thereof (pursuant to the other provisions of this Article V.A) shall be deemed satisfied by Confirmation.

Notwithstanding anything to the contrary in this Plan, but subject to the *Consent Rights* in Article I.C, the Debtors reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion before the Effective Date and, after the Effective Date, the Reorganized Debtors, shall have the right to amend Rejected Executory Contract/Unexpired Lease List; *provided*, that such right to amend shall not apply to any Unexpired Lease for nonresidential property; *provided, further* that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

The Rejected Executory Contract/Unexpired Lease List shall be filed with the Plan Supplement, *provided* that the Debtors may amend such list (including by adding or removing contracts and leases therefrom) at any time prior to the Effective Date. Notwithstanding anything herein to the contrary, with respect to any Unexpired Lease of nonresidential real property that is listed on the Rejected Executory Contract/Unexpired Lease List, the effective date of the rejection of any such Unexpired Lease shall be the later of (1) the Effective Date and (2) the date upon which the Debtors notify the landlord in writing (email being sufficient) that they have surrendered the premises to the landlord and returned the keys, key codes, or security codes, as applicable. Any property remaining on the premises subject to a rejected Unexpired Lease shall be deemed abandoned by the Debtors or the Reorganized Debtors, as applicable, as of the effective date of rejection, and the counterparty to such Unexpired Lease shall be authorized to use or dispose of any property left on the premises in its sole and absolute discretion without notice or liability to the Debtors or the Reorganized Debtors, as applicable, or any third party.

B. *Payments on Assumed Executory Contracts and Unexpired Leases*

Any monetary default under an Executory Contract or Unexpired Lease to be assumed pursuant to this Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash in the ordinary course of business, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree.

Parties to Executory Contracts and Unexpired Leases assumed by the Debtors pursuant to the Plan shall not be required to File a Proof of Claim or objection to assert or preserve any Cure Cost. Notwithstanding anything to the contrary in the Plan, all Cure Cost shall be Unimpaired by the Plan and all Cure Cost outstanding as of the Effective Date shall remain continuing obligations of the Reorganized Debtors following the Effective Date subject to all parties' rights and defenses with respect thereto.

Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Combined Order, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

In the event of a dispute regarding (1) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365(b) of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (2) any other matter pertaining to assumption, the Bankruptcy Court shall hear such dispute before the assumption becoming effective; *provided*, that the Debtors, with the consent of the Required Consenting Lenders may settle any such dispute and shall pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval. The cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order(s) resolving the dispute and approving the assumption and shall not prevent or delay implementation of this Plan or the occurrence of the Effective Date.

C. *Claims Based on Rejection of Executory Contracts and Unexpired Leases*

Unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Rejection Damages Claims pursuant to this Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the later of (1) the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which shall be the Confirmation Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease); (2) the Confirmation Date; or (3) the date of the order authorizing the rejection of the applicable Executory Contract or Unexpired Lease. **Any Rejection Damages Claims that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Rejection

Damages Claims shall constitute General Unsecured Claims and shall be treated in accordance with Article III.B.

Any Rejection Damages Claims for Executory Contracts or Unexpired Leases that the Debtors, with the consent of the Required Consenting Term Lenders, elect to reject shall be paid in full on the Effective Date, subject to the applicable provisions of the Bankruptcy Code, including sections 502(b)(6) and 510(b); *provided*, that such Claim is not a Subordinated Claim, in which case such Claim shall be treated as a Subordinated Claim pursuant to the terms of this Plan.

D. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, shall be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) that have not been rejected as of the Confirmation Date shall survive and remain unaffected by entry of the Combined Order.

E. *Reservation of Rights*

Nothing contained in this Plan shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X.

F. *Directors and Officers Insurance Policies*

On the Effective Date the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Insurance Policies (including any "tail coverage" and all agreements, documents, or instruments related thereto) in effect before the Effective Date pursuant to sections 105 and 365(a) of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the Bankruptcy Court. Confirmation of this Plan shall not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Insurance Policies, and each such indemnity obligation shall be deemed and treated as an Executory Contract that has been assumed by the Debtors under this Plan as to which no Proof of Claim need be Filed. The Debtors and, after the Effective Date, the Reorganized Debtors shall retain the ability to supplement such D&O Insurance Policies as the Debtors or Reorganized Debtors, as applicable, may deem necessary. For the avoidance of doubt, entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Insurance Policies.

In addition, on or after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or before the Effective Date, with respect to conduct occurring prior thereto, and all current and former directors, officers, and managers of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policies for the full term of such policies regardless of whether such current and former directors, officers, and managers remain in such positions after the Effective Date, all in accordance with

and subject in all respects to the terms and conditions of the D&O Insurance Policies, which shall not be altered.

G. *Other Insurance Contracts*

On the Effective Date, each of the Debtors' Insurance Contracts in existence as of the Effective Date shall be Reinstated and continued in accordance with their terms and, to the extent applicable, shall be deemed assumed by the applicable Reorganized Debtor pursuant to section 365 of the Bankruptcy Code and Article V. Nothing in this Plan shall affect, impair, or prejudice the rights of the insurance carriers, the insureds, or the Reorganized Debtors under the Insurance Contracts in any manner, and such insurance carriers, the insureds, and Reorganized Debtors shall retain all rights and defenses under such Insurance Contracts. The Insurance Contracts shall apply to and be enforceable by and against the insureds and the Reorganized Debtors in the same manner and according to the same terms and practices applicable to the Debtors, as existed before the Effective Date.

H. *Indemnification Provisions and Reimbursement Obligations*

On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth herein, the Indemnification Provisions shall be assumed and irrevocable and shall survive the effectiveness of this Plan, and the New Organizational Documents shall provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members', and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. Notwithstanding anything in this Plan to the contrary, none of the Reorganized Debtors shall amend and/or restate the New Organizational Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

I. *Employee Compensation and Benefits*

1. Compensation and Benefits Programs

Subject to the provisions of this Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) shall be treated as Executory Contracts under this Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program shall be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in this Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, shall be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, shall honor all their obligations under section 1114 of the Bankruptcy Code.

None of the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger any applicable change of control, vesting, termination, acceleration, or similar provisions therein; *provided*, that the Assumed Employee Agreements

shall be assumed and governed by the terms thereof. Subject to the preceding sentence, no counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to this Plan other than those applicable immediately before such assumption.

2. Workers' Compensation Programs

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided*, that nothing in this Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

**Article VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. *Timing and Calculation of Amounts to Be Distributed*

Unless otherwise provided in this Plan, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of the distributions that this Plan provides for Allowed Claims in the applicable Class; *provided*, that any Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors before the Effective Date shall be paid or performed in the ordinary course of business.

In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII. Except as otherwise provided herein, Holders of Claims shall not be entitled to postpetition interest, dividends, or accruals on the distributions provided for herein, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. *Special Rules for Distributions to Holders of Disputed Claims*

Except as otherwise agreed by the relevant parties: (1) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order; and (2) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and

until all objections to the Disputed Claim have been resolved by settlement or Final Order or such Claims or Interests have been Allowed or expunged.

C. *Rights and Powers of Distribution Agent*

1. Powers of the Distribution Agent

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to this Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date and Indemnification

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes in connection with this Plan, but excluding any income, franchise, or similar taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Distribution Agent shall be paid in Cash by the Reorganized Debtors.

D. *Delivery of Distributions*

1. Record Date for Distributions

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. The Distribution Record Date shall not apply to distributions in respect of Securities deposited with DTC, the Holders of which shall receive distributions, if any, in accordance with the customary exchange procedures of DTC or this Plan. For the avoidance of doubt, in connection with a distribution through the facilities of DTC (if any), DTC shall be considered a single Holder for purposes of distributions.

2. Delivery of Distributions in General

Except as otherwise provided herein, the Distribution Agent shall make distributions to Holders of Allowed Claims as of the Distribution Record Date, or, if applicable, to such Holder's designee, as appropriate: (a) at the address for each such Holder as indicated on the Debtors' records as of the Distribution Record Date; (b) to the signatory set forth on any Proof of Claim Filed by such Holder or other Representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have not been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors or the applicable Distribution Agent, as appropriate, after the date of any related Proof of Claim; or (d) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf; *provided*, that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

All distributions to Holders of DIP Claims shall be made to the DIP Agents or the Exit Term Loan Agent, as applicable, and the DIP Agents or the Exit Term Loan Agent shall be, and shall act as, the Distribution Agent with respect to the DIP Claims in accordance with the terms and conditions of this Plan and the applicable debt documents.

All distributions to Holders of Prepetition Term Loan Claims shall be made to the Prepetition Term Loan Agent, and the Prepetition Term Loan Agent shall be, and shall act as, the Distribution Agent with respect to the Prepetition Term Loan Claims in accordance with the terms and conditions of this Plan and the applicable debt documents.

3. Minimum Distributions

Notwithstanding any provision in this Plan to the contrary, no Distribution Agent shall be required to make distributions or payments of less than \$100 (whether in Cash or otherwise) with respect to Impaired Claims. No fractional shares of New Equity Interests shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to this Plan on account of an Allowed Claim would otherwise result in the issuance of a number of shares of New Equity Interests that is not a whole number, the actual distribution of shares of New Equity Interests shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Equity Interests to be distributed under this Plan shall be adjusted as necessary to account for the foregoing rounding. For distribution purposes (including rounding), DTC shall be treated as a single Holder.

4. Undeliverable Distributions

In the event that any distribution to any Holder of Allowed Claims is returned as undeliverable, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one (1) year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder of Claims to such property or interest in property shall be discharged and forever barred.

E. *Compliance with Tax Requirements; Allocations*

In connection with this Plan and all distributions hereunder, the Reorganized Debtors and any other applicable Distribution Agent (including for purposes of this Article VI, the Debtors) shall comply with all applicable withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions hereunder and under all related agreements shall be subject to any such withholding and reporting requirements. Notwithstanding any provision in this Plan to the contrary, the Reorganized Debtors and any other applicable Distribution Agent shall have the right, but not the obligation, to take any and all actions that may be necessary or appropriate to comply with such applicable withholding and reporting requirements, including (a) withholding distributions and amounts therefrom pending receipt of information necessary to facilitate such distributions, including properly executed withholding certification forms, and (b) in the case of a non-Cash distribution that is subject to withholding, withholding an appropriate portion of such property and either liquidating such withheld property to generate sufficient funds to pay applicable withholding taxes (or reimburse the distributing party for any advance payment of the withholding tax) or pay the withholding tax using its own funds and retain such withheld property. Notwithstanding any provision in this Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit, including income, withholding, and other tax obligations, on account of such distribution. Any amounts withheld or reallocated pursuant to this Article VI shall be treated as if distributed to the Holder of the Allowed Claim.

Any Person or Entity entitled to receive any property as an issuance or distribution under this Plan shall, upon request of the Reorganized Debtors or any other applicable Distribution Agent, deliver to the applicable Reorganized Debtor or any other applicable Distribution Agent, or such other Person designated by the Reorganized Debtors or the Distribution Agent, an IRS Form W-9 or, if the payee is a foreign Person or Entity, an applicable IRS Form W-8 (together with all attachments), or any other forms or documents reasonably requested by a Reorganized Debtor or Distribution Agent to reduce or eliminate any withholding required by any Governmental Unit.

The Reorganized Debtors reserve the right to allocate all distributions made under this Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

F. *Applicability of Insurance Contracts*

Notwithstanding anything to the contrary in this Plan, the Plan Supplement, the Disclosure Statement, or the Combined Order (including, without limitation, any provision that purports to be preemptory or supervening, confers Bankruptcy Court jurisdiction, or requires a party to opt out of any releases):

1. on and after the Effective Date, all Insurance Contracts (a) are found to be and shall be treated as, Executory Contracts under this Plan and shall be assumed pursuant to sections 105 and 365 of the Bankruptcy Code by the applicable Debtor, and/or (b) shall vest in the Reorganized Debtors and ride through and continue in full force and effect in accordance with their respective terms in either case such that the Reorganized Debtors shall become and remain jointly and severally liable in full for, and shall satisfy, any premiums, deductibles, self-insured retentions, and/or any other amounts or obligations arising in any way out of the receipt of payment from an Insurer in respect of the Insurance Contracts and as to which no Proof of Claim, Administrative Claim, or Cure Cost claim need be filed; and

2. solely with respect to Insurance Contracts, which, for avoidance of doubt, includes any and all collateral or security securing the Debtor's obligations under the insurance policies, including, without limitation, escrow accounts, deposit accounts, Cash Collateral, and letters of credit, the automatic stay of section 362(a) of the Bankruptcy Code and the injunctions set forth in this Plan, if and to the extent applicable, shall be deemed lifted without further order of this Bankruptcy Court, solely to permit (a) claimants with valid workers' compensation claims or direct action claims against Insurers under applicable non-bankruptcy law to proceed with their claims; (b) Insurers to administer, handle, defend, settle, and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (i) workers' compensation claims, (ii) claims where a claimant asserts a direct claim against an Insurer under applicable non-bankruptcy law, or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in this Plan to proceed with its claim, and (iii) all costs in relation to each of the foregoing; and (c) the Insurers to collect from any or all of the collateral or security provided by or on behalf of the Debtors (or the Reorganized Debtors) at any time and to hold the proceeds thereof as security for the obligations of the Debtors (or the Reorganized Debtors) and/or apply such proceeds to the obligations of the Debtors (or the Reorganized Debtors) under the applicable Insurance Contracts, in such order as the applicable Insurer may determine.

Nothing contained in this Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including Insurers under any Insurance Contracts, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts and/or applicable non-bankruptcy law.

G. *Allocation of Distributions Between Principal and Interest*

Except as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated for United States federal (and applicable state and local) income tax purposes first to the principal portion of such Allowed Claim and, thereafter, to the remaining portion of such Allowed Claim, if any.

H. *No Postpetition Interest on Claims*

Unless otherwise specifically provided for in this Plan, any other Definitive Document, the Combined Order, the DIP/Cash Collateral Orders, or any other Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest shall not accrue or be paid on any Claims and no Holder of a Claim or Interest shall be entitled to interest accruing on or after the Petition Date on any Claim.

I. *Means of Cash Payment*

Payments of Cash made pursuant to this Plan shall be in United States dollars and shall be made, at the option of the Debtors or the Reorganized Debtors (as applicable), by checks drawn on, or wire transfer from, a domestic bank selected by the Debtors or the Reorganized Debtors. Cash payments to foreign creditors may be made, at the option of the Debtors or the Reorganized Debtors, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

J. *Setoffs and Recoupment*

Except as otherwise provided herein, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable bankruptcy or non-bankruptcy law, or as may be agreed to by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to this Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or before the Effective Date (whether pursuant to this Plan, a Final Order or otherwise); *provided*, that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to this Plan shall constitute a waiver or release by such Reorganized Debtor of any such Claims, rights, and Causes of Action.

Notwithstanding anything to the contrary herein, nothing in this Plan or the Combined Order shall modify the rights, if any, of any counterparty to a rejected Executory Contract or Unexpired Lease to assert any right of setoff or recoupment that such party may have under applicable bankruptcy law or non-bankruptcy law, including, but not limited to, the (1) ability, if any, of such parties to setoff or recoup a security deposit held pursuant to the terms of their rejected Unexpired Lease(s) with the Debtors, or any successors to the Debtors, under this Plan, (2) assertion of rights of setoff or recoupment, if any, in connection with Claims reconciliation, or (3) assertion of setoff or recoupment as a defense, if any, to any Claim or action by the Debtors, the Reorganized Debtors, or any successors of the Debtors.

K. *Claims Paid or Payable by Third Parties*

1. Claims Paid by Third Parties

A Claim shall be correspondingly reduced, and the applicable portion of such Claim shall be disallowed without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives a payment

on account of such Claim from a party that is not a Debtor or Reorganized Debtor. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the Reorganized Debtors to the extent the Holder's total recovery on account of such Claim from the third party and under this Plan exceeds the amount of such Claim as of the date of any such distribution under this Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the Reorganized Debtors annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is repaid.

2. Claims Payable by Insurers

No distributions under this Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' Insurance Contracts until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Contract. To the extent that one or more of the Insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such Insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Insurance Contracts

Except as otherwise provided in this Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Contract. Notwithstanding anything to the contrary herein, nothing contained in this Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any other Entity may hold against any other Entity, including Insurers, under any Insurance Contracts or applicable indemnity, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any defenses, including coverage defenses, held by such Insurers.

Article VII. PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. *No Filings of Proofs of Claim*

Except as otherwise provided in this Plan, Holders of Claims shall not be required to File a Proof of Claim, and except as provided in this Plan, no parties should File a Proof of Claim. The Debtors do not intend to object in the Bankruptcy Court to the allowance of Claims Filed; *provided*, that the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under this Plan or is rendered Unimpaired under this Plan. Instead, the Debtors intend to make distributions, as required by this Plan, in accordance with the books and records of the Debtors. Unless disputed by a Holder of a Claim, the amount set forth in the books and records of the Debtors shall constitute the amount of the Allowed Claim of such Holder except that (unless expressly waived pursuant to this Plan) the Allowed amount of such Claim shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. If any such Holder of a Claim disagrees with the Debtors' books and records with respect to the Allowed amount of such Holder's Claim, such Holder must so advise the Debtors in writing within thirty (30) days of receipt of any distribution on account of such Holder's Claim, in which event the Claim shall become a Disputed Claim. The Debtors intend to attempt to resolve any such disputes consensually or through judicial means outside the Bankruptcy Court. Nevertheless, the Debtors may, in their discretion, File with the Bankruptcy Court (or any other court of competent jurisdiction) an objection

to the allowance of any Claim or any other appropriate motion or adversary proceeding with respect thereto. All such objections shall be litigated to Final Order; *provided*, that the Debtors may compromise, settle, withdraw, or resolve by any other method approved by the Bankruptcy Court any objections to Claims.

All Proofs of Claim, other than Rejection Damages Claims, Filed in the Chapter 11 Cases shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim, other than Rejection Damages Claims, Filed against the Debtors, regardless of the time of filing, and including Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in this Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court. **Except as otherwise provided herein, all Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. Allowance and Disallowance of Claims

After the Effective Date, and except as otherwise provided in this Plan, the Reorganized Debtors shall have and shall retain any and all available rights and defenses that the Debtors had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but are not required to, contest the amount and validity of any Disputed Claim or contingent or unliquidated Claim in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (1) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (2) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

C. Claims Administration Responsibilities

Except as otherwise specifically provided in this Plan, after the Effective Date, the Reorganized Debtors shall have the sole authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately before the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to this Plan.

Any objections to Claims and Interests other than General Unsecured Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Claims and Interests other than General Unsecured Claims not objected to

by the end of such 120-day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

Any objections to Rejection Damages Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Rejection Damages Claims not objected to by the end of such 120-day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

Notwithstanding the foregoing, the Debtors and Reorganized Debtors shall be entitled to dispute and/or otherwise object to any General Unsecured Claim in accordance with applicable non-bankruptcy law. If the Debtors or Reorganized Debtors dispute any General Unsecured Claim, such dispute shall be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced; *provided*, that any disputes regarding the Allowance of a Rejection Damages Claim shall be determined by the Bankruptcy Court. In any action or proceeding to determine the existence, validity, or amount of any General Unsecured Claim, any and all claims or defenses that could have been asserted by the applicable Debtor(s) or the Entity holding such General Unsecured Claim are preserved as if the Chapter 11 Cases had not been commenced.

D. Adjustment to Claims or Interests without Objection

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

E. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim.

8. Each document or agreement necessary to effectuate the Plan, including all Definitive Documents, shall have been executed and/or effectuated, shall be in form and substance acceptable to the Required Consenting Term Lenders and Company Parties, and shall be consistent with the Transaction Support Agreement or the DIP & Exit ABL Commitment Letter, as applicable, including the consent rights provided therein, and any conditions precedent related thereto or contained therein shall have been satisfied prior to or contemporaneously with the occurrence of the Effective Date or otherwise waived in accordance with the terms of the applicable Definitive Documents.

9. The Debtors shall have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Restructuring Transactions, and all applicable regulatory or government imposed waiting periods shall have expired or been terminated.

10. All governmental and third-party approvals and consents that may be necessary in connection with the Restructuring Transactions shall have been obtained, not be subject to unfulfilled conditions, and be in full force and effect, and all applicable waiting periods shall have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on the Restructuring Transactions.

11. No court of competent jurisdiction or other competent governmental or regulatory authority shall have issued any order making illegal or otherwise restricting, limiting, preventing, or prohibiting the consummation of any of the Restructuring Transactions.

12. The Debtors shall have paid in full all professional fees and expenses of the Retained Professionals that require the Bankruptcy Court's approval or amounts sufficient to pay such fees and expenses after the Effective Date shall have been placed in the Professional Fee Escrow Account pending the Bankruptcy Court's approval of such fees and expenses.

Following the satisfaction or waiver of the foregoing, concurrently with or immediately following effectiveness of this Plan on the Effective Date:

1. The Existing Equity Interests shall have been canceled and the New Equity Interests shall have been issued by Reorganized Parent and distributed in accordance with the terms of this Plan.

2. The New Equity Interests to be issued and/or delivered on the Effective Date (as set forth in this Plan) shall have been validly issued by Reorganized Parent, shall be fully paid and non-assessable, and shall be free and clear of all taxes, Liens and other encumbrances, pre-emptive rights, rights of first refusal, subscription rights and similar rights, except for any restrictions on transfer as may be imposed by (i) applicable securities Laws and (ii) the New Organizational Documents of Reorganized Parent.

3. All conditions precedent to the effectiveness of the Exit Facilities and all other financing agreements and arrangements contemplated hereunder, as applicable, shall be or have been, as applicable, funded and closed and be in full force and effect.

4. The Releases set forth in this Plan shall be in full force and effect.

5. The Debtors shall have paid in full to the relevant Persons all payments and fees provided for in the Transaction Support Agreement, the Transaction Term Sheet, and applicable Definitive Documents that are payable on, before, or in connection with the occurrence of the Effective Date.

Immediately following effectiveness of the Plan, the Reorganized Debtors shall complete the termination of registration of all Securities under sections 13 and 15(d) of the Exchange Act such that the Reorganized Debtors shall be a private company as soon as reasonably practicable after the Effective Date.

B. *Waiver of Conditions*

Subject to section 1127 of the Bankruptcy Code, the conditions to Confirmation and consummation of this Plan set forth in this Article VIII may be waived by the Debtors, with the consent of the Required Consenting Lenders, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate this Plan. The failure of the Debtors or Reorganized Debtors to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each right shall be deemed an ongoing right that may be asserted at any time.

C. *Effect of Non-Occurrence of Conditions to the Effective Date*

If the Confirmation of this Plan or the Effective Date does not occur with respect to one or more of the Debtors on or before the termination of the Transaction Support Agreement, then this Plan shall, with respect to such applicable Debtor or Debtors, be null and void in all respects and nothing contained in this Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any claims by or Claims against or Interests in the Debtors; (2) prejudice in any manner the rights of the Debtors, any Holders, or any other Person or Entity; (3) constitute an allowance of any Claim or Interest; or (4) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders, or any other Person or Entity in any respect.

D. *Substantial Consummation*

“Substantial consummation” of this Plan, as defined in section 1102(2) of the Bankruptcy Code, shall be deemed to occur on the Effective Date.

Article IX.

DISCHARGE, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Discharge of Claims and Termination of Interests*

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in this Plan, the Combined Order, the Definitive Documents, or in any contract, instrument, or other agreement or document created or entered into, the distributions, rights, and treatment that are provided in this Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, rights against, and Interests in, the Debtors, the Reorganized Debtors, the Estates, or any of their assets or properties,

regardless of whether any property shall have been distributed or retained pursuant to this Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted this Plan. The Combined Order shall be a judicial determination of the discharge of all Claims and Interests subject to the occurrence of the Effective Date.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to this Plan, the provisions of this Plan shall constitute a good-faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Combined Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, the Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. In accordance with the provisions of this Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against the Debtors and the Estates and Causes of Action against other Entities.

B. *Releases by the Debtors*

To the fullest extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, is and is deemed to be, forever and unconditionally released, and absolved by each Debtor, Reorganized Debtor, and the Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction,

(8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act or omission, transaction, agreement, event, or other occurrence related to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Debtors do not release Claims or Causes of Action (1) that are of a commercial nature and arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed or (2) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, Claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by each of the Released Parties, including the Released Parties' substantial contributions to facilitating the Restructuring Transactions and implementing this Plan; (2) a good-faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

C. *Releases by Holders of Claims and Interests*

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the

Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

D. *Exculpation*

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of this Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with this Plan, the Disclosure Statement,

the Definitive Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of this Plan; *provided*, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with this Plan or assumed pursuant to this Plan or Final Order of the Bankruptcy Court; *provided*, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of this Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to this Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan or such distributions made pursuant to this Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. *Permanent Injunction*

Except as otherwise expressly provided in the Transaction Support Agreement, this Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to this Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11 Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to

Article IX hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. *SEC Reservation of Rights*

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF PLAN

A. *Modification of Plan*

Subject to the terms of the Transaction Support Agreement and the limitations contained in this Plan, the Debtors or Reorganized Debtors reserve the right to, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court, in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Transaction Support Agreement: (1) amend or modify this Plan before the entry of the Combined Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code; (2) amend or modify this Plan after the entry of the Combined Order in accordance with section 1127(b) of the Bankruptcy Code and the Transaction Support Agreement upon order of the Bankruptcy Court; and (3) remedy any defect or omission or reconcile any inconsistency in this Plan in such manner as may be necessary to carry out the purpose and intent of this Plan upon order of the Bankruptcy Court. L. *Nonseverability of Plan Provisions upon Confirmation*

If, before Confirmation, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted; *provided*, that any such alteration or interpretation shall be acceptable to the Debtors and the Required Consenting Term Lenders. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of this Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Combined Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to this Plan and may not be deleted or modified without the consent of the Debtors; and (3) nonseverable and mutually dependent.

M. *Closing of Chapter 11 Cases*

The Reorganized Debtors shall, promptly after the full administration of the Chapter 11 Cases, File with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

N. *Conflicts*

To the extent that any provision of the Transaction Support Agreement, the Disclosure Statement, or any order entered before Confirmation (for avoidance of doubt, not including the Combined Order) referenced in this Plan (or any exhibits, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of this Plan, this Plan shall govern and control; *provided, however*, that the parties to the Transaction Support Agreement shall use commercially reasonable efforts to eliminate any such inconsistency by agreement prior to the provisions of this section becoming applicable and enforceable; *provided, further*, that the foregoing shall not abrogate any party's consent rights. To the extent that any provision of this Plan conflicts with or is in any way inconsistent with any provision of the Combined Order, the Combined Order shall govern and control.

O. *No Strict Construction*

This Plan is the product of extensive discussions and negotiations between and among, *inter alia*, the Debtors, the Consenting Stakeholders, and their respective professionals. Each of the foregoing was represented by counsel of its choice who either participated in the formulation and documentation of, or was afforded the opportunity to review and provide comments on, this Plan and the Disclosure Statement, the exhibits and schedules thereto, and the other agreements and documents ancillary or related thereto. Accordingly, unless explicitly indicated otherwise, the general rule of contract construction known as "contra proferentem" or other rule of strict construction shall not apply to the construction or interpretation of any provision of this Plan and the Disclosure Statement, the exhibits and schedules thereto, and the other agreements and documents ancillary or related thereto.

Financial Projections

SOLICITATION VERSION

Overview to Financial Projections

As a condition to Confirmation, the Bankruptcy Code requires, among other things, the Bankruptcy Court to find that entry of a Confirmation Order is not likely to be followed by either a liquidation or the need to further reorganize the Debtors or any successor to the Debtors. In accordance with this condition and in order to assist each holder of a Claim in determining whether to vote to accept or reject the *Prepackaged Joint Plan of Reorganization of The Container Store Group, Inc. and Its Debtor Affiliates under Chapter 11 of the Bankruptcy Code* (the “*Plan*”), the Debtors’ management team (“*Management*”), with the assistance of the Debtors’ restructuring advisors, developed financial projections (the “*Financial Projections*”) to support the feasibility of the Plan, which were prepared as of December 22, 2024.

The Financial Projections are based on a number of assumptions made by Management, within the bounds of their knowledge of the Debtors’ and their non-Debtor affiliates’ business and operations, with respect to the future performance of the Debtors’ operations. In addition, the Financial Projections contain statements which constitute “forward looking statements” within the meaning of the Securities Act and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Forward-looking statements in these projections include the intent, belief, or current expectations of the Debtors and members of their Management with respect to the timing of, completion of, and scope of the current restructuring, the Plan, the Debtors’ strategic business plan, bank financing, debt and equity market conditions, and future liquidity, as well as the assumptions upon which such statements are based. Although Management prepared the Financial Projections in good faith and believes the assumptions to be reasonable, it is important to note that the Debtors can provide no assurance that such assumptions will be realized. Because future events and circumstances may well differ from those assumed and unanticipated events or circumstances may occur, the Debtors expect that the actual and projected results will differ and the actual results may be materially greater or less than those contained in the Financial Projections and from those contemplated by such forward-looking statements. No representations can be made as to the accuracy of the Financial Projections or the Debtors’ ability to achieve the projected results. Therefore, the Financial Projections may not be relied upon as a guarantee or as any other form of assurance as to the actual results that will occur. The inclusion of the Financial Projections herein should not be regarded as an indication that the Debtors considered or consider the Financial Projections to reliably predict future performance. Accordingly, in deciding whether to vote to accept or reject the Plan, creditors should review the Financial Projections in conjunction with a review of the risk factors set forth in the Disclosure Statement and the assumptions and risks described herein, including all relevant qualifications and footnotes.

AS ILLUSTRATED BY THE FINANCIAL PROJECTIONS, THE DEBTORS BELIEVE THEY WILL HAVE SUFFICIENT LIQUIDITY TO PAY AND SERVICE THEIR DEBT OBLIGATIONS AND TO OPERATE THEIR BUSINESSES. THE DEBTORS BELIEVE THAT CONFIRMATION AND CONSUMMATION ARE NOT LIKELY TO BE FOLLOWED BY THE LIQUIDATION OR FURTHER REORGANIZATION OF THE DEBTORS. ACCORDINGLY, THE DEBTORS BELIEVE THAT THE PLAN SATISFIES THE FEASIBILITY REQUIREMENT OF SECTION 1129(a)(11) OF THE BANKRUPTCY CODE.

The Financial Projections were not prepared with a view toward compliance with published rules of the Securities and Exchange Commission or the American Institute of Certified Public Accountants regarding projections. The Debtors’ independent auditor has not examined, compiled, or performed any procedures with respect to the prospective financial information contained in this exhibit and, accordingly, they do not express an opinion or any other form of assurance on such information or its achievability. The Debtors’ independent auditor assumes no responsibility for and denies any association with the prospective financial information.

Accordingly, neither the Debtors nor the Reorganized Debtors intend to and disclaim any obligation to: (1) furnish updated Financial Projections to holders of Claims prior to the Effective Date or to any other party after the Effective Date, except as required by the Plan; (2) include any such updated information in any documents that may be required to be filed with the Securities and Exchange Commission; or (3) otherwise make such updated information publicly available. The Debtors do not intend to update or otherwise revise the Financial Projections to reflect circumstances that may occur after their preparation, or to reflect the occurrence of unanticipated events, even in the event that any or all of the underlying assumptions are shown to be in error.

Additional information relating to the principal assumptions used in preparing the Financial Projections is set forth below.

THE FINANCIAL PROJECTIONS ARE BASED UPON A NUMBER OF SIGNIFICANT ASSUMPTIONS. ACTUAL OPERATING RESULTS AND VALUES MAY VARY SIGNIFICANTLY FROM THESE FINANCIAL PROJECTIONS.

Select Assumptions of the Financial Projections

The Financial Projections are based on, but not limited to, factors such as industry performance and general business, economic, competitive, regulatory, market, and financial conditions, as well as the assumptions detailed below. Many of these factors and assumptions are beyond the control of the Debtors and do not take into account the uncertainty and disruptions of business that may accompany an in-court restructuring. Accordingly, the assumptions should be reviewed in conjunction with a review of the risk factors set forth in the Disclosure Statement.

- **Methodology:** The Financial Projections were developed by Management with the assistance of the Debtors’ restructuring advisors and are presented solely for purposes set forth herein and in the Disclosure Statement to which the Financial Projections are attached as Exhibit D. No representation or warranty, express or implied, is provided

SOLICITATION VERSION

in relation to the fairness, accuracy, correctness, completeness, or reliability of the information, opinions, or conclusions expressed herein.

- **Plan and Effective Date:** The Financial Projections assume that the Plan will be consummated in accordance with its terms and that all transactions contemplated by the Plan will be consummated by January 31, 2025 (the “**Effective Date**”). Any significant delay in the Effective Date may have a significant negative effect on the operations and financial performance of the Debtors, including an increased risk or inability to meet sales forecasts, increased risk of supply chain disruption, and the incurrence of higher reorganization expenses. Although the Financial Projections represent the Debtors’ best estimates and good faith judgment of the results of future operations, financial position, and cash flows of the Company, they are only estimates and actual results may vary considerably from such Financial Projections. Consequently, the inclusion of the Financial Projections herein should not be regarded as a representation by the Debtors, the Debtors’ advisors, or any other person that the projected results of operations, financial position, and cash flows of the Company will be achieved.
- **Projection Period:** The Debtors prepared the Financial Projections based on, among other things, the anticipated future financial condition and results of operations of the Debtors using their business plan. Management developed and refined the business plan and prepared consolidated Financial Projections of the Company for the fiscal years ending March 2025 (fiscal year (“**FY**”) 2024) through March 2029 (FY 2028) (the “**Projection Period**”).
- **Scope of Projections:** The Debtors prepared the Financial Projections on a consolidated basis. As such, the Financial Projections reflect the projected financial activity of both the Debtors and their non-Debtor affiliates.
- **Operating Impacts:** The Financial Projections incorporate multiple operating considerations including, but not limited to:
 - Current and projected market conditions in which the Debtors operate;
 - No material changes to existing operations;
 - The Financial Projections do not consider any potential impact of the application of “fresh start” accounting under Accounting Standards Codification 852, “Reorganizations” (“**ASC 852**”) that may potentially apply upon the Effective Date. If the Debtors determine the need to fully implement fresh start accounting, differences from the depiction presented are anticipated and those differences may be material. If required to apply the provisions of ASC 852, upon emergence, the Debtors will be required to determine the amount by which their reorganization value as of the Effective Date exceeds, or is less than, the fair value at the time, which may be based on any event, such valuation, and the determination of the fair value of the Debtors’ assets and liabilities, will be made as of the Effective Date.
 - The differences between the amounts of any or all of the foregoing items as assumed in the Financial Projections and the actual amounts thereof as of the Effective Date may be material.

THE INDEPENDENT AUDITOR FOR THE DEBTORS HAS NOT EXAMINED, COMPILED OR OTHERWISE PERFORMED ANY PROCEDURES ON THE FOLLOWING PROSPECTIVE FINANCIAL INFORMATION, AND CONSEQUENTLY, DOES NOT EXPRESS AN OPINION OR ANY OTHER FORM OF ASSURANCE WITH RESPECT TO THE PROSPECTIVE FINANCIAL INFORMATION.

NOTES TO FINANCIAL PROJECTIONS

Notes to the Projected Consolidated Statements of Operations

Note 1 – Revenue

Revenue primarily reflects the Company's in-store, online, and B2B revenue for General Merchandise, Custom Spaces, Shipping and Delivery, and Installation. Consolidated revenue is projected to be approximately \$816 million during FY 2025, with year-over-year growth of 7%, 6%, and 10% in FY 2026, FY 2027, and FY 2028, respectively. This growth is forecasted to be driven primarily by increases in Custom Spaces sales as well as 4 new store openings in FY 2027 and 5 new store openings in FY 2028.

During FY 2024, approximately 33% of the Company's total revenue is projected from Custom Spaces, which is expected to grow during the Projection Period due to increased brand awareness, additional design experts, continued expansion of Preston (including Project Simple), and growth of Garage+ and Décor+. The Company anticipates this upward trend in Custom Spaces to continue, reaching approximately 37% of total revenue by FY 2028.

Modest growth of approximately 1% in General Merchandise from FY 2024 to FY 2025 is driven by improved inventory in-stocks, newness that aligns with the core, and increased attachment with Custom Spaces sales. General Merchandise sales are expected to increase through FY 2028 due to slightly higher average ticket size and improved customer engagement driving higher traffic conversion.

Note 2 – Cost of Goods Sold / Gross Margin

Cost of Goods Sold primarily includes the cost of merchandise purchased and inbound freight. Cost of Goods Sold also includes costs associated with installation services and shipping and delivery to customers.

Consolidated gross margin as a percentage of net sales is projected at approximately 57% during FY 2024. This is forecast to improve modestly to 58% during FY 2025, as higher margin Custom Spaces sales increase as a percent of revenue. Further improvements are forecasted, with gross margin improving to 59% by FY 2028, driven by continued improvements in Custom Spaces penetration, improved pricing discipline and in-stock and other merchandising initiatives.

Note 3 – Selling, General, & Administrative

Selling, General, & Administrative (“SG&A”) costs include all employee-related expenses for all store, distribution center and employees at the Company's corporate headquarters. SG&A costs also include marketing, rent and other occupancy costs for the Company's stores, distribution centers, and head office, information technology costs, ordinary course professionals, supplies and store visuals for the Company's stores, contract hauling, credit card fees, and all other administrative overhead.

As a percent of revenue, SG&A costs are projected to decrease from 54% during FY 2024 to 50% during FY 2028 driven largely by leverage of fixed costs in addition to cost savings initiatives (e.g., store labor optimization and operating expense cost management).

Note 4 – Depreciation & Amortization

Depreciation & Amortization represents depreciation of property, plant and equipment and amortization of intangible assets.

Note 5 – Interest Expense

Interest Expense over the Projection Period is based upon the Company's current (FY 2024) and anticipated (FY 2024 – FY 2028) capital structure immediately before and following the consummation of the Plan. This is made up of cash interest and fees on long-term debt.

Note 6 – Income Tax Expense / (Benefit), Net

For FY 2024, the Company is projecting approximately \$19 million in Income Tax Benefit. The Company forecasts Income Tax Expenses from FY 2025 onwards, as taxable income is generated. The projections do not account for any tax obligations as a result of consummating the Plan. These amounts could vary significantly pending final tax analysis of the transactions under the Plan.

Note 7 – Restructuring Expenses

Restructuring Expenses projected in FY 2024 are based on estimated restructuring professional costs and other bankruptcy or closing fees related to consummation of the Plan. No further restructuring costs are expected beyond this.

Note 8 – Other Expense / (Income), Net

Other Expense / (Income), net primarily includes non-recurring items, Stock-Based Compensation Expenses, pre-opening costs and miscellaneous corporate costs.

SOLICITATION VERSION**Note 9 – Other EBITDA Add Backs**

Other EBITDA Add Backs include miscellaneous non-recurring items, non-cash rent, pre-opening costs, and Stock-Based Compensation Expenses.

Notes to the Projected Consolidated Balance Sheets**Note 10 – Cash and Cash Equivalents**

Cash and Cash Equivalents represents the consolidated cash balance of the Company for all entities and subsidiaries, including cash balances from their respective operating and store-level accounts.

Note 11 – Inventories

Inventories primarily represents merchandise inventory, including inventory-in-transit.

Note 12 – Prepaid Expenses and Other Current Assets

Prepaid Expenses and Other Current Assets primarily consists of prepaid rent, insurance, taxes, software, and other prepaid operating expenses. Other current assets include certain receivables, including income taxes receivables and other miscellaneous assets.

Note 13 – Other Long-Term Assets

Other Long-Term Assets are composed primarily of Net Property and Equipment (“**P&E**”), Net Goodwill, & Other Intangible Assets non-current operating leases, investments in subsidiaries, non-current prepaid expenses, other miscellaneous long-term assets.

Property and Equipment (“**P&E**”), net is composed primarily of leasehold improvements, IT software and hardware, machinery and equipment, and furniture and fixtures, net of accumulated depreciation. The book value of P&E is subject to material change based on accounting analysis of the Company’s financials upon emergence.

Goodwill, Net & Other Intangible Assets, net is composed of intangible property, specifically tradenames.

Note 14 – Accounts Payable

Accounts Payable represents outstanding merchandise and non-merchandise payables to third-party trade vendors and service providers as well as intercompany payables.

Note 15 – Accrued Expenses & Other Current Liabilities

Accrued Expenses & Other Current Liabilities includes current operating lease liabilities, accrued and unpaid expenses primarily relating to payroll, employee benefits, merchandise returns, merchandise credit card breakage, liability on account gift cards (net of accrued breakage), customer prepaids, sales return, sales and income taxes, and interest, and other miscellaneous current accrued liabilities. Operating Lease Liabilities, current includes with respect to all stores, distribution centres, corporate office, and miscellaneous equipment.

Note 16 – Debt –New ABL Facility

The New ABL facility represents the Debtors’ exit financing ABL, a \$140 million revolving credit facility maturing twenty four months from the Petition Date. The interest rate is SOFR+4.25% per annum, subject to a 2.00% SOFR floor. For illustrative purposes, it is assumed to be refinanced at the same rate through the end of FY 2028.

The Debtors’ previous ABL balance of approximately \$80 million is assumed to be paid in full using the proceeds of the New ABL facility shortly after the Petition Date in accordance with the Interim DIP Order.

Note 17 – Debt – Term Loan B Facility

The Term Loan B Facility represents the Debtors’ \$75 million term loan maturing April 30, 2029. The interest rate is SOFR+5.00% per annum, subject to a 1.50% SOFR floor. For illustrative purposes, it is assumed to be refinanced at the same rate through the end of FY 2028.

Interest under the Term Loan B facility is paid-in-kind (“PIK”) until LTM EBITDA reaches \$75 million for four consecutive quarters. Additionally, amortization is waived until maturity.

Note 18 – Debt – New Money Facility

The New Money Facility represents the Debtors’ exit financing term loan, a \$40 million Term Loan maturing January 31, 2029. The interest rate is SOFR+6.50% per annum, subject to a 2.00% SOFR floor. The Company has the option to PIK up to 550 bps of interest until LTM EBITDA reaches \$50 million for four consecutive quarters. For illustrative purposes, it is assumed to be refinanced at the same rate through to the end of FY 2028.

SOLICITATION VERSION**Note 19 – Other Long-Term Liabilities**

Other Long-Term Liabilities are predominantly composed of non-current operating lease liabilities, non-current deferred tax liabilities and other non-current long term accrued liabilities. Operating Lease Liabilities, non-current liabilities includes with respect to all stores and distribution centers, the corporate office, and miscellaneous equipment.

Note 20 – Shareholders' Equity / (Deficit)

Shareholders' Equity represents the net book value of shareholders' equity. The net book value varies materially from the fair market value of equity.

Notes to the Projected Consolidated Statement of Cash Flows**Note 21 – Non-Cash Adjustments**

Non-Cash Adjustments represents the addback for non-cash transactions, including depreciation & amortization, non-cash interest, non-cash rent, stock-based compensation, deferred tax expenses or benefits, and miscellaneous other adjustments.

Note 22 – Change in Working Capital

Change in Working Capital primarily consists of changes in inventory, accounts payable, accounts receivable, and accrued expenses. FY 2024 assumes a decrease in working capital driven by a reduction in accounts payable, partially offset by a reduction in inventories. Working capital decreases from FY 2025 to FY 2027 are driven by improved inventory efficiency, among other working capital focus areas by management.

Note 23 – Capital Expenditures

Capital Expenditures are primarily driven by a combination of store renovations / updates, new store openings in FY 2027 and FY 2028, maintenance requirements, manufacturing and distribution center upgrades, and investments in information technology.

Note 24 – Other Investing Activity

No material other investing activities are forecast.

Note 25 – Borrowings / (Paydown) on ABL

Borrowings / (Paydown) on ABL reflects borrowings and paydowns on the Prepetition ABL facility prior to the Petition Date. The borrowings on the New ABL facility are assumed to be equal to the outstanding balance on the Prepetition ABL facility, resulting in net zero impact on Borrowings / (Paydown) at the time of the funding of the New ABL facility.

Note 26 – New Money Investment

New Money Investment represents the \$40 million New Money Facility described in Note 18.

Note 27 – Other Financing Activities

No material other financing activities are forecast.

Exhibit D

Liquidation Analysis

LIQUIDATION ANALYSIS

I. INTRODUCTION

Section 1129(a)(7) of the Bankruptcy Code, often called the “best interests test,” requires that a bankruptcy court find, as a condition of confirmation, that the chapter 11 plan provides, with respect to each class, that each holder of an allowed claim either (i) has accepted the plan of reorganization, or (ii) will receive or retain under the plan property of a value, as of the plan’s assumed effective date, that is not less than the value such non-accepting holders would receive or retain if the debtors were to be liquidated under chapter 7 of the Bankruptcy Code.

Accordingly, to demonstrate that the proposed Plan satisfies the “best interest” of creditors test, the Debtors, with assistance from their restructuring advisors, have prepared the following hypothetical liquidation analysis (“*Liquidation Analysis*”), in connection with the Plan and the Disclosure Statement.¹

The Liquidation Analysis indicates the estimated recoveries that may be obtained by Classes of Claims or Interests assuming a hypothetical liquidation under chapter 7 of the Bankruptcy Code upon disposition of the Debtors’ assets as an alternative to the Plan. Accordingly, the values discussed in the Liquidation Analysis may be different from amounts referred to in the Plan. The Liquidation Analysis is based on certain assumptions in the Disclosure Statement and in the accompanying notes to the Liquidation Analysis.

II. STATEMENT OF LIMITATIONS

The determination of the costs of, and proceeds from, the hypothetical liquidation of the Debtors’ assets in a chapter 7 case is an uncertain process involving the extensive use of significant estimates and assumptions that, although considered reasonable by the Debtors based upon their business judgment and input from certain of their advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in an actual chapter 7 liquidation. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable good faith estimate of the proceeds that would be generated if the Debtors’ assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. The Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in the Liquidation Analysis was not compiled or examined by independent accountants in accordance with standards promulgated by the American Institute of Certified Public Accountants.

NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY. NOTHING CONTAINED IN THIS LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THIS LIQUIDATION ANALYSIS. THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.

III. OVERVIEW AND GENERAL ASSUMPTIONS

Hypothetical chapter 7 recoveries set forth in this Liquidation Analysis were determined through multiple steps, as set forth below. The basis of the Liquidation Analysis is the Debtors’ projected cash balance and assets as of December 22, 2024 (the “*Conversion Date*”) and the net costs to execute the administration of the wind down of the Estates. The Liquidation Analysis assumes that the Debtors would commence a chapter 7 liquidation on or about the Conversion Date under the supervision of a single court-appointed chapter 7 trustee. The selection of a separate chapter 7 trustee for one or more of the Estates likely would result in substantially higher administrative expenses associated with the chapter 7 cases from a large duplication of effort by each trustee and his or her professionals. In addition, the selection of separate chapter 7 trustees likely would give rise to complicated, expensive, and time-consuming disputes regarding certain inter-Debtor issues. The Liquidation Analysis reflects the wind down and liquidation of

¹ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the *Disclosure Statement for the Prepackaged Joint Plan of Reorganization of The Container Store Group, Inc. and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*.

substantially all the Debtors' remaining assets and the distribution of available proceeds to Holders of Allowed Claims during the period after the Conversion Date.

Summary Notes to Liquidation Analysis

1. **Dependence on Assumptions.** The Liquidation Analysis depends on a number of estimates and assumptions. Although developed and considered reasonable by the management and the restructuring advisors of the Debtors, the assumptions are inherently subject to significant economic, business, regulatory and competitive uncertainties, and contingencies beyond the control of the Debtors or their management. The Liquidation Analysis is also based on the Debtors' best judgment of how numerous decisions in the liquidation process would be resolved. Accordingly, there can be no assurance that the values reflected in the Liquidation Analysis would be realized if the Debtors were, in fact, to undergo such a liquidation and actual results could vary materially and adversely from those contained herein.
2. **Dependence on a Forecast Balance Sheet.** This Liquidation Analysis contains numerous estimates that are still under review and it remains subject to further legal and accounting analysis.
3. **No DIP Facility Assumed.** The Liquidation Analysis assumes no DIP Facilities. The chapter 7 case is assumed to be funded by cash on hand and liquidation of assets.
4. **Chapter 7 Liquidation Process.** The liquidation of the Debtors' assets is assumed to be completed over a period of approximately six (6) months, inside of a chapter 7 case managed by the chapter 7 trustee. The chapter 7 trustee would manage the bankrupt Estates to maximize recovery to creditors as expeditiously as possible and would appoint professionals (attorneys, investment bankers, financial advisors, liquidators, accountants, consultants, appraisers, experts, etc.) to assist in the liquidation and wind down of the Estates. The chapter 7 trustee would oversee the Debtors' inventory liquidation and collection of outstanding accounts receivable in addition to attempting to sell or otherwise monetize other assets owned by the Debtors to one or multiple buyers. During the first four (4) months, the Debtors would complete going-out-of-business sales for all remaining store inventory, furniture, fixtures, and equipment. At the end of this four (4)-month period, the Debtors would reject all corporate, store and distribution center leases immediately and return the spaces to the landlords in broom-swept condition. During the remaining two (2) month-period, the Debtors would primarily focus on monetizing other assets such as intellectual property and other remaining personal property and equipment, as well as administrative activities such as claims reconciliation, distributions to Holders of various Claims, and other activities necessary to wind down the Estates.
5. **Claims Estimates.** In preparing this Liquidation Analysis, the Debtors have preliminarily estimated an amount of Allowed Claims for each Class based upon a review of the Debtors' estimated balance sheet. Administrative Claims were estimated based on the Debtors' financial projections as of the Conversion Date. Additional Claims were estimated to include certain chapter 7 administrative obligations incurred after the Conversion Date. The estimate of all Allowed Claims in this Liquidation Analysis is based on the estimated book value of those Claims, where applicable. No order or finding has been entered or made by the Bankruptcy Court estimating or otherwise fixing the amount of Claims at the estimated amounts of Allowed Claims set forth in this Liquidation Analysis. The estimate of the amount of Allowed Claims set forth in this Liquidation Analysis should not be relied upon for any other purpose, including, without limitation, any determination of the value of any distribution to be made on account of Allowed Claims under the Plan. The actual amount of Allowed Claims could be materially different from the amount of Claims estimated in this Liquidation Analysis.

IV. CONCLUSION

THE DEBTORS HAVE DETERMINED, AS SUMMARIZED IN THE FOLLOWING ANALYSIS, THAT CONFIRMATION OF THE PLAN WILL PROVIDE CREDITORS WITH A RECOVERY THAT IS NOT LESS THAN WHAT THEY WOULD OTHERWISE RECEIVE IN CONNECTION WITH A LIQUIDATION OF THE DEBTORS UNDER CHAPTER 7 OF THE BANKRUPTCY CODE.

V. LIQUIDATION ANALYSIS RESULTS

Presented below is a summary of asset recoveries and distributions to various classes of claims resulting from the hypothetical Liquidation Analysis.²

² The estimated claim amounts reflected above may differ from the estimated claims included elsewhere in the Disclosure Statement because of differing assumptions between the Plan and this hypothetical chapter 7 liquidation.

VI. NOTES FOR PROCEEDS AVAILABLE FOR DISTRIBUTION**Note [1] – Cash and Cash Equivalents**

The Liquidation Analysis assumes 100% recovery for all projected cash and cash equivalents at the Conversion Date.

Note [2] – Accounts Receivable

Accounts receivable consist of credit card receivables, Intercompany receivables, and other receivables on the Debtors' balance sheet. The Liquidation Analysis assumes 100% of credit card receivables are collectable in the High Case and 90% are collectable in the Low Case, consistent with the advance rate on credit card receivables per the borrowing base of the Prepetition ABL Facility. The Liquidation Analysis assumes 75% of other receivables are collectable in the High Case and 25% are in the Low Case. The Prepetition ABL Facility does not include any availability on account of other receivables. Intercompany receivables are not considered due to Intercompany payables in excess of the Intercompany receivable balance.

Note [3] – Inventory

The Liquidation Analysis assumes inventory of approximately \$147.0 million as of the Conversion Date. Inventory is assumed to be sold through orderly going-out-of-business sales using all existing stores. Recovery estimates and timelines are based on a third-party appraisal. Estimated recovery is based on the net recovery on cost of inventory, which accounts for costs related to selling through the inventory such as occupancy, payroll, liquidation fees, freight, and other general selling expenses. The Liquidation Analysis assumes that only 75% of the net recovery on cost of inventory is achieved in the High Case, to account for additional

risk associated with Chapter 7, forced nature of the liquidation, and unfavorable seasonality associated with the proposed liquidation timing. The Liquidation Analysis also assumes that the net recovery on cost of inventory in the Low Case is 20% lower than the third-party appraisal estimate used in the High Case, to account for potential changes in market conditions since the appraisal and incremental risk associated with the forced liquidation. The blended range of recoveries on inventory is between 50.1% and 70.1% of book value.

Note [4] – Prepaid Expenses

Prepaid expenses consist of prepayments for advertising, insurance, rent and other expenses. The Liquidation Analysis assumes 50% of prepaid insurance is recoverable in the High Case and no prepaid expenses are recoverable in the Low Case.

Note [5] – Income Tax Receivable

The Income Tax Receivable represents federal or state tax refunds that the Debtors are entitled to for prior period tax overpayments, subject to the finalization of audits and subsequent payment by relevant tax authorities. The Liquidation Analysis assumes 100% of the estimated refunds are collectable in the High Case but 0% are collectable in the Low Case, due to the risk of audit or position from tax authorities that refunds should be offset against future tax liabilities

Note [6] – Plant, Property and Equipment

PP&E assets primarily consist of Machinery and Equipment, Furniture and Fixtures, Computer Hardware, Leasehold Improvements, and Software.

Machinery and Equipment, Furniture and Fixtures, and Computer Hardware are held across the Debtors' stores, distribution centers, and corporate support center. Recoveries are estimated between 2.5% and 5.0%.

Leasehold Improvements are capitalized improvements to leasehold stores, and Construction in Progress are ongoing improvements and IT projects that have not yet been put into service and started being depreciated. No recoveries are expected for either of these.

Software relates to purchased software, much of which has specific applications to the Debtors' business. No recoveries are expected.

The blended recovery range for PP&E is 2.4% to 4.8% of estimated book value.

Note [7] –Intangibles

Intangibles are comprised wholly of The Container Store Tradenames. The Liquidation Analysis assumes 7% recovery on the fair market value of Intangibles in the High Case and no recovery in the Low Case, as the liquidation value of the Intangibles would be materially lower than fair market value.

Note [8] – Other Assets

Other Long-Term Assets is primarily representative of lease right-of-use assets which are assumed to have zero recovery value. Other Long-Term Assets also includes deposits, investments in subsidiaries, non-qualified retirement plan assets, and other immaterial assets. The blended recovery range for Other Assets is 0.0% to 0.6%.

Note [9] – Equity in Non-Debtor Subsidiaries

Equity in Non-Debtor Subsidiaries represents the estimated value of the Debtors' interest in the Elfa Non-Debtor subsidiaries in a liquidation scenario. The recovery value in the Low Case is assumed to be zero as the Elfa Non-Debtor subsidiary is significantly dependent on the Debtors as a customer to achieve profitability and a sustainable level of cash flow generation. If the Debtors were to liquidate, it is unclear if any party would attribute value to the equity of the Non-Debtor subsidiaries and/or be willing to take on the liabilities of the Non-Debtor subsidiaries. The recovery value in the High Case is assumed to be approximately \$11.5 million. A revenue multiple for manufacturing companies, discounted by 50% for the highly distressed nature of the sale, and further reduced by the funded debt outstanding, was used for the High Case estimate.

II. WIND DOWN COSTS

Note [10] – Chapter 7 – Legal & Advisor Fees

Chapter 7 professional fees include costs for restructuring counsel, local counsel, financial advisor, and other professionals. These fees are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [11] – Chapter 7 – Trustee Fees

Consistent with statutory guidelines, the chapter 7 trustee fee is estimated at 3% of total distributions to interested parties. These fees are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [12] – Liquidation Fees & Expenses

Liquidation fees and expenses for realization on Accounts Receivable, PP&E, and Equity in Non-Debtor Subsidiaries are assumed to be 4% of gross recoveries. The Liquidation Analysis assumes the Trustee will retain brokers, auctioneers, and relevant professionals to assist in the marketing and liquidation of these assets. The fees for Accounts Receivable and PP&E liquidation are allocated to ABL recoveries and the fees for Equity in Non-Debtor Subsidiaries liquidation are allocated to Term Loan recoveries.

Note [13] – Accrued Payroll & Payroll Taxes

Accrued payroll and associated taxes are estimates as of the Conversion Date and are assumed to be paid in the normal course as part of the wind down process, as failure to pay these expenses would likely have a destabilizing effect on the orderly wind down of the Debtors' Estates. These costs are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [14] – Accrued Sales Taxes

Accrued sales taxes are estimates as of the Conversion Date and are assumed to be paid in the normal course as part of the wind down process, as failure to pay these expenses would likely have a destabilizing effect on the orderly wind down of the Debtors' Estates. These costs are allocated to the estimated recoveries on ABL priority assets.

Note [15] – Other Wind Down Costs

Other wind down costs include other corporate overhead required to facilitate the liquidation process, including six (6) months of technology cost required to execute transition of data to Chapter 7 Trustee and professionals, 25% of corporate payroll required to transition of knowledge and support the Chapter 7 Trustee and professionals, sales tax incurred in association with the liquidation of assets during the Chapter 7 period, and other indirect G&A costs associated with the liquidation. The Debtors' would need to incur such costs in order to achieve the estimated recoveries on assets. With the exception of sales tax incurred on liquidation of assets, these costs are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [16] – Gift Card Realization

Gift cards are assumed to be accepted during the first 30 days of the going-out-of-business sale period to drive traffic to the stores and online channels. It is assumed that 20% to 40% of gross outstanding gift card balances will be redeemed. The gift card realization is allocated to the estimated recoveries on ABL priority assets.

III. SECURED CLAIMS

Note [17] – ABL Claims

The ABL Claims are estimated to be \$88.3 million, based on \$80.0 million of current outstanding borrowings under the Prepetition ABL Facility, \$7.5 million of committed letters of credit, and \$0.8 million of accrued and unpaid interest and fees. All net recoveries from cash, inventory, accounts receivable, and related assets are used to satisfy these claims in full. The Liquidation Analysis estimates 41.4% to 95.2% on the ABL Claims.

Note [18] - Term Loan Claims

The Term Loan Claims are estimated to be \$166.9 million, including \$3.7 million of accrued and unpaid interest and fees. All net recoveries from Equity in Non-Debtor Subsidiaries are used to satisfy these claims in full. Additionally, the Liquidation Analysis

assumes these claims would be paid from any excess proceeds after payment of the ABL Claims in full. The Liquidation Analysis estimates 0% to 4.4% on the Term Loan Claims.

IV. ADMINISTRATIVE AND PRIORITY CLAIMS

Note [19] – Administrative and Priority Claims

Administrative and priority Claims estimates include, but are not limited to, 503(b)(9) Claims, Priority Tax Claims, and accrued expenses and other Administrative Claims as of the Conversion Date. The Liquidation Analysis estimates no recoveries on account of these Claims.

V. UNSECURED CLAIMS

Note [20] – General Unsecured Claims

General Unsecured Claims include estimated trade payables and other accrued expenses, lease rejection damage claims, and various other general unsecured claims. The Liquidation Analysis estimates no recovery to Holders of General Unsecured Claims.

- **Accounts Payable, Accrued Expenses and Other Current Liabilities** represent estimates as of the Conversion Date.
- **Lease rejection damage claims** were calculated as the greater of (a) one year's rent or (b) 15% of the remaining lease term, not to exceed three (3) years' rent.

An internal investigation is underway performed to consider the value of any Affirmative Claims. As of the date hereof, while the Investigation is ongoing, the Debtors have not identified any Affirmative Claims that either exist, are expected to have a material value, or are expected to have immaterial value that would exceed the costs of pursuing such claims. As such, no Affirmative Claims are included.

IT SHOULD BE NOTED THAT NO ORDER OR FINDING HAS BEEN ENTERED OR MADE BY THE BANKRUPTCY COURT ESTIMATING OR OTHERWISE FIXING THE AMOUNT OF CLAIMS AT THE ESTIMATED AMOUNTS OF ALLOWED CLAIMS SET FORTH IN THE LIQUIDATION ANALYSIS. THE ESTIMATE OF THE AMOUNT OF ALLOWED CLAIMS SET FORTH IN THIS LIQUIDATION ANALYSIS SHOULD NOT BE RELIED UPON FOR ANY OTHER PURPOSE, INCLUDING, WITHOUT LIMITATION, ANY DETERMINATION OF THE VALUE OF ANY DISTRIBUTION TO BE MADE ON ACCOUNT OF ALLOWED CLAIMS UNDER THE PLAN. THE ACTUAL AMOUNT OF ALLOWED CLAIMS COULD BE MATERIALLY DIFFERENT FROM THE AMOUNT OF CLAIMS ESTIMATED IN THIS LIQUIDATION ANALYSIS.

EXHIBIT E**Valuation Analysis**

THE VALUATION INFORMATION CONTAINED HEREIN IS NOT A PREDICTION OR GUARANTEE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PLAN. THIS VALUATION IS PRESENTED SOLELY FOR THE PURPOSE OF PROVIDING ADEQUATE INFORMATION AS REQUIRED BY SECTION 1125 OF THE BANKRUPTCY CODE TO ENABLE THE HOLDERS OF CLAIMS ENTITLED TO VOTE TO ACCEPT OR REJECT THE PLAN TO MAKE AN INFORMED JUDGMENT ABOUT THE PLAN AND SHOULD NOT BE USED OR RELIED UPON FOR ANY OTHER PURPOSE, INCLUDING THE PURCHASE OR SALE OF CLAIMS AGAINST THE DEBTORS OR ANY OF THEIR AFFILIATES.

Solely for purposes of the Plan and the Disclosure Statement,¹ Houlihan Lokey Capital, Inc. (“*Houlihan Lokey*”), as investment banker and financial advisor to the Debtors, has estimated a potential range of total enterprise value (“*Total Enterprise Value*”) and implied equity value (“*Equity Value*”) of the Reorganized Debtors on a going-concern basis and pro forma for the transactions contemplated by the Plan.

In preparing the estimates set forth below, Houlihan Lokey has relied upon the accuracy, completeness, and fairness of financial and other information furnished by the Debtors. Houlihan Lokey did not attempt to independently audit or verify such information, nor did it perform an independent appraisal of the assets or liabilities of the Reorganized Debtors. Houlihan Lokey did not conduct an independent investigation into any of the legal or accounting matters affecting the Reorganized Debtors, and therefore makes no representation as to their potential impact on the Total Enterprise Value.

The valuation information set forth in this section represents a valuation of the Reorganized Debtors based on the application of standard valuation techniques. The estimated values set forth in this section:

- do not purport to constitute an appraisal of the assets of the Reorganized Debtors;
- do not constitute an opinion on the terms and provisions or fairness from a financial point of view to any person of the consideration to be received by such person under the Plan;
- do not constitute a recommendation to any holder of Allowed Claims or Interests as to how such person should vote or otherwise act with respect to the Plan; and
- do not necessarily reflect the actual market value that might be realized through a sale or liquidation of the Reorganized Debtors.

In conducting its analysis, Houlihan Lokey, among other things: (a) reviewed certain publicly available business and financial information relating to the Debtors and the specialty retail industry that Houlihan Lokey deemed relevant; (b) reviewed certain internal information relating to the business, earnings, cash flow, capital expenditures, assets, liabilities, and prospects of the Reorganized Debtors, including the Financial Projections, furnished to Houlihan Lokey by the Debtors; (c) conducted discussions with members of senior management and representatives of the Debtors concerning the matters described in clauses (a) and (b) of this paragraph, as well as their views concerning the Debtors’ and Reorganized Debtors’ business and prospects before and after giving effect to the Plan; (d) reviewed publicly available financial and stock market data for certain other companies in lines of business that Houlihan Lokey deemed relevant; (e) reviewed the financial terms of certain transactions that Houlihan Lokey deemed relevant;

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Disclosure Statement to which this Valuation Analysis is attached.

(f) reviewed drafts of the Plan and related transactional documents; and (g) conducted such other financial studies and analyses and took into account such other information as Houlihan Lokey deemed appropriate.

The estimated values set forth herein assume that the Reorganized Debtors will achieve their Financial Projections in all material respects. Houlihan Lokey has relied on the Debtors' representation that the Financial Projections:

- have been prepared in good faith;
- are based on fully disclosed assumptions, which, in light of the circumstances under which they were made, are reasonable;
- reflect the Debtors' best currently available estimates; and
- reflect the good faith judgments of the Debtors.

Houlihan Lokey does not offer an opinion as to the attainability of the Financial Projections. As disclosed in the Disclosure Statement, the future results of the Reorganized Debtors are dependent upon various factors, many of which are beyond the control or knowledge of the Debtors and Houlihan Lokey, and consequently are inherently difficult to project. This analysis contemplates facts and conditions known and existing as of December 22, 2024, the date of the Disclosure Statement. Events and conditions subsequent to this date, including updated Financial Projections, as well as other factors, could have a substantial effect upon the Total Enterprise Value. Among other things, failure to consummate the Plan in a timely manner may have a materially negative effect on the Total Enterprise Value. For purposes of this valuation, Houlihan Lokey has assumed that no material changes that would affect value will occur between December 22, 2024 and the assumed Effective Date projected for purposes of this valuation of January 31, 2025.

In preparing its valuation, Houlihan Lokey performed a variety of financial analyses and considered a variety of factors. The following is a brief summary of the material financial analyses considered by Houlihan Lokey, which consisted of (a) a comparable public company analysis, (b) a precedent transactions analysis, and (c) a discounted cash flow analysis.

This summary does not purport to be a complete description of the analyses performed and factors considered by Houlihan Lokey. The preparation of a valuation analysis is a complex analytical process involving various judgmental determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to particular facts and circumstances, and such analyses and judgments are not readily susceptible to summary description. The following valuation analysis must be considered as a whole and selecting just one methodology or portions of the analysis could create misleading or incomplete conclusions as to enterprise value.

Valuation Methodology

The Total Enterprise Value of the Reorganized Debtors was estimated by primarily relying upon three generally accepted valuation techniques: (i) Comparable Company Analysis, and (ii) Precedent Transactions Analysis, and (iii) Discounted Cash Flow ("**DCF**") analysis.

a. Comparable Company Analysis

The comparable company analysis estimates the value of a company based on a relative comparison with other publicly traded companies with similar operating and financial characteristics. A group of publicly traded companies was selected based on similar business and financial characteristics to the Reorganized Debtors. Such characteristics include, but are not limited to, similarity in business and business risks, growth prospects, distribution channels, target demographics, market presence, size, and scale of operations. The selection of appropriate comparable companies is often difficult and relies on certain qualitative judgements, as is the case here. The enterprise value for each selected public company is determined by examining the trading

prices for the equity securities of such company in the public markets and adding the outstanding net debt for such company. Such enterprise values are typically expressed as multiples of various measures of financial and operating statistics, most commonly EBITDA, including projected levels of EBITDA. Multiples and representative EBITDA levels for projected calendar year 2024 and calendar year 2025 were used. The Total Enterprise Value of the Reorganized Debtors is calculated by applying these relevant selected multiples to the Reorganized Debtors' historical financials and Financial Projections.

b. Precedent Transactions Analysis

The precedent transactions analysis involves identifying and examining public merger and acquisition transactions that involved companies whose business and operating characteristics are generally similar to the Reorganized Debtors, although no selected company is either identical or directly comparable to the Reorganized Debtors. From a review of this group, Houlihan Lokey then developed a range of valuation multiples to apply to the Financial Projections to derive a range of implied enterprise values for the Reorganized Debtors' operations.

c. Discounted Cash Flow Analysis

The discounted cash flow analysis is a forward-looking enterprise valuation methodology that estimates the value of an asset or business by calculating the present value of expected future cash flows to be generated by that asset or business. Houlihan Lokey's discounted cash flow analysis used the Financial Projections and their implied after-tax cash flows through March 31, 2029. These cash flows were then discounted at a range of estimated weighted average costs of capital, which was determined by reference to, among other things, the capital structure of selected companies that are similar to the Debtors in certain respects and the estimated cost of equity of selected publicly traded companies that are similar to the Debtors in certain respects. Houlihan Lokey's discounted cash flow analysis also included an estimate of the value of the Reorganized Debtors for the period beyond March 31, 2029, known as the terminal value. The terminal value was calculated using the Gordon Growth Method, applying a perpetual growth rate to the free cash flow in the final year of the projection period. This value was then discounted back to the assumed Effective Date. The growth rate was informed by the long-term growth prospects of the Reorganized Debtors, as well as industry trends and economic conditions. The discounted cash flow analysis involves complex considerations and judgments concerning appropriate terminal values and discount rates.

Estimated Total Enterprise Value and Implied Equity Value

As a result of the analysis described herein, Houlihan Lokey estimated the Total Enterprise Value of the Reorganized Debtors as of the assumed Effective Date of January 31, 2025 to be between approximately \$184 million and \$216 million, with a midpoint of \$200 million. Based on the estimated Total Enterprise Value and assumed net debt of approximately \$176 million as of the Effective Date, the implied Equity Value of the Reorganized Debtors is between approximately \$8 million and \$41 million, with a midpoint of \$24 million.

The estimate of the Total Enterprise Value set forth herein is not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein depending on the results of the Debtors' operations or changes in the financial markets. Additionally, these estimates of value represent hypothetical enterprise and equity values of the Reorganized Debtors as the continuing operator of their businesses and assets, and do not purport to reflect or constitute appraisals, liquidation values or estimates of the actual market value that may be realized through the sale of any securities to be issued pursuant to the Plan, which may be significantly different than the amounts set forth herein. Such estimates were developed solely for purposes of formulation and negotiation of the Plan and analysis of implied

relative recoveries to creditors thereunder. The value of an operating business such as the Debtors' business is subject to uncertainties and contingencies that are difficult to predict and will fluctuate with changes in factors affecting the financial condition and prospects of such businesses.

Houlihan Lokey's estimated valuation range of the Reorganized Debtors does not constitute a recommendation to any Holder of Allowed Claims or Interests as to how such person should vote or otherwise act with respect to the Plan. The estimated value of the Reorganized Debtors set forth herein does not constitute an opinion as to the fairness from a financial point of view to any person of the consideration to be received by such person under the Plan or of the terms and provisions of the Plan. Because valuation estimates are inherently subject to uncertainties, none of the Debtors, the Reorganized Debtors, Houlihan Lokey, nor any other person assumes responsibility for their accuracy or any differences between the estimated valuation ranges herein and any actual outcome.
